N J Region AACA September 2017 Presidents Message

I would like to thank the New Jersey Region members for their get well wishes during my July stay in the hospital. I'm still not 100% but catching up quickly.

Already being past the deadline for the September Road Map, I'll be brief. Our calendar is still full through September and with Hershey on the horizon the activity level will be slowing down. This should give us time to reflect on the past year. Is there something we should have done differently? Are there any new activities we should be planning for next year? Was our membership effort successful?

Your comments and ideas are important. Please share your thoughts with the board members so they can be discussed at the next board meeting. Always look ahead while learning from the past.

Secretary's Minutes

703rd Region Meeting
August 13, 2017

The 703rd Region Meeting at our annual picnic was called to order at precisely 11:40p.m.

All were asked to rise for recital of the Pledge of Allegiance

The following guests were welcomed: **Josie Delapaz**

Motion to dispense with our regular agenda was made by newly invigorated **President Wayne Tuck**. It is interesting to note that **Wayne** appears to have made a great recovery from recent medical problems.

Important announcements: **Abe Platt** asked those people who plan on attending upcoming assisted living meets that he is chairing, for some indication of attendance. Nowadays these facilities need a head count to assure adequate comestibles for participants. The same is true for meets run by **Carol Durna** and **Bernie Cooney**. **Abe** also mentioned that on August 27th there will be a benefit car show for a fireman who lost his home to fire. For more information, see **Abe**.

The meeting was adjourned at 11:45 am.

It is interesting to note that upon adjournment a first class feast of region supplied BBQ foods and region-member supplied specialties and deserts were enjoyed by all members present.

It is also interesting to note that after appetites were sated, **Bob Smith** presented picnic bonuses. It is interesting to note that **Jay Deboy** won both bonuses. It is interesting to note that **Jay Deboy** showed his true generous nature and returned the second bonus,

allowing **Betty Allen** to also enjoy the festivities.

Respectfully submitted,
Bernie Cooney
Region Recording Secretary

BROOKDALE OF FLORHAM PARK
ASSISTED LIVING

SEPT 16TH 12:00-3:00PM

Brookdale of Florham Park, formerly known as Wynwood, has invited the NJ Region AACA for the fourth consecutive year to display our vehicles at their facility in conjunction with "National Assisted Living Week." They have a beautiful facility with a nice location for our display. There is plenty of shade, and also a gazebo adjacent to the parking area. They will offer prizes to the 1st, 2nd, and 3rd place winners, as chosen by the residents. Our gracious host Nicole Klinzing promises a lunch much improved over what was served last year.

Nicole has stated that this year's event will have two antique fire engines in attendance, so bring the children & grandchildren. In addition, there will be a dunk tank and a caricature artist as fundraisers. There will be music, a barbeque lunch, and some vendors in attendance.

The date is Saturday September 16th 12:00 to 3:00PM, with a rain date of Sunday Sept. 17th (call Greg 908-403-6486 if inclement weather). Brookdale has invited the residents' families to attend, and will promote the event locally.

Brookdale of Florham Park is located at 8 James Street, Florham Park, NJ, at the corner of Hanover Road. The facility is just one block from Columbia Turnpike (County Highway 510), which is easily accessible from Route 24. (This is right down the road from where we had our Spring Meet for many years.)

The event chairman is Gregory Roser. Call 908-403-6486 or e-mail g.rosen@verizon.net if you have any questions. This was a really enjoyable and well attended event in previous years. Let's again make it a big success.

Eastern Star Assisted Living

September 23, 2017

(Held rain or shine)

On September 23, 2017, members of the New Jersey Region, AACAA (and our friends at the Raritan River Region, CLC) are invited to Eastern Star Home. This is our oldest and dearest facility (as well as our best lunch stop). Last year, Eastern Star was putting the finishing touches on an extensive renovation. However their management proved their resourcefulness. Freshly laid blacktop awaits a strong contingent of the nicest collector cars to be had. Gone is the errant visit of a hard working bulldozer. This year the newly planted shade trees will offer us more protection from the late summer sun. We will also see the permanent results we've been hearing about. Eastern Star Home is located at 11 Finderne Avenue Bridgewater NJ (908)722-4140.

Although two events are scheduled for today, each of these stops is considered a separate event. Go to one – go to both: It is your decision.

2017 Region Fall Foliage Tour

Lukan's Farm Resort, Hawley, PA

October 13-15, 2017

This weekend trip is about a month away! To see all the lodging details, please refer to the article in the July Road Map, but here's an interim update on this year's Fall Foliage Tour:

As of the end of August, all 24 rooms at Lukans have been reserved by car club members – either AACA NJ Region members or several VCCA members who acted on our invitation to join the Region on the tour. While

Stan Boho
PHOTOGRAPHY
Capturing Your Party Moments

there are no rooms available at this time, it is not unusual for a member to have to change their plans at some point prior to the tour. So, if you are still interested in joining the tour, please call or email me at oldcarz57@aol.com to have your name added to a wait list, which is good for both you, and any member that might have to cancel.

We are still working on final attractions scheduling for Friday activities, but we now have verbal reservations for 48 seats on an all-day scenic rail excursion and picnic for Saturday at a cost of about \$25 p/p and maybe \$10 for the optional BBQ lunch at the termination point, which is near the Zane Grey house and museum. For details on the train ride, visit <http://www.thestourbridgeline.net/>.

In keeping with tradition, both evenings will start off with pre-dinner wine & cheese in the club house, and after dinner, friendly chatter by the fireplace and ping pong table. As always, any suggestions for this year's trip or next year's would be appreciated!

NJ Region Mystery Tour

October 21 (Rain or Shine)

Time 9:30 at the Hampton Diner.

This year our destination will again be a surprise. In the past, some of you have almost guessed where we were going based upon my clues. This year the clues are "big" and "award winning." From these you should be able to easily surmise our destination. Again, I believe this is a place very few, if any, of you have visited. It will be indoors and is handicap accessible. The tour will be rain or shine. Make sure you have a full tank as we will be driving for a while. However, there will be plenty of gas stations along the way.

The cost per person will be \$3.00, which I would like to collect in advance. You can either give it to me at the September or October meeting or mail me a check payable to NJ Region ACAA to: 6 Columbine Road, Whitehouse Station, NJ 08889.

After this, I plan to do something different for lunch. We will have pizza and subs at a special place. Please bring lawn chairs so we can be outside if the weather cooperates. If not, we will have plenty of room inside, but the view will be very interesting either way. I will have the costs in the October Road Map.

We will meet at and leave around 9:30 at the Hampton Diner, 36 Hampton House Rd (Route 206 N), Newton, NJ 07860. Phone: (973) 383-1550

If you have any questions, please call me at 908-534-9069. Day of tour please call me on my cell phone at 908-581-0411.

Directions: The Hampton Diner is about 13 miles north on Route 206 from I-80, exit 25. It is about ½ mile on the right side after you pass ShopRite.

Wayne Tuck
Vice-President,
Membership

Being newly elected to your national board of directors and not knowing what my assignment would be I was reluctant to accept the nomination for president of the New Jersey Region. After much persuasion, I agreed to accept the position and was put on the ballot unopposed. The New Jersey Region is the tenth oldest region in the country, having been in existence since 1951. Membership, much like the national, has remained constant for many years. Providing regular monthly meetings, tours, annual car show, parades and attending numerous charity events, this region offers a lot of fun and friendship to members. Upon learning my assignment would be VP Membership I became very aware that our region was missing out on some great opportunities to recruit new members. Putting the subject on the meeting agenda brought forth many great ideas from members who

were very enthusiastic about getting involved with a recruiting initiative. As a result, a membership recruitment committee was formed. Recruitment literature, displays, banners and plans to attend more events where potential members would be present were put in place. The new "Red Mustang" cut-outs provided by national were included with our recruitment package. Our recruitment committee has been very encouraged by the early positive results of their efforts and are planning many more events to grow our region membership. What does your region do to recruit new members? Does your region or chapter attend events that other old car enthusiasts participate in? Do these events afford the opportunity to set up a membership table to promote membership? Does your club have literature available for members to carry with them promoting the benefits of region membership? Do you have a committee to coordinate member recruitment? What activities does your club provide that would interest other old car enthusiasts? Do you have region members that belong to marque clubs such as Buick, Packard, Hudson, Model A, etc.? Do they promote the fact that belonging to an AACA Region enhances their hobby? Finally, what can national provide to help you with your efforts? I'm anxious to hear from you with any ideas you can share that work for your region. Our region members are our best salespeople. Your efforts can help us grow and remain strong!

From the Editor's Desk

Last month's Rummage box article dealt with the question of "Why AACA." To many of us, this is a "no brainer." But

too many times members question why it is a necessity to belong to the National AACA in order to be a member of a local region. A couple years ago, some in our region brought up this question and I reached out to National, Steve Moskowitz to be specific, for answers, which he provided and I published at that time. This month I have selected, as a follow-up to Mary Bartemeyer's question, with Wayne Tuck's column, "You are the Sales Team."

You may have noticed that Wayne practices what he preaches. He initiated an effort to increase the membership of our region significantly this year, and an effort to retain these new members. With the help of the membership committee he formed earlier this year and the efforts of our Membership Secretary, Bill Pritchett and his family, we are on target to reach, if we haven't already, 200 members by years end. Congratulations to Wayne and the membership committee for their efforts!

Respectfully submitted,

1985 Oldsmobile Cutlass Supreme Coupe **Pete Cullen, #1140**

Any Region member that has been on a tour in which I've also participated over the past decade has likely seen the pictured vehicle!

One day in Fall 2010, I got a call from my local mechanic, a 3rd generation shop in Verona, who has probably done work on every Cullen family car since the 1960's! Knowing that I'm a car collector, he thought of me when one of his many longtime customers decided, at 90 years old, that it was time to turn in her driver's license. Not that I needed a car, but the fact it was a one owner, all original car with about 65,000 miles, was 'QQ' eligible, and had AIR CONDITIONING, made me realize I could use a new tour car!

Another attraction for me to this car was familiarity with Oldsmobile Cutlass models in my youth, as my parents owned a 1967 F-85, a 1967 Cutlass wagon and a 1975 Cutlass Supreme back in the day.

While this Cutlass needed a serious detailing and some updates, it cleaned up fairly well for a 1980's built car. This 1985 Cutlass Supreme coupe, with its standard V-6, did earn its HPOF certification and award at 2016 Hershey. Over several Region Summer tours, Spring Flings, Fall Foliage weekends and even two National Founder's Tours, it has proven to be quite comfortable, economical and efficient!

1964 Ford Station Wagon

We purchased the 1964 Ford Station Wagon prior to going on the 2004 Founders Tour in Tucson, AZ which is where the photo was taken. It is not snow behind the car, it is sand. Ray totally overhauled the motor prior to the trip. It had a 390 cu.in V8 stick with overdrive. No power steering or power brakes. The car was on display at the Eastern Museum of Motor Racing in Latimore Valley, Pa with a 4 sale sign in it. It was owned by Lloyd King, a well-known race car photographer in the Central PA area. The signage on the car door indicated his business "Kings Racing Photos". Mr. King purchased the car new in Hummelstown, PA. Upon his passing his son loaned the car to the Eastern Museum of Motor Racing where it was until we purchased it.

Help Us Create a Special Tire Registry to Show Demand

I know, this is the 3rd month I've published this article! It's that important to get the word out!

We live in an economy which is about 70% consumption based. Suppliers respond to perceived demand. The AACA vehicle owners currently have a weak spot in that demand cycle.

Primarily GM, Ford and Chrysler vehicles from 1975 through 1978. Most called for GR78-15, HR78-15 and LR78-15 tires.

I will log all of the information I receive into a database. Once the number of entries is sufficient to gain attention, I will present a summary to Coker, Kelsey & Universal to get their attention.

Please spread the word. We need to build demand!

Please contact me with year, make/model, tire size & contact information.

Participation Points Update

Unfortunately, I cannot attend the September 7 meeting as I'm traveling on business. This list includes events through July 8.

I still need to add details for members who attended the Care One event in Livingston on July 27 for which I have the sign-up sheet.

I also have details on the members that participated in the membership booth at the Phillipsburg Car Show on July 8, but not the general attendance list.

I have not received sign in sheets for any other events from any chairman after July 8. Please get me this information at your earliest

convenience, either by snail mail (219 N. Martine Avenue, Fanwood, NJ 07023, or email: vincentdelisi@comcast.net.

The Great Phillipsburg Auto Show

By Ron Peles

Saturday morning July 8, eight members of the New Jersey Region AACA brought their antique automobiles to the lovely river town of Phillipsburg, New Jersey to participate in the Great Phillipsburg Auto Show.

The show is run by Council 474 Knights of Columbus of Phillipsburg and benefits the renovation of Grandma's House, a home for homeless mothers and mothers-to-be who do not have the support of their families. Grandma's House, also known as St. Anne's Center, is about to open later this year, due in

part, to many donations, including the receipts of the past three years' car shows.

On the grassy lawn, under sunny skies, with moderate temperatures, in the midst of the sweet smells of sausage and pepper sandwiches, and with fifties and sixties oldies music in the air, AACA members took home several trophies.

Showing their cars were Abe Platt (showing Anne Platt's) 1988 Mercury Cougar, Bob Kelly, 1986 IROC Camaro, Ken Dulio, 1957 Chevy Belair, Janis Eyerman, 1969 Sunbeam Alpine GT, Ron & Gloria Peles, 1965 Chevy Corvair (now listed for sale in The Marketplace on page ??), Art Briggs, 1929 Chrysler 75, and Robert Peles, 1963 Studebaker Avanti, quite an outstanding assortment of antique automobiles.

Extraordinary was the fact that Art Briggs drove from home to Newark to retrieve his 1929 Chrysler and then drove it at its top speed of 45 mph out I-78 to Phillipsburg, nearly the entire length of the interstate. Intrepid, to say the least!

There were numerous door prizes and well stocked goodie bags. Even though I am a Knight, I must say that my brother Knights outdid themselves.

Be sure to attend next year and join in the fun.
