**65<sup>th</sup> N. J. Region AACA Spring Meet  
NEW LOCATION!**

**The Mennen Arena  
161 East Hanover Avenue  
Morristown, NJ 07960**

**Sunday, May 1<sup>st</sup> 2016 (Rain or Shine)**

As every NJ Region member should know by now, this year's Spring Meet will be held at a new, more convenient location with access to indoor plumbing, a full time snack bar, and an air conditioned lobby, should anyone need to escape abundant springtime sunshine! As a result, and more so than for the past three decades due to the new location, the Spring Meet planning committee has been busy making preparations for the Region's 65<sup>th</sup> annual Spring Judging Meet.

The registration form and flyer has already been printed and distributed at the Philadelphia Annual Meeting, printed in the March Road Map on page 22 for your use, and of course, will be mailed to over 400 non-member past participants in our prestigious car show.

The Region has held the line for the car registration fees for yet another year! May I point out that if you preregister before the April deadline, you will not see another quality car show anywhere for less than the Region's \$10 fee! And do not forget to self-nominate if eligible for any of the annually awarded Region Trophies listed in the box on the lower left of the registration flyer. Last year we had several trophies not awarded due to lack of your own nominations!

I would like to remind you of another unique member-only benefit we've retained: If you preregister one car, in addition to snagging the above mentioned discounted fee, you can 'show-a-second-car-for-free' ("Do Not Judge" category). So, get a family member involved and let's see 'the other car' in your garage, even if it may not be ready for prime time! And look for the article elsewhere in the Road Map promoting the award sponsorship opportunities available.

Special thanks are due to Roy Konwiser for opening the door to a contact at the Mennen Arena last year (when the threat of ASCO's closure became public), President Greg and show field coordinator Joe D for contract negotiations and redesigning the show field to fit under the solar canopies covering the parking lot, Bernie C and Bill P for developing and implementing a promotional strategy, Vince D for designing and printing the flyer and registration forms. And we're still two months away from the show, then I can thank everyone else involved with making this an historic show for the NJ Region! Get your cars ready for a great event!

## **NJ STATE HISTORY FAIR**

**Saturday, May 14th**

**"SONG OF THE OPEN ROAD – NJ AND THE  
AUTOMOBILE"**

**>>>PLEASE CALL ME AS SOON AS POSSIBLE IF YOU  
WILL ATTEND<<<**

*The NJ Region AACA has been invited for a second year to display our vehicles at the NJ State History Fair. The exhibit is entitled "Song of the Open Road – NJ and the Automobile". The date is Saturday May 14<sup>th</sup>, at the Monmouth Battlefield State Park in Manalapan, NJ from 11AM to 5PM.*

### **VEHICLES NEED TO ARRIVE BY 10AM.**

The fair will be held rain or shine. In addition to the NJ Region AACA, the Mid Jersey Region AACA and the AACA Museum will have displays. Other automotive related exhibitors include the Vintage Automobile Museum of NJ, and military, fire and other emergency vehicles. In addition to vehicles, many historical organizations will have displays. This looks to be a very exciting event. More information can be found here: <http://njhistoryfair.org/> or the Office of Historic Sites at 609-777-0238.

Even though it is further south than some of our events, I hope to fill all the space we are allotted. There is NO CHARGE for us to display our vehicles. However other non-display vehicles will have a \$10.00 parking charge. Due to space limitations, **THE NJ REGION IS LIMITED TO ONLY TEN (10) VEHICLES.** It is very important that if you wish to attend, you contact Gregory Roser to reserve your space.

[g.rosier@verizon.net](mailto:g.rosier@verizon.net) or 908-403-6486.

**Our members had a great time there last year and we look forward to another good year.**

### **Mahan Collection Foundation**

Mahan Collection Foundation, Inc. and the Vintage Chevrolet Club of America invites all AACA members to a remarkable display of antique trucks on Saturday May 21, 2016 from 9:00 AM to 3:00 PM at 53 Cross Road, Basking Ridge, NJ.

For further information, please call Bob Jephson at 973-543-7594.

### **2016 AACA Founders Tour**

#### **New Jersey Region Summer Tour**

As you probably know, the New Jersey Region is combining our annual Summer Tour with the 2016 AACA Founders Tour, due to the fact that the two tours will be run simultaneously the same week in July. Because attendance in our tour has dwindled badly in the last few years it has been decided to combine our efforts and run a combination Founders/Region tour in order to hopefully draw a bigger attendance. A tour application for Region use, available on our website now, will be published in future issues. Please read the information, fill out the application and mail it to the tour registrar whose name appears on the application. Then notify either Bill Pritchett at [wjpritchett@gmail.com](mailto:wjpritchett@gmail.com) or me at [duffy\\_bell@hotmail.com](mailto:duffy_bell@hotmail.com) so we can compile a list of attendees.

## **Bus Trip to the AACA Museum in Hershey**

"It's such a comfort to take the bus, and leave the driving to us." How many of us remember that advertising slogan? As car enthusiasts we like to "See the USA in our Chevrolets." However, every once in a while it is nice to be chauffeured.

9The combined forces of the NJ Region, AACA and the Raritan River Region, CLC are hard at work; working to bring all club members a unique experience. During the summer when we want to go somewhere, we jump into our cars and go. Sometime we use our "price & joy"-mobiles. Other times we enjoy the comfort of our modern cars. In any event, come late fall, your "pride & joy" –mobiles get tucked away for a long winter's naps. Then we start to year for old car events. After the fun of summer and the frenzy of Hershey, how does one get an "old car fix"?

Here's where a bus ride comes into play. Also here's where our hard work pays off: we have worked diligently to have an enjoyable trip to the AACA Museum in Hershey, chauffeured professionally and safely, at a reasonable price. What helps expenses is that the Museum is free to all AACA members who present their I.D. card (it will cost you \$12.00 without your I.D card). After we are titillated by all of the wonderful exhibits at the museum, and we have completely sated by an old car fix, our chartered luxury coach will whisk us away to Hoss's Steak House, located in nearby Hummelstown. At Hoss's, given a private dining room (no food fights, please) we will feast on a truly incredible menu. Our repast will include entrees of beef, chicken and fish; sides of mashed potatoes, baked potatoes, stuffing, Ziti, pasta marinara, Macaroni & cheese, pirogues, rice. Also peas, beans and seasoned veggies. Wait! I forgot the famous Hoss's soup and salad bars. Phew!

*The Road Map –March 2016*

Everything is in the planning stages at this point. Our trip is tentatively scheduled for November 12, 2016. Total costs for the bus and the feast should be \$50.00, a true bargain. Price is based on 50 passengers. If we can't get 50 passengers the trip will just not happen.

If this sounds good to you, you can make it happen. Simply contact Bernie Cooney. Email is [dunbar53@optonline.net](mailto:dunbar53@optonline.net). Phone is (732) 629-7544. Or talk to me at any of the meetings. If you do nothing, nothing will happen. If this sounds like an event you want to be part of, the next move is up to you. The trip must be pre-paid, but no money is being solicited at this time.

Please be aware, depending upon the bus we contract, these buses have a capacity of around 50 people. Once we hear from you, bus seats will be on a first come-first served basis. All bus seats must be pre-paid. Pick up will probably be at Saint Steven's Church, 609 Lane Avenue, South Plainfield, NJ 07080 at 9:00 am. Tentative return time is 9:00 pm. We will be able to use the church parking lot for our vehicles. This gives us our best bus rate.

Thanks,

Bernie

## **N J Region AACAA** **March Presidents Message**

I am writing this column a bit earlier than usual this month as June and I are preparing for our annual trek to the AACAA Annual Meeting in Philadelphia. This is my third year representing the NJ Region as your President, and June and I have a very full schedule. The highlight of our weekend will be seeing Art Briggs receive his well-deserved Master Editor Award at the Saturday evening banquet. Our very own Leif Mangulson will again be presenting his seminar "AACAA MARKETING BENEFITS THROUGH SOCIAL MEDIA." Leif tells me his seminar was the most attended last year, so they are moving him to a larger room. Leif has some great ideas to bring this club into the 21<sup>st</sup> century, and we need to embrace them if we are to survive. I also have a stack of Spring Meet flyers, hot off the press (thank you Vince), that will go on the upcoming events table in Philadelphia. More important is the editor's NEW DEADLINE of the 12<sup>th</sup> of the month for submissions to this award winning publication. Art Briggs has requested the date be moved forward 3 days as he prefers not to be working on the Road Map at 3:00AM at the end of the month. I encourage all members to get their submittals to Art on time. Knowing Art, he will have his laptop in Philadelphia, squeezing in Road Map work between everything else.

Sadly, we received late notice of yet another member death in 2015. We remember Ed Neighbour and his family at this difficult time. This makes 13 deceased members for last year, and they are all remembered fondly. We also lost our friend and member Sheldon Halper in January. I had the honor of presenting Sheldon with his AACAA 50 year member award at his home last year. We spoke at great length about his many years of

touring with the region, and all the great cars he owned over his lifetime. A 1954 Kaiser Darrin was the last one in his possession, and it was passed down to his son. Sheldon was a region member since 1961, and will be greatly missed. On these notes of losing members, I want to encourage all of you to bring in new members. I have received the New Membership Trophy for the last two years for bringing in the most new members, and I would be very pleased to pass the trophy to someone new for this year. Each and every member has the obligation and responsibility to help this club grow. I encourage you to bring in your friends, neighbors, family members, and fellow auto enthusiasts. Whether you like brass era vehicles, fifties and sixties chrome laden machines, or more modern vehicles up to 1991, they are all welcomed here. Owning an antique vehicle is not required. To those older members who dismiss the newer vehicles as too modern, please welcome them and their owners. Disparaging remarks will NOT be tolerated. We strive to make everyone feel welcomed here, and we must do this to survive. AACAA has a 25 year rolling rule for a very good reason, and we need to embrace it.

The NJ Region AACAA Board of Directors met at my home on January 31<sup>st</sup>. I offer the following highlights:

- 1) Our auditor and region member PJ Ehmann reported that our books and financial records are all in good order. PJ audits our books each year at no cost to the club.
- 2) The 2016 proposed budget was reviewed and approved by the board unanimously. A copy of the budget is available to any member upon request.
- 3) Some minor housekeeping was done to bring the Constitution and By-Laws up to date. The revised copy will be distributed by e-mail.

- 4) The region membership roster will be finalized and distributed before the February region meeting.
- 5) The Summer Tour will likely be combined with the "Founders Tour." There is a date conflict, and our number of tourists has been declining.
- 6) Our auditor's recommendations were reviewed. It was determined that we will establish a permanent club address with a Post Office Box. Due to the more complicated nature of the Federal and NJ State non-profit tax returns, PJ Ehmann offered to prepare them for the region.
- 7) The board was in general agreement that we will seek new entertainment for the January banquet. Suggestions are welcomed.
- 8) Walnut boards for mounting NJ Region annual awards will be made available to the membership upon request at a reduced price of ten dollars. The region will subsidize the majority of the cost.
- 9) President Greg will solicit additional members to serve on the "Welcoming Committee."
- 10) Several new NJ Region lifetime members will be recognized in the Road Map and at the region meetings.
- 11) A running list of member deaths for the current year will be posted in the Road Map.
- 12) The Spring Meet was discussed and the new location will be stressed in all publications. The vehicle registration fee will remain the same for this year. It was agreed that the year of a new venue is not the time to raise the registration fees. An increase will be considered for 2017. However, the spectator donation will be increased to \$3.00.

We recognize the following NJ Region members who in the last several months have become NJ Region lifetime members; Art Briggs, Duane and Trisha Copley, and Nick and Barbara Matlaga. These members have made a major commitment to the NJ Region.

*The Road Map – March 2016*

For those members who may be interested in a lifetime membership, the cost is \$300.00, fifteen times the annual dues. You must first be an AACA national lifetime member.

We have a full calendar for this season, so get these events marked on your calendar. The Spring Meet is coming up in a short two months. Please see the registration, flea market, and trophy sponsor forms in this issue. Do not forget that a second registered vehicle is free for a region member. The second vehicle must be for display only. June and I hope to participate in most of the club events, including more tours. The snowed out trip to see Lucy the elephant in Margate and the world's largest pipe organ in Atlantic City has been re-scheduled for April. Bernie Cooney is planning a bus trip to the AACA Museum in Hershey. Check the club calendar for updates. This is your club, be active and participate. See you on the road, and remember, my line is always open.

President Greg

The 685<sup>th</sup> Region Meeting was called to order at precisely 8:00 p.m.

All were asked to rise for recital of the Pledge of Allegiance

The following guests were welcomed and/or introduced: Betty Allen, Abe Platt Richard Payne, Jim & Elaine Mastroberti

Motion to approve the minutes of the 685<sup>th</sup> Region Meeting, which was also the January Installation banquet (As printed in the Road Map) was made, approved, seconded. The minutes for the previous meeting will stand as printed in *The Road Map*

President's Report: **-Greg Roser**, In summing up recent goings on, mentioned what a nice time was had by all at the Banquet, and thanks Pat Hogan for all her hard work and attention to detail, which transformed a run-of-the-mill banquet hall into a world of beauty. The Board of Directors meeting accomplished a lot in less time this year, look for a summary in the next Road Map. **Greg** mentioned late notice of the passing of Ed Neighbour, and recent passing of Sheldon Halper. Both will be missed. Our prez reflected that now is the time for actively

seeking replacements so that our membership doesn't decline. He also mentioned that he wants to pass the *Membership Trophy* to someone else. **Greg** also noted new Life Members: **Art Briggs, Duane & Trisha Copley**, and **Nick & Barbara Matlaga**. Our prez reminded us of big things to happen in Philly next week at the AACA annual meeting.

### 1950 Oldsmobile 88

This 1950 Oldsmobile 88 was purchased by Bill Pritchett (my dad) in 1983 and has been in the family ever since. I remember when I was a kid in the eighties our family went on a few car tours with the NJ AACA car club (Vermont, New Hampshire) in this fine automobile. It had been sitting for a while not to many people have seen it in the last twenty years or so. In the spring/summer of 2015 I have had the paint job, interior, and some of the chrome pieces restored with the help of my good friends and family. Most recently this car has gone on the mystery tour to New York and to Oakes, PA on the tour Judy Fischer ran. It will be going to many more car shows this upcoming season and I can't wait!

- 4) What was the first model of a Porsche, introduced at the Geneva Motor Show in 1949?
- 5) What was the Datsun 240Z called in Japan?
- 6) Who is credited with designing the Volkswagen?
- 7) What company used the slogan “Best car in the world?”
- 8) “Wake up and drive.” What car company used this slogan?

### **NJ State Legislation of Concern to Owners of Historic Vehicles**

Senate Bill #1108 requires the Chief Administrator of the New Jersey Motor Vehicle Commission to issue exempt certificates for motor vehicles that are exempt from inspection. The exempt certificate shall be displayed in the same manner as are certificates of approval (inspection stickers), unless the chief administrator shall otherwise prescribe.

The bill was introduced on January 30, **2014** by Senator Michael Doherty. On May 14, **2015** it was passed by the Senate Transportation Committee by a 5-0 vote. On the same date it was referred to the Senate Budget and Appropriations Committee where it currently resides.

NJ Region Member stated concerns include: As exempt motor vehicles are not subject to inspection, no certificates of approval(windshield stickers) are issued for them to display. It has been stated that **on occasion** operators of these exempt vehicles are stopped by law enforcement because there is no certificate of approval attached to their windshield. It has been further stated that owners of these vehicles must carry all the documentation needed to prove their exempt status. Proposed S.B. 1108 would eliminate this problem. General inspections are not required for historic or collector vehicles. To be classified as a historic vehicle it must be: At least 25 years old, registered (used solely for exhibition and educational purposes by the owner), and display QQ plates. Currently, I am unaware of any members vehicles bearing QQ plates having been stopped as described above.

Collector vehicles, on the other hand, are not registered as historic vehicles, can not be driven more than 3,000 miles per year and must be taken to a State Inspection Station where an inspector will verify the odometer reading.

Why is it necessary to issue exempt window stickers for vehicles already identified as historic vehicles bearing QQ plates?

The proposed legislation does not specify how the exempt stickers will be issued. Will they be mailed to owners of historic vehicles, thereby incurring additional taxpayer expense, or must the vehicle be driven to an Inspection Station?

If you wish to share your thoughts on this proposed legislation with the members of the New Jersey Senate Budget and Appropriations Committee, their names, phone# and e-mail are listed below:

## **We are the Gateway to the Future – What are you Doing?**

**By Tabetha Hammer, VP - Youth Development**

One of the most common topics when it comes to discussing the future of the collector community is youth involvement. We've all said or heard numerous statements like 'kids today are only interested in their iPhones and video games' and 'what's going to happen to our cars if there's no one who cares about them in the future?' We certainly are up against a lot of distractions considering the amount of technology readily at their disposal. However, in my day-to-day work leading youth initiatives, I see strong potential – not 'doom and gloom' – so long as we continue to put forth the effort to get younger people involved. We all have it in our own power to make a difference and influence what the landscape of the classic car community will be in the future. There is no doubt that the 'playing field' will somewhat change from what we all know it to be today – but each of us holds the steering wheel for helping guide what that future scene will be. Efforts need not to be complicated, but the effort must be there – from all of us. It can be as simple as inviting a young person to sit in your car or even taking them and their parent(s) for a quick ride (if comfortable doing so), teaching them the proper way to get in and out of a classic car instead of just assuming they will know, pointing out unique characteristics that they may not have any idea about otherwise, and connecting aspects of old

cars to something that they can relate to today. I would love to hear from you about what you and/or your region is doing to get youth involved! Do your members take their cars to a local school? Is there a 'sparkplug' in your club who always invites kids to sit in their car? What fun and unique ideas are you doing that another Region/Chapter might be able to implement? Send me a quick note at [thammer@hagerty.com](mailto:thammer@hagerty.com) to let me know what you're up to!

In future editions of the Rummage Box, I will be sharing some of these efforts and ideas of easy ways to get kids involved. To kick it off, if you weren't already aware, through AACA National, we have the Hagerty Youth Judging program to offer anyone who is hosting an event and looking for resources to engage youth. All of the materials necessary (hats, t-shirts, name cards, scorecards) are available in a kit for 15 kids... totally free! If you are interested in this program, please contact me at [youthprograms@hagerty.com](mailto:youthprograms@hagerty.com) for more information.

### From the Editor's Desk

In Greg's President's report this month, he discusses welcoming members with the newer antique cars, specifically late '80s to 1991.

I would just like to point out that the 1926 Ford Model T that my brother Al and I owned and was on the cover of last month's issue of the Road Map was 28 years old at the time, or equivalent to a 1988 automobile today. This did not keep the likes of Herb Singe (Sr. & Jr.), Tommy Wiss, Franklin Tucker, Sam Alperti, and others of the era from encouraging Al and I in our endeavor to restore this car. They weren't just being gracious, they recognized us as a couple kids that were interested in antique cars. After the '26 T, Al became interested in Franklins and has owned many and still has a few, including a 1923 Franklin which won a National HPOF Award in 2008, and I acquired a 1930 Stutz chassis, which I worked on for a few years before trading it for a complete 1929 Plymouth Sport Coupe. The guy who had the Plymouth had a body for the Stutz, so it was a good swap for both of us.

The Road Map is the monthly publication of the New Jersey Region AACA. Any announcements/forms for other clubs are printed here as a courtesy as space permits.

I have more information than I have time to include in this issue. Look for an expanded April Road Map that will include articles on our Annual Awards Banquet and the 80<sup>th</sup> Annual Meeting of AACA in Philadelphia.

The "Nays" have it for the single column format. Most prevalent complaint; losing the line after reading all the way across.

## New Jersey Region Antique Automobile Club of America Award Sponsorship Application

The New Jersey Region - AACAA will hold its 65<sup>th</sup> Annual Spring Show Meet on **Sunday, May 1, 2016**. Note the **NEW LOCATION** this year - the paved main parking lot at the Mennen Arena, 161 East Hanover Avenue Morristown, NJ 07960.

This year we are again providing the opportunity for sponsorship of judging awards for each class of vehicles.

Typically, the Region draws as many as 225 restored and original condition vehicles, ranging in age from the 1900' brass era to the early 1990's for this event. The show field is organized into 15 Judging Classes, with three Award (1st, 2nd & 3rd) to the top vehicles in each class. The NJ Region judging procedure follows the nationally recognized AACAA format. These awards are determined on the basis of vehicle authenticity, maintenance and overall quality of restoration.

Recognizing the evolution of the antique car hobby, this Spring Meet Show has expanded the eligible vehicles to also include those 25 years and older which have been modified from original design, have been customized by the owners, or are hot rods. This year will be the first year this class will be included in the judging to identify the top three vehicles.

Your sponsorship is important to help the NJ Region continue with the Spring Meet in recognizing all award winners.

All sponsors supporting these awards will be recognized in several ways:

- Each Sponsor will have their name/business name and address announced throughout the day of the show AND during the trophy presentations.
- A poster containing the names and addresses of every sponsor will be posted in several areas of the show field during the show, including inside next to the refreshment area.
- A listing of every sponsor will be published in the printed and on-line versions of the national award winning AACAA-NJ Region monthly Newsletter.
- Each sponsor will be sent a letter of appreciation, including a dash plaque – the same one provided to the class show participants!

☐ **YES - I would like to support the New Jersey Region, AACAA by sponsoring a class!**
