17-19) AACAA Winter Meet, Naples FLA

APRIL

7) NJ Region 687th Meeting

7-9) AACAA Southeastern Spring Meet, Charlotte NC

10) Watchung Mountain Chapter 50th Annual Swap Meet and Flea Market, George Ernst, Chair

24) NJ Region Judging Seminar, Ed Geller (to be confirmed)

NJ REGION AACA

FEBRUARY 2016 PRESIDENT'S MESSAGE

Please accept my most sincere apology for offering an incomplete list in last month's President's Message of members who died in 2015. In addition to Christian Werndly, Lynn Ashley, Dan Ungar, Margaret Singe, Walter Wary, Matthew Condit, and Joel Riley, we fondly remember Bill Thonebe, Tom McGrath, Frank Sciarrello, Joan Gluckin, and Roger Pratt. They are all greatly missed. After extensive research, I believe this list to be complete. Thank you to Brenda Zimmerman, Art Briggs, and Shayna Geller for their assistance in compiling this list. I apologize to the families for the omissions.

Our NJ Region awards banquet was a great success, thanks to the efforts of our banquet chair Pat Hogan. There were 83 members and friends in attendance, a few more than last year. We were entertained by Val & Ken, but we saw no one dancing. Our agenda was so full I guess there was no time. Jerry Peck did an outstanding job with the trophies & awards, and we had many members to recognize for their efforts and achievements in 2015. Congratulations to Pete Cullen for being voted the recipient of the "Outstanding Service Award".

It is a short three months to our new & refreshed Spring Meet at the Mennen Arena in Morristown on May 1. Pete Cullen as meet chair, Vince DeLisi as registrar, and Joe DeFreitas as flea market and field layout chair, and Ed Geller as chief judge are all planning to make this year's Spring Meet a great success. Bernie Cooney has also been hard at work promoting the show with several national and local publications. What a team, and I am grateful.

February and March are generally very quiet for car club activities, but we can all be thinking about those long neglected projects in the garage. For those of you with a heated work space, you can keep yourself out of trouble by finishing that restoration or just do some regular maintenance. I do not have the benefit of a heated garage, just a 2-car detached, so I will have to wait until spring. For those of us with more cars than garages, finding garages for rent can be quite a chore. I had the unfortunate circumstance of losing two garages in January that I had been renting for several years. The garden apartment community in Westfield where I rented the two garages decided to enforce a long ignored rule that garages are to be rented to residents only. I learned about this decision in October, but was finally forced out in January. When you are searching for garages for two Cadillacs that are almost 20 feet long, I found that most local garages are not long enough. I was fortunate enough to find a two car garage behind a 2-family home in Cranford that will hold the Cadillacs, with less than one inch to spare. The apartment residents are not allowed to use the driveway, so I will have 24 hour access. It is only a ten minute drive, so they are still close to home. Believe it or not, every garage I have rented over the years, I have found on www.craigslist.org. Truthfully, if I ever move, I will search for a big garage first, and see what kind of house goes with it.

I do not know if any of you were able to view my Christmas display, but it was quite the success. Through a request for donations, I was able to raise \$370.75 for NJ Institute for Disabilities. Fifty children came to visit (President) Santa at my home on December 19th, and we had a great time. Santa had gifts for all the children. Art Briggs' grandson Max was excited to come, but he was sick that day. I

gave Max a special walk through the “Christmas Winter Wonderland” two weeks later. Normally I discourage walking on the lawn through the displays because of all the wires and tripping hazards, but Max received a special tour. Max is the future of AACA, and any of you that have met him know that he is a joy to have around. Look for my display again this year. It takes about a month to put up, and a month to take down and put away, but I have had so many positive comments and words of thanks and encouragement that I will continue the tradition. I started my display in 1983, and have had it up sporadically through the years when time allowed. Each time I do it, it gets bigger and better.

I hope to see many of my fellow members at the AACA Annual Meeting in Philadelphia on February 11th to the 13th. June and I always enjoy our trip. Special recognition goes to Art Briggs who will be receiving a “Master Editor Award” for the “Road Map”, our excellent NJ Region AACA monthly newsletter. This is the TOP publications award offered by AACA, and only goes to a select few. Art achieved this well-deserved level of excellence in a short two years as our editor. Last year Art received an “Award of Excellence”, which would be considered a second place, though I never considered the Road Map to be a second place publication. My most sincere congratulations go to Art.

As the publication deadline for this issue is before our Board of Directors’ meeting on January 31st, I will offer a summary in my March message. Please remember to renew your NJ Region membership, as well as your national AACA membership. If you missed the February 1st deadline, you will not be listed in the region roster. Art Briggs has taken on the responsibility of compiling and distributing the roster this year, as though he doesn’t have enough on his plate already. I guess he is taking after me? As I begin my unprecedented third consecutive year as your President, it is not too early for you to start thinking about running for a club officer position in the fall. New help is always needed and welcomed. My years being the leader of the NJ Region have been some of the most enjoyable times of my life.

We have a very full calendar for this season, so get these events marked on your calendar. If you are not there, we will miss you. As in past years, June & I hope to participate in most of the club events, including more tours. This is your club, be active and participate. See you on the road, and remember, my line is always open.

President Greg

Meeting # 684 NJ REGION AACA

January 10, 2016
Annual Awards Banquet
Minutes

At precisely 2.00 pm the much anticipated New Jersey Region January Meeting and Awards Banquet was called to order. All were asked to rise for a flag salute.

All past presidents and veterans were asked to stand and be acknowledged.

At this point Ray Fischer asked the following to stand and come to the podium: Greg Roser, Wayne Tuck, Tim Schimmel, Bernie Cooney, Bill Pritchett. Ray then administered the oath of office to: Greg Roser as 2016 President, Wayne Tuck as 2016 VP, Tim Schimmel as 2016 Treasurer, Bernie Cooney as 2016 Recording Secretary and Bill Pritchett as 2016 Membership Secretary.

Newly re-elected President Roser had the following to say concerning our region in 2015 and forward in 2016. Prez Greg thanked all the volunteers who made 2015 a great success for our club. On a sad note we remembered the following members who passed on in 2015: Christian Werndly, Lynn Ashley, Dan Ungar, Margaret Singe, Walter Wary, Matthew Condit, Roger Pratt, Bill Thonebe and Tom McGrath. They will be missed. We were informed that Lillian Anderson had moved to a new home, and would not be as active as in the past. Lillian had delivered the Invocation for the banquet for many, many years. Art Briggs was congratulated for winning a National "Master Editor's Award". Art accomplished that feat in only two years!

Next President Roser gave a heart-felt invocation. That was followed by a delicious first class repast.

After a nourishing meal, President Roser thanked Pat Hogan. Pat (with a little help from Brendan) did a wonderful job organizing this affair and making the banquet hall look extra festive for our yearly event. Also acknowledged was our trophy chair, Jerry Peck, who worked hard arranging (and polishing) a dazzling array of trophies and awards to be presented.

Membership Chair, Bill Pritchett introduced Elizabeth Allen for membership. Sue and Robert Schmidt & James and Elaine Mastroberti were sworn in as members with a round of applause by all present.

A motion to dispense with our regular agenda and present awards was made and seconded.

Host Ray Fischer (and his team) presented awards to many deserving, hard-working members. A complete list (with photographs) will appear in our award winning Road Map.

Closing comments: Newly re-elected President Roser thanked all who chaired of a plethora of different events as well as the many committees that made 2015 a successful year for our region. "The success of the New Jersey Region is because of you."

Respectfully submitted,
Bernie Cooney

"TRIVIA TIDBITS"

By Gregory Roser

This month's trivia is in a question and answer format.

- 1) What does the "H" in the Mustang Shelby GT 350H stand for?
- 2) Which automakers merged to form American Motors Corporation?
- 3) The Ford Fairlane was produced from 1955 to 1970. Where did Ford get the name?
- 4) What car was used in the 1960-1964 TV series "Route 66"?
- 5) What was a "Mod Top", offered by Chrysler Corp. in 1969 and 1970?
- 6) What car was James Dean driving when he died in a car crash in 1955?
- 7) Modern cruise control was invented by a blind inventor, true or false?
- 8) Where were the first credit card accessible parking meters installed?
- 9) What company did American Motors merge with in 1979?
- 10) The Camaro and Firebird were introduced for what model year?

In addition, their stable also includes a '51 Mercury, '79 Cadillac Deville, and a '78 Buick Estate Wagon.

From the 2015 NJ Region AACA Constitution, By-Laws and General Information:

NJ & So. Jersey Region Tour **World's largest organ, Convention Hall**

As you know, this event for January 23rd was cancelled by Winter Storm Jonas. Currently, a new date has not been set, however, as soon as there is a date, I will be responding to everybody who sent an email to me expressing a desire to attend with updated information.

We will be traveling to Atlantic City Convention Hall to hear the world's largest organ and a private tour to the inside of the organ and how it is being restored.

This is not open to the general public but thanks to Chuck Gibson, South Jersey Region, an organ tuner working on the restoration of this organ, we are able to get this private tour. Anyone who went on the 2014 Founders Tour had the opportunity of seeing this and since then the restoration is 40% complete.

I do not have cost or time information yet, just the date.

If you are interested in going (no antique cars and weather dependent) please contact Judy Fischer via email.

I will keep those who respond updated on the date, time, etc. by email.

Judy Fischer

ARTICLE VIII: REGION POLICY

- Section 1. The members shall not, as a group under the Region name, participate in any activity with any commercial or charitable organization.
- Section 2. The members shall not hold any activity that will conflict with those of the National A.A.C.A that are being held within a 100-mile radius of the center of this region area.
- Section 3. All Region and Chapter major event dates shall be cleared through the Region Vice President by March 1st of each year. Region and chapter major events, including rain dates, shall not conflict in any manner unless mutually agreed upon.
- Section 4. (A) Existing NEW JERSEY REGION major events and general dates are:
- (1) ANNUAL BANQUET, December - January;
 - (2) ANNUAL SPRING SHOW MEET, first Sunday in May (rain date, second Sunday);
 - (3) ANNUAL PICNIC, July -August;

- (4) ANNUAL AUTUMN TOUR, August - September;
- (5) Such others as may be officially designated from time to time. The existing Chapter major events and general dates are:
- (B) WATCHUNG MOUNTAIN CHAPTER:
 - (1) Annual Banquet, January;
 - (2) Annual Hill Climb, floating;
 - (3) Such others as may be officially designated from time to time.
- (C) DEPRESSION VEHICLE CHAPTER:
 - (1) Annual Tour, July;
 - (2) Annual Banquet, late January;
 - (3) Such others as may be designated from time to time.

Section 5. Following an election of Region Officers, their names and the names of all the members shall be sent to the A.A.C.A National Headquarters.

Your First Car

**Bob Parrish
Executive VP**

Did anyone ever think that their first car would become a collectible or better yet, a classic, probably not. I bought my first car in the summer of 1957 from a man that worked for the Virginian Railroad coal piers in Norfolk, VA. The \$700.00 I paid for this car had been saved from my paper route earnings and various grass cutting jobs. The car was a sporty 1951 Ford Victoria, which was Ford's first year for a 2 door hardtop. It was painted a yucky two-tone green with a flathead V8 engine and 3 speed transmission and plenty of coal dust. The cost of the car was not the only expense; my dad would not let me purchase a car until I could pay for the liability insurance attached to his policy. Can anyone relate to this? This car was my first attempt at car restoration. My dad had a beautiful 1953 Olds 98 Holiday Coupe painted dark blue roof and light blue bottom. I liked it so much that I painted the Ford the exact same colors. I also added the usual custom items of the day, fender skirts, spinner hub caps, the all essential dual exhaust with glass pack mufflers, new seat covers and something special. A new 1954 Pontiac grill bar would fit perfectly in the Ford grill area, so I had to have one on this now modified car. Who said modified cars were a new trend? The car to have when I was in high school was a 1949 – 1951 Ford or Mercury and now I was in the groove in my senior year at Maury High School.

How about telling your own story to your Region or Chapter? Your Editor will love you for it and maybe help with your next restoration!

From the Editor's Desk

Thanks to all who commented on the single column format I experimented with the last couple months. The people

who prefer two columns are definitely in the majority, the most prevalent complaint being that they lose the line they were reading. However, I am learning how to keep it two column, but formatted so that there is no need to scroll down to read the article. Unfortunately, that won't happen this month, because my Windows Vista computer with Microsoft Office 2007 finally gave up the ghost, jerry rig & all. Therefore, this issue is being produced on my Windows 10 computer with Microsoft Office 2016. Needless to say, there is a learning curve. I have been working to learn it for a couple months now, but this month I had to "bite the bullet" and switch over.

I read with interest Bob Parrish's column in the AACA Rummage Box, reprinted here on page 10? regarding his first car. The picture of the Model T on the front cover was not actually my first car and my brother Al and I went through a few before I had my license and my first car that I drove on the street legally, a '50 Ford flathead 6 stick business coupe. But Bob's column brought back some memories, and if it does for you, I'd like to publish them in the Road Map.

The 80th Annual Meeting of AACA is coming right up! My brothers, Al, a 50 plus year member of AACA and Jim, a non-member of AACA, will be at the Awards Banquet on Saturday night to share my moment with me. Al is flying in from Arizona on Thursday and will be attending the entire meeting.

See you in Philadelphia!

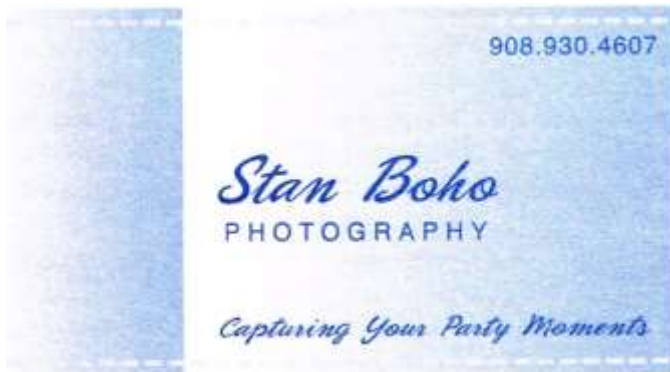

Respectfully submitted,
Art Briggs, #1469, Editor

Cover Photo's

1926 Model T Ford Coupe once owned by Art Briggs, No. 1 in 2015 Participation Points, and his brother Al.

I am occasionally asked when I first began playing with antique cars. My brother Al and I pulled a 1927 Model T Ford roadster pick-up out of the Myersville swamp in late 1952 or early 1953. Pictured here is our second Model T, a 1926 coupe we found rotting away off North Beverwick Road in Parsippany in the Summer of 1953. After much work we had the chassis and body restored. When this picture was taken in the Fall of 1954, we had not yet done anything to the interior, but we had it running and drove it all around in our back yard. If my recollection is correct, it was painted in red lead primer at this time. It took us another couple years to complete it. We painted the body green and the fenders black, which according to the information we had, were the original colors.

Yes, that's me behind the wheel. I was 13 years old at the time.

1923 Model T Ford Touring Car once owned by Judy Fischer, No. 13 in 2015 Participation Points.

This is a trailer queen taken to many National AACA shows and a show at Hofstra University in New York where it won Best of Show. It also won a Grand National from AACA. We had fun showing the car but our hearts are into touring so we sold it several years ago.

2015 Region Fall Foliage Tour

Lukan's Farm Resort, Hawley, PA

Hey, it seems that your tourmasters are getting the hang of setting up a full weekend of fun? Or maybe we have to give Mother Nature and the Weatherman the credit? Your call! But whoever gets the credit, the Region had another beautiful fall weekend in the Poconos for driving in our old cars, with some interesting stops and of course, the food!

The tour started on a crisp autumn day at tourist's choice of two diners as gathering spots, then a leisurely cruise up NJ route 206 to the top of New Jersey, to cross the Delaware River. Once in Pennsylvania, the first stop was a short distance – Gray Towers Historic Site in Milford, and a tour of the mansion. Then we made a stop at a nice area restaurant before continuing to the scheduled second stop.

I have to say 'scheduled' because the assigned docent forgot our tour date. A shame, as the Pike County Historical Society at the Columns Museum promised to be an interesting stop, with their signature display feature being the actual US flag which was used to drape the assassinated President Lincoln, and still retains the stains from that fateful day. Maybe we'll try this stop again in the future.

Your tourmasters then made the call to proceed to Lukans for an early check in and relaxing afternoon, with some recommendations for newer tourists to try the Dorflinger Glass Museum near Lukans as a filler – those that did enjoyed the unique displays of glass art and artifacts. But everyone was pleased with the scenic ride, with views of Lake Wallenpaupack and a lot of fall foliage still in the trees on the way to our final stop in Hawley!

On Saturday after breakfast, we took another short scenic ride to the north side of Lake Wallenpaupack to the Ice Harvesting Museum, where there were fascinating exhibits of where the ice for your parents (or grandparents) ice box came from – all year long! A special treat was watching the ice sculpture artists at work, preparing customer ice displays for delivery to many NJ area catering halls. Hurry, we had to get back to Lukans for the famed Thanksgiving Lunch – roasted turkey with ALL the fixin's ready for us to savor.

Tourists starting the tour at Yetter's Diner

Tourists chariots ready to start the tour

Grey Towers Historic Landmark plaque

Sign at the Sculpted Ice Works

Saturday afternoon, once we got everyone moving again, was a short ride to nearby Honesdale, where we made arrangements for the entire group of 44 tourists for a scenic two hour historic train ride along the river banks. The foliage was beautiful for photographs. Then, back to Lukans for the final dinner of the tour!

Sunday wrapped up with a farewell breakfast for most, although a few tourists remained and explored the Honesdale area after breakfast and returned to Lukans for their optional Sunday Dinner – it was DELICIOUS! Something to consider for the next tour if you like good roast beef!

We again took full advantage of Lukan's clubhouse for pre-dinner wine & cheese gatherings and what has quickly become a new Fall Foliage tradition - a roaring fire and a few light refreshments after dinner! Your president tried his hand at songwriting for the second time, resulting in another attempted sing-along to some original lyrics set to the tune of The Brady Bunch – Next time we'll have to supply more alcohol to get the voices motivated? A big "Thank You" is owed to all who contributed to food and drink for the hospitality tables, and for setting up and cleaning up each evening.

We would also like to thank the following AACA tourists who joined in the fun: Ed & Shayna Geller, 1969 Alfa; Barbara & Robert Petrich, 1946 Buick; Bill & Bette Pritchett, 1957 Chevy; Stefanie Pritchett & Chuck Dubois, modern; Greg & June Roser, 1990 Cadillac; Joe & Carol Durna, 1971 Oldsmobile; Dave & Bennie Cavagnaro, 1962 Chevy; Ed & Debbie Symonds, 1955 Chevy; Pete Cullen, 1957 Chevy; Anthony Cecala, 1985 Cutlass; Al & Carol Smeraldo, 1985 Cadillac; Duane & Trish Copley, 1985 Honda; Art & Maryann Ackerman, 1962 Chevy; Bob & Kathleen Kelly, 1986 Camaro; Pat & Brendan Hogan, 1950 Buick; and Ken & Sharon Dulio, 1957 Chevy. Travelling in modern metal were: Lillian Anderson and Pauline Symonds, Al & Sue Danner, Tex & Linda Sorrell, and Frank & Lia Figorotta. The VCCA Lakeland Region was also well represented with several members on tour.

Save the weekend of October 14-16, 2016 – we've already put a hold on Lukans for that weekend, and are already accepting ideas for new stops! Let us hear what you would like to try. More information on rates and reservation process will be included in January's Road Map.

Pete Cullen, and Ed & Debbie Symonds

THE LUKAN'S BUNCH

(Sung to the tune of "The Brady Bunch" theme song)

Lyrics by Gregory Roser

VERSE 1

Here we meet up, at a roadside diner
To have our breakfast and to plan our trip
Some of them were Chevrolets, all had four wheels
The engines all ran great.
Here's the story, of our trip to Lukan's
Our two meeting areas were two diners
Hibernia and Yetter's, down
And we just ate and ate

On the way next stop was Gray Towers Historic site
And we knew there's a lot to see up there
We all travelled together to have our lunch
That's the way we all became the Lukan's Bunch
The Lukan's Bunch, the Lukan's Bunch

That's the way we all became the Lukan's Bunch

VERSE 2

Then we went on, to check in at Lukan's
To have our dinner and have a good time
We were all tired from our trip and went to bed
For our big day tomorrow

Here's the story, of day two of touring
We had a morning of a few options
Lunch at Lukan's, a big turkey dinner

And we were getting fat

The next stop was Caboose Express scenic train ride
Now we all got ready to play ping pong
Prepared to sing this stupid Lukan's song

That's the way we all became the Lukan's Bunch
The Lukan's Bunch, the Lukan's Bunch

That's the way we all became the Lukan's Bunch

AMERICAN TREASURE TOUR

JOINT AACA REGION TOUR, NOVEMBER 15, 2015

BY GREGORY ROSER

(PHOTOGRAPHY BY JUNE ROSER)

The New Jersey Region, the South Jersey Region, and the Ontelaunee Regions of AACA joined together for a driving tour to the “American Treasure Tour” in Oakes, PA on a dry and sunny, but cold November morning. The tour was organized and chaired by our very own Judy Fischer. The New Jersey Region members met at the former Stewart’s restaurant on Route 202 in Ringoes, NJ and departed promptly at 9:00AM. We arrived in Oaks, PA at approximately 11:00AM, where we met up with the tourists from the South Jersey and Ontelaunee Regions. We had a little time before our lunch was served, so we wandered around the facility. Our destination is in a commercial building complex that also houses an arcade, bowling alley, movie theaters, and other amusements. There was also a restaurant and bar and an exposition center. This was quite an all-inclusive entertainment complex. Here in the banquet hall is where we were served our buffet lunch, which included sandwich wraps, salads, chips, soft drinks and coffee and dessert. Everything was quite good and they treated us like royalty. Our tour guides introduced themselves and gave us a brief overview of the facility.

As the buildings and grounds encompass many acres, after lunch we got in our cars and drove to the other side of the building where we started our “American Treasure Tour”. We split into several groups to go into two different areas, one to the walking tour area, and others to the tram tour area. In the walking tour area, we gathered for a trivia session. Winners were given discount coupons for the gift shop. There we viewed nickelodeons, band organs, player pianos, displays of record albums, vintage advertising, music boxes and even a true musical chair, and dolls & doll houses. As we were walking, our guide played the various mechanical musical instruments, including a dual automated violin player and a banjo player. Due to the wonders of technology, our guide controlled all of these with an I-Pad. That’s what I call blending the old with the new.

The tram tour group gathered on the other side on the building and prepared to depart on a journey into the past. The amount of items collected here is beyond imagination. We viewed antique cars and trucks, more nickelodeons and band organs, model airplanes, more dolls and doll houses,

*Betty Allen & June Roser with
Captain Morgan*

*Humpty Dumpty store
display*

vintage toys, animated store displays, circus and carnival memorabilia, patriotic and holiday displays and vintage advertising. We feasted on displays on the ceiling, walls, and the floor. There was too much to see in the time allotted, which would certainly warrant a return visit in the future. Here again, musical instruments and animations were controlled by our guide with an I-Pad. Isn't technology amazing!

Just when we thought it was all over, we were invited to view the owner's private display of antique cars and trucks in another part of the building. This warehouse is NOT open to the general public, and is viewed only by special invitation. We were privileged to be able to walk amongst the mostly unrestored vehicles. This was a real treat, and my favorite part of the tour. Before we departed, we visited the gift shop, and some of us went home with some goodies.

The New Jersey Region tourists included Ray and Judy Fischer with their 1963 Lincoln Continental, Joe and Carole Durna with their 1964 Ford Galaxie, Sue and Al Danner driving modern, Kathy and Roger Bagley with their 1987 Cadillac Brougham, Brian Pritchett and Sarah Fehley with their 1950 Oldsmobile 88, Ron and Nancy Hutchins and passenger Brenda Zimmerman with their 1950 Mercury, Vince and Debbie DeLisi with their 1966 Pontiac GTO, Ron and Gloria Peles with their 2001 Chrysler PT Cruiser, Wayne, Denise and CJ Tuck with their 1952 Hudson Hornet, LeRoy and Marlene Gearhart with their 1965 Ford Falcon, Duffy Bell with his 1940 Buick, and Gregory and June Roser and guest (now member) Betty Allen with their 1976 Cadillac Sedan deVille. The South Jersey Region had 11 members in attendance, and the Ontelaunee Region had 29 members in attendance. We were on our way and arrived home before it got dark. Many thanks go to Judy Fischer for arranging this tour.

The Pep Boys, Manny, Moe & Jack

Ronald McDonald store display

A few of the cars in a private warehouse car collection, not a part of the museum, that we were invited to see.

Marilyn Monroe poster

Lets face it, they have a lot of masks!

First Lady's Breakfast—Friday, February 12, 2016

First Lady, Carol Barlup, will be our host at this year's Lady's Breakfast open to ALL members. Carol's program promises to be unique and entertaining and will feature Emery Turner, an AACA member with the Glidden Band. Please plan on attending this annual Friday breakfast where you will be able to visit with friends and fellow AACA members from all across America. We'll look for you in the Horizon's Ballroom at 9:00 AM where you will be treated to a panoramic view of Philadelphia's ever-changing skyline and a most enjoyable morning.

City of Brotherly Love Tour—Saturday, February 13, 2016

Transportation to the Trolley start point will be arranged through the Front Desk. **Check with AACA Registration for details.** With over ten destinations to choose from, select your choices as you plan your day, board the trolley when you wish and stay as long as you wish at each site. You may re-board the trolleys and return to the hotel on your own timetable. Sites include the Liberty Bell, Independence Square, Betsy Ross House, Rodin Museum, Antique Row, Philadelphia Museum of Art, Academy of Music, The Kimmel Center and much, much more!

AACA Museum Auction

On Friday evening, an auction will be held to benefit the AACA Museum. Donations may be sent to the AACA Museum or brought to the Annual Meeting. Items suitable for donation are automotive memorabilia, arts and crafts, collectibles, and giftware.

Dave Berg, Auctioneer
