The Great Phillipsburg Auto Show

Saturday August 13th, 2016

8:00 am - 3:00 pm (Rain date August 14th)

St. Phillip and St. James School

Roseberry Street, Phillipsburg, NJ

The Great Phillipsburg Auto Show is a fundraising project of Warren Council 474 Knights of Columbus to support the renovation of Grandma's House, a building to house women, homeless and pregnant, a special project of Life Choices, Inc., a 501 (c)(3) Charitable Organization.

The day starts with the flag raising and the pledge of allegiance by Troop 51, Boy Scouts of America. 50s and early 60s music is provided throughout the day by a DJ. Door prizes are awarded to all participants. Flea market spaces are available. Mature trees provide shade and relief from the sun. Canopies are permitted.

Food will be available throughout the day by the Knights of Columbus and restaurants are within walking distance. Bathroom facilities are within Grandma's House.

Judging of the 22 classes is informal. The judges are chosen from the participants who have experience judging show cars. Trophies will be awarded by 2 PM.

Donations for registration are requested in the amount of \$10 in advance and \$15 on site for both show cars and for flea market spaces. Donations for spectators are requested at \$5 per car.

The show committee is headed by Knights who are also long-time car enthusiasts who have experience in AACA, SCCA and other auto enthusiast organizations.

Registration form is on page 35.

Annual Region Picnic & August Meeting

August 14, 2016 11AM - ??

It seems that we just had a only taste of Spring (recall 'April showers bring May Flowers' and our very wet May 1st Spring Meet), and we're already planning our Picnic for what is practically the second half of the Summer Car Hobby season! Looking at the current Region calendar of events, there are a lot of opportunities to use your 'classic' vehicles -

The Road Map – August 2016

almost every weekend. Well here's another chance to show off your newest addition, or recent restoration, and invite you AND your old vehicle to participate at this year's picnic! The turnout of old cars at our picnic over the past few years has resulted in the picnic being the Region's second largest display of vehicles during the year – but which may actually be THE largest Region car event for 2016!

Remember that our picnic will once again be held at the same VFW facility as our monthly meetings – but just on the 'other side' of the back doors (outside). For directions, please see meeting announcement on the inside cover of this Road Map.

From my own records, this is the 12th year for me as the chairman, but I have had several great helpers over the years, and hope same happens again this time! Also, thanks to the large covered pavilion, all 17 picnic tables will be protected from both sunny and not so sunny weather! As a result, this will be a rain or shine event.

Since everything has worked out so well in the past, I'm not going to change any of the picnic details. You can arrive any time around 11am. Be sure to wear your Region name badges, as an abbreviated August monthly Club business meeting will be conducted, **in lieu of the 'first Thursday' regular meeting**, while I get the BBQ fired up. The festivities should end about 3 pm.

To recognize the membership, the Region has decided to waive the cost for all members attending this year's picnic. However, there will be a \$5 charge per adult (under 12 free) for any friends and guests that you may want to bring along (also waived if they apply for AACA membership that day!). It's time to start thinking about which of your favorite side dishes or desserts you want to prepare to bring

New Jersey Region Web Site www.njaaca.org

and share, as the Region will again supply the basics - hamburgers, turkey burgers, franks, grilled chicken, ice and soft drinks.

As usual, we will need a few members to arrive a little bit earlier than the crowd (anytime between 10:00 and 11:00 am) to help me set-up for the festivities – see me at the July meeting if you think you can help in any way! I hope to see many members and their cars at this year's Picnic.

BBQ Tour

Saturday, August 20. 9:45 AM

Chug-a-Chug-a-Choo-Choo! **ALL ABOARD!** On August 20th as we travel some scenic backroads to get to kid-friendly **Northlandz** (495 U.S. 202) in Flemington, the world's largest model train exhibit, which features over 8 miles of track on which up to 100 trains wind through huge canyons, over 40 feet of bridges, through villages and cities containing thousands of buildings. Plus, there is a 94 room doll house and an enormous doll collection featuring about 200 dolls. BUT WAIT, THERE'S MORE!!! Beginning at noon is an optional train ride that lasts approximately 8-12 minutes! From there, we will travel more back roads to Brian and Sarah's house in Manville for a nice barbecue where we can relax, have fun, and eat! Please remember to bring a chair and your favorite food! Hot dogs and hamburgers will be provided by Grill Master Brian. For more info, or questions, contact Brian Pritchett, Larry Solomayer, or Sarah Fehley! We will meet at 9:15 A.M. in the Burger King parking lot in Raritan; the excursion begins at approximately 9:45 A.M. We hope to see you there!

Warren Haven Nursing Home

Sunday, August 21, 2016, 12:00 pm

We will be visiting Warren Haven Nursing Home at 350 Oxford Road, Oxford, NJ. The Activities Director said the residents are really looking forward to us being there and inspecting your cars. She also said they will be providing us a lunch.

Please let us know by August 14th if you will be able to attend as I have to give her some kind of a head count of how many we may have coming.

Thank you,
Joe and Carole Durna

Chelsea/Avalon

September 10, 2016 (Rain or shine)

On September 10, 2016 we are scheduled to visit Chelsea Assisted Living. This is not a new event for us. However, this year the Bridgewater Library coordinator mentioned that there were many behind-the-scenes changes at all of our fall *Bridgewater Library/Assisted Living* stops. It is a good bet that all the changes are for the better, at least from the resident's point of view.

Tucked away from the noise and traffic of busy US highways 202/206, this modern facility specializes in giving our senior citizens the respect, freedom and assistance they deserve.

Our role there will be quite small. Around 9 am we arrive and assemble in our designated parking area. We will be fed a first class breakfast while the residents (accompanied by the facility's well trained staff) wander outside to look at our beautiful cars. Our vehicles stir many memories, and the residents enjoy the view as well as the feelings evoked from the visit. They vote on their favorite car(s) and the car that receives the most votes gets a very nice reward. Expect to see our friends from the New Jersey Region, AACA as well as various members of the local community.

Chelsea is located at 680 US 202/206, Bridgewater NJ. (908)252-3400. It is located across from the old Fennessey Buick.

After spreading joy and good will at Chelsea, we will wend our way to Avalon Assisted Living. Located at 565 NJ Highway 28, Bridgewater NJ, (908) 707-8800. Our estimated arrival time is approximately 11:30 am. Avalon brings a different approach to this event. In addition to feeding us a nice lunch, they provide entertainment for young and old alike. Again the residents choose their favorite car, which receives a very nice prize. Avalon is conveniently located just west of the dreaded Somerville traffic circle.

Each of these stops is considered a separate event. If your schedule allows participation at both venues, you are quite welcome to attend. If your schedule allows some participation, attend the event that is most convenient for you. These events are held rain or shine

WYNWOOD OF FLORHAM PARK ASSISTED LIVING

SEPT 17TH 12:00-3:00PM

Wynwood of Florham Park, a Brookdale Community, has invited the NJ Region AACA, with the Raritan River Region Cadillac LaSalle Club, for the third consecutive year, to display our vehicles at their facility in conjunction with "National Assisted Living Week". They have a beautiful facility with a nice location for our display. There is plenty of shade, and also a gazebo adjacent to the parking area. They will offer lunch, entertainment, and prizes to the 1st, 2nd, and 3rd place winners, as chosen by the residents.

The date is Saturday September 17th 12:00 to 3:00PM, with a rain date of Sunday Sept. 18th (call Greg 908-403-6486 if inclement weather). Wynwood has invited the residents' families to attend, and will promote the event locally.

The Road Map – August 2016

Wynwood of Florham Park is located at 8 James Street, Florham Park, NJ, at the corner of Hanover Road. This is just down the road from where we previously had our Spring Meet. The facility is just one block from Columbia Turnpike, which is easily accessible from Route 24.

The event chairman is Gregory Roser. Call 908-403-6486 or e-mail g.ros@verizon.net if you have any questions. This was a really enjoyable and well attended event in previous years. Let's again make it a big success.

Brandywine Assisted Living – Eastern Star

**September 24, 2016
Held rain or shine**

September 24, 2016 members of the New Jersey Region, AACA (and our friends at the Raritan River Region, CLC) are invited to Brandywine Assisted living at Middlebrook Crossing. Starting at 9:00 am we park our cars in the side parking lot, away from the hub-bub of busy US Highway 22. There are two items on the agenda: Breakfast for us (It should be pointed out that this will be a healthy balanced meal, not just coffee & donuts). While we feast on good food and even better conversations, Brandywine's residents wander outside (carefully supervised) and select the car that they like best. "Vote early – vote often." The owner of the winning car receives a very nice prize. Although the residents don't worry about AACA judging rules, their system always selects the vehicle that brings the most pleasant memories. Brandywine is conveniently located at 2005 US 22 West, Bridgewater NJ, (732) 868-8181.

A second stop is scheduled at Eastern Star Home. This is our oldest and dearest facility (as well as our best lunch stop). Last year, Eastern Star was putting the finishing touches

New Jersey Region Web Site www.njaaca.org

of an extensive renovation. However their management proved their resourcefulness. Freshly laid blacktop awaits a strong contingent of the nicest collector cars to be had. Gone is the errant visit of a hard working bulldozer. This year the newly planted shade trees will offer us more protection from the late summer sun and we will see the permanent results we've been hearing about. Eastern Star Home is located at 11 Finderne Avenue Bridgewater NJ (908)722-4140.

Please be aware that each of these stops is considered a separate event. Go to one – go to both: It is your decision.

Any problems or questions? Contact Bernie Cooney. My phone number is (732) 629-7544. Or email dunbar53@optonline.net Day of event call (908)229-9840

2016 Region Fall Foliage Tour **Lukan's Farm Resort, Hawley, PA** **October 14-16, 2016**

At the June monthly meeting, I made a 'last call' for those who may be interested in joining the Region on the annual Fall Foliage Tour to the Poconos, as there was a June 1st deadline with Lukans to hold the entire resort for our club members.

As of June 10th, 17 rooms at Lukans have been reserved by car club members – either AACA NJ Region members or several VCCA members who acted on our invitation to join us. That leaves only 7 rooms available, and as they have not yet been booked by our Club members, I have advised Lukans that they may go ahead and make the rooms available for the general public.

I think we would rather see all 24 rooms occupied by car club people or their friends, rather than strangers! So, if you are still interested in joining the tour, please call Lukans (www.lukans.com) and make your reservations ASAP! The phone number is 570-226-4574. Then follow up and send a \$100.00

check payable to 'NJ Region AACA' to either of your tour masters to ensure your place on this weekend tour.

To see all the details, please refer to the articles in the April and May Road Maps. Here's an interim update on this year's Fall Foliage Tour: We are still working on scheduling the Friday and Saturday activities for the group, which may include a stop at Jacktown Steam tractor event on set up day, a midday train excursion with a local BBQ lunch stop, the Houdini museum, or a coal mine tour. In keeping with tradition, both evenings will start off with pre-dinner wine & cheese in the club house, and after dinner, friendly chatter by the fireplace and ping pong table. As always, any suggestions for this year's trip or next year's would be appreciated!

Bus Trip to the AACA Museum in Hershey

"It's such a comfort to take the bus, and leave the driving to us." How many of us remember that advertising slogan? As car enthusiasts we like to "See the USA in our Chevrolets." However, every once in a while it is nice to be chauffeured.

The combined forces of the NJ Region, AACA and the Raritan River Region, CLC are hard at work; working to bring all club members a unique experience. During the summer when we want to go somewhere, we jump into our cars and go. Sometime we use our "pride & joy"-mobiles. Other times we enjoy the comfort of our modern cars. In any event, come late fall, your "pride & joy"-mobiles get tucked away for a long winter's naps. Then we start to yearn for old car events. After the fun of summer and the frenzy of Hershey, how does one get an "old car fix"?

Here's where a bus ride comes into play. Also here's where our hard work pays off: we have worked diligently to have an enjoyable trip to the AACA Museum in Hershey, chauffeured professionally and safely, at a reasonable price. What helps expenses is that the Museum is free to all AACA members who present their I.D. card (it will cost you \$12.00 without your I.D card). After we are titillated by all of the wonderful exhibits at the museum, and we have completely sated by an old car fix, our chartered coach will whisk us away to Hoss's Steak House, in Hummelstown. At Hoss's, given a private dining room (no food fights, please) we will feast on a truly incredible menu. Our repast will include entrees of beef, chicken and fish; sides of mashed potatoes, baked potatoes, stuffing, ziti, pasta marinara, macaroni & cheese, pirogues, rice. Also peas, beans and seasoned veggies. Wait! I forgot the famous Hoss's soup and salad bars. Everything is in the planning stages at this [New Jersey Region Web Site www.njaaca.org](http://www.njaaca.org)

point. **Our trip is tentatively scheduled for November 12, 2016.** Total costs for the bus and the feast should be \$50.00, a true bargain. Price is based on 50 passengers. If we can't get 50 passengers the trip will just not happen.

If this sounds good to you, you can make it happen. Simply contact Bernie Cooney. Email is dunbar53@optonline.net. Phone is (732) 629-7544. Or talk to me at any of the meetings. If you do nothing, nothing will happen. If this sounds like an event you want to be part of, the next move is up to you. The trip must be pre-paid, but no money is being solicited at this time.

Please be aware, depending upon the bus we contract, these buses have a capacity of around 50 people. Once we hear from you, bus seats will be on a first come-first served basis. All bus seats must be pre-paid. Pick up will probably be at Saint Steven's Church, 609 Lane Avenue, South Plainfield, NJ 07080 at 9:00 am. Tentative return time is 9:00 pm. We will be able to use the church parking lot for our vehicles. This gives us our best bus rate.

Thanks, Bernie

August Presidents Message

Here we are in the dog days of August, and the summer is half over. As I write this column, I just attended region events three days in a row, two of which were late additions to the calendar. Despite threatening weather, Bernie Cooney's Brandywine in Mahwah and Bob Graham's Brookdale in Hillsborough were reasonably successful, with 5 and 7 cars respectively. I like to say quality over quantity, as the residents really enjoyed our visit no matter how many vehicles were there. As usual, we ate well and had a good time. Leif's

Mangulson's event at Patriots Stadium in Bridgewater was an overwhelming success with 20 region vehicles participating. June and I were not able to stay for the baseball game, but the highlight of the event was our parade of vehicles around the baseball field with each vehicle shown up on the Jumbotron as it passed the camera. This was Leif's first chaired event for the NJ Region, and I look forward to many more. Remember that we will NOT have our regular first Thursday meeting in August as our annual picnic is on the 14th at the VFW, our regular meeting location. I will hold an abbreviated meeting and then on to the festivities. I hope to see many of our member's antique vehicles, as they are welcomed and expected. August is filled with car shows, a tour, and an assisted living home visit. Be prepared for a jam-packed September also. Please review the calendar and support these events when you are able.

I have already started my plea for volunteers for the 2017 officer positions, and I have faith in the membership that these positions will be filled. Wayne Tuck and I have served three years in our respective offices, and it is time for new volunteers. The nominating committee will meet in September, so please seriously consider serving if you are called. You may also contact me directly if you are interested and I will forward your name to the nominating committee.

I am putting my executive recruiter hat on yet again, as we need a new chairperson for "Participation Points." Shayna Geller has tabulated the points for many years and will be stepping down at the end of this year. Shayna has done a great job, and I thank her for her service to the club. For those of you who are not fully aware of what participation points are, I will go over the system for you. For each region sponsored event you attend, you earn

points. This includes our monthly meetings, tours, car shows and assisted living home and nursing home visits. Chairpersons of region events and committees also receive extra points. In addition, judging at a national meet earns you points also. Please review the Membership Roster and the Constitution and By-Laws for all the details. Now that you know what qualifies for points, I will go over the benefits to the members. The top twelve point recipients will receive an award and commendation at the Region Awards Banquet in January. More important for many is the privilege of having a car picture of your choice on the front cover of the Road Map. There are two pictures per month, so the top 24 point earners will have a cover picture. Now that you know how it works, it is important to have a new chairperson to tabulate the points. The responsibilities include getting the sign in sheets from our monthly meetings, and also from the event chairs and tabulating the totals. Each member is responsible for reporting to the chair each qualifying national event they attend. Each quarter, a current list of the top point recipients needs to be prepared for publication in the Road Map. The point year goes from December 1st to November 30th. At that time, the yearly total needs to be reported to the Trophy & Awards Chairman. Please contact me if you can take this job, and the pay will be doubled! I appreciate your service to your club.

Many of you may be scratching your heads in confusion after trying to make sense of my "Trivia Tidbits" in the July issue. No, I am not losing my mind, but it was a simple editing error. June's questions were listed with July's answers. Last month's trivia is corrected in this issue, so I have a month off in writing a new column for August. It is just as well, as I am still recovering from the July 4th picnic at our

house, where June & I entertained 50 family members and friends. It's time to start packing for our long anticipated week at the beach, and by the time you read this, I will be at home with a paint brush in hand yet again. I have five more rooms in our house to paint, and then on to other projects. Our new front steps and walk were just completed, and after each new project I get inquiries from the neighbors about when the house is going on the market. We are here for the long term, but who knows what the future will bring. If I only had the room to add more garages!

Remember that this is your club, be active and participate. See you on the road, and remember, my line is always open.

Secretary's Minutes

690th Region Meeting

July 7, 2016

The 690th Region Meeting was called to order at precisely 8:03 p.m.

All were asked to rise for recital of the Pledge of Allegiance

The following guests were welcomed: Ken Saviet, Bill & Angela DeLorenzo

Motion to approve the minutes of the June 2016 Region Meeting (As printed in the July *Road Map*) was made, approved, seconded. The minutes for the previous meeting will stand as printed in *The Road Map*

No correspondence was read by **President Greg Roser**

Treasurer's Report, was given by **Tim Schimmel**, A motion to approve Tim's report was unanimously approved.

President's Report: - **Greg Roser, President Roser** mentioned that a trivial miscalculation involving trivia in the July *Road Map* had people guessing. He assures all will be cleared up by August. On a more serious note, **President Roser** mentioned that two major offices must be filled this year: President and Vice-President. A nominating committee will be formed soon.

Region activities: - **Wayne Tuck**, VP Tuck presented a dissertation of upcoming Region and National events, with input from the various chairs. For everyone's convenience all Region and National events are printed in *The Road Map*.

Other activities that members would like to announce - **Wayne Tuck**. **Vince DeLisi** mentioned events for Model "T" Fords. **Bernie**

Cooney plugged a tour of the Delaware Police Museum

Lukans / Fall Foliage - **Pete Cullen**, **Pete** mentioned that finishing touches are being worked out for the Fall Foliage tour, and that the food at Lukan's is in fact, delicious.

Road Map Editor - **Art Briggs**, **Art** played show and tell with a computer thumb drive. If you are computer savvy, these little do-hickeys hold an incredible amount of data, and make large amounts of picture transference a snap. If you use one, please get it to **Art** before the 12th.

Membership and Web Master - **Bill Pritchett**, **Bill** had nothing to say about his prize winning website. However **Ken Saviet** was voted in as a new member (Applause!), and **Bill & Angela DeLorenzo** we introduced. Their round of applause may come next month.

Participation Points, Sunshine and Refreshments - **Shayna Geller**, Points have been published in the *Road Map*. Although no new instances of ill health and death befell our Region this month, it was mentioned that **Duffy Bell** is still recuperating. The list of delicious desserts for this month's meeting were supplied by **Bette Pritchett, Lillian Anderson, Pauline Symonds, Daisy Wary, Joan Hagaman, Greg Roser, Jan Eyerman, Pat Hogan, Bernie Cooney, Kathy Bagley, Larry Littman, Agnes Benson, Shayna Geller and Kirk Judkins**. **Shayna** mentioned that left-over desserts find a new home when a group meets at the VFW Post on Friday morning.

Tour Master and Accessories Reports - **Duffy Bell** "no report"

Watchung Mountain Chapter - **George Ernst** "no report"

Government Liaison and Safety - **Bob Hedderick**, **Bob** reported on the political

correctness of the current Engine Emission program

Archivist – **Matt Verzi** “no report”

Properties – **Rich Reina, Rich** reiterated the need to go through Spring Meet signs before our next Spring Meet

Jacket and Sweatshirt Sales – **Lia Figorotta** “no report”

Badge Fines – **Herb Singe, Herb** showed that he had two badges this month, to make up for his badge folly last month.

OLD BUSINESS

- 1) **Bernie Cooney** Spoke briefly about Membership Tools. Presented were the '57 Chevy supplied by National that tells one everything one need to know about joining the National. Also presented was a sample copy of a used issue of *Antique Automobile*. Designed to promote our region, a label is affixed to the cover letting one know that this publication is provided by The New Jersey Region, AACA, with appropriate membership information.

NEW BUSINESS: NONE

Items for sale or wanted: **President Roser** had some valuable Hess Truck Collectables for sale at reasonable prices. **Vince DiLisi** had some information about international vehicles. **Jan Eyerman** had some rare Prince of Darkness Generators. **Al Danner** had information on a '96 Taurus SHO available. **Ed Symonds** had a 1929 Chrysler for sale.

50/50 – **Bob Smith, Agnes Benson** and **Bob Abbott** received a post Fourth of July celebration.

The meeting adjourned precisely at: 8:57 p.m.

Respectfully submitted,
Bernie Cooney,
Secretary, NJ Region, AACA

Cover Photos

Bill Pritchett and Family on Tour

Chris Werndly gave me this picture when he passed the Road Map on to me and I've been itching to find an excuse to publish it.

Much to my delight, Bill, just as some of you do from time to time, did not provide me with a picture or a blurb for his month on the front cover of the Road Map. Hence, the picture of Bill and his family on tour from many years ago when his children were small. Look around, these same children, Danny, Brian and Steffany, can be found on tour recently, only they are all grown up now and Danny brings Olivia!

Bob Kelly's 1986 Chevy Camaro

Perhaps Bob and Bill Pritchett were boycotting getting a picture of their cars on the front cover of the Road Map, because neither of them provided a picture.

Not to worry, pictured is the beautiful 1986 Chevy Camaro Bob Kelly shows up for events driving, although he occasionally claims it's his daughter's car.

IS YOUR REGION A RED SPORTS CAR OR A USED UP BEATER?

**By Chuck Crane, VP
Regions Development &
Support Central and
Western Divisions**

Remember when your Region was like a vintage red sports car everybody wanted to ride in? You had monthly meetings with a program, drawings for wearing club clothing or simply being there, a mini-tour every month, car shows, a great newsletter to keep everybody informed, and lots of fun. But now, you're an old beater, barely able to make the once a month get together for breakfast at McDonalds. If this is you, here's a wakeup call! Pretty soon you and your friends tire of that, and National AACA gets a request to dissolve the Region. That happens too frequently all over the country. The story doesn't have to end that way. Why not give the old beater a new paint job and a tune-up? As a start, just try being more visible in your community. Drive your beautiful vehicles. Contact a local civic group like Lions or Rotary or Kiwanis which is active in your community. They depend on the public to help raise money for their projects-and a small car display with your Region name prominently displayed will bring people to their event and probably get you free publicity in the local newspaper or on radio broadcasts. This tactic may well bring out potential new members to revitalize your club. Building on that, branch out to hosting a small swap meet, a mini-tour to somewhere close, car show, etc. If you're worried about

The Road Map – August 2016

insurance costs for a club event you host, you're covered - just call National Headquarters for a certificate. You're part of the largest and oldest car club in the world-don't let it go and just die out. There are plenty of things you can do to put new spark plugs into that old beater and watch it shine like new again! You have experts at National and with Chairperson members of your Divisional Region Development and Support Team to help you, you're not alone. Just look us up on the national website, our contact info is there for you!

From the Editor's Desk

I chose Chuck Crane's Rummage Box article to include in this month's Road Map because it discusses many important points to keep a club alive.

I do not believe that the New Jersey Region AACA is a "used up beater," but we are not a "red sports car" either. We are a well established and run organization. But even well run and established organizations need to work to stay that way, and I believe a "Chuck Crane tune up" wouldn't hurt.

New Jersey Region Web Site www.njaaca.org

We have the advantage of the presence of one of our founding members, Herb Singe, Jr. still around, 65 years later, to offer guidance and advise. Additionally, every October we recognize people who have been members for more than 25 years, and there are many. As Duane Copley stated in his October 2013 President's Message, "Members like me are the beneficiaries of all the work these members did to build our club and they all deserve a little recognition for the big job they have done."

But clubs, including ours, somewhat mirror life. You can put your foot in a creek in the same spot twice, but you can not put your foot in the same water. The water that was there has dispersed and moved on. New water has moved in. Members move away, pass away or just move on to something different in their life.

Therefor we must maintain an effort to recruit new members. Bill Pritchett has put a lot of effort into this by creating a "packet" to hand out to prospective members and by setting up his table in such locations as the Somerset Patriots baseball game we attended.

So just where do we find these new members? The Patriots ball game was a good place to look. We may not have recruited anyone at that event, but someone who saw us there may see us again and inquire. This is a step in the right direction!

I will tell you where you will NOT find new members. In a funeral home. Nor will you find them among those that are one step away from a funeral home, in a nursing home. And the NJ Region AACNA spends entirely too much time looking there. Nursing home visits crowd our calendar. There was a day that other than a hot dog and a cup of coffee, these organizations also gave us a donation for bringing our cars to their facilities. I believe one still does, but I am not sure of that. And a

crowded schedule of nursing home visits prevents time slot openings for other venues where we are more likely to find prospective members.

Lia and Frank Figorotta do a great job keeping club clothing available and Duffy Bell keeps us complete with jacket patches, car badges and the like.

Regarding this monthly publication, I again quote Duane Copley in his September 2013 Presidents message, my first issue as editor, "I can tell you first hand the learning curve is directly proportional to the help and support the editor gets from the members." I have had terrific support from the members, enough so that I was presented with the AACNA Master Editor Award in this year's Annual Meeting.

Then there is always the problem of keeping the members you just recruited. We do not do well with that. We lost more members last year to non-renewal than we did to deaths.

So let's keep this subject close to our hearts and see what we each can do individually to pitch in and help!

I'll see you at McDonalds for breakfast!

Care One at Morris Assisted Living

June 11, 2016

With a threat of showers later in the afternoon, NJ Region AACA members and a guest still showed up in full force at Care-One at Morris Assisted Living on June 11th from 12 to 3PM. We had 15 members & guests, and 11 vehicles in attendance. This was our second visit at this location, and due to an infestation of birds at the previous parking location, we were moved to the other side of the building. Even with the threat of rain in the afternoon, we had a beautiful day despite a five minute sprinkle at 12:30.

We were welcomed by a DJ playing dance tunes who had the residents dancing in the streets, as best they could. We saw some pretty fancy moves with the wheelchairs. We had a good lunch, including hamburgers, hot dogs, chips, cookies, freshly popped popcorn, and beverages. Many residents and their families came out to view our display.

Residents chose their favorite cars and trucks, and cash prizes were offered by our host. Bob Kelly's 1950 Chevrolet won the first place prize of \$25.00. John White's 1954 Chevrolet won the second place prize of \$15.00. Guest Kurt Amerman's 1955 Ford won the third place prize of \$10.00. Kurt has a family member that is a resident of Care-One. In the true club spirit, I gave Kurt a NJ Region membership application along with my business card.

Congratulations to all the winners. The other members and vehicles in attendance were Greg and June Roser with their 1976 Cadillac Sedan DeVille, with Betty Allen riding along, George Ernst with his 1925 Ford Model T Pickup, Kirk Judkins with his 1923 Ford Model T Touring, Brian Pritchett and Sarah Fehley with their 1968 Ford Mustang fastback, Matt Verzi with his 1982 Rolls Royce, Bernie

Cooney with his 1985 Cadillac Seville, Jack and Esther White with their 1968 Jeep Army Ambulance, fully equipped to handle any emergency, and Ken Dulio with his 1957 Chevrolet Bel Air.

We had a nice display of vehicles ranging 62 years from 1923 to 1985. This was such a fun event that we have again been invited back for another year. I am arranging next year's date, which will be announced when it is available. Thanks to all who came out for this event.

The “Sizzlermental” Tour

By Duane Copley #1337

Photography by Trish Copley

The 2016 AACA Sentimental Tour was held in Salisbury NC. The 5 day tour was attended by Trish and Duane Copley, Paul and Helen Wolfmeyer, Ray and Judy Fischer, King and Peggy Schaedel, Peter Cullen and his sister Barbra and Bill and Betty Pritchett and granddaughter Olivia.

To say the weather was hot would be a gross understatement but it didn't seem to hamper the good times and fellowship that permeates these events.

The days were well planned; the itinerary relaxed and the driving directions were excellent.

Despite the fact that my condenser gave up the ghost on Thursday, mechanical problems were for the most part minimal. Both the kickoff banquet and the Closing banquet were held at Railroad facilities of which the North Carolina Transportation Museum was one and the train depot in Salisbury the other. We all got a chance to tour the manufacturing facility of Dennis Carpenter and visit his museum. We went on a cruise and lunch on Lake Norman and visited the cars at the Auto Barn and visited a monstrous antique mall housed in an old factory. Other days we visited the first gold mining town in the country called Gold Hill and then later went to the winery at Morgan Ridge Vineyards. The day at the Transportation Museum featured a tour of the largest working Roundhouse in the country that is still servicing and rebuilding steam and electric locomotives and also featured a train ride to nowhere.

The final days was a trolley tour of the town who hosted us where we saw the National Military Cemetery, the remains of a confederate prison, some really beautiful old churches and some stunning turn of the century homes and buildings.

We had fun. If you have never experienced an AACA tour, I would heartily recommend you do so.

Boonton Fireman's Home Visit

June 18, 2016

On June 18th 15 cars from the NJ Region AACA and 2 guests visited the New Jersey Fireman's Home in Boonton, NJ. Once again we were gratefully received by the residents as heard some stories of cars these men had in their lives!

This writer appreciates those who attended and I quote from a "Thank You" letter received from the Superintendent, "On behalf of our guests, Board of Manager and staff, I would like to thank you for bringing coffee and stale donuts to the guests of the home. The men had a wonderful time with you, and we thank you for keeping them in your thoughts. Your thoughtfulness, generosity and continued support of our organization are very much appreciated!"

Signed: Hugh E. Flood, CFO Superintendent.

Brandywine Assisted Living Community

July 8, 2016

How does one get cool on an unusually hot and humid summer afternoon? Since we are a car club, we might take a cool car to a cool place. Friday, July 08, 2016, The New Jersey Region, AACA and our friends from the North Jersey Cadillac Club visited with some very cool people. Brandywine at Mahwah is an ultra-modern, ultra-luxurious community for senior citizens; senior citizens who have the wherewithal to afford the very best of care. This facility is barely a year old. Now that the paint is dry, the highly efficient and well trained staff conducts countless activities for their residents. Just one of those activities was today's car show.

One doesn't expect a large gathering on a week day. After all, some of us work for a living. But for those lucky few who were able to attend, a wonderful time was had by all. First chore, park the car. Second chore, visit "The Tap Room" for a light lunch and soft drinks. Thirdly – you can't call this a chore, it is an honor – meet some very interesting, lucky and happy seniors. Finally, after all is said and done, beat feet for home before the midafternoon Morristown monsoon.

Thanks to Brianne Fuelher for arranging this lovely lunch stop. And a special Thank You goes to Greg Roser, 1990 Cadillac Brougham; Ed Geller, sporty as usual brought his 1985 Jaguar, Bernie Cooney arrived in style in a 1985 Cadillac Seville Roadster; from the North Jersey Cadillac Club, Joe Fontanazza displayed his stunning 1970 Cadillac deVille convertible. But the real stars of the show were Manny and Sandy Rein in a lovely red 1911 Ford Model "T". Thanks for all!

Brookdale Assisted Living **Hillsborough, N.J.** **Saturday, July 9, 2016**

The meet at Brookdale Assisted Living was a success with seven cars and drivers braving the "misty morning" and making the day again this year for the residents, many of whom came out to admire and reminisce about the cars.

We were treated to a tasty lunch as we sat under the trees and chatted with the residents who strolled by.

New Jersey Region Holds a Successful & Enjoyable Day at the Ballpark.

July 8th, 2016 marked the 7th year of SEMA's National Collector Car Appreciation Day. The New Jersey Region utilized July 10th as a day to celebrate our hobby and enjoy a Somerset Patriots baseball game.

The Somerset Patriots of Bridgewater, NJ graciously held the car show in their red lot. Between two car clubs there was a total of close to 50 automobiles ranging several era's. Despite personal opinions SEMA's day is not just about classic cars, it is about the collector car hobby as a whole. The Street Dreams Car Club had a wide spectrum of vehicles ranging from modifieds to current aged vehicles. The car show offered spectators the chance to walk around for approximately an hour and a half, giving them the opportunity to see the transformation of automobile history. Art Briggs 1976 replication of a 1902 Cadillac, gathered the most interest from spectators. At approximately four thirty all cars were released on to the ball fields warning track for a pre-game parade. Despite a poor performance by the Patriots, who were almost no-hit - the few remaining Region members were able to see the AACA name come across the scoreboard during the bottom of the sixth inning.

Having assisted with running the AACA National Spring Meet in Auburn the past three years with Herb Oakes, I was nervous about how this would go - since it was my first region event. As the clouds rolled in, a little drizzle fell. I started to worry but then the sun came out and it was a perfect day. Minus my dyslexic moment in the directions to the ballpark parking lot, it turned out to be an excellent event. I think the most encouraging thing I saw was the turn-out of young soon to be grease monkeys and automobile enthusiasts who

were brought by our region members. That was the top bench mark of four I set for myself and the event. Bench mark number two was setting up a membership area to gain exposure and draw in prospective members (covered in the next paragraph). The third was having 20 cars represented from our region. The fourth and final was for everyone to have fun, which we all did. The positive remarks heard about the event, has me excited to run and build this event for next year.

I would like to extend a very big THANK YOU to Bill, Bette, Brian Pritchett & Sarah Fehley for running the membership table. Along with running the membership table, that drew in some prospective new members. The Pritchett family put together a Region "Goodie Bag", which contains a Region pamphlet, National AACA application, a key chain, pen, sticker and other goodies. The hard work and dedication put forth shows that our members want to drive the region into the future by doing what it takes to get our name out there! Another big THANK YOU goes out to our Region photographers Trish Copley and Richard Reina. Trish provided many of the photos that are in the Road Map. While Richard took his photos to another level and did a nice write-up for his personal blog. For those receiving the Road Map digitally please copy and paste this link into your internet browser or "Ctl + click" with your pointer.
