N J Region AACA June 2017 Presidents Message

Supporting our Neighbor AACA Regions

I have noticed a recent trend of participation in recent region activities. South Jersey AACA Region members entered their cars in our spring meet. Both South Jersey and Ontelaunee AACA Regions joined in at the pig roast. Many New Jersey AACA Region members attend Das Awkscht Fest, Ontelaunee Regions annual meet in Macungie PA. This is a great trend. We need to support our neighboring regions. After all, we are all part of the same family.

On the National level I have seen the same trend taking place. Neighboring regions have given support to national meets held in Florida, California, West Virginia and Missouri. This team work has made some of the most enjoyable national events I have attended. The Founders Tour a couple of years ago was a joint effort here in New Jersey taking the national tour from Cape May to High Point State Park!

Have you checked out the regional calendar of events listed in Antique Automobile Magazine? If not, you may be missing out on some great events that are not too far from home. Check it

out. I'm sure the other regions will appreciate our participation in their events just as much as I appreciate their participation in ours. Let's all be good neighbors.

The 702nd Region Meeting was called to order at precisely 8:00 p.m.

All were asked to rise for recital of the Pledge of Allegiance

It should be noted that **VP Jerry Peck** was a last minute substitute for ailing **President Wayne Tuck**.

In an unusual move, **Ray Fischer** explained the reason for **President Tuck's** absence due to serious heart problems, even as the meeting is progressing. Presently, **President Tuck** is being transported to Deborah Heart and Lung Center Brownsville, NJ for open heart surgery. He is currently receiving the best medical treatment available. At this point it is just too early to predict the outcome. Cards and well-wishes from our members will be appreciated. **Ray** also tells us **Don Bell** is recovering from heart problems (angioplasty), and is doing well. NEW BUSINESS

1) Participation Points Chair, Vince DeLisi, with his committee has been hard at work revamping our *Participation Points Program*. Pages of changes were brought in front of our interested membership. After his dissertation, **Chair DeLisi** received a round of applause from all members present.

2) Set 'em up, knock 'em down: Abe Platt, who is no shrinking violet, recommended a round of applause for **Bob Hudak**. **Bob** has been visiting assisted living places, and giving information to **Abe** for future assisted living meets. Annual Region Picnic & August Meeting

August 13, 2017 11AM - ??

It seems that we just had an only taste of Spring and we're already planning our Picnic for what is practically the second half of the Summer Car Hobby season! Looking at the current Region calendar of events, there are a lot of opportunities to use your 'classic' vehicles - almost every weekend. Well here's another chance to show off your newest addition, or recent restoration, and invite you AND your old vehicle to participate at this year's picnic! The turnout of old cars at our picnic over the past few years has resulted in the picnic being the Region's second largest display of vehicles during the year

Remember that our picnic will once again be held at the same VFW facility as our monthly meetings – but just on the 'other side' of the back doors (outside). For directions, please see meeting announcement on the inside cover of this Road Map.

From my own records, this is the 13th year for me as the chairman, but I have had several great helpers over the years, and hope same happens again this time! Also, thanks to the large covered pavilion, all 17 picnic tables will be protected from both sunny and not so sunny weather! As a result, this will be a rain or shine event.

Since everything has worked out so well in the past, I'm not going to change any of the picnic details. You can arrive any time around 11am. Be sure to wear your Region name badges, as an abbreviated August monthly Club business meeting will be conducted, **in lieu of the 'first Thursday' regular meeting**, while I get the BBQ fired up. The festivities should end about 3 pm.

To recognize the membership, the Region has decided to waive the cost for all members attending this year's picnic. However, there will be a \$5 charge per adult (under 12 free) for any friends and guests that you may want to bring along (also waived if they apply for AACA membership that day!). It's time to start thinking about which of your favorite side dishes or desserts you want to prepare to bring and share, as the Region will again supply the basics - hamburgers, turkey burgers, franks, grilled chicken, ice and soft drinks.

As usual, we will need a few members to arrive a little bit earlier than the crowd (anytime between 10:00 and 11:00 am) to help me set-up for the festivities – see me at the July meeting if you think you can help in any way! I hope to see many members and their cars at this year's Picnic.

Pete Cullen, Jr.
Picnic Chairman

The temperatures were so hot at the 2016 Region Picnic that it was held indoors!

The region's 2nd largest car show, the picnic!

August 26, 2017 (Rain or shine)

9:00 AM to 12:00 Noon

On Saturday, August 26, 2017 we are scheduled to conduct an Antique Automobile Enjoyment Event for the Residents of The Chelsea Assisted Living/Senior Living facility of Warren. This event is an Open House for the Chelsea and the general public is invited to view the facility and to enjoy our antique automobiles. This is a new event for us, as the Community Relation Director, Melanie Varnerin, reached out to the NJ Region AACA to organize this event. The Chelsea is located at 274 King George Road in Warren, NJ 07059; (908) 903-0911. Our arrival/assembly time is scheduled for around 8:30 am and we will assemble in our designated parking area at the rear of the facility. If there is a chance of rain or it is raining, the “Car Show” will be located in the very spacious and well lighted parking garage beneath the Senior Living facility on this campus. We will be provided with breakfast in the dining area of the Senior Living facility; while the residents, the staff, and the general public wander about to look at our beautiful antique automobiles. The residents, staff and the general public will vote on their favorite car(s) and the three cars that receive

the most votes will get a nice prize. Come join your friends from the NJ Region AACA as well as members of the assisted living and senior living communities. Again, this is a rain or shine event. If you have any problems or questions, please contact Abraham Platt (732) 752-6341 or via email abeplatt@aol.com. **The Chelsea at Warren will be providing us with a generous donation for our participation in this event.**

BROOKDALE OF FLORHAM PARK
ASSISTED LIVING

SEPT 16TH 12:00-3:00PM

Brookdale of Florham Park, formerly known as Wynwood, has invited the NJ Region AACA for the fourth consecutive year to display our vehicles at their facility in conjunction with "National Assisted Living Week". They have a beautiful facility with a nice location for our display. There is plenty of shade, and also a gazebo adjacent to the parking area. They will offer prizes to the 1st, 2nd, and 3rd place winners, as chosen by the residents. Our gracious host Nicole Klinzing promises a lunch much improved over what was served last year.

Nicole has stated that this year's event will have two antique fire engines in attendance, so bring the children & grandchildren. In addition, there will be a dunk tank and a caricature artist as fundraisers. There will be music, a barbeque lunch, and some vendors in attendance.

The date is Saturday September 16th 12:00 to 3:00PM, with a rain date of Sunday Sept. 17th (call Greg 908-403-6486 if inclement weather). Brookdale has invited the residents' families to attend, and will promote the event locally.

Brookdale of Florham Park is located at 8 James Street, Florham Park, NJ, at the corner of Hanover Road. The facility is just one block from Columbia Turnpike (County Highway 510), which is easily accessible from Route 24. (This is right down the road from where we had our Spring Meet for many years.)

The event chairman is Gregory Roser. Call 908-403-6486 or e-mail g.rosen@verizon.net if you have any questions. This was a really enjoyable and well attended event in previous years. Let's again make it a big success.

Eastern Star Assisted Living

September 23, 2017

(Held rain or shine)

September 23, 2017 members of the New Jersey Region, AACA (and our friends at the Raritan River Region, CLC) are invited to Eastern Star Home. This is our oldest and dearest facility (as well as our best lunch stop). Last year, Eastern Star was putting the finishing touches on an extensive renovation. However their management proved their resourcefulness. Freshly laid blacktop awaits a strong contingent of the nicest collector cars to be had. Gone is the errant visit of a hard working bulldozer. This year the newly planted shade trees will offer us more protection from the late summer sun. We will also see the permanent results we've been hearing about. Eastern Star Home is located at 11 Finderne Avenue Bridgewater NJ (908)722-4140.

Although two events are scheduled for today, each of these stops is considered a separate event. Go to one – go to both: It is your decision.

Any problems or questions? Contact Bernie Cooney. My phone number is (732) 629-7544. Or email dunbar53@optonline.net Day of event call (908)229-9840

2017 Region Fall Foliage Tour **Lukan's Farm Resort, Hawley, PA** **October 13-15, 2017**

Since 2011, the Region has explored the Pennsylvania Pocono area for its Fall Foliage Tour. The key stop, with a Region tourist satisfaction rate of over 100% for our first six tours there, is Lukans Farm Resort! This year, we will again make the trip on the weekend AFTER Hershey.

We've reserved all 24 rooms for Region members, but the hold is valid only until July 8th. Expanding on the process started last year, we've been asked to handle the reservations a bit differently. Due to the possibility of last minute changes in tourist's plans, Lukans has asked that the Club handle the deposit monies and keep track of the reservations until the group is finalized. So, there is no need to call Lukans to reserve your room, nor to send them a deposit directly.

This is how reservations will be done this year:
Step #1 - Email Pete Cullen at oldcarz57@aol.com to add your name to the list. Step #2 - Write a check for \$100, payable to "NJ Region AACA" and hand it to Pete at a meeting or Region event, or mail it USPS to Pete Cullen, 20 Valley View Road, Verona NJ, 07044. Step #3 - Get your car ready and packed!

We are just starting to think about the Friday activities for the group on the way up to Lukans, and any suggestions on area attractions would be appreciated. A full day train ride and BBQ lunch along the Lackawaxen River is being scheduled for Saturday.

So here are the facts for 2017:

WHERE: Lukans Farm Resort 539 Long Ridge Road, Hawley, PA 18428.

DETAILS: Phone: 570-226-4574
Internet: www.lukans.com

WHEN: Friday, October 13 through Sunday October 15, 2017.

HOW MUCH: Approximately \$400 plus tax & tips/Couple, Double Occupancy, includes spacious room (can sleep two couples), and 4 meals while there. (Deluxe rooms are \$202/night, Poolside are \$196/night, including planned four meal plan)

WHAT NOW: In order to fully occupy Lukans and be the only group staying that weekend, and recognizing that fall is a peak time, they will hold the rooms until **SATURDAY, JULY 8th for any Region member**. If interested you must follow the above reservation instructions. A deposit of \$50 per person, or \$100/couple will be required.

Also note that there are only 24 rooms at Lukans, and as for the last several years, it is first come, first served. If you are late and are told all rooms are taken, I can add your name to the wait list, as a few members have had to make last minute cancellations in the past.

Alternately, as Lukans dining room is open to the public for meals, and if you plan to be in the area during the tour, you are welcome to join in the fun for just a day trip or even a one night stay.

More details about the stops will be provided in a future article. We look forward to another interesting, if not relaxing, weekend!

Go ahead and make your reservations **NOW!**

Why AACA?

By Mary Bartemeyer

Vice President -
Publications

Many times I am asked "Why should I belong to AACA? Perhaps this is one woman's opinion but here is what I have found from personal experience. I am lucky enough to have several vehicles, partly because I'm old and have never sold any of the cars I purchased new. But I didn't realize how old I was until my first brand new car became an antique at 25 years. Each of my vehicles has a club devoted specifically to that vehicle and I'm sure they are great clubs however there is not enough time in the world to do justice to each and every one. AACA has given me the opportunity to show and drive all my vehicles. From my Dad's 26 Model T Ford to our 78 Chevrolet Suburban, all have a place in AACA. At each show you can run the gambit from the early 1900's to 1992. Not only fully restored vehicles, but also original and driver participation entries. Where else can you get all that history all in one place? There

are tours that specialize in early and later cars, with something at a speed for every car. Of course we have a world famous publication "Antique Automobile" with an Editor, West Peterson, who pours his heart and soul into every issue. Our Library continues to grow. New collections are arriving all the

time. If you need information about your auto, I'll bet you can find it there. Along that same line is the knowledge of our club members. One local Region member wanted to buy a new vehicle but was hesitant since he didn't know all the ins and outs of the vehicle and what to look out for. After one phone call to a member he not only had his info, but 3 other members to augment his thoughts. The depth of knowledge that our members contain is undeniable, as is their willingness to help.

Last but not least, I have made so many friends from all over the country. I have expanded my knowledge of not only my vehicles but all the vehicles of the AACA. At our last meet in Auburn where we had a joint meet with the Classic Car Club of America, not only did our member vehicles shine, those of the Classic Car Club enhanced our experience.

I guess it gets down to this – Why not AACA?

Editor's Note; As some of you know, I have been taking a lot of heat from certain individuals (Donna Elliot ☹) because I ask this question at the Palm Springs National Meet Roundtable this spring in an attempt to get "the ball rolling" and create discussion! Apparently, it wasn't such a stupid question!!

From the Editor's Desk

These past months have been especially busy for me. In order to have the time to attend the AACA Vintage Tour in Wellsboro, PA, I had to work (for money) every day the week prior to the tour and every day the week after the tour. During this three weeks, there were other occurrences that required my attention in my "for money" endeavors, causing the requirement that I also work every day since the Vintage Tour.

Although I am re-tired (note the hyphen!), I am committed to help these people who pay me the money that supports my habit; antique cars. Should I refuse when they need me because my time is taken up by non-paying adventures (such as the Road Map), these people would simply offer to show me the door. Permanently.

I provide a service. Like the Chinese Laundryman says, "No tickie, no washie!"

Therefore, I apologize for the bifurcation and untimeliness of the last several Road Maps, but it has been unavoidable if I wish to continue to have the funds to maintain my antique cars and travel to meets.

Respectfully submitted,
Art Briggs, #1469, Editor

1955 Thunderbird

I always wanted a 1955 Thunderbird. To let Dave know that this is the car I wanted I kept a picture of a 1955 Thunderbird hanging on the refrigerator door. Every time Dave went to get a snack he saw the picture!

Dave went to California to buy a Zimmerman car and came back with the Thunderbird. Mr. Zimmerman decided not to sell the Zimmerman car after Dave flew out there. When he told Mr. Zimmerman he would have to look for a 1955 Thunderbird instead, he knew just where Dave could buy one. His trip to California was not in vain as I got my 1955 Thunderbird!

1978 Silver Anniversary Stingray

There is one car that I have always yearned for. As a young mother, I spent most of my life behind the wheel of a station wagon or minivan but in my mind that Chevy Astro was in fact a sleek curvy Stingray. Well my dear husband probably was tired of listening to me tell everyone that I was looking for a Corvette. The game was afoot! He began to research, joined the Corvette forum, announcing that there were years we did NOT want due to reliability issues, giving me a list of the years that seemed less trouble than others. I would talk to everyone I could about Corvettes, usually they would shake their heads and tell me the happiest day was when they sold that car. I was not deterred. We have a system, Roger picks the cars from a mechanical view point, I choose the color (sexist I know, but it works). So there it was, my 1978 Silver Anniversary Stingray, silver with white leather interior, I was in love! Roger was happy with the engine, and felt it drove well. We bought it.

So I would love to tell you how much I love to drive it but the truth is I haven't. I sat in the driver's seat and looked out over that hood. The hood that went on beyond the horizon line. I have no idea where it ended, obviously this is why men back into parking spaces - they don't know either. I love my new car, I love looking at it in the garage, and having my husband drive it for me!

Help Us Create a Special Tire Registry to Show Demand

We live in an economy which is about 70% consumption based. Suppliers respond to perceived demand. The AACA vehicle owners currently have a weak spot in that demand cycle.

Primarily GM, Ford and Chrysler vehicles from 1975 through 1978. Most called for GR78-15, HR78-15 and LR78-15 tires.

I will log all of the information I receive into a database. Once the number of entries is sufficient to gain attention, I will present a summary to Coker, Kelsey & Universal to get their attention.

Please spread the word. We need to build demand!

Please contact me with year, make/model, tire size & contact information.
