NJ REGION AACA

DECEMBER 2015 PRESIDENT'S MESSAGE

Sadly, we lost one of our longest term members Margaret Singe in November. Margaret, wife of founding member Herb Singe, and our very first club Secretary, will be greatly missed. The burial was private. Information for a possible memorial service will be announced when it is available. I had the honor of presenting the AACA National 50-Year Pin to Margaret at the November Region meeting, a few days before she died. Margaret had been active for more than 50 years, but there is no pin for that. I will write an article for a future issue when I can gather more information from the family.

I congratulate and thank all of our newly elected officers for 2016. The competition was tough, but we managed to come through with a victory. Seriously folks, the President and Vice-President are both continuing because no one stepped forward to be a new Vice-President. Therefore I will continue for a third year as President, and Wayne Tuck will continue for a third year as Vice-President. Bernie Cooney will continue as Secretary, Tim Schimmel as Treasurer, and Bill Pritchett as Membership Secretary. My gratitude goes to all the re-elected officers for continuing for another year. We have had a fine team, but we still need some new volunteers for officers. I thank Ed and Debbie Symonds for "volunteering" to be tellers. Our members selected a recipient of the club's "Outstanding Service Award", which will be announced at the January banquet. Speaking of the banquet, you will see some corrections in the reservation form. The parfait is not included, and was listed in error. In addition, free soda is available at dinner only, NOT during the cocktail hour. I thank Pat Hogan for doing a fine job as our new banquet chair.

Remember that our December region meeting starts at 7:30PM, instead of the usual 8:00PM, as we will be having our annual holiday put-luck dinner. I will hold an abbreviated business meeting, and then we will all share in the fine hot and cold foods that you have prepared, so get your favorite recipes in order.

Special thanks go to Herb Singe and Lillian Anderson for planning and presenting yet another "Old Timers' Night" at the November meeting. We honored all present who have been members for 20 years or more. These members are listed in the Secretary's minutes.

VP Wayne Tuck is preparing our 2016 full year calendar that will be published in the January Road Map. The calendar is already quite full, but there is still room for additional events. Please get that information to Wayne by December 15th. The calendar will then be updated throughout 2016.

For those members that get this publication by printed postal mail, please note that to continue, you will need to pay an additional \$40.00 to cover the printing and mailing expenses when you renew your membership. Our treasurer requests that you submit a SEPARATE \$40.00 check for the Road Map mailing, in addition to the membership renewal check for \$20.00. This is for accounting purposes, and is required by our auditor. Tim Schimmel has an already difficult job that we need not complicate. Thanks for the cooperation.

As I am writing this column on the deadline date for our publisher (15th of the month), June and I just arrived home from a delightful AACA Joint Region Tour to the "American Treasure Tour" in Oaks,

PA. The NJ Region, South Jersey Region, and Ontelaunee Region combined had approximately 80 tourists. The collection and museum was a sight to see, and those that did not attend missed a truly great day. Look for Ray and Judy Fischer's story in an upcoming issue. June and I also had a GREAT weekend at Lukan's in October, we are very fortunate to have an active club.

With the gift of a very warm and dry early November, I was finally able to complete the exterior painting of my house, detached garage, and shed that I started in April. Just as I thought I was done with the ladders, it was time to put up my Christmas lights and decorations, all the way to the peak of the house, on the front and both sides. Next up is the thousands of white lights on the trees and bushes, and finally populate the lawn with my home made wood decorations, and other lit objects from the menagerie that has been hibernating in the loft of my garage for four years. You see, it has been that long since I have had the time to put them up, and I no longer want to disappoint my friends and neighbors who have been requesting my display since I last had it up in 2011. I will also be playing Santa on Dec. 19th for the neighborhood children, as I had done in previous years. We had over 300 trick-or-treaters on this past Halloween, so I know we have many children in the vicinity.

I am humbled by your confidence in me as your President for the past two years, and am looking forward to another great year. It has been a great ride, and I enjoyed most every minute, even though it takes a lot of time and energy. I am already planning my next projects around the house. Hmmmm, I have interior painting, wallpaper removal, electrical work, and carpet removal. I do not know when I had time to go to work. This retirement thing isn't all it's cracked up to be, I seem to have LESS time than ever before.

Remember the AACA Annual Meeting in Philadelphia coming up in a few months on February 11, 12, and 13. June and I are excited to attend as President and First Lady for yet another year, and we hope to see many of our fellow NJ Region members there, and to re-connect with old friends from around the country. *(See Page 37 for the Meeting registration and Hotel Reservations forms.)*

This is your club, be active and participate. See you on the road, and remember, my line is always open.

President Greg

A SPECIAL MESSAGE FROM YOUR PRESIDENT REGARDING MEMBERSHIP RENEWAL

Your NJ Region membership renewal form was included in the November Road Map. To be included in the 2016 Membership Roster, you MUST pay your dues by the February 1, 2016 deadline. In respect for our Membership Chairman and the committee that compiles the roster, I will be strictly enforcing this deadline. You now have two months left to pay, either by mail, or at the December region meeting, or at the January banquet. Please follow this request to help me run YOUR club more efficiently. Also requested is a separate check if you wish to receive a printed postal mailed copy of the Road Map. See the details in the membership renewal form.

Thank you for your cooperation,

Gregory Roser

President / NJ Region AACA

Meeting # 682 NJ REGION AACA

November 5, 2015

Old Timer's Night

Minutes

The 682nd Region Meeting was called to order at precisely 8:00 p.m.

All were asked to rise for recital of the Pledge of Allegiance

President Greg Roser began the meeting by mentioning that this evening is special as it is Old Timer's Night. Before the start of tonight's business President Greg presented the 2015 slate of officers to the general membership for approval. The slate officially reads: For President, **Greg Roser**; for Vice President, **Wayne Tuck**; for Recording Secretary, **Bernie Cooney**; for Treasurer, **Tim Schimmel**; for Membership Secretary, **Bill Pritchett**. Motion was made to approve the above slate and was seconded. There was no additional discussion and the slate was approved.

The following guests were welcomed: **Herb Singe** introduced members of his family: **Peggy Sue** and **Herb Jr.** Herb also mentioned his closest associates who are also members of the NJ Region, and need no introduction. Being caught up in the moment Herb also introduced his beautiful wife **Margaret**, who also needs no introduction.

Secretary's Report - Bernie Cooney: Motion to approve the minutes of the 681st Region Meeting (As printed in the Road Map) was made, seconded and approved. The minutes for the previous meeting will stand as printed in *The Road Map*

Correspondence: was not read, as there was none.

Treasurer's Report - Tim Schimmel: A motion to approve Tim's report was unanimously approved.

President's Report: -Greg Roser: President Roser named **Ed and Debbie Symonds** as tellers and charged them with the task to count election ballots. President Roser went on to mention that although dues are now due, all members do have a small grace period for remittance. We were reminded that the National Meeting in Philadelphia is coming soon. This is an important and fun event for all who see fit to attend. Tonight is Old Timer's night. Next month is our holiday party; the meeting will begin at **7:30 PM**. It will be our pot luck holiday party; an event not to be missed.

As a segue to our VP and Events, President Roser lauded **Wayne Tuck** for having attended all 9 (nine) National Meets. **Art Briggs** was mentioned as runner up attending 7.

Region activities: – Wayne Tuck: VP Tuck mentioned that the events calendar is winding down quite nicely. For everyone's convenience all Region and National events are printed in *The Road Map*.

Other activities that members would like to announce – Wayne Tuck: A surprising number of post-season events were brought to light. **Judy Fisher** mentioned a possible bus trip to Atlantic City. This trip would visit the old Convention Hall with a guided tour of the "World's Largest Pipe Organ." **Bob Jepson** mentioned that the VCCA and the Porsche Club were working on a combined presentation at the truck museum in Basking Ridge. Details to follow.

Autumn Tour follow-up - Pete Cullen: Pete mentioned what a nice time everyone had at "Lukan's" and booked us again for next year. Same bat-time, same bat-channel.

Road Map Editor – **Art Briggs**: Mr. Briggs warned us that there was a backlog of information on hand. To ameliorate the situation the December Road Map would be a “Fat Map.”

Membership and Web Master – **Bill Pritchett**: No Report

Participation Points, Sunshine and Refreshments – **Shayna Geller**: Shayna brought us the distressing news of the passing of Lynn Ashley after a long illness.

The desert list (which proved to contain many delectable morsels) contained the names of Shayna Geller, Debbie Symonds, Pat Hogan, Bette Pritchett, Pauline Symonds, Bernie Cooney, John Quattrocchi, Greg Roser, Bob Graham, Bennie Cavagnaro, and Joe De Freitas.

Shayna reminded us that the “points year” ends when November ends. If you’ve participated in any national activities, please let her know.

Tour Master and Accessories Reports – **Duffy Bell**: Keeping the theme of NJ Region bargain accessories, Duffy presented patches at the bargain price of \$1.25.

Watchung Mountain Chapter – **George Ernst**: No report

Government Liaison and Safety – **Bob Hedderick**: No Report. However it was mentioned that a bill to prohibit owners of new cars from “messing with” electronics of new cars was soundly defeated

Archivist – **Matt Verzi**: No Report

Properties – **Rich Reina**: No Report

Jacket and Sweatshirt Sales – **Lia Figorotta**: Since Frank & Lia were not able to attend the meeting, she left word that a new supply of jackets was in, and could be yours with just one phone call

Badge Fines – **Herb Singe**: Always amiable, always efficient, and truly effective

OLD BUSINESS: None

NEW BUSINESS:

1) **Margaret Singe** was honored from National with her 50 year pin. It was remarked that this presentation was over-due.

2) President Roser mentioned that **Brenda Zimmerman** recently received recognition for 175 judging credits

3) VP Wayne Tuck presented **Herb Singe** with a copy of the 1960 AACA Roster for display in his museum

4) **VP Wayne Tuck** was officially recognized for judging at all nine national meets in 2015.

For Sale or Wanted: For sale and wanted ads appear monthly in the Road Map.

Old Timer’s festivities: **Herb Singe** and **Lillian Anderson** were the highlight of the evening. The list was:

#011 Herb and Margaret Singe, Herb is our founder, Margaret was our original secretary

#169 Lillian Anderson, Lillian enjoyed playing jacks on tour for many years

- #420 Bob Smith, Mr. 50/50
- #566 Pauline Symonds one of our most active members
- #560 Manny & Sandy Rein, Manny was club Director in 1972, club President in 1973, Manny and Sandy continue to be active tourists
- #664 LeRoy and Marlene Gearhart loyal club members who are very active
- #667 Kurt Judkins Also very active
- #701 Bob Graham. Singular for all the support he has given our club
- #781 John Schroeder Long time member
- #795 Bob Petrich Region President in 1980
- #941 Jay Leonard Jay did awards for more years that he cares to remember
- #963 Bill & Bette Pritchett. Mr. Website & Membership Secretary
- #966 Duffy Bell, Known for interesting Region tours
- #1040 Pete Cullen President in '93, '04, Spring meet, etc, etc, etc
- #1240 Brendan and Pat Hogan. January Banquet
- #1242 Peter Ehman, Active in running tours and other events
- #1247 Bernie Cooney, Current secretary and President in 1998
- #1270 Dave Cavagnaro Mr. Chevrolet
- #1272 Al Danner, Mr. Mustang
- #1275 Ken Miller Always congenial
- #1280 Larry Solomayer Chief cook at region picnic
- # 1282 Bob Hedderick Safety chairman

50/50 – **Bob Smith:** Mr. Smith presented souvenirs to Joe Durna and Rich Reina

The meeting was adjourned precisely at: 8:55

Respectfully submitted,
Bernie Cooney

Margaret Macdonald Singe

Feb. 22, 1930 - Nov. 11, 2015

Margaret, who was born 85 years ago on Washington's Birthday, passed away peacefully at home on Veterans Day, Wednesday, November 11, 2015 after a brave fight against a difficult illness. She lived a long, happy and successful life, enjoying and loving her life, the old car hobby, her friends and family and being loved in return by them.

A native of Elizabeth NJ and the daughter of Scottish immigrant parents who pre-deceased her, Robert and Margaret "Peggy" Macdonald, Margaret moved to Hillside upon her marriage to Herb on May 1, 1954. She had worked as a secretary first at Western Exterminating Co. where both her father and future father-in-law worked and where she met Herb, then at a law office and finally at the Standard Oil Company in Linden, leaving there upon the birth of their first child, Herb, in 1957. Four years later and two months after the birth of their second child, Peggysue, the couple started the Addressing Machine and Supply Co. in August 1961. They, along with their son, would make this business into one of the most successful mailing machine sales and service companies in the country. In the beginning, as one of the company's first two employees, along with Herb, Margaret performed all of the office and metal addressograph plate embossing duties for the firm, often arising at 4 AM, after a few hours sleep, to catch up on yesterday's work before the next busy day as office manager, plate embosser, wife and mother began. Later and for over a quarter of a century, Margaret was the company's accounts receivable manager. Then after the death of her father in law, Herb, in 1991, she served as the company's accounts payable manager until very recently. Margaret was also very active in the real estate partnerships she shared with her husband and with her son and husband.

Margaret also very much enjoyed her time from the early 1970's through the mid 2000's at their shore cottage on Bayview Drive in the Green Island section of Toms River. She was fond of time spent with her family on their 2 Chris Crafts, both named Wiki Wiki. But rather than going quick, as the name might suggest, she preferred to cruise slowly up-and-down the lagoons and along the shore on Barnegat Bay. She also enjoyed doing this on her side-by-side jet ski which she first acquired in her late 60's.

Margaret also very much enjoyed traveling with Herb throughout America and Canada, the Caribbean and Europe. In America, this travel was often associated with old cars from Florida to Maine and out to Pennsylvania, Ohio, Indiana and Michigan, as well as to California, Nevada, Arizona and Hawaii. They journeyed to the Caribbean more than 20 times, frequently but not always sailing in the Caribbean on cruise ships including nine times on the 3 four masted clipper (tall) ships of the Star Clipper Lines. Margaret traveled almost as often to Europe, beginning in 1967 with an AACA sponsored bus tour of Northern Europe. On all but one of these trips she was accompanied by Herb including three old car tours of the European continent in their 1909 model T Ford touring, one tour through Scotland and northern England in their 1911 Pierce Arrow touring and the 1996 centenary London to Brighton Run in their 1904 Curved Dash Oldsmobile. On her

only European trip without Herb, Margaret journeyed to the land of her ancestors, Scotland, along with her Scottish born mother and daughter.

Margaret also had many friends, some of whom she met in grade school and kept for over three quarters of a century. Others she and Herb acquired over the past 65 years through their association with a number of civic and social organizations including the Rotary Club. However, the couples most prominent interest and area of activities was in the old car hobby, particularly the Horseless Carriage Club of America, the Veteran Motor Car Club of America, the national Antique Automobile Club of America and last, but certainly not least, the New Jersey Region of the AACA.

Margaret was first introduced to the old car hobby in the very late 1940's and early 1950's through her boyfriend Herb. When he and a few other like-minded old car friends decided to form the New Jersey Region and held their first meeting at the Wiss Brothers Dodge dealership in Morristown NJ, Margaret was right there, serving as the club's first secretary. For the next 65 years, Margaret was active in region activities including many of the early region tours, Spring Meets and Becker Farm meets in the couple's well known 1911 Palmer Singer seven passenger touring car and weekend getaways to Cape May and Wolff's Maple Breeze Inn in the couple's 1935 Ford Phaeton. She also enjoyed participating in the activities of the Region's Pioneer Chapter in their 1904 Curved Dash Oldsmobile. Later on, her activities were often limited to old-timers nights, the Spring Meet and the yearly holiday party. In fact, the last time she left her home was for last month's old timer's night where she received a pin for 50 years of membership in the national ACAA (although she actually was a member for over 60 years). But that never lessened her enthusiasm for her membership in the Region that Herb and she had helped create. Margaret treasured the many friendships she made through the New Jersey Region and looked forward to perusing the Road Map each month.

Margaret also took part in many national AACA activities including nine straight Glidden tours from 1951-1959, driving in their 1904 Curved Dash Olds, numerous other Glidden Tours from 1960 through the early 1990's in their Palmer Singer, most of the national ACAA meetings in Philadelphia from the 1950's – 1970's, many national AACA Spring Meets from the 1950's – 1980's and the first twenty Hershey AACA Fall Meets from 1954–1973, always alongside her husband of 61 and a half years, Herb.

During the past 25 years, as they revived their love for brass era cars, which they very much shared with their son, Margaret and Herb became more involved in the Horseless Carriage Club of America, of which they also were members for over 60 years. But Margaret never lost her love for the many friends she made in the New Jersey Region of the AACA nor her enthusiasm for the little old car club that she and her then boyfriend and later husband helped start in 1951, almost 65 years ago and which is still going strong today.

Margaret is survived by her husband, Herb, son and daughter in law Herb and Belinda, daughter Peggysue, grandchildren Herb and Heidi, sister-in-law Marilyn and many friends. A more detailed obituary is available at: growneyfuneral.com As per Margaret's wishes there was no wake, funeral or memorial service subsequent to her passing. However, Margaret did agree that her family and

friends could assemble and conduct a ceremony celebrating and honoring her life. This celebration of life ceremony will occur at 11 AM on Saturday, December 19, 2015 in Hillside NJ. All of her friends are welcome and encouraged to join her family at this celebration and the following repast and also to say a few words or share their memories of Margaret. If you wish to attend, please RSVP for the exact location to: hsingel1@aol.com or text to: 908-868-4006 or call her son at 908-265-1155

**Remembering my
sister Lynn**
by Larry Ashley

My sister Lynn Ashley grew up with the New Jersey Region as did I with many region tours and events, as well as many AACA nationals.

Our dad restored a 1928 Chevy two door coach back in the sixties that transported us to many of those events. The car was on the road with no interior for at least a year or two until the corduroy material was acquired and installed. I remember many years attending the Warren County fair, one night our balloons were popped by the window regulator gears(tragic for little kids!).

Years later as be both were old enough she became an AACA and a region judge. For many years she teamed up with Pete Cullen at the Spring meet, and they were an incredible team! She "adopted" a 1960 Corvair Monza that Dad and I had restored, and named it Felix. After attending a number of region tours as passengers of Mom and Dad, in 2010 we heard that Doris and Chris were retiring from the duty of tourmasters. Lynn and I both agreed that we should take Mom and Dad, as a small way to return the favor of all the years of carting us around. I drove and Lynn was the navigator, and we rented a new Town and country van complete with walkers, luggage and wheelchairs! (Mom and Dad were 87 and 88 at the time).

This was the last Ashley family vacation, and unfortunately the last major event attended by us in the NJ region event as Mom and Dad's health began to decline and only a few years later, Lynn's battle with cancer began in 2012. Mom and Dad were still alive and the "experts" told us not to let them know, but they were both very smart and knew Lynn was very sick. After battling cancer for three years Lynn passed away on October 28.

Lynn's battle with cancer is correctly described as courageous and graceful. She suffered the ravages of the disease and the discomforts of

treatment without complaint and with grace and an upbeat attitude. She was an inspiration to the members of our church and every one she met in the last several years. She already is missed by us all.

"TRIVIA TIDBITS"

By Gregory Roser

This month's trivia will be in a question and answer format. The answers can be found elsewhere in this issue.

- 1) What Italian performance car company originally built and sold tractors?
- 2) What kind of car was "Christine" in the movie of the same name?
- 3) The founder of Chevrolet is from what country?
- 4) Whose tires were installed on the first mass produced Fords?
- 5) In what year was the Plymouth Fury first available as a convertible?
- 6) What automaker was the first to have power steering as standard equipment on their entire line, and in what year?
- 7) What is the longest running vehicle nameplate of any US manufacturer?
- 8) What car company first used the slogan "The Ultimate Driving Machine"?
- 9) For what model year was the Chevrolet Chevelle introduced?
- 10) Who sang the song "Mustang Sally"?

**From the 2015 NJ Region AACA
Constitution, By-Laws and General
Information:**

ARTICLE VI: MEMBERS

Section 1. All applicants for membership in this Region must be members in good standing of the Antique Automobile Club of America.

Section 2. Applications for Region membership must be in writing, filed with Secretary and Membership Secretary (or Membership Chairman) accompanied with the dues for the current year, and shall be effective upon presentation and introduction of the applicant at the next regular meeting and the approval of the members present at the next regular meeting following the meeting at which the application and applicant are introduced to the membership.

Section 3. All applications for membership received and accepted during the months of October, November and December shall include membership for the succeeding year at no additional fee.

Section 4. A joint husband/wife membership in the Region shall be automatic when a Joint Membership is held in the National A.A.C.A. and shall carry dues fee as that of a single Region member.

Section 5. No member shall be deprived of membership or have

their membership cancelled, except for non-payment of dues or by an action of the members of the Region passed by two-thirds of the members present at two consecutive meetings and all members shall be notified by mail of the charges and action taken.

Section 6. Honorary member shall have essentially the same qualifications as those requiring Honorary Membership in the National A.A.C.A. and shall be voted on by those members present at a regular meeting following their approval by the Executive Committee.

Section 7. A Life Membership may be obtained by any member, who is a Life Member of A.A.C.A., upon completion of one year as a regular member of the Region and upon the payment of a one time fee of fifteen (15 times the yearly dues. The monies derived from these Life Memberships shall be placed into a special account, the sole purpose of which shall be to provide a return of interest to offset the cost of maintaining the member of the Region's rolls during his or her lifetime. All rights and privileges of regular membership shall apply.

AACA - Who? What?

By Mary Bartemeyer

VP Public Relations

If you stroll down the street in your town and ask someone "What is AACA?" would they have

the slightest idea what you are talking about. I doubt it. We are the premiere Antique Automobile Club in the nation and many people and prospective members don't know who we are or that we even exist.

Through the years we have enjoyed the benefits of AACA through our meets, our tours, and the true friendships that have endured. But now it's time for new generations to discover that joy. We must get our message out that there is a national Antique Automobile Club of America with regions that support the restoration and preservation of our motoring history.

Every year at the National Meeting, the balconies are filled with banners from many of our regions. When you go to local car shows are those banners going with you to be displayed? Do you have literature with you to promote your Region and AACA? When you drive through parades do the spectators know that you are a region of the AACA?

There are great advertising tools available from National Headquarters that you can carry in your glove box to hand out to potential members. In the near future we will be sending each region a "Tool Box" that will give you hints on how to get the word out. But our greatest tool is our membership.

Let's encourage our members to make AACA a household name. Be proud of its heritage and help it continue well into the future.

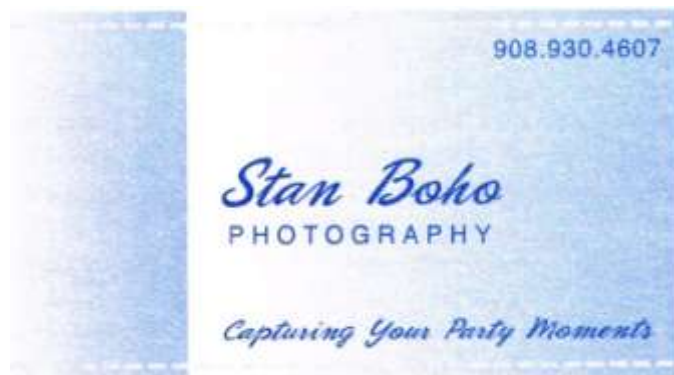

Free – Blue Region Name Badges – Free

I can order the blue Region Name Badges for any club member and family members who need them. They are required when attending Region Business Meetings. Failure to show them results in a 50 cent fine. They are free and will come with each new membership. New members will need to supply me with the following information: Name, Region Number, home address. If you are not a new member, the year you joined the club.

Duffy Bell, Accessories Chairperson

Email: duffy_bell@hotmail.com

Phone: 973-571-1174

From the Editor's Desk

Here it is, the end of another exciting and busy year in AACA and the New Jersey Region. My, how time flies!

After our December meeting and Holiday party on December 3rd, the next event will be the 80th Annual Meeting of AACA in Philadelphia. I have included the registration forms for this meeting and the schedule of events and seminars for your perusal in this issue.

Ray and Judy Fischer have been working with AACA Past President Mike Jones all year to make this an informative and fun event. I personally have been attending this event before becoming a region member and highly recommend attendance. See you there!

Respectfully submitted,
Art Briggs, #1469, Editor

Technical Tips

This tip comes to mind as a friend of mine had car trouble last week. Her car had difficulty starting, and eventually quit. It acted like it had a dead battery, which is copasetic for these first cold days of the season. Batteries generally fail on the first cold days and the first hot days.

But, before running out to buy a new battery, it is wise to determine if it is actually the battery, or if there is a problem with the charging system.

By using my jump box, I started the car. As the car was running, I lifted the Negative lead off the battery (either one will do, but I always remove the ground lead off a battery first).

If the car died, it was running on the battery and there is a problem with the charging system.

If the car keeps running, it is running on the charging system, and the battery is faulty.

In my case last week, the car continued to run on the charging system. We installed a new battery and the car is running fine since.

WYNWOOD OF FLORHAM PARK ASSISTED LIVING

September 19th

NJ Region AACA members and Raritan River Region Cadillac LaSalle Club members visited Wynwood of Florham Park on Saturday, September 19th from 12 to 3PM. We had 16 members & guests, and 11 vehicles in attendance. This was our second year in a row back at Wynwood, after having been there many years ago. We had a beautiful day, were welcomed by entertainment and a delicious lunch, including sandwiches, cookies, chips and soda. Many residents and their families came out to view our display. Wynwood offered a wine gift basket raffle, which was won by yours truly, Mr. President. Residents chose their favorite cars, and gift baskets were offered by our host. Dick and Margaret Mowbray's 1946 Mercury won first place. Daniel Espy's 1974 Cadillac Eldorado convertible won second place. Guest Dick Bettles' 1930 Ford Model A won third place. Dick found out about the event while taking his Model A to a car wash sponsored by the facility a few weeks prior. Congratulations to all the winners. The other members and vehicles in attendance were June Roser with her 1990 Mercedes-Benz 500SL, John Quattrocchi with his 1977 Cadillac Sedan deVille, Brian Pritchett and guest Sarah Fehley with Brian's 1950 Oldsmobile 88, Bob and Marge Graham with their 1965 Chevrolet Impala, Matt Verzi with his 1969 Oldsmobile 98, Bernie Cooney with his 1985 Cadillac Seville, LeRoy And Marlene Gearhart along with Pauline Symonds, with their 1936 Ford, and finally Gregory Roser with his (really June's) 1976 Cadillac Sedan deVille. This worked out so well that we have already been invited back for September 17th next year.

THE OKLAHOMA 4-WAY STOP TOUR

THE GLIDDEN

Our 2015 Glidden Tour adventure got off to an early start as we needed to go to Florida to attend to some family business for my mom.

We loaded up the 32 Plymouth on my antique open trailer and headed south. On this leg of the trip I learned the new top on the roadster would easily handle speeds of up to 80 MPH and that when Florida monsoon rains occur, a Roadster will certainly take in some water. 1187 miles later we were in central Florida.

Hot does not begin to describe the August weather in a state where there are more people older than me than younger. The most excitement we had in Florida was trying to get my 93 years young mother into my Dodge 4x4 truck for a doctor's appointment. After a dozen days or so my mom was ready for us to go aggravate someone else and so we loaded up the Roadster again and headed west.

There are many routes from Central Florida to Oklahoma City but none of them are very direct. My prime directive was to avoid Atlanta and so we headed up I-75 for Tallahassee. My personal flight director felt differently and up I-75 we went to Atlanta. To say we got stuck in traffic would be the understatement of the decade.

We clicked off about 650 miles the second day and found ourselves pulling off I-40 in a little berg called Alva, Arkansas.

Takedown in Alva

My flight director and financial officer directed me to a nice motel conveniently located next to a Cracker Barrel and promptly had us checked in. The office clerk directed us to park the rig around the back where there was ample parking and it would be convenient to our room. I parked the truck and trailer and Trish and I promptly grabbed some bags and headed into the room. I returned to the truck for the last few bags and as I was heading back across the parking lot, 3 cars and a pickup truck came screaming into the lot and promptly boxed in a red SUV that was parked in front of my truck. 7 guys and gals jumped out of the cars and truck with guns drawn. Looked to me like a "Glock-Sig Sauer" convention was taking place and I was the only one at the convention who wasn't carrying. The bad guys soon realized they were outnumbered and surrendered. Once I saw all the firepower, I retreated in great haste to the rear of my truck and trailer reasoning I could handle a few rounds to the Roadster easier than to my posterior. Needless to say, we had lots to talk about over dinner at the Cracker Barrel that evening. We rolled into Oklahoma City early afternoon the next day.

Sunday is a day to take out your ride and see some local points of interest that are not on the regular tour. We opted for the City Zoo. The Zoo was busy and had lots to see and we soon realized we didn't know which way to go to get out. 45 minutes and a lot of walking in circles eventually found us at the exit where we promptly made our way to the 45th Infantry Regiment Museum. An excellent collection of military memorabilia, and well presented. Next we were off to a private collection of beautiful cars which were well beyond my means but nice to view non-the less. The evening was capped by the opening banquet which was held at the Oklahoma State Museum.

Monday was the official 1st day of the tour and by 8 am the parking lot was emptying fast. We headed west along old Route 66 to Fort Smith where we were able to tour this 1800's fort and also visit a new museum dedicated strictly to the horse Calvary. Afternoon found us at a buffalo ranch where we lunched on buffalo tacos while being serenaded by a country music trio. There were times I know I drove for 15 miles while only turning the steering wheel to miss a pot hole or pass a fellow tourist, unfortunately the Oklahoma DOT absolutely adores the 4-way stop. So-much-so that we stopped at them about every mile or so for the entire tour.

Tuesday found us heading north east to Guthrie the original State Capital when Oklahoma first gained statehood. Along the way we stopped at "Pops" a neat place along old Rt. 66 that sells about every different type of soft drink you could possibly imagine. At Guthrie we had lunch and toured the Scottish Rite Masonic Temple which reportedly is the most

beautiful Masonic Temple in the world. Amazing what Oklahoma oil money can build. Later we visited an airport with vintage planes and were treated to an old fashioned root beer float.

Wednesday found us on our way to the Cowboy Hall of Fame and a private collection of very rare brass cars. There is way too much to see at the Cowboy Hall of Fame in a single day but we did what we could in a few hours and then went across the street to view the collection of 90 year old Don Boulton. To say he had a nice collection of rare vintage cars would be the understatement of the decade. Leaving there my car's master cylinder developed a terminal case of the "quits" and the AAA rollback brought us back to the motel.

Thursday found us heading into Indian Territory and the small city of Chickasha. On the way we stopped at another collection of 50's and 60's cars and later rolled into the Grady County Fairgrounds in my 2013 Dodge Ram. We were treated to a good meal and then had the great pleasure to watch a local dance troop of Chickasha Indians perform some of their tribal dances and teach us about their heritage. Shortly thereafter we parked all the cars on Main Street and while the locals viewed the cars we went window shopping.

Friday was the last day of the tour. We headed south to Norman, Oklahoma, and the campus of the University of Oklahoma. The campus is massive and while visiting we were able to go to the Fred Jones Museum of Art and the Sam Noble Natural History Museum.

Friday night brings the closing banquet and along with all the "thank you's" to the many sponsors and to those from the AACA Okie Region who worked so hard to bring us a great tour and a last chance to chat with new friends and say "so long until next time" to our special Glidden Tour Friends

During the tour each car traveled at least 465 miles. There were 133 cars on the tour representing 34 marquee's and included some 112 1st time Glidden tourers. 31 States and Germany and Canada were represented while participants traveled over 26,000 miles to attend the tour. There were 61 Fords cars covering the years from 1909 to 1941.

The New Jersey Region AACA was represented on the tour by Brenda Zimmerman, Trisha and I. Oklahoma is certainly a beautiful and picturesque State and Oklahoma City has much to offer its many visitors. We had a great time, made some new friends, caught up with some old friends and certainly enjoyed the hospitality provided to us by the AACA Okie Region, the VMCCA and AAA.

Brandywine - Mahwah

September 27, 2015

It is no great deal, in this day and age, to build a building. It happens all the time. Brick, mortar, add some plumbing, electrical wiring, windows, etc. You have a building. You can customize your building, adding windows, doors, heating and cooling. That's no great feat. You can decorate your building. Add some custom lighting, furniture, carpeting, desks and chairs – still no great whop.

We were invited to Brandywine's new assisted living community in Mahwah recently. It is impressive. It is brand new. It is still not fully populated. They are still adding landscaping touches here and there. So what was so special about or visit?

A couple of things were special, actually. We are no strangers to assisted living facilities. Dedicated care givers with special skills attend to the wants and needs of very deserving senior citizens is what happens at these places. But what makes Brandywine – Mahwah special is the dedication of the staff to and the residents. The building is brand new, the staff is young. But the staff has been seasoned with experience. There is a level of cooperation in Mahwah that seldom happens in today's workplace.

Our contact, Brianne Fuellhart is young. She is attractive, witty, energetic. It is easy to tell that what she does is done well. Perfection is the standard. Nothing is "good", when it can be done better. She works seamlessly with other employees to give a level of care that just doesn't exist elsewhere.

Thursday afternoon is not prime-time for a car show. We had four cars, and were probably lucky to get that. Like the Mahwah facility, the cars and people who were responsible for this event were all first class. Greg Roser selected “Rosie” for the event. Rosie is a 1976 all original Cadillac Sedan. Paul and Gail Semmler are two of the most charming people you ever want to meet. Their vehicle was a stunning 1957 Ford Thunderbird. Bernie Cooney has been kicking around old car circles for years. His elegant 1985 Cadillac Seville Roadster serves dual duty: Crowd pleaser and ultra-comfortable transportation. Last and certainly not least is Art Briggs. There is nothing half way about art. His 1902 “Altenberg” Cadillac starts off as a crowd pleaser. Art knows how to play the vehicle to its greatest advantage.

Brianne orchestrated this presentation like an expert. She has an innate talent for what she does, and it always works out well.

It was a pleasurable visit in all respects. The residents thoroughly enjoyed the visit. As car people, we had a nice meal and a great time. Brandywine – Mahwah starts and continues as a winner.

Bernie Cooney, event chairman

The one, the only, Art Briggs

Table set up for voting, part of the “show”

Three of four vehicles awaiting show time

Brianne wears many hats

Greg Roser relaxes in the “Tap Room”

Paul Semmler enjoys a casual sandwich or two in the “Tap Room”

Gail Semmler samples the bill of fare as well.

Car decorations were abundant

Different areas have different names. The theater is named for Charlie Chaplin

Every tap room has to have a juke box

An iconic marquee

"Rosie" looks resplendent awaiting review at Mahwah

Art and his machine. A great team.

One of the accouterments of the Charlie Chaplin theater. Anyone for popcorn?

Isn't this the nicest '57 Bird you've ever seen?

Its given name is "Clair de Lune." It enjoys sitting in shadows

Gone With the Wind. Certainly not here.

"Rosie" brings pleasure where ever she goes!

Gail & Paul each bring their own addition to the fun of car shows.

The winner is: Paul and his gorgeous 1957 T-Bird

Chelsea and Avalon Assisted Living

September 12, 2015

There were clouds. Plenty of clouds. Friendly clouds that abated the heat of a late-summer sun. Lucky 13 bright and shiny collector cars were assembled waiting inspection by some pretty important judges. That's how the day began at Chelsea Assisted Living nestled away from the noise and traffic of US 202-206 in Bridgewater. This year, Bob Allen's final year before retirement, we had two hosts organize our visit. Bob Allen, many years our host, introduced Josh Sporman to our routine – and what a magnificent job he did!

Bright and shiny collector cars were assembled; hungry collector car enthusiasts were awaiting breakfast. Chelsea has a reputation for feeding us a nice breakfast. This year they provided a GREAT breakfast. Eggs, French toast, sausage, bacon, pastries, donuts, coffee, etc, etc, etc.

While we happily had breakfast, scores of happy residents wandered outside (carefully supervised by the first class staff at Chelsea) seeing some beautiful well-maintained vehicles. Yes, the winners were tallied by vote: 3rd place Rich Nalavany in a 1947 Cadillac convertible; 2nd place Romeo Caballes driving a 1979 Cadillac Eldorado; 1st place Bob Graham in his 1931 Model "A" (driven by son, Brian).

The staff and residents of Chelsea always provide for a wonderful visit. But we had no time to tarry. Off we went to Avalon Assisted Living, located a hop, skip and jump away.

NJ Highway 28 is a bit less frantic than other major NJ highways. Still under the protection of benevolent (but thickening) clouds, we were warmly greeted at Avalon Assisted Living. The short trip actually failed to sharpen our appetites for the feast that had been prepared for us. But we managed a good show at sampling hot dogs, hamburgs, corn, salads, and assorted beverages. We had lost a few members on the ride over (we are thankful that some members who weren't able to attend both meets entertained us with their presence at Chelsea), but picked up a few strays upon arrival at Avalon.

The residents at Avalon had only smiles and admiration for the winners they picked 3rd place Roger Bagley in a 1940 Buick sedan; 2nd place Bob Graham in his crowd pleasing 1931 Ford phaeton; 1st place Art Briggs in his 1902 Cadillac model Altenburg.

By the time of the award ceremony some clouds were actually sort of threatening. This time they weren't fooling. Depending on your ride home, you got wet. In spite of a damp finish, a wonderful time was had by all. Special thanks go to Bob Allen and Josh Sporman for their organizing. But the real heroes of the day were Bernie Cooney, 1985 Cadillac Seville; Bob Rankin, 1955 Cadillac Sedan (Miss Daisy); Frank and Lia Figorotta, 1951 Chevrolet; Rich Nalavany, 1947 Cadillac; Roger Bagley, 1940 Buick Special Sedan; Jim Edwards, 1927 Ford "T"; Brian Pritchett and Sarah Fehley, 1968 Ford Mustang; George Scott, 1941 Cadillac; George Maulbeck, 1951 Hudson; Brian and Cheryl Graham driving Bob's 1931 Ford; Bob and Margret Graham, 1968 Chevrolet; Romeo Caballas, 1976 Cadillac Eldorado; Art Briggs, 1902 Cadillac; Bruce Fuller, 1967 Chevy Van; Josh Sporman, 2009 Jeep.

Autumn Outing

October 4, 2015

With the threat of a hurricane and bad weather, October fourth turned out to be sunny and a little chilly for our Autumn Outing. Hunterdon Hills Playhouse once again let us use the front parking lot to display our antique cars. Guests coming to the playhouse had a chance to vote and pick out their favorite cars.

Winners of the car display were as follows:

First Place:	Bette & Bill Pritchett	1957 Chevrolet
Second Place:	Wayne & Denise Tuck	1952 Hudson Hornet
Third Place:	LeRoy & Marlene Gearhart	1936 Ford

It was a lucky day for Bette Pritchett, who won the 50/50.

Members and guests present:

Art & MaryAnn Ackerman	1962 Chevrolet
Carl Apsley & Guests	Modern
Roger & Catherine Bagley	1940 Buick

First Lady's Breakfast—Friday, February 12, 2016

First Lady, Carol Barlup, will be our host at this year's Lady's Breakfast open to ALL members. Carol's program promises to be unique and entertaining and will feature Emery Turner, an AACA member with the Glidden Band. Please plan on attending this annual Friday breakfast where you will be able to visit with friends and fellow AACA members from all across America. We'll look for you in the Horizon's Ballroom at 9:00 AM where you will be treated to a panoramic view of Philadelphia's ever-changing skyline and a most enjoyable morning.

City of Brotherly Love Tour—Saturday, February 13, 2016

Transportation to the Trolley start point will be arranged through the Front Desk. **Check with AACA Registration for details.** With over ten destinations to choose from, select your choices as you plan your day, board the trolley when you wish and stay as long as you wish at each site. You may re-board the trolleys and return to the hotel on your own timetable. Sites include the Liberty Bell, Independence Square, Betsy Ross House, Rodin Museum, Antique Row, Philadelphia Museum of Art, Academy of Music, The Kimmel Center and much, much more!

AACA Museum Auction

On Friday evening, an auction will be held to benefit the AACA Museum. Donations may be sent to the AACA Museum or brought to the Annual Meeting. Items suitable for donation are automotive memorabilia, arts and crafts, collectibles, and giftware.

Dave Berg, Auctioneer
