65th N. J. Region AACA Spring Meet **NEW LOCATION!**

**The Mennen Arena, 161 East Hanover Ave
Morristown, NJ 07960**

Sunday, May 1st 2016 (Rain or Shine)

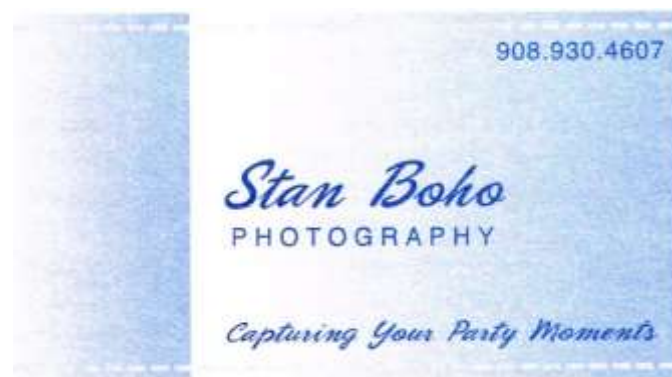

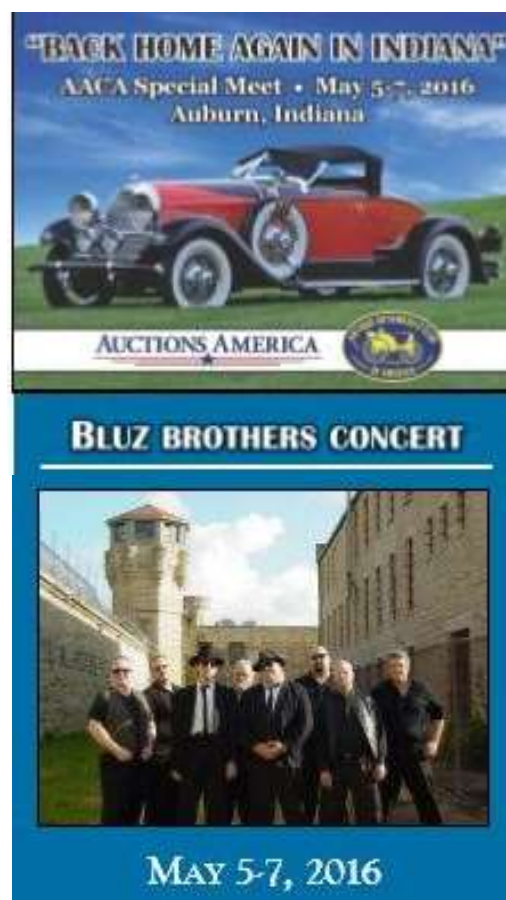

The Spring Meet planning committee has been busy making preparations for the Region's 65th annual Spring Judging Meet at its new location! The registration form and flyer has already been printed and distributed at the Philadelphia Annual Meeting, printed in the March and April Road Maps, and on Pages 30 – 33 in this issue for your use, and of course, have been mailed to all non-member past participants.

By the time you read this, you should have already preregistered before the deadline, and maybe self-nominated for any eligible Region Trophies listed in the box on the lower left of the registration flyer. Maybe you also took advantage of the member-only 'show-a-second-car-for-free' ("Do Not Judge" category) to get a family member involved and let us see 'the other car' in your garage! If you haven't preregistered, be sure to show up well before 11AM to beat the lines!

Final reminders: 1) Bake a cake to donate to the Region Cake Sale at the show; 2) Gather any old car books or magazine collections for the Region Book Sale table; 3) Be sure to sign up to help: a) Parking, b) Gate Admissions, and/or c) Judge! With everyone's help, our first show in our NEW location will be a real winner!

2016 Region Fall Foliage Tour

Lukan's Farm Resort, Hawley, PA

October 14-16, 2016

All the basic details have been printed in the April Road Map, and I've spoken about the tour

The Road Map – May 2016

New Jersey Region Web Site www.njaaca.org

at the past few monthly meetings. But here's a quick update on the Fall Foliage Tour:

As of mid-April, I've received reservations and deposits from 14 car club members – either AACA NJ Region members or one of several VCCA members who acted on our invitation to join us. That leaves only TEN rooms available. If you are interested in joining us on this weekend, there are two steps: 1) Call Lukans directly at 570-226-4574 to make the room reservation and 2) write out a room deposit check for \$100.00 payable to "NJ Region AACA" and mail it to Pete Cullen, 20 Valley View Road, Verona, NJ 0044, or give it to the Symonds. The Region Treasurer will deposit all checks and write a group deposit to Lukans. This process allows the Region to handle any cancellations, as plans may sometimes change, and, only if we have a substitute for your room, you may receive a refund.

We would love to be able to accommodate every member who wishes to join in the weekend trip. You can even just make it a day trip and join in either day's events – just contact us and let us know which day and tour you might wish to participate.

Details are still subject to change, but right now, here's the plan: On Friday morning, many tourists may gather at a diner along Route 46 in the Belvidere area, and then head out to Bangor, PA to visit the opening Jacktown festival. From there, the group may stop at an area diner, then proceed on a leisurely and scenic ride to the Lake Wallenpaupack area and check in to Lukans before dinner. For Saturday, the group may trek over to Scranton to visit the Houdini Museum and try the Coal Mine tour once again; OR if there is interest, return to Honesdale to board the Stourbridge Line Rail Road again, this time for a 4 ½ hour train excursion to Lackawaxen park for a local BBQ, and then return to Lukans in time for

The Road Map – May 2016

dinner. Both evenings will start off with pre-dinner wine & cheese in the club house, and after dinner, friendly chatter by the fireplace and ping pong table. Final tour packs will be distributed at the October meeting.

As always, any suggestions for this year's trip or next year's would be appreciated!

Bus Trip to the AACA Museum in Hershey

"It's such a comfort to take the bus, and leave the driving to us." How many of us remember that advertising slogan? As car enthusiasts we like to "See the USA in our Chevrolets." However, every once in a while it is nice to be chauffeured.

The combined forces of the NJ Region, AACA and the Raritan River Region, CLC are hard at work; working to bring all club members a unique experience. During the summer when we want to go somewhere, we jump into our cars and go. Sometime we use our "pride & joy"-mobiles. Other times we enjoy the comfort of our modern cars. In any event, come late fall, your "pride & joy"-mobiles get tucked away for a long winter's naps. Then we start to yearn for old car events. After the fun of summer and the frenzy of Hershey, how does one get an "old car fix"?

Here's where a bus ride comes into play. Also here's where our hard work pays off: we have worked diligently to have an enjoyable trip to the AACA Museum in Hershey, chauffeured professionally and safely, at a reasonable price. What helps expenses is that the

New Jersey Region Web Site www.njaaca.org

Museum is free to all AACA members who present their I.D. card (it will cost you \$12.00 without your I.D card). After we are titillated by all of the wonderful exhibits at the museum, and we have completely sated by an old car fix, our chartered coach will whisk us away to Hoss's Steak House, in Hummelstown. At Hoss's, given a private dining room (no food fights, please) we will feast on a truly incredible menu. Our repast will include entrees of beef, chicken and fish; sides of mashed potatoes, baked potatoes, stuffing, ziti, pasta marinara, macaroni & cheese, pirogues, rice. Also peas, beans and seasoned veggies. Wait! I forgot the famous Hoss's soup and salad bars. Everything is in the planning stages at this point. **Our trip is tentatively scheduled for November 12, 2016.** Total costs for the bus and the feast should be \$50.00, a true bargain. Price is based on 50 passengers. If we can't get 50 passengers the trip will just not happen.

If this sounds good to you, you can make it happen. Simply contact Bernie Cooney. Email is dunbar53@optonline.net. Phone is (732) 629-7544. Or talk to me at any of the meetings. If you do nothing, nothing will happen. If this sounds like an event you want to be part of, the next move is up to you. The trip must be pre-paid, but no money is being solicited at this time.

Please be aware, depending upon the bus we contract, these buses have a capacity of around 50 people. Once we hear from you, bus seats will be on a first come-first served basis. All bus seats must be pre-paid. Pick up will probably be at Saint Steven's Church, 609 Lane Avenue, South Plainfield, NJ 07080 at 9:00 am. Tentative return time is 9:00 pm. We will be able to use the church parking lot for our vehicles. This gives us our best bus rate.

Thanks, Bernie

N J Region AACA **May Presidents Message**

Your President and First Lady have been published in Antique Automobile.....sort of!

On pages 36-37 of the March/April issue there is a photograph of people entering the Saturday evening awards banquet at the 2016 Annual Meeting in Philadelphia. Just to the right of the AACA logo is the back of June's head, and just to the left of the logo is a profile of my face. Well that's it folks, as good as it gets. I guess I will have to do something really important to have a real feature photo. However, in the lower right photo, there is a very clear picture of Wayne & Denise Tucks' grandson CJ. Better luck next time?

In a few days, our long anticipated Spring Meet at the Mennen Sports Arena will take place on May 1st. I have stressed that we will need much more help at this new venue. Being that we have a whole new field layout, 10 to 20 members are needed to help park the vehicles in the proper classes. We have plenty of space, but not enough to allow two spaces for every vehicle. We have more room than at Automatic Switch, which will allow 1-1/2 spaces for each car. That's where the parking crew comes in, to keep everything well organized. For those of you with trailered vehicles, we have ample trailer parking in the rear of the building. Upon entering the Mennen driveway, you will take the first right turn. All show vehicles will take the second right turn into the crescent driveway in front of the building's main entrance. First stop is the field entrance check, and then on to registration. In the patio area near there will be the bake sale, book sale, and membership table. There will be plenty of new signs to help guide you. Our field layout chairman Joe DeFreitas will arrive at 6:00AM to see that everything is in good order.

New Jersey Region Web Site www.njaaca.org

I will arrive shortly thereafter, so all those who are volunteering to help park, please arrive BEFORE our registration opens at 9:00AM. This is our major revenue producing event for the year, so do not let your club down.

The Roser home improvement saga continues, as I have just completed re-grouting tile, stripping wall paper and re-painting, installing new exhaust fans, and mounting new hardware and light fixtures in two bathrooms. The next project is replacing nine windows in the Florida Room, and after that the mason will replace my front steps and walkway. Believe it or not, I already have some work to do to prepare for my 2016 Christmas display. A friend gave me four - 4ft tall concrete carolers that need some repair and re-painting. These were survivors of a fire at his home, and I promised him that I will make them new again and add them to my display. Some of my other decorations need re-wiring, so you see that my display is a year-round project. All my vehicles need cleaning and polishing, and have been neglected since I have been busy with other projects. The first good weather day will see me keeping the babies beautiful.

Please note that the May 14th vehicle display I am chairing at the NJ State History Fair no longer has a 10 vehicle limit. The parking area has been expanded and we have plenty of room, so I expect a better turnout than last year. If you would like to attend, please contact me as soon as possible and I will get additional information to you. Also, please support our parades this month as they both produce revenue for the NJ Region. I hope to see some NJ Region members at the Eastern Spring Meet in Vineland, NJ. I have registered our 1990 Cadillac Brougham D'Elegance for HPOF, its first national showing. It's not too often we have an AACA

National Meet this close to home. See our club calendar for the complete listing of events.

The need for volunteers in the club is as great as ever. As some have said in jest, I am NOT President for life! If you would consider running for an officer's position in the fall, or would like to chair a committee or event, please contact me or any club officer. Remember that this is your club, be active and participate.

See you on the road, and remember, my line is always open.

President Greg

The 687th Region Meeting was called to order at precisely 8:00 p.m.

All were asked to rise for recital of the Pledge of Allegiance.

The following guests were welcomed: No guests were present, hence none were introduced.

Motion to approve the minutes of the March 2016 Region Meeting (As printed in the Road Map) was made, approved, seconded. The minutes for the March meeting will stand as printed in *The Road Map*.

Correspondence was read by **President Greg Roser**. There was a plethora of mail this month, all originating from the National AACA.

Bob Parish sent a letter endorsing meets and tours.

Steve Moscowitz sent a letter concerning benefits of AACA membership

Jim Elliott wrote about AACA resources

Lars Anderson wrote about membership growth.

Treasurer's Report, was given by **Tim Schimmel**. A motion to approve Tim's report was unanimously approved.

President's Report: - **Greg Roser** With our Spring Meet less than a month away, **President Roser** spoke about preparation. The Mennen Arena is new to us, and we will need extra help with, SPECTATOR GATES, PARKING, TRAFFIC FLOW, just to name a few. Also **President Roser** clarified that there would be no SUMMER TOUR, instead Tourists

are welcome to participate on the AACA Founder's Tour, but must apply directly to the people running that tour.

Region activities: – **Wayne Tuck - VP Tuck** was in Charlotte for an AACA national meet with **Art Briggs**. Events were deftly read by **President Roser**. For a full list of events see the Calendar of Events beginning on Page 4 of this issue of the ***The Road Map***.

Spring Meet: **Pete Cullen** – **Pete** mentioned that our crack Spring Meet Staff would be willing and able to take care of any last minute problems with our change of venue this year. A tidy area in front of the main Arena entrance will have registration, membership table, Book Sale, clandestine Cake Sale. **Pete** also remarked how important help with parking will be. (See Appeal for help on Page 6.)

Road Map Editor – **Art Briggs** - Editor **Briggs** was in Charlotte (see Region Activities), but left word that deadline for submissions is the **12th of the month**.

Membership and Web Master – **Bill Pritchett** – No Report.

Participation Points, Sunshine and Refreshments – **Shayna Geller**. **Shayna** mentioned that there was no report on points, as there have not been enough activities to date. She thankfully mentioned that there was no Sunshine Report. The following were kind enough to provide desserts for post-meeting appetites: **Joan Hagaman, Larry Littman, Trish Copley, Kathy Bagley, Kirk Judkins, Marlene Gearhart, Agnes Benson, Bob Kelly, Daisy Wary, Jan Eyerman, Bill Pritchett, Bernie Cooney, Shayna Geller, Pauline Symonds**.

Tour Master and Accessories Reports – **Duffy Bell** – No Report (Duffy was also in Charlotte).

Watchung Mountain Chapter – **George Ernst**
– *Watchung Flea Market* is Sunday. Inside spaces are sold out, outdoor spaces available.

Government Liaison and Safety – **Bob Hedderick** – **Bob** mentioned that previous legislation stalled is currently still stalled. **Bob** mention that the New Jersey Motor Vehicle Commission is scaling back on Tailpipe Emission Testing. To wit:

Gasoline powered passenger vehicles, registered passenger, model year 1995 and older, GVWR 8,500 pounds or less;

Gasoline powered passenger vehicles, registered passenger, model year 2007 and older, GVWR 8,501 to 14,000 pounds;

Gasoline powered passenger vehicles, registered passenger, model year 2013 and older, GVWR 14,001 or more.

A passenger vehicle is considered any vehicle registered with one of the following registration codes: 1 thru 9, 14 (not utilized to transport passengers as in the manner of a bus), 15, 31, 73.

(With **Bob's** report, a diagram was provided which your humble secretary won't even try to duplicate. See link on page 19).

Archivist – **Matt Verzi** – No Report.

Properties – **Rich Reina** – All systems go for Spring Meet equipment.

Jacket and Sweatshirt Sales – **Lia Figorotta** – **Lia** showed off the 2016 versions of the official NJ Region hooded sweatshirt. Like all official NJ Region garments, this item is durable at a popular price.

Badge Fines – **Herb Singe** – **Herb** was not at the meeting. When petitioned, no one felt up to the task that **Herb** deftly does at our meetings.

OLD BUSINESS – **President Roser**

- 1) 2015 Award Certificates (2) were not presented as the recipients were not present.

NEW BUSINESS – **Bernie Cooney**

1) Proposed bus trip to Hershey Museum does not look rosey at this point.

2) To be used as a membership recruitment tool, our region is asking members who don't archive past issues of *Antique Automobile* and other fine hobby publications to bring these priceless gems to our meetings rather than to the recycling station. The used or vintage works of art will be lovingly given a label inspired by **Trish Copley**, then given to perspective members at future events like the *Spring Meet*.

Items for sale or wanted - None

50/50 – **Bob Smith** – It was a lucky night for **George Ernst & Bernie Cooney!**

The meeting was adjourned precisely at: 8:58 p.m.

Respectfully submitted,

Bernie Cooney,
Secretary

1980 AMC Spirit DL Hatchback

Pete Cullen, No. 4 in 2015 Participation Points

As anyone who has talked 'cars' with me knows, I have been dreaming of owning an early 1970's Gremlin X (Dark Green with a white stripe) since high school. But to date, I have not yet found one in good enough condition. While my 1983 Eagle Wagon was described as a 'stretch Gremlin' during the original sales pitch, and shares many mechanical and body parts, it was just too big for that Gremlin ride and feel.

I then found this all original, 50K mile car locally over 12 years ago, had been in touch with the late owner's daughter sporadically over a three year period, then thought that this Spirit had found a new home somewhere else – until I recognized it at the 2007 NJ Region Spring Meet. Short story is that I got their phone number again, and after the chance to check out the car up close, purchased it shortly thereafter.

The Spirit hatchback body style was the successor to the original Gremlin, with the same wheelbase and interior, but with just a larger rear hatch. As luck would have it, I did find a Gremlin-body Spirit Sedan a few years later, but back in 2007 I thought this hatchback was as close to my 'dream car' as possible. This Spirit did get its DPC award at Hershey, before the rule changed to allow cars 25 years old in the HPOF area! I hope to get the HPOF at a national show this season!

1967 Shelby GT 500

Brenda Zimmermann

No. 14 in 2015 Participation Points

Dave and I purchased the 1967 Shelby GT 500 from a man in Morristown, NJ. The car had been in storage for 10 years with boxes of all kinds of parts and debris stored on the top and inside. You could hardly see what kind of a car it was. When we finally got all the stuff removed we discovered it was truly a '67 Shelby GT 500. It was one of 2 GT 500 air automatic cars built in 1967. The owner was not allowed to drive it anymore as he was racing young people and when he came to a stop light he always beat them when they pulled out. As he said, he liked to leave them in the dust.

The family decided he could no longer drive the car. His age was the deciding factor in not allowing him to operate the car any longer.

Dave worked 2 years doing a complete restoration including taking all the undercoating off. The Shelby was used in the American Automobile Centennial in Dearborn Michigan in 1996. It has been on the cover of several magazines and won many national awards in MCA and AACA, including the Ford Award.

Military Sponsorship Program

**By Bob Parrish
AACA 2016 President**

Military personnel have often lived all over the world and once they retire

are ready to settle down - maybe pursue a hobby. Perhaps antique cars is something they have always had an interest in and we can be the ones to make that introduction.

This program will be promoted on the AACA Region/Chapter level and an attempt will be made to match these new members with the local Regions/Chapters where they reside. Regions and Chapters will be encouraged to invite these new members to a meeting or activity and also consider giving these new members a current year complimentary membership to their respective Region/Chapter.

The different military services have Retiree Services Offices throughout the country to provide assistance to and connect with military retirees in their respective locales. These individual Retiree Services Offices plan various retiree activities, which usually include an annual Retiree Appreciation Day. The Retiree Appreciation Day is an event that may have guest speakers, luncheons, seminars, etc. designed to keep retirees informed about services for them. This would be a good venue to promote this program.

Applications will be available from AACA National Headquarters and can be downloaded

from the AACA website at:
www.aaca.org/images/pdf/AACAMilitarySponsorshipApplication.pdf

Startup funding will be provided by AACA. Corporations, Regions/Chapters and individual contributions are welcome.

The number of memberships are limited by the funding available. Applications should be mailed to, and questions regarding this program can be directed to:

AACA Military Sponsorship Program

**PLEASE-
HELP US TO HELP YOU**

**By Lars Anderson
VP Membership**

AACA has 30,000 member families. If we look in the directory, we'll learn who you are. And that's what we know about you. Some of you joined last year and others more than 50 years ago. It would be very helpful for the club to learn the demographics of its members so it can better program for your benefit. Therefore, Hershey is undertaking having a member survey conducted. It's a voluntary thing, takes a minute or so of your time. Don't worry, there's nothing personal

The Road Map – May 2016

about this, nothing will be tied to your name. It will be administered by an independent firm and will come to you on your email. Please complete it and help us to help you.

Free – Blue Region Name Badges – Free

I can order the blue Region Name Badges for any club member and family members who need them. They are required when attending Region Business Meetings. Failure to show them results in a 50 cent fine. They are free and will come with each new membership. New members will need to supply me with the following information: Name, Region Number, home address. If you are not a new member, the year you joined the club.

From the Editor's Desk

When we were at the Annual Meeting of AACA in February, I had a discussion with Bob Parrish regarding the new AACA initiative to

recruit recently retired military members into AACA. During that conversation I promised him that when the article he explained he would be writing in the Rummage Box appeared, I would publish it. Therefore, this month's Rummage Box is Bob Parrish's article and I encourage you to read it.

However, Lars Anderson wrote a short article regarding another initiative by AACA, to determine the demographics of AACA. Because Lars' article is time sensitive, for the first time ever (to my knowledge), there are two Rummage Box articles appearing in this issue of the Road Map.

The other day, while working on updating the roster, I noticed that over the last two years we lost more members to non-renewal of dues than we did to deaths. To me, something went wrong. What can we do to fix it? Our goal should be to bring in members who will enjoy the club as we do and help it to thrive! And if you are reading this and you haven't paid your 2016 dues, Bill Pritchett will be happy to take your twenty bucks to get you back on the roster before it's too late!

A hearty "Thank You!" to our newest member, Dick Payne, who has also become an advertiser for his services in the Road Map. If you need an appraisal of the value of your car for any reason, consider calling Dick. His ad appears on page 20.

The AACA National Meet and touring season is upon us, with two of the ten 2016 meets completed. (See articles beginning on the next page). Last year there were nine meets and

Wayne Tuck judged in them all, for which he was presented with a very impressive plaque at the Hershey Meet, along with some other VIP's.

Pictured (l to r) Gerald Black, 2016 First Lady Dot Parrish, 2016 President Bob Parrish, 2014 First Gentleman Don Boney, 2014 President Mickey Boney, Chairman of Judge's Records Dollie Flechler, John Flechler, Wayne Tuck, National Director John McCarthy.

Lately it has been a chore to obtain cover photos from those whose turn it is to have a picture of their car on the cover of the Road Map. Chris Werndly warned me that this would happen. Instead of taking his advice and just posting a file photo of a car belonging to the person who did not send me a photo, I have decided to put a photo of my selection on the cover instead. Participation Point standings were published in the January Road Map. You know when "your number is up!" If you don't, go back and check where you stood in 2015 Participation Points in the January 2016 Road Map.

My comments have taken a full page this month. Like the street cleaner said to the horse, "That'll be enough out of you!"

Respectfully submitted,

Art Briggs, #1469, Editor

Southeastern National Winter Meet

Naples, FL March 17 – 19, 2016

The Naples – Marco Island Region AACA hosted this year's Winter meet, held on the campus of Lorenzo Walker Technical Collage in Naples, Florida. Yours truly and Wayne Tuck hopped on a 6 AM flight to Fort Myers from Newark on Friday morning in order to arrive in Naples in time to enjoy the Friday evening festivities, which included a sunset dinner cruise. Wayne and I enjoyed the company of John McCarthy from PA and Bob Safrit from NC at our table during this cruise.

Dinner Cruise

Sunset on the dinner cruise

As is our usual MO, we hit the road back to Fort Myers immediately after judging. Along the way we encountered a half mile back up on a three lane highway where the traffic usually moves around 70 MPH. Lo and behold, there was an overturned SUV in the wide center island, not interfering with traffic, except for

rubber necking. The backup extended back at least a half mile on the other side from the accident also. The people had long been removed so there was nothing to see. Tell that to the rubberneckers!

How to drive past an accident. Eyes ahead on the road! Let your passenger look!

Most of the usual group of judges were in attendance at this meet and it was nice to reconnect and start the show year off.

Judge's breakfast

There were 225 cars registered for this meet and it appeared that most of them showed up. As I understand it, this was the first time the Naples – Marco Island Region has ever hosted a national meet. They must be congratulated because they did a "bang up" job! From our perspective, the show ran smoothly and we certainly enjoyed our short stay.

AACA Spring National Meet

& Charlotte AutoFair

Charlotte, NC April 7 – 9, 2016

The Hornets Nest Region hosts the AACA Spring Meet and Charlotte AutoFair every year in Charlotte, NC. This is a major undertaking, not only to host a National Meet but to host one of the country's largest flea markets, the Charlotte AutoFair and the members are commended for their time and efforts. They go all out to make the attendees feel right at home with their southern hospitality. The New Jersey Region was once again well represented with a group of judges helping in the effort to make the National Meet a success.

Brenda Zimmerman and Leif Mangulson drove down on Thursday as well as Wayne Tuck, Art Briggs and Ray Fischer. On the way Wayne picked up Randy Rutherford, a long time friend and AACA judge in PA. We can't tell you what goes on in the truck on the ride to North Carolina but we never need to turn on the radio. See Art Briggs. *(Art has no idea what Ray Fischer could possibly be referring to!)*

Also from New Jersey Region was Duffy Bell. For those of you who don't know, Duff has been judging for many years. New member Richard Payne flew to Charlotte to judge. Richard is one of New Jersey Region's newest members and very interested in our old car hobby. Also David Kantes was there – although David doesn't live in New Jersey anymore he is still a member of the Jersey Region.

The weather was a little cold and extremely windy the day of the show. About 291 vehicles were on the show field for judging. If you ever thought about judging a national event it is very rewarding and a lot of fun. We always say it's a hobby in a hobby.

On the way home the talk was all about the next show in Auburn, Indiana May 5 -7.

Tour of Somerville 80th Anniversary May 30th, Somerville, NJ

Like the AACA, the Kugler – Anderson Tour of Somerville 50 mile cycling race is celebrating its 80th anniversary this year. This race has been considered the “Kentucky Derby of Cycling” for many years, garnering competitors from all over the world. The tour has run every year with the exception of during WWII where Cyclists Furman Kugler and Carl Anderson lost their lives defending our country.

This year, to celebrate the anniversary, former and current Somerset Wheelmen, will be taking a “Lap of Honor” (1.2 miles) as part of the celebration.

As a former Somerset Wheelman, I will be riding in that “Lap of Honor” with my brother Jim, to celebrate not only the 80th Anniversary of the tour, but also the 60th Anniversary of my second place finish in the Junior Tour.

New Jersey Region Antique Automobile Club of America Award Sponsorship Application

The New Jersey Region - AACAA will hold its 65th Annual Spring Show Meet on **Sunday, May 1, 2016**. Note the **NEW LOCATION** this year - the paved main parking lot at the Mennen Arena, 161 East Hanover Avenue Morristown, NJ 07960.

This year we are again providing the opportunity for sponsorship of judging awards for each class of vehicles.

Typically, the Region draws as many as 225 restored and original condition vehicles, ranging in age from the 1900' brass era to the early 1990's for this event. The show field is organized into 15 Judging Classes, with three Award (1st, 2nd & 3rd) to the top vehicles in each class. The NJ Region judging procedure follows the nationally recognized AACAA format. These awards are determined on the basis of vehicle authenticity, maintenance and overall quality of restoration.

Recognizing the evolution of the antique car hobby, this Spring Meet Show has expanded the eligible vehicles to also include those 25 years and older which have been modified from original design, have been customized by the owners, or are hot rods. This year will be the first year this class will be included in the judging to identify the top three vehicles.

Your sponsorship is important to help the NJ Region continue with the Spring Meet in recognizing all award winners.

All sponsors supporting these awards will be recognized in several ways:

- Each Sponsor will have their name/business name and address announced throughout the day of the show AND during the trophy presentations.
- A poster containing the names and addresses of every sponsor will be posted in several areas of the show field during the show, including inside next to the refreshment area.
- A listing of every sponsor will be published in the printed and on-line versions of the national award winning AACAA-NJ Region monthly Newsletter.
- Each sponsor will be sent a letter of appreciation, including a dash plaque – the same one provided to the cash show participants!

☐ **YES - I would like to support the New Jersey Region, AACAA by sponsoring a class!**
My donation of \$50 for each class sponsored is attached.
