N J Region AACA November 2017 Presidents Message

November 2017 “Old Timers” Region Meeting.

When Herb Singe III suggested holding our 706th Region meeting at Herb Singe Junior’s Hillside Museum to Celebrate the club’s long time members my initial thought was “What a great idea!”. Next it was decided the only available day that would work was November 11th.

Next came the questions. How are we going to pull that off?. A daytime meeting? On a Saturday? On Veterans Day, a National Holiday? A day that I will be out of state and unable to attend the meeting? What about lunch? Do we need to register?

Well, with the help of our Vice President, Jerry Peck it appears the questions have been answered and the meeting will take place. Thanks to the generosity of our clubs “most senior member”, Herb Singe Junior, it should be a fantastic event. If you have never seen Herb’s fabulous collection of cars and paraphernalia don’t miss it.

Darn..... sorry I’m going to miss this one but what I will miss the most is the chance to enjoy time with friends and “old time” club members. See you all at our December holiday party!

Road Trip to Stephen Babinsky's Automotive Restorations, Inc.

Saturday, November 18, 2017

Attention antique automobile enthusiasts, I have arranged for an "A Road Trip" to Stephen Babinsky's Automotive Restorations, Inc. facility in Lebanon, NJ. We will meet at the Readington Diner in Whitehouse Station at 8:00 am or so for breakfast. The other dinner in the immediate area is the Spinning Wheel Diner if you want a second choice. We will assemble at the Readington Diner at 9:30 am and proceed to Stephen Babinsky's Automotive Restorations, Inc. facility and start our visit at 10:00 am.

In addition to the visit to and tour of the restoration facility, which presently is the home of John "**Hawkeye**" Hawkinson 1930 Hibbard & Darrin bodied **Minerva**, it is a possibility that we will be treated to a visit to and tour of Mr. Babinsky's private collection of rare and world class vehicles including some automobiles that are Concours D'Elegance veterans. A point of interest, our friend Ralph Marano and his buddy Wayne Carini rescued the "**Hawkeye**" **Minerva** in New York State this past autumn. After touring the restoration facility, we will drive to a so far undisclosed location to see a private collection. The tour is limited to 35 to 40 people. The tour does not have a set ending time and is dependent on the number of

The tour has been scheduled for Saturday, November 18, 2017. If interested, please contact Abraham Platt as soon as possible at (732) 752-6341 or via email at abeplatt@aol.com.

“TRIVIA TIDBITS”
By Gregory Roser

Station wagons are a hot item in today’s collector car market. Many manufacturers used model names that were different than the corresponding sedan models. This month I am testing your knowledge on station wagons. Some of these names were used on non-station wagon models, so don’t be fooled.

- 1) Mercury produced a Cougar station wagon in what two model years?
- 2) Who made a Parklane (not Park Lane) wagon?

- 3) Who made a Del Rio wagon?
- 4) Brookwood, Parkwood, Townsman and Kingswood were what kind of wagons?
- 5) Who made a Country Sedan?
- 6) Who made a Country Cruiser?
- 7) Who made a Town & Country?
- 8) Who made a Cross Country?
- 9) Who made a Country Squire?
- 10) Roundup and Bermuda were made by what manufacturer?
- 11) Who produced a Wagonaire?
- 12) Who produced a Wagoneer?
- 13) What was the last year that a Chevy II Nova wagon was produced?
- 14) Concours and Greenbrier were what kind of wagons?
- 15) What is a Lakewood?
- 16) Pelham, Parkview, Pinehurst and Broadmoor were made by what manufacturer?
- 17) What is a Safari / Grand Safari?
- 18) Who made a Voyager?
- 19) What kind of wagon is a Magnum?
- 20) Who made the Sport Wagon and Estate Wagon?
- 21) Colony Park was made by what manufacturer?
- 22) Who made the Fiesta?
- 23) What is a Commuter?
- 24) Custom Cruiser and Vista Cruiser were made by what manufacturer?
- 25) Who made a Regent and a Suburban wagon?

Fire Extinguishers - What's the big deal?

**By: Roger Irland, Vice-
President, Judging**

So, when's the last time you saw flames erupt at a car show, right? Other than ones painted on a rod...

Well, in my experience, I'm happy to have had an extinguisher handy when I needed it. A number of years ago, I set out for a local cruise night in my 1963 Imperial. As I maneuvered into a parking space, a soft bang and a loss of much-needed steering boost resulted from the high pressure hose bursting. Hot steering fluid sprayed on a hot exhaust manifold meant flames—and not the painted kind. I suppose I could have run over to the Home Depot and bought an extinguisher and I might have beat the Fire Department to the scene... As I had an extinguisher on the floor by the passenger seat, I was able to quickly douse the flames with minimal collateral damage. I drove the car home and did not make the 10 o'clock news.

At a meet in Nebraska, while a steam car was being fired up, some leaking gas caught fire. Not a big conflagration, but nearby extinguishers kept a disaster at bay. So, another good reason to have a fully charged fire extinguisher at the ready is to keep someone else's problem from spreading to your car.

I know some like to keep their extinguisher in the trunk, even held in by a bracket. I have a challenge for you. Have a friend time you as you start from the driver's seat, grab the keys, run around back, open the trunk and free the

fire extinguisher from its bracket and then head back up front to where the problem is. Compare that to reaching under the seat to grab the extinguisher. The cost of a five pound fire extinguisher is nothing compared to the damage that can be prevented when it's available to put to use immediately.

So, you have one for the kitchen, on the way to the basement and one or more hanging in the garage, right?

The Road Map

Thank you to our Participation Points Chairman Vince DeLisi and his "revamp" committee, who recently reviewed our Participation Points program and made recommendations for changes to the program to make it fairer than it was, and to the membership for voting to accept this committee's recommendations!

I'm sure all are aware that the Road Map Editor benefitted by this update. Therefore, I think it may be time to "pass the baton."

For the last over four years I published the Road Map for no participation points and I still managed to win the participation points trophy one of those years. Since the editor now receives points for his efforts, I'm hoping it will be easier to "sell" the job.

Actually, the Road Map is so much work that I believe it should be broken down into 'divisions' to distribute the work. For instance;

- One person could handle the work, looking at tis issue, up to "Past Events" on page 15.
- Another could put together the "Past Events" section, (again looking at this issue) From page 15 up to page 28.

- Another could handle "The Market Place" by following up with members to acquire pictures of what they have for sale and making sure everything available is included.
- Someone could also be the "Advertising Director" to sell ads, to keep track of the ads placed in the publication, send out annual billing and coordinate with the Treasurer regarding payment.
- Distribution. When I took over the Road Map from Chris Werndley, it was supposed to be an electronic publication only. That didn't last one month, and distribution of the hard copies is very time consuming. Once the publication is complete, it must be taken to the printer, approved for production and later picked up from the printer. Then it has to be prepared for mailing and taken to the post office to be mailed. Our wonderful US Postal Service loses an average of one copy every two months. This means doing it all over again for one copy. In addition, reimbursement slips must be completed and sent to our Treasurer (I am currently about 5 months behind on this!).

The above are just suggestions as to how to split up 500 Participation Points and relieve some of the burden of producing a monthly publication, although one person should be "in charge."

Whoever would like to volunteer for this work, with the exception of Distribution, must be computer savvy.

Or perhaps, there is someone out there who would love to handle the entire job and walk away with 500 Participation Points.

At any rate, I took over this publication after Doris Werndly passed away and Chris begged

for months to pass it on, until he set a date certain to resign and no one volunteered, resulting in the fact that there **was no Road Map published for August 2013**. It's quite a story as to how I wound up with it to produce the September 2013 issue, my first. But I'll leave it to "I felt like I was walking down a street in Tia Juana, Mexico and I glanced at a vendor's product" and he followed me for blocks until I relented and bought it!

Since that time, I have been awarded with 2 AACA National Master Editor Awards at AACA Annual meetings in Philadelphia and the very prestigious "The Ann S. Eady Memorial Award" which is presented annually at the AACA Annual Meeting in Philadelphia to an "Editor of a region or chapter newsletter for their contribution to the general welfare and spirit of the Antique Automobile Club of America. Presented by the Southeastern Region of AACA, the trophy itself is Ann S. Eady's typewriter which she used as editor of "Peachtree Parade" from 1965 to 1974."

An editor can only win this award once. I can never win it again. (However, rather unusual is that the New Jersey Region has had two winners. Doris Werndley won it in 1993!)

There are only two regions in AACA that have ever won this award three times and five, including the NJ Region, that have ever won it twice. It would be great for the NJ Region to become the third three-time winner!

It's time to "pass the baton" and give another New Jersey Region member the opportunity to win the Ann S. Eady Award.

I promise, you will not have to "re-create the wheel" as I did, however, with the help of many members, notably Ray Fischer, Duane Copley, Bill Pritchett and Duffy Bell.

At this point I have a file of pictures of members cars, pictures of members, etc., which I will be more than happy to share with you. And I will be more than happy to work with you until you get comfortable with it and "learn the ropes."

Any takers? Contact me!

The 2017 Roster can now be found in the "Members Only" section of the NJ Region AACA website (www.njregionaaca.com). This roster will be updated from time to time, where any printed copies will not be.

If you don't have internet access, I suggest you go to your local library. I'm sure staff there can help you to access & print the roster.

Same goes for the Road Map!

Raymond's Favorite Toy

I am enjoying my exposition race in my 60's Sprint Car, Chevy powered, in-out transmission and quick change rear end and 12" tires made it a fun car to drive.

I purchased this car from Brenda Henshaw. The photo was taken at a track near Albany, NY.

I tried to get Judy to drive it but she wanted nothing to do with it. Sorry I ever sold the car. Had a lot of fun with it.

JERSEY GOES TO IOWA

2017 AACA National Meet Bettendorf, Iowa

The Mississippi Valley Region hosted the 2017 Central Fall National Meet in Bettendorf, Iowa August 17-19th. Five members of the New Jersey Region attended: Wayne & Denise Tuck, Judy & Ray Fischer and Art Briggs. There were about 170 cars registered for the meet.

Wayne handled his duties as National Director, Membership by hosting a Round Table Discussion for all AACA members to attend. Following the Round Table and judging schools, Art Briggs received his Team Captain Certification (congratulations Art!)

The location of the meet was ideal, the hotel, judges breakfast, Sat. Banquet and show were all within walking distance from the headquarters hotel, The Isle of Capri Hotel and Casino (did I just say Casino). Fortunately there was too much to see and do around the "Quad Cities" so very little time to spend in Casino. (good thing since I lost). One of our day trips was to LaClair, IA about 10 miles away. LaClair is home of Antique Archaeology (American Pickers). As seen on TV Antique Archaeology is a very small facility. It has become obviously a tourist "must see" and sells a lot of souvenirs, most the antiques that he Pickers purchase are marked "not for sale". Also in LaClair is the Buffalo Bill Museum honoring the life of Buffalo Bill Cody who was born in LaClair in 1846. Another stop was the I-80 Truck Stop and Truck Museum. AACA Member Jay Crist has his restored milk truck on display in the Museum. Friday evening we

had a dinner cruise along the Mississippi River on a paddle wheeler. The weather was beautiful the day of the show and the cars were spectacular.

The Mississippi Valley Region deserves a big thank you for hosting the meet.

Spring Hills Assisted Living of Morristown

On Monday, September 11, 2017 members of the NJ Region AACA conducted an Antique Automobile Enjoyment Event for the Residents of the Spring Hills Assisted Living facility of Morristown. This was a new event for us as the Community Relations Coordinator, Theresa McGrath, reached out directly to the NJ Region AACA to arrange this event. The Recreation Director, Lunique Cadeau, was our hostess for this event, which was scheduled to coincide with "National Assisted Living Week." Our arrival was scheduled for around 12:30, though some of us did arrive much earlier to make sure all would be set for this event. Ms. Cadeau and the wonderful staff of the Spring Hills Assisted Living facility greeted us and made sure that we were properly settled in. The facility's chef handed out menus to the members so that we could select what we wanted for lunch. Sharon and Princess made sure that we received the specific meal that we requested. While we enjoyed our lunch, the residents, accompanied by the facility's staff, wander around to look at our beautiful antique automobiles. It was a pleasure for Region member to interact with the residents as they reminisced about cars they had owned in the past. This is the reason some or most of us participate in these events. The residents and staff voted on their favorite car(s) and the three cars that receive the most votes were awarded a nice prize. Ms. McGrath checked in with us several times during the event to make sure that all went well and that our needs were satisfied.

The Automobile Enthusiasts that attended this wonderful event included the following: Angela and William Delorenzo with their 2001 Chevrolet Corvette; Bob Rankin with his 1963 Cadillac Series 62 Coupe; Bernie Cooney with his 1985 Cadillac Seville; Kirk Judkins with his

1923 Ford Model T Touring; Richard Reina with his 1967 Alfa Romeo GT 1300; Suds Reddy with his 1998 AC Cobra; Paul Semmler and Gail Stephens with their 1968 Ford Mustang; Bob Smith with his 1932 Dodge Roadster; Duffy Bell with his 1940 Buick Eight; Bob and Marge Graham with their 1965 Chevrolet Impala; and Abe and Ann Platt with Ann's 1988 Mercury Cougar Special Edition. Vehicles from every decade from the 1920s through the early 2000s, except for the 1950s and 1970s were present for all to enjoy. Cars of the 1960's outnumbered the other decades.

I had the pleasure of announcing the three vehicles that received the most votes and the selection of wines were presented by Ms. Cadeau. The third-place prize was presented to Kirk Judkins for his 1923 Ford Model T Touring. The second-place prize was presented to Angela and William Delorenzo for their 2001 Chevrolet Corvette. The first-place prize was presented to Bob Smith for his beautiful two-tone green 1932 Dodge Roadster.

Ms. Cadeau, on behalf of the Spring Hills Assisted Living facility of Morristown, presented a donation check to the NJ Region. She said that the residents and the staff really enjoyed our participation in this event and stated that she looks forward to having the Region participate in another event next year. I told Ms. McGrath and Ms. Cadeau that we enjoyed the hospitality extended to us by them and their staff especially the Chef, Princess and Sharon and that we also enjoyed our interaction with the residents. I told Ms. Cadeau that I would be in touch with her in a couple of weeks to work out a schedule for additional events in the future.

BROOKDALE OF FLORHAM PARK ASSISTED LIVING

SEPTEMBER 16, 2017

NJ Region AACA members and guests visited Brookdale of Florham Park, formerly known as Wynwood, on Saturday, September 16th from 12 to 3PM. We had 28 members and guests, and 18 vehicles in attendance, the most vehicles in the four years I have chaired this event. There was at least one vehicle registered from each of nine consecutive decades, from the 1920's to the 2000's. We had a beautiful day, and were welcomed by a DJ playing music and a delicious barbecue lunch including chicken, burgers, hot dogs, salads, and beverages. Activities Director Nicole Klinzing promised a better lunch than last year, and she sure did come through. Everything was wonderful and freshly cooked on premises. A 1948 Chevrolet ice cream truck supplied free ice cream to all the guests and the residents. Many residents and their families came out to view our display as we enjoyed the shade and gentle September breezes. A large tent was provided for additional shade, and there were plenty of tables and chairs. A dunk tank was set up to benefit the Alzheimer Association, with our host Nicole taking many plunges into the tank. It was great that it was a warm day. We also had a caricature artist who would sketch your likeness for a five-dollar donation.

Residents chose their favorite cars, and the winners received wine bottles from our host. The Florham Park Fire Department's 1930 Fire Truck won first place. LeRoy and Marlene Gearhart's 1936 Ford won second place. John and Pat Quattrocchi's 1977 Cadillac Sedan deVille won third place. Congratulations to all the winners. The other members and vehicles in attendance were Gregory and June Roser

with their 1990 Cadillac Brougham d'Elegance, Brian Pritchett and Sarah Fehley with their 1968 Ford Mustang fastback, Bob and Marge Graham with their 1965 Chevrolet Impala, Bernie Cooney with his 1985 Cadillac Seville, Abraham and Ann Platt with Ann's 1988 Mercury Cougar, Kirk Judkins with his 1923 Ford Model T, Bill Pritchett with his 1957 Chevrolet Bel Air, William and Angela DeLorenzo with their 2001 Chevrolet Corvette, Bob Rankin with his 1980 Cadillac Fleetwood Brougham, Bob Smith with his 1932 Dodge roadster, Dick and Margaret Mowbray with their 1946 Mercury, and Matt Verzi who arrived in a modern vehicle. Guests included Sam Vassalo with his 1968 Ford Shelby GT500 KR, Rob and Anna Bisch with their 1970 Ford Mustang Mach I, Sal Cubetta with his 1962 Chevrolet Corvette, and Joe Marazzo with his 1948 Chevrolet ice cream truck. All guests were given AACA membership information and promotional materials. Our host was so pleased with the turnout that we have already been invited back for next year.

Antique Automobile Enjoyment Event at the Chelsea of Bridgewater

On Saturday, September 23, 2017 members of the NJ Region AACA were joined by members of the Raritan River Region of the Cadillac-LaSalle Club for an Antique Automobile Enjoyment Event for the Residents of The Chelsea Assisted Living facility of Bridgewater. I was told that this was the fifth year that we have conducted this event for this facility. Dorothy Pietrucha, the Lifestyle Director was our hostess and she was assisted by Barbara Covington, the Director of Community Relations and several other members of their staff as our "Car Show" was the prelude to an Open House. The Chelsea is located at 680 U.S. Route 202 (Rts 202/206) in Bridgewater, NJ. Our members started to arrive around 8:30 am and we assembled in our usual designated parking area at the rear of the facility. We were provided with a hot all-you-can-eat buffet breakfast while the residents, assisted and accompanied by the facility's staff, wander outside to look at our beautiful antique automobiles. The entire rear parking area of this facility was designated for the "Show Cars" and gave us plenty of room for everyone to enjoy the twelve antique automobiles that attended.

The Automobile Enthusiasts that attended this wonderful event included the following: Bob Rankin with his 1955 Cadillac Series 62, Greg and June Roser with their 1976 Cadillac Sedan DeVille, Suds and Aarti Reddy with their 1998 AC Cobra, Bernie Cooney with his 1953 Cadillac Series 62, Richard Nalavany with his 1947 Cadillac convertible, George Maulbeck with his 1955 Ford Thunderbird convertible, Bob and Marge Graham with their 1965 Chevy Impala, Ken Clayton with his 1988 Cadillac Brougham, Brian Graham with his father's 1931 Ford Model A, Bob Hudak with his 1939

Ford Deluxe, Kirk Judkins with his 1923 Ford Model T Touring, and Abe and Ann Platt with Ann's 1988 Mercury Cougar Special Edition. Even though we only had twelve cars, we had a vehicle from every decade from the 1920s through the 1990s.

The residents and staff selected their favorite cars and the three cars that receive the most votes were presented with nice gifts as a prize. The third place prize was presented to Kirk Judkins for his 1923 Model T Ford. The second place prize was presented to George Maulbeck for his 1955 red Thunderbird convertible. The first place prize was presented to Brian Graham for his father's 1931 Model A Ford.

Ms. Pietrucha, on behalf of the Chelsea of Bridgewater, indicated that a donation check would be mailed to the NJ Region. She said that the residents and the staff really enjoyed our participation in this event and stated that she looks forward to having the Region participate in another event next year. She mentioned that even though there were fewer cars this year than in previous years, the interaction with residents was much more engaging than in previous years. I told Ms. Pietrucha that we enjoyed the hospitality extended to us by her and her staff, and that we also enjoyed our interaction with the residents and the staff. I mentioned to her that I would be in contact with her in the near future to work out a schedule for additional events.

Eastern Star Home
September 23, 2017

Isn't the English language wonderful? We have visited Eastern Star Home for ten years. Each visit becomes more and more enjoyable. Every year we come up with more superlatives to describe the visit. Care to guess why that is? It seems Eastern Star has a grip on their priorities. The building is far from being brand new. But as up-dates are needed, they apply their limited funds to the reason for their existence: care of their residents. Plus they are lucky to have a well - trained and caring staff that works together to care for their residents.

Planning for this show goes back to the beginning of the year. When we learned that the Bridgewater Library unceremoniously decided not to participate in the four visits we did in unison for the past many years, Eastern Star, led by Ann Marie LeMaire, immediately got on board with us. They respect our association with them; we respect them. Eastern Star has no money for useless frills. There is no limit to their wisdom in providing a memorable and meaningful experience for not only their residents, but also for members for the two car clubs that give freely of their time.

The best lunch you can get (in air conditioned comfort, on linen table cloths, no less), 1st 2nd and 3rd place prizes were awarded for cars the residents liked the best, tells us they appreciate our visit. Congratulations go to Bob & Margret Graham for their 1931 Ford Phaeton, a perennial favorite. Also to Bernie Cooney (an annual favorite), 1953 Cadillac and George Maulbeck (the new kid on the block), 1955 Ford Thunderbird.

Sharing the limelight on a cloudless day were: Bob & Margaret Graham, 1965 Chevrolet, Brian Graham, 1931 Ford (T) Phaeton, Kirk Judkins,

1923 Ford; Robert Houdak, 1939 Ford; George Maulberg, 1955 T-Bird; Abe & Ann Platt, 1988 Cougar; Larry Solomayer, 1969 Ford; Frank & Lia Figorotta, 1951 Chevrolet; Robert Rankin, 1955 Cadillac; Bernie Cooney, 1953 Cadillac; Ken Clayton, 1988 Cadillac; and Jay Raskin, 1956 Cadillac.

Special thanks go to Abe Platt, cameraman extraordinaire.

The surprise of the day came from Ken Clayton, Church organist. Ken was coerced into playing a tune or two on an out-of-tune piano off in the corner. To everyone's surprise, instead of playing liturgical masterpieces, Ken loosed his collar and played a couple of Scott Joplin rags.
