**Brandywine Assisted Living**  
**Mahwah New Jersey**  
**July 8, 2016**

Arrive around noon time. While the residents enjoy their lunch, we will set up our cars. They have two lunch sittings, noon and one o'clock p.m. After their noon sitting they are free to come out and say hello. When the one o'clock for lunch bunch finishes, they will join us outside. We will have a less formal, but nourishing lunch. Last year Brianne Fuellhart, Escapades, Producer, saw to it that all attendees had a wonderful time. This year, she promises an even better time for all. One of our perks will be lunch. Please note, this will be a rain or shine event. Here's where we're going:

Brandywine Living at Mahwah  
814 Wyckoff Ave  
Mahwah, NJ 07430  
201-800-8070

Expect to arrive around noon, and stay until approximately 3:00 p.m. (just ahead of evening Rush hour traffic).

Directions: Take I-287 north to NJ 208 south. Exit Ewing Avenue toward Franklin Lakes. Turn left onto Ewing Avenue. Turn right onto Franklin Avenue. "T" type intersection. Franklin Avenue runs into Wyckoff Avenue. (about 3 miles). Brandywine is one your right. Via Garden State Parkway: Parkway north to exit 163 North, NJ 17 North. Exit Sheridan Avenue toward Waldwick/Ho-Ho-Kus. Turn right on Blaauvelt Avenue (1/2 mile), Turn right on Franklin Turnpike, (less than 1/2 mile), Left on Wyckoff Avenue (less than 1/2 mile), Brandywine is about 1 mile down the road.

Bernie Cooney, Chairman

is a combine car show as another local club will be joining us, The Street Dreams Car Club. I have also invited our AACA family from the South Jersey & Ankokas Regions.

For members bringing a Collector Car you will receive discount tickets to the game, the ticket price is \$10 per person. Limited to 4 tickets per car.

The Car Show will be held approx. 2 hours before game time; cars should arrive around 2:45pm. Between 430 - 445 approx. 10-15 cars will be selected by the Patriots staff to drive the Warning track as part of the Pre-Game Ceremonies.

This is a wonderful opportunity for the Region to promote the hobby, and strive to obtain new members. We can have handouts, region applications, and national applications on hand as we are in the parking lot.

The Deadline to Sign Up in June 30<sup>th</sup>, I would like to have the tickets by July 1<sup>st</sup>. This way it will ensure we can have seats in the same section, and we are not spread throughout the ballpark.

Please Make Checks payable to New Jersey Region AACA

### **The Great Phillipsburg Auto Show**

Saturday August 13<sup>th</sup>, 2016

8:00 am - 3:00 pm

(Rain date August 14<sup>th</sup>, 2016)

St. Phillip and St. James School  
Roseberry Street, Phillipsburg, NJ

The Great Phillipsburg Auto Show is a fundraising project of Warren Council 474 Knights of Columbus to support the renovation of Grandma's House, a building to house women, homeless and pregnant, a special project of Life Choices, Inc., a 501 (c)(3) Charitable Organization.

The day starts with the flag raising and the pledge of allegiance by Troop 51, Boy Scouts of America. 50s and early 60s music is provided throughout the day by a DJ. Door prizes are awarded to all participants. Flea market spaces are available. Mature trees provide shade and relief from the sun. Canopies are permitted.

Food will be available throughout the day by the Knights of Columbus and restaurants are within walking distance. Bathroom facilities are within Grandma's House.

Judging of the 22 classes is informal and is aimed at the overall presentation of the automobile. The judges are chosen from the participants who have experience judging show cars, and not from the Knights of Columbus. Trophies will be awarded by 2 PM and participants can then have time to participate in the local cruise nights in the area.

Donations for registration are requested in the amount of \$10 in advance and \$15 on site for both show cars and for flea market spaces. Donations for spectators are requested at \$5 per car.

The show committee is headed by Knights who are also long-time car enthusiasts who have experience in AACA, SCCA and other auto enthusiast organizations.

Registration form is on page ??

### **Annual Region Picnic**

### **& August Meeting**

**August 14, 2016**

It seems that we just had a only taste of Spring (recall 'April showers bring May Flowers' and our very wet May 1<sup>st</sup> Spring Meet), and we're already planning our Picnic for what is practically the second half of the Summer Car Hobby season! Looking at the current Region calendar of events, there are a lot of opportunities to use your 'classic' vehicles - almost every weekend. Well here's another chance to show off your newest addition, or recent restoration, and invite you AND your old vehicle to participate at this year's picnic! The turnout of old cars at our picnic over the past few years has resulted in the picnic being the Region's second largest display of vehicles during the year –

*New Jersey Region Web Site [www.njaaca.org](http://www.njaaca.org)*

*The Road Map –July 2016*

but which may actually be THE largest Region car event for 2016!

Remember that our picnic will be once again be held at the same VFW facility as our monthly meetings – but just on the ‘other side’ of the back doors (outside). For directions, please see meeting announcement on the inside cover of this RoadMap.

From my own records, this is the 12<sup>th</sup> year for me as the chairman, but I have had several great helpers over the years, and hope same happens again this time! Also, thanks to the large covered pavilion, all 17 picnic tables will be protected from both sunny and not so sunny weather! As a result, this will be a rain or shine event.

Since everything has worked out so well in the past, I’m not going to change any of the picnic details. You can arrive any time around 11am. Be sure to wear your Region name badges, as an abbreviated August monthly Club business meeting will be conducted, **in lieu of the ‘first Thursday’ regular meeting**, while I get the BBQ fired up. The festivities should end about 3 pm.

To recognize the membership, the Region has decided to waive the cost for all members attending this year’s picnic. However, there will be a \$5 charge per adult (under 12 free) for any friends and guests that you may want to bring along (also waived if they apply for AACA membership that day!). It’s time to start thinking about which of your favorite side dishes or desserts you want to prepare to bring and share, as the Region will again supply the basics - hamburgers, turkey burgers, franks, grilled chicken, ice and soft drinks.

As usual, we will need a few members to arrive a little bit earlier than the crowd (anytime between 10:00 and 11:00 am) to help me set-up for the festivities – see me at the July meeting if you think you can help in any way! I hope to see many members and their cars at this year’s Picnic.

**NJ Region Autumn Outing**  
**Hunterdon Hills Playhouse**  
**Sunday October 2, 2016**  
**\$61.50 per person**

**1:30 PM Tailgate Party; Doors open at 2:15**

The play is Marshal Karp’s fun filled comedy, “SQUABBLES.”

Reservations must be given to Hunterdon Hills Playhouse by August 15, 2016.

See registration form, page 34.

**2016 Region Fall Foliage Tour**  
**Lukan’s Farm Resort, Hawley, PA**  
**October 14-16, 2016**

At the June monthly meeting, I made a ‘last call’ for those who may be interested in joining the Region on the annual Fall Foliage Tour to the Poconos, as there was a June 1<sup>st</sup> deadline with Lukans to hold the entire resort for our club members.

As of June 10<sup>th</sup>, 17 rooms at Lukans have been reserved by car club members – either AACA NJ Region members or several VCCA members who acted on our invitation to join us. That leaves only 7 rooms available, and as they have not yet been booked by our Club members, I have advised Lukans that they may go ahead and make the rooms available for the general public.

I think we would rather see all 24 rooms occupied by car club people or their friends, rather than strangers! So, if you are still interested in joining the tour, please call Lukans ([www.lukans.com](http://www.lukans.com)) and make your reservations ASAP! The phone number is 570-226-4574. Then follow up and send a \$100.00 check payable to ‘NJ Region AACA’ to either of your tour masters to ensure your place on this weekend tour.

To see all the details, please refer to the articles in the April and May Road Maps. Here’s an interim update on this year’s Fall Foliage Tour: We are still working on scheduling the Friday and Saturday activities for the group, which may include a stop at

Jacktown Steam tractor event on set up day, a midday train excursion with a local BBQ lunch stop, the Houdini museum, or a coal mine tour. In keeping with tradition, both evenings will start off with pre-dinner wine & cheese in the club house, and after dinner, friendly chatter by the fireplace and ping pong table. As always, any suggestions for this year's trip or next year's would be appreciated!

Ed & Debbie Symonds, and Pete Cullen  
Fall Foliage Tour Co-Masters

### **Bus Trip to the AACA Museum in Hershey**

"It's such a comfort to take the bus, and leave the driving to us." How many of us remember that advertising slogan? As car enthusiasts we like to "See the USA in our Chevrolets." However, every once in a while it is nice to be chauffeured.

The combined forces of the NJ Region, AACA and the Raritan River Region, CLC are hard at work; working to bring all club members a unique experience. During the summer when we want to go somewhere, we jump into our cars and go. Sometime we use our "pride & joy"-mobiles. Other times we enjoy the comfort of our modern cars. In any event, come late fall, your "pride & joy"-mobiles get tucked away for a long winter's naps. Then we start to yearn for old car events. After the fun of summer and the frenzy of Hershey, how does one get an "old car fix"?

Here's where a bus ride comes into play. Also here's where our hard work pays off: we have worked diligently to have an enjoyable trip to the AACA Museum in Hershey, chauffeured professionally and safely, at a reasonable price. What helps expenses is that the Museum is free to all AACA members who present their I.D. card (it will cost you \$12.00 without your I.D card). After we are titillated by all of the wonderful exhibits at the museum,

and we have completely sated by an old car fix, our chartered coach will whisk us away to Hoss's Steak House, in Hummelstown. At Hoss's, given a private dining room (no food fights, please) we will feast on a truly incredible menu. Our repast will include entrees of beef, chicken and fish; sides of mashed potatoes, baked potatoes, stuffing, ziti, pasta marinara, macaroni & cheese, pirogues, rice. Also peas, beans and seasoned veggies. Wait! I forgot the famous Hoss's soup and salad bars. Everything is in the planning stages at this point. **Our trip is tentatively scheduled for November 12, 2016.** Total costs for the bus and the feast should be \$50.00, a true bargain. Price is based on 50 passengers. If we can't get 50 passengers the trip will just not happen.

If this sounds good to you, you can make it happen. Simply contact Bernie Cooney. Email is [dunbar53@optonline.net](mailto:dunbar53@optonline.net). Phone is (732) 629-7544. Or talk to me at any of the meetings. If you do nothing, nothing will happen. If this sounds like an event you want to be part of, the next move is up to you. The trip must be pre-paid, but no money is being solicited at this time.

Please be aware, depending upon the bus we contract, these buses have a capacity of around 50 people. Once we hear from you, bus seats will be on a first come-first served basis. All bus seats must be pre-paid. Pick up will probably be at Saint Steven's Church, 609 Lane Avenue, South Plainfield, NJ 07080 at 9:00 am. Tentative return time is 9:00 pm. We will be able to use the church parking lot for our vehicles. This gives us our best bus rate.

Thanks, Bernie

### **July Presidents Message**

Some of you have commented, maybe in jest, that I am your PRESIDENT-FOR-LIFE.

Although I seriously enjoy the job and the interaction with our members, and am humbled by your endorsements, a change in leadership brings new and fresh ideas to the club. As I enter the final six months of my unprecedented third consecutive one-year term as your President, it is time for the membership to seriously consider recruiting my replacement. Vice-President Wayne Tuck is unable to move up to the President's position due to the increasing demands of running his business, and I thank him for his years of dedicated service. Therefore, we need to find a candidate for both the Vice-President and President offices. For years I have stated in my monthly message, "This is your club, be active and participate." We have not survived 65 years by being stagnant. There are many long time members who have done their part, and they have many years of experience with the club. Maybe one of you can re-ignite your desire for service to your club. Our newer members also need to step forward and take some responsibility. I will not leave this club stranded without a leader, and will assist any new candidates with their respective offices. The last almost five years have been very rewarding, two years as Vice-President, and almost three years as President. When the Nominating Committee comes calling in the next few months, please consider running for one of the open positions. Don't let me down!

June and I just returned from our very first NJ Region Spring Fling tour. Bill and Bette Pritchett did a fine job planning a very enjoyable weekend. Bill certainly has a knack for selecting some of the very best "mystery"

*The Road Map – July 2016*

destinations. At our Friday lunch stop, we were informed about our afternoon visit to The Stoogeum, the Three Stooges Museum in Ambler, PA. I have not laughed so hard in a long time and all the tourists seemed to have a good time also. Aside from the rain encountered traveling out on Friday and home on Sunday, the weather could not have been better in the times in between. We had a small but enthusiastic group, and as one of my fellow tourists said to me, "You never really get to know your fellow members until you tour with them." I totally agree with this comment! In addition, I hope to see the Summer Tour return next year after a one-year hiatus due to declining participation and scheduling issues.

I cannot remember our calendar being so full in the ten years since I first joined the NJ Region in 2006. There are more assisting living facility visits, car shows, and other events filling most every weekend of the calendar right through October. Please note the two recent July additions to the calendar on the 8<sup>th</sup> and the 9<sup>th</sup> that were added just before the deadline for publication. June & I will be taking our annual vacation at the beach on Long Beach Island again this summer. After renting the same house for nearly 25 years, we were recently forced to find new accommodations when the house was sold to new owners who had no desire to rent to outsiders. Our selection was limited this late in the season, and we rented a house on the busy ocean side of the island after enjoying the quiet bay side for so many years. At least we have just a few steps to the beach and can see a glimmer of the ocean from our front deck. Change could be good, just like in the leadership of the NJ Region. This could be the year of change, and I always try to have a positive outlook.

June and I are participating in most of the upcoming events, where our schedule allows,

*New Jersey Region Web Site [www.njaaca.org](http://www.njaaca.org)*

and I hope to see a great turnout of my fellow members. Remember that this is your club, be active and participate. See you on the road, and remember, my line is always open.

President Greg

#### **Secretary's Minutes**

#### **688<sup>th</sup> Region Meeting**

**May 5, 2016**

The 688th Region Meeting was called to order at precisely 8:00 p.m.

All were asked to rise for recital of the Pledge of Allegiance

The following guests were welcomed: Benjamin Durna, grandson of esteemed members Joe and Carol Durna. Benjamin was not presented for membership at this time, but hopefully that will change in the future.

Motion to approve the minutes of the May 2016 Region Meeting

(As printed in the Road Map) was made, approved, seconded. There was a correction brought forward by Trisha Copley. The corrected minutes for the previous meeting will stand as printed in *The Road Map*

No Correspondence was read by **President Greg Roser** as none had been received

Treasurer's Report, was given by **Tim Schimmel**. A motion to approve Tim's report was unanimously approved.

President's Report: - **Greg Roser** mentioned our up-coming Spring Fling and that we have a full calendar of events for our pleasure this year. **Prez Roser** also mentioned that there will be no Summer Tour this year. Five nursing home visits are planned for the month of June. Your participation is greatly appreciated by the residents of the fine communities we visit. Pat Hogan mentioned that we are looking for "fresh" entertainment for next year's Banquet. **Prez Roser** also displayed a recent issue of the Morristown Daily Record that covered our slightly soggy Spring Meet.

Region activities: - **VP Wayne Tuck** presented a dissertation of upcoming Region and National events, with input from the various chairs. For everyone's convenience all Region and National events are printed in *The Road Map*.

Other activities that members would like to announce - **Wayne Tuck**, Carol Durna mentioned a show, July 31, 2016 being held by & to benefit the Mountain Lakes Fire Company. For full information dial (908) 475-4400

Picnic - **Pete Cullen**, more info next month

Road Map Editor - **Art Briggs** thanked all for providing information by the 12<sup>th</sup>.

Membership and Web Master - **Bill Pritchett**  
No report

Participation Points, Sunshine and Refreshments - **Shayna Geller** thanked the following for a delicious array of desserts: Shayna Geller, Pauline Symonds, Jan Eyerman, Bette Pritchett, Bernie Cooney, Bob Kelly, Kathy Bagley, Larry Littman.

Sunshine: **Shayna** mentioned that Duffy Bell is currently in a rehabilitation facility recovering from surgery.

Points **Shayna** pointed out that the end of the next point year segment is July 30. At that time Points will be tabulated for the year to date.

Watchung Mountain Chapter – **George Ernst**  
No report

Government Liaison and Safety – **Bob Hedderick** No report

Archivist – **Matt Verzi** No report

Properties – **Rich Reina**, **Rich** would like representatives (unnamed) from our club to inventory his collection of Spring Meet signs and bring it up to date. The Region sound system worked flawlessly at the Spring Meet. As in past years the VCCA borrowed our sound system, made a donation to the region, and returned it in good condition.

Jacket and Sweatshirt Sales – **Lia Figorotta**  
Store is open

Badge Fines – **Herb Singe**. It should be mentioned that **Herb** forgot his badge, and fined himself, requesting a senior discount. *(Herb was offered a 50% discount if he had exact change!)*

### ARTICLE XIII: BUDGET

The incoming Region President shall prepare and submit, for approval, a proposed budget for the ensuing fiscal year. This proposed budget shall be submitted for approval at the meeting prior to the first Region event. No monies amounting to fifty dollars (\$50.00) or more, either new or in excess of the budget item shall be spent except upon approval of the members present at a regular meeting by a majority vote.

### "TRIVIA TIDBITS"

By Gregory Roser

This month's trivia will be in a question and answer format. The answers can be found elsewhere in this issue.

- 1) In 1908, what state had the first driver's license examination?
- 2) Chrysler evolved from what other car company?
- 3) In what car was John F. Kennedy riding when he was assassinated?
- 4) In the TV series "The Roy Rogers Show", what was the Nelle Belle?
- 5) Chevrolet introduced the El Camino for what model year to compete with the Ford Ranchero?
- 6) What vehicle did the Clampetts drive on the "Beverly Hillbillies" TV show?
- 7) What was the "Big Bad" option on American Motors cars?
- 8) What is the last year a Plymouth Road Runner was built?
- 9) The 1974 GTO was based on what model?
- 10) What brand did Chrysler Corporation discontinue in 1961 due to low sales volume?

## Getting New AACA National Judges

By John McCarthy

During the mid-1980's I judged at local car shows where all you had to do was say "yes" when asked if you would help out and judge at an upcoming local car show. Our AACA Region only had a few National Judges and two of them who knew I attended Hershey each year told me I should become an AACA Judge. One of these judges had just become our Region's first Senior-Master judge and I was impressed with the pin and new board he received to attach his judging chips. I agreed to judge at Hershey and realized judging at an AACA National Meet meant you were in the big leagues and I better do everything right. At Hershey in 1990 I was on the field judging, a bit nervous, but with a wonderful team that helped me along.

Judging back then was different. The only time you could attend a judging school was at the AACA Annual Meeting in Philadelphia, there was no Continuing Judges Education and there was no apprentice training. Judges training has been much improved. There is now a judging school at every National Meet, a large variety of CJE courses to choose from, and first time

judges serve on an apprentice team lead by an experienced AACA judge. It took me a couple of years to get three judging credits but now on one weekend you can get three credits and also receive excellent training and assistance that will provide a solid base from which to

judge at subsequent National Meets. AACA judges are very friendly and you will make lifelong friends by judging together.

That said, what can you do to get new AACA judges? Most Regions and Chapters have a monthly meeting and your President is always looking for someone to give a talk at these meetings. Make your President a happy person and volunteer to give a talk on AACA judging. Talk about the judging team structure, how it works, the responsibilities of each judge, bring a copy of the Official Judging Guidelines manual (free at each judging school), go over a sample judging form, the judging school, CJE, answer questions, but most importantly, ASK those at the meeting to become an AACA National Judge. Don't forget the ladies---AACA has a large number of lady judges many of whom are very experienced judges. Asking is important as some people think they might not know enough---we have all been there and have become experienced AACA judges in the Club that has the best judging program of any club.

New Jersey Region member Leif Mangulson attained 25 Judging Credits at the Eastern Division National Spring Meet in Vineland, NJ on May 21, 2016.

Leif, with 25 Judging Credits now, is off and running on a career as an AACA Judge. Given enough time, he just may be able to attain the AACA judging status that his grandmother Brenda Zimmerman has, or his grandfather Dave Zimmerman did. As many credits as they obtained, they started out just as Leif is, obtaining a credit at a time!

### **From the Editor's Desk**

AACA has a FaceBook group where I recently saw a post discussing getting our youth interested in Antique cars. There were several pretty good ideas put forth, but my favorite post was written by "V Doglike Basso" who stated that we'd better get our youth interested, or the value of our cars will drop right off because nobody will have any interest in them anymore. He stated "Who are we going to sell our cars to if there is no interest?"

This month's selection from the AACA Rummage Box is an article by John McCarthy. John discusses his beginning as an AACA judge. Today John is a member of the National Awards judging team, so he can be found at most National meets, walking around in his yellow shirt on the show field.

I originally looked into judging because I wanted to know what I needed to do to my car to make it a show car. After attending Judging School in Philadelphia, I took my apprentice training with Dain King at the meet in Buffalo, NY, two years ago. With Ray Fischer's and Wayne Tuck's encouragement, I became interested, judged in seven national shows last year, so far this year all five and am on my way to making them all.

Showing your car is one nitch to this club, touring is another, and judging is necessary to those who choose to show their cars. All of them bring us to great places in this country and we meet some very interesting people in the process.

I hope you take John's comments seriously and look into becoming an AACA Judge!

### **Technical Tips**

#### **18" Steering Wheel Cover**

Our 1957 Chevrolet 18" steering wheel becomes very slippery when your hands are sweaty. I had been looking for a cover for it with no luck. In searching Google, I found that truck steering wheels were the same size so I stopped at a truck stop and purchased a cover that fits perfectly. I would guess that many other GM steering wheels are the same size so perhaps you can use the above information.

### **Safety Tips:**

#### **Live to Ride, Ride to Live!**

As some of you might have seen, my life was nearly cut short a few weeks ago due to an accident that could have been avoided. I was doing some easy maintenance on my Mom's 70 Challenger convertible where the speedometer gear seal was leaking on the trans. Having done this job before, I knew that if you raise the back end of the car up, you can remove the speedometer gear from the trans with minimal trans fluid loss. So, I backed the car up onto those plastic ramps that can handle 5000 lbs. with the car on the lower part of the ever so slightly, angled driveway. I set the car in park and got out the tools and crawled under the car. Again, I've done this multiple times and thought nothing of it with crawling under the car. After all, it was an easy job and the drive line was still intact. I was only removing the speedometer gear. On the A904 trans, if you have a floor shifted car, you have a mounting bracket for the shifter linkage right under the speedometer gear adapter where it goes into the trans.

*New Jersey Region Web Site [www.njaaca.org](http://www.njaaca.org)*

Two nuts allow you to remove this bracket and gain better access to the speedometer gear. Remove the speedometer cable from the trans. Simply remove the retaining bolt noting which notch the adapter lines up to (you can determine where it lines up by looking at the number stamped into the plastic speedometer gear for the amount of teeth if you do not note which notch it is on). You are then able to remove the speedometer gear housing adapter by gently pulling on the adapter outward.

After I did this, I crawled out from under the car and just after I cleared the car, I heard a clicking noise like a ratchet spinning slowly. I look up and my Mom's challenger is starting to roll down the ramps and down the driveway. My Dad ran up in front of the car and tried to slow the car down by pushing back on the front of the car trying to overcome the weight to little avail. I was able to jump up and run up to the car, opening up the driver side door and quickly pushing down on the e-brake. Somehow, we were able to stop the car about a foot away from hitting my Dad's original sheet metal 69 GTX convertible head on! After we get the car stopped, we look back and now see the 50' slick of trans fluid on my Dad's freshly seal coated driveway that he had just paid someone to do a few days before. We were able to get most of the staining from the trans

fluid up and out of the driveway with some cleaner but I still felt horrible none-the-less. All things considered, we could have been cleaning up ALOT more than spilled trans fluid. So, as a simple reminder to us all who work on our own cars, (and whether you believe in guardian angels or not) please, PLEASE be extra cautious and put a wheel chock or set the E-brake if you are working on your car. This quick, easy 5 minute fix for me could have been the last time I had ever worked on a Mopar!

Be safe and see everyone on the roads!

Brian Kapral

**AACA Special Meet**

**Auction Park**

**Auburn, IN**

**May 5- 7 2016**

Auctions America held their Auburn Spring Auction in conjunction with AACA Auburn Special Meet on May 5<sup>th</sup> through May 7<sup>th</sup> at Auburn Auction Park in Auburn, IN.

AACA Special Meet is the same as any other national meet, holding judging school, CJE classes, a car corral and an automobile flea market along with a fantastic car show.

However, the meet centered around Auctions America's Spring Auburn auction, where approximately 500 cars, American classics, hot rods, exotic sports cars, muscle cars and some interesting automobilia crossed the auction block. Complimentary Bidder Registration was also made available to AACA Members.

On Friday evening a free concert by a Blues Brothers tribute band was well attended.

On Saturday, AACA cars assembled on the show field for display and to be judged.

## **Eastern Spring Meet**

**May 19 - 21, 2016**

The AACA 2016 Eastern Spring Meet was held in Vineland New Jersey and was hosted by the South Jersey Region AACA.

Although it was billed as being held in Vineland, and some of the activities were, the main event, the show field, was at NJ Motorsports Park in nearby Millville, NJ.

Saturday, show day, started out dreary with threatening rain. Sure enough, right at 11 o'clock, as judging started, the skies opened up!

A number of New Jersey Region members took advantage of the close proximity of the National Spring meet and attended with their cars.

Kudos to the South Jersey Region AACA. In spite of the lousy weather, they worked hard and created a great event!

**2016 Grand National Meet  
on the campus of  
Pennsylvania College of Technology  
Williamsport, PA  
June 2-4, 2016**

What a fantastic venue for a car show! Instead of being out on a hot parking lot, most of the cars were displayed around tree lined sidewalks on the grass. The college is a rather large facility, which is exactly what the Susquehannock Region AACA and Penn College Classic Cruisers needed to pull off such a feat.

There were 642 cars listed in the program as registered for this meet and because the weather cooperated, there were very few no shows. There were approximately 130 judges, about half of which had cars on the show field, meaning each judging team had to judge approximately 20 cars. Chief Judge Alfred Reeves, AACA VP of Class Judging Herb Oakes and a fine bunch of dedicated AACA judges got the job done!

If you ever wanted to attend a car show, this was the one. There was an amazing array of cars to be seen.

NJ Region AACA member Bob Kapral received at 1<sup>st</sup> Grand National Award at this meet for his 1969 Plymouth GTX convertible. The next time you see Bob, congratulate him on his success!

### **NJ Region 2016 Spring Fling**

On Friday, June 3 the intrepid touring group from the NJ Region set out for two days of fun. The first day was a mystery tour. Our first stop was the Spring House Tavern in Spring House, PA. The place has been an active site since the 1700s' as a tavern, inn, and restaurant.

From there we went to the Stoozeum in Ambler, PA which was a ½ mile from the Spring House Tavern. What exactly is the Stoozeum. The Stoozeum is the world's first and largest museum of Three Stooges memorabilia! Its mission is to collect, preserve and interpret historically or culturally significant pieces of Stoozeabilia in order to further the enjoyment and appreciation of the Three Stooges and to maintain the legacy of their comedy for future generations. It consists of three floors of material with the third floor full of art about the Three Stooges, the second has a theatre showing Three Stooges shorts and some posters, the first has a collection of their commercial products throughout their careers. The variety and number of their products was amazing. Also, there was biographical information on each of the three Stooges, including those who joined and replaced the original members, such as Curly Joe. After the Stoozeum, we headed to the Hampton Inn in Exton, PA.

Saturday turned out to be a hot, humid day but with no threatened rain thankfully. Our initial stop for the day was Valley Forge National Park where we saw a movie summarizing the days Washington and the troops spent there. In addition we toured the Visitor Center as it had several exhibits of what the troops and other people there endured during their stay there. After this, we had a 90 minute narrated bus tour of Valley Forge. One thing we learned was that there was a lot of incorrect information for there. For example, the terrible winter they

were supposed to have was actually the one at Jockey Hollow here in NJ. Evidently, all the occurrences at other winter camps were attributed to Valley Forge in the retelling of its history.

From there we went to Pennypacker Mills which is an unusually well documented historic site where you can see what it was like to live in the early 1900s. With a unique original collection, the mansion is fully furnished with antiques collected and documented by former [Pennsylvania Governor Samuel W. Pennypacker](#) reflecting his interests in early Pennsylvania history, German and Dutch settlers, native Americans, the Revolutionary War and the Civil War. As a bonus, there was a Civil War Encampment that was supposed to have 300 participants. We witnessed a reenactment with canons firing as well as small arms. Quite noisy but very interesting as it represented what the soldiers went through which was very scary.

Dinner was at a restaurant called Timothy's which had great food. All in all we had a great trip and hope more of you can join us next year.

Participants included: June & Greg Roser, 1990 Cadillac; Joan & Greg Newell, modern; Kathleen & Bob Kelly, 1986 Camaro; Sarah Fehley & Brian Pritchett, 1950 Oldsmobile; Kathy & Roger Bagley, 1987 Cadillac; Sharon Krasnick & Ken Dulio, 1957 Chevrolet; Deb & Ed Symonds, modern; Stefanie Pritchett & Check DuBois, modern; Olivia & Dan Pritchett, modern; Anthony Secala & Peter Cullen, 85 Oldsmobile; Bette & Bill Pritchett, 1957 Chevrolet.

I would like to thank my wife, Roger Bagley, and Frank Figorotta for helping with the mapping and planning of the trip.

Respectfully submitted, Bill Pritchett
