N J Region AACA June 2017 Presidents Message

LOOKING FORWARD

By now I hope most of our members have had the opportunity to look at our newly designed website. Leif is still working diligently on getting all the components added. Tim Schimmel has established a PayPal account that will be added to the site enabling prospective members to sign up and pay their initial dues on line. Existing members will also have the option of renewing their membership annually on line as well. Maybe we could

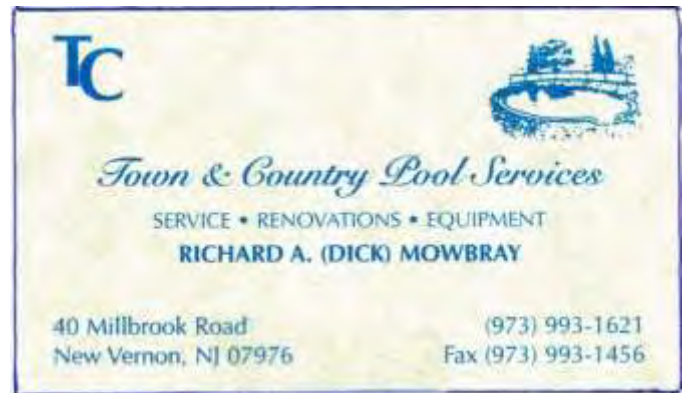

establish an online store to make club paraphernalia available some time in the future?

My first few presidents messages talked about the great legacy this club proudly holds. Now let's take a look at where we go from here. Based on the growth of other regions, our club has remained fairly constant in membership. In order to increase membership we need to evaluate where to reach new potential members.

Greg Roser is chairing our new membership recruitment initiative. There are several initiatives currently in progress. Jerry Peck is working diligently to assemble a membership booth that will be utilized at events to attract more members. Leif Mangulson will be working on establishing search engines to attract potential members to our website. Plans are in motion to attend more events where our membership booth can be utilized. Bill Pritchett has designed a beautiful tri-fold club introduction guide that will be the main part of the recruiting packets we are assembling to show the benefits of joining our region.

What can you do to help our club grow? The answer is easy. Carry a few of the recruitment packets in your glove box to give out when a potential new member asks about our club. Volunteer to work at the membership booth Jerry is putting together. Pick up a few of the special printed labels to put on your old AACA magazines and leave them in waiting rooms. Tell members of the Marque car clubs you belong to that AACA membership enhances their old car experiences. Consider chairing events where other car enthusiasts are present and we can recruit new members. You are the most important part of our membership drive. We will do our best to supply the tools you need to get the job done.

Not to give membership a short shrift, **Wayne** showed us a new mini membership promotional Mustang card from National. **Wayne** had melded that with the **Pritchett** trifold region brochure (thank you **Stephanie & Bette**).

Treasurer's Report: was given by **Tim Schimmel**. A motion to approve Tim's report was unanimously approved.

OLD BUSINESS

NEW BUSINESS:

Ed Geller (in absentia) – A change of the New Jersey Region's constitution and by-laws was presented to all members present. The reason

of this change is to facilitate new membership in the New Jersey Region, thereby increasing membership.

Currently Article VI Membership, Section 2 reads: Applications for Region membership must be in writing, filed with Secretary and Membership Secretary (or Membership Chairman) accompanied with the dues for the current year, and shall be effective upon presentation and introduction of the applicant at the next regular meeting and the approval of the members present at the next regular meeting following the meeting at which the application and applicant are introduced to the membership.

If approved, Article VI Membership Section 2 would be **changed** to read: Applications for Region membership must be in writing, filed with Secretary and Membership Secretary (or Membership Chairman) either in person, by U.S. Mail, email, or by submission through our website, www.njregionaaca.com, accompanied with the dues for the current year, and shall be effective immediately.

The Membership Secretary (or Membership Chairman) will still introduce the new members, whether or not they are present, at the next meeting.

Items for sale or wanted: **Herb Singe** is looking for a used Zenith carburetor. For a full listing of items for sale and wanted, see the *Road Map*.

50/50: **Bob Smith; P.J. Ehman and Ray Robertozzi** received their spring gardening incentives. The meeting was adjourned precisely at: 9:10 p.m.

Sunrise Senior Living Community

240 Springfield Ave., Westfield, NJ

12:30 to 3:00 PM

This year we will visit a very special Assisted Living Community. We often visit Assisted Living Communities, so we are old hands and know what to expect. But this one is different. During a recent visit to the good-looking tidy facility, one is immediately impressed with the attention to detail. Most facilities routinely care for their residents, but at Sunrise – Westfield there just seem to be more smiles. Smiles from the staff, and smiles from the residents.

Activities Director Mikaela Knight eagerly awaits our visit. It will be a short program, there is no doubt. Mikeala promises that we will be treated with the same care and attention to detail that she gives to one and all. In this short span we will be treated to a bite of lunch,

the residents will vote on their favorite cars, and the residents will award first, second and third place prizes of their own design.

Directions are simple: Via Garden State Parkway, exit US 22 West. When the famous (or infamous) center island disappears, exit Springfield Avenue South (2nd Springfield Ave exit). Follow Springfield Avenue (County Road 577). At the intersection of Broad Street keep left for Springfield Avenue. Springfield Avenue is now CR 509. Sunrise will be on your left, and is extremely visible. If you get lost their phone # is (908) 317-3030. Day of event you may contact me at (908) 229-9840. Anytime before the event, contact me at home: (732) 629-7544, or via email dunbar53@optonline.net.

It should be noted that a club donation will be coming from the fine people at Sunrise, Westfield. Please participate!

Annual Region Picnic & August Meeting

August 13, 2017 11AM - ??

It seems that we just had an only taste of Spring and we're already planning our Picnic for what is practically the second half of the Summer Car Hobby season! Looking at the current Region calendar of events, there are a lot of opportunities to use your 'classic' vehicles - almost every weekend. Well here's another chance to show off your newest addition, or recent restoration, and invite you AND your old vehicle to participate at this year's picnic! The turnout of old cars at our picnic over the past few years has resulted in the picnic being the Region's second largest display of vehicles during the year

Remember that our picnic will once again be held at the same VFW facility as our monthly meetings – but just on the 'other side' of the back doors (outside). For directions, please see meeting announcement on the inside cover of this Road Map.

From my own records, this is the 13th year for me as the chairman, but I have had several great helpers over the years, and hope same happens again this time! Also, thanks to the large covered pavilion, all 17 picnic tables will be protected from both sunny and not so sunny weather! As a result, this will be a rain or shine event.

Since everything has worked out so well in the past, I'm not going to change any of the picnic details. You can arrive any time around 11am. Be sure to wear your Region name badges, as an abbreviated August monthly Club business meeting will be conducted, **in lieu of the 'first Thursday' regular meeting**, while I get the BBQ fired up. The festivities should end about 3 pm.

To recognize the membership, the Region has decided to waive the cost for all members attending this year's picnic. However, there will be a \$5 charge per adult (under 12 free) for any friends and guests that you may want to bring along (also waived if they apply for AACA membership that day!). It's time to start thinking about which of your favorite side dishes or desserts you want to prepare to bring and share, as the Region will again supply the basics - hamburgers, turkey burgers, franks, grilled chicken, ice and soft drinks.

As usual, we will need a few members to arrive a little bit earlier than the crowd (anytime between 10:00 and 11:00 am) to help me set-up for the festivities – see me at the July meeting if you think you can help in any way! I hope to see many members and their cars at this year's Picnic.

National Awards

**By Michael Jones 2016
VP National Awards**

During the 2016 meet & tour season, the National Awards judging team evaluated 3,616 vehicles shown at ten national meets and 244 vehicles participating on three national tours. The Gulf Coast Central Fall Meet in Galveston, Texas, will be treated as a 2017 event since it occurred after Hershey. The National Awards Committee, consisting of twenty-five of the most experienced Senior Master AACA judges, meets each year in Hershey on the first Saturday in December to review all of the nominated vehicles for the year. The team votes to determine the National Award winner in each category. This year 289 owners were nominated for one or more of the prestigious National Awards available to all members. There are over 72 awards for which our

members may compete. We invite everyone to visit the AACA website to become more familiar with the various awards in our world class judging system. Go to <http://www.aaca.org/Publications/national-awards-2.html>. As is the case each year, the competition was extremely keen, making the decisions very difficult. On February 11th, seventy-two award-winning owners, and their vehicles, were recognized for their accomplishments at the National Awards Banquet. National Service Awards were presented to twenty-one recipients for their contribution to the betterment of our hobby and AACA as a whole. Twenty-three Master Webmaster Awards and twenty-four Master Editor Awards will be presented to winners for their contributions to their respective Regions and Chapters. My tenure as the Vice President of the National Awards Committee will come to an end as I complete my fifteenth year as an elected board member and will step down from the leadership position. During my final year on the board, I was proud to have had 100 percent attendance at all of the national meets. It was a fitting end to my involvement with the national awards activities. I will still be an active judge and enthusiastic member of the National Awards Team and will support my successor with great vim and vigor!

Leif Mangulson, our new Webmaster and Social Media Chairman has been hard at work to bring our website up to speed. Check it out. www.njregionaaca.com. He has been working through the problems with our "Members Only" segment and it will be up and running soon.

As for his endeavor to improve our Facebook page, since it has been up and running it has received over 100 "likes."

A number of members have been posting on our Facebook page and sending Leif material for the website. Keep up the good work! Prospective members will see how active we are and just may be induced to join!

1956 Lincoln Premier

I purchased this car in 1959 off the used car lot of a Chrysler dealer on Rt. 9 in Sayerville. I spotted it while on my way to the shore with some friends.

In those days we kids took Rt. 9, 35 and 34 to the shore. Parkway tolls were 25 cents. For that money we could buy 1.3 gallons of gasoline at 18.9 cents a gallon.

The car had just over 30,000 miles on it and I had most of the purchase money. Because I was 18 at the time, my father took out a car loan for the balance and I sent him the payments.

I was in the U.S. Navy at the time, stationed on the U.S.S. Valley Forge CVS-45 out of Norfolk, VA. It was not unusual for me to take a couple guys home to pay for the gas. I often went to Boston on the weekend, which piled the miles on. When my hitch was up the car had over 135,000 miles and was in need of a valve job at the least. So I sold it. Big mistake!!
