NJ Region AACA Old Timer's Night November 3, 2016

The 694th meeting of the New Jersey Region
 AACA is dedicated to 25 years plus members
 of the New Jersey Region. It is expected that
 Herb Singe, Jr. and Lillian Anderson will be
 officiating the ceremonies.

If you have been a member for 25 years or
 more, please attend this meeting and be
 recognized by those like myself who owe you
 our gratitude.

ED AND SHAYNA GELLER

HOUSE FIRE FUNDRAISER

Our members and friends Ed and Shayna Geller tragically lost their home and all its contents to fire on September 6th. They also lost their two cars and a pet cat. I was at their home after the fire and it appears to be a total loss. They did however escape the home uninjured. Several NJ Region members have contacted me asking what they can do for the Gellers. Ed and Shayna have given selflessly to the club and the time has come to help them now. Although they are insured, they will be faced with many out of pocket and unknown expenses during the next year's rebuilding process. They have no family in the area and are grateful for our support. If you wish to donate, please write a check to the Gellers and mail to me at 83 Paterson Road, Fanwood, NJ 07023, or donations can be given to me at any region meeting. I will deliver all proceeds to Ed and Shayna personally.

Thank you,

Gregory Roser / President NJ Region AACA

November Presidents **Message**

Thirty four down, two to go, that's how many of these monthly messages I have written in the last 3 years. Having arrived home from Hershey sick as a dog, and now getting ready to depart for the Fall Foliage Tour at Lukan's, I am trying to get some rest. However, the Road Map deadline must be met, so here I am typing away. Due to Art Briggs' work obligations last month, the Road Map was thinner than usual, but Art promises to make up for it this month. Pete, Ed & Debbie promise an exciting tour to Lukan's this year, although we have fewer

tourists than in recent years. Due to requests from some tourists, I wrote a new tour song to the tune of "God Bless America", and it will be published with the Lukan's follow-up article in a future issue. I might as well end by last term (for now) as President with a bang!

I saw many of our members at Hershey, both as judges and as vehicle exhibitors. I was very pleased to receive a "HPOF" award for June's 1990 Cadillac Brougham d'Elegance, and will try for "HPOF Original" next year. I remember a couple of years ago it was rainy all week, and the sun came out for the car show on Saturday. I guess it was payback time as this year it was sunny all week, and it rained most of the day on Saturday. Oh well, what is Hershey without rain!

The ballot for our 2017 officers is included in this issue. Even though it is not a contested election, please complete the ballot and include a nomination for a member (not an officer) for the "Outstanding Service Award." The reservation form for the 2017 Awards Banquet is also in this issue. Pat Hogan has been working hard to ensure the banquet is enjoyable for all, including NEW entertainment this year.

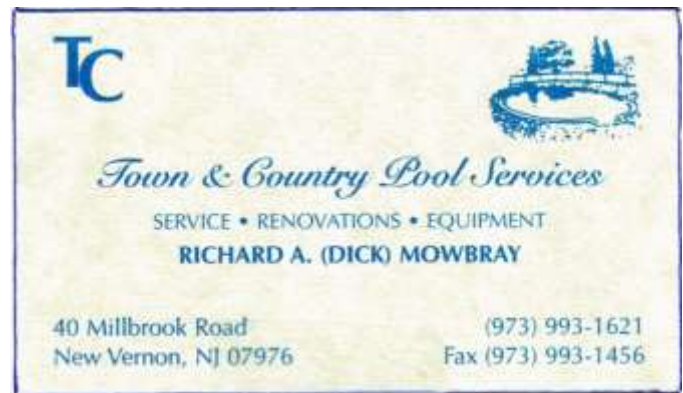

"Old Timers' Night" will be held at our November region meeting. Here, we honor our members that have been with the region for at least 20 years. As usual, our founding member Herb Singe will lead the festivities, with the assistance of Lillian Anderson. If you are one of these honored members, and do not regularly attend the meetings, please try to come to the meeting this month.

Also in this issue is your NJ Region membership renewal form for 2017. Please return it to Membership Chairman Bill Pritchett with your check before February 1, 2017, or you will not be included in the club roster.

Please note the additional fee if you wish to have a printed copy of the Road Map mailed to you.

Remember your fellow members who are unable to drive, or are unable to drive at night, and offer them a ride to our region meetings. If you are in need of a ride to the meetings, please contact me, and I will try to assist you. Remember that this is your club, be active and participate. See you on the road, and remember, my line is always open.

1930 Model A Ford

This is my 1930 Model A Ford purchased about five years ago. We were at a point in garage space that we needed to sell something in order to have room for a new toy. As we were leaving the Streetrod genre and aiming at antiques, the most likely candidate to go was the 1939 Chevy Streetrod. We found the Model

A in Hemmings, and went to Fair Lawn to take a look. We decided to drive up from Edison in the rod, we threw on the AC, put the power seats back and charged up the Parkway at highway speed. The A was waiting for us and it was a beauty! Kathy was instantly in love and I knew we were going to get it. Never having driven a Model A, the owner and I went out for a test ride, leaving our wives to chat. By the time we returned, I had gotten a crash course in driving a

Model A with its characteristic loose steering, double clutching and distributor advance and Kathy had sold our Streetrod to his wife! It was quite a switch from the Chevy 350 as we chugged home in our new Model A.

Editor's Note

Matt Hinson, Rummage Box Editor

This is my third edition as the editor of the Rummage Box. I am learning more and more about the technical challenges of combining articles from different sources and different software formats into a document in Microsoft Publisher and then converting the final publication into a pdf document. Probably many of the readers of this publication are more experienced editors than I am. I understand that at least one of you

has had some problems with some formatting issues with some articles when attempting to copy and paste text from the previous issue. I will do my best to solve these problems. If you see a problem, please let me know so I can do my best to improve this publication so it can better serve you. In addition to serving as the Rummage Box editor, I am also an evaluator for the Newsletter Achievement Awards Program. This year's evaluation process has been changed slightly. In the past, a copyright violation cost a significant number of points. This year, a copyright violation results in that entire issue being disqualified. The most common copyright infringements that I have seen have been with publishing jokes and recipes. If you are going to publish jokes and/or recipes in your newsletters, please make sure that you obtained permission from the original source of the material and properly attribute the source of the material. I really hate to see any newsletter disqualified due to copyright issues.

From the Editor's Desk

After last month's fiasco, due to the extended number of hours I had to work, I promised a more complete issue of the Road Map this month. Well, to some degree that has been accomplished, but, due to my continuing work hours, it is not as complete as I would prefer.

My database migration project at the firm was completed early this month. But because we pushed so many other issues off until completion, my hours haven't been much better as we work on taking care of all those problems and loose ends.

Rummage Box articles are written by members of the AACA Board of Directors for region and chapter publications editors to use in their publications to pass on the messages to the national membership concerning national AACA issues. Just as your Road Map has an editor, so does the Rummage Box. Because, as an Intellectual Property Paralegal, copyrights are near and dear to me, I felt it necessary to include the article in the Rummage Box written by its editor, Matt Hinson, concerning how serious National AACA is about the unauthorized use of copyrights, incidental or intentional. I hope you read his article so you understand why I am the way I am regarding publishing that article you "found."

There are those of you who disliked my outspoken comments regarding the percentage of region events, but I have noticed a shift in the thinking of the people who have chaired recent region events to venues other than nursing homes. Keep up the good work, folks, and balance will soon be at hand!

Respectfully submitted,

"PARTICIPATIONPOINTS" URGENT UPDATE

Due to the unfortunate circumstances of Shayna and Ed Geller losing their home and possessions to a tragic fire on September 6th, I will be completing the 2016 participation points tally for Shayna. All the records, including those AFTER the second quarter ending May 31st were lost in the fire. Fortunately, we have the first half of the year totals that were printed in the July Road Map. This will be my starting point. I request the full cooperation of all NJ Region members. Shayna has done a great job with the points for many years, and I would like complete this task for her, and continue our long standing tradition of recognizing those members who have been dedicated to the club's success. The top 12 will be honored at the January 2017 Awards Banquet, and the top 24 will have a car picture of their choice on the front page of the 2017 Road Map.

If you desire to have your points counted, the information must be sent to Gregory Roser,

83 Paterson Road, Fanwood, NJ07023, or e-mail g.rosier@verizon.net. The information can of course be handed to me at a region meeting.

Below I will outline how I will back track to collect the missing information.

You must contact me as I will not chase after any member for their information.

1. The region meeting sign-in sheets for June through September were lost. Please advise which of these meetings you attended. This includes the August picnic.
2. I will gather the region events participation information for events from June to August from the Road Map follow-up articles. For the chairs who have not yet submitted articles or sign-in sheets for this time period, please get that information to me.
3. If you judged at a National Meet and attended a National Judging Seminar from June through August, I need the details.
4. If you attended a National Tour from June to August, I need the details.

All information for events AFTER September 1 must be sent to me directly, even if you already submitted it to Shayna. This includes all region event sign-in sheets and all events detailed above. These changes apply ONLY until the end of the "point year" on November 30th. Effective December 1, Vince DeLisi will be our new Participation Points Chairman.

A SPECIAL MESSAGE FROM YOUR PRESIDENT REGARDING MEMBERSHIP RENEWAL

Your NJ Region membership renewal form is included in this issue. To be included in the 2017 Membership Roster, you MUST pay your dues by the February 1, 2017 deadline. In respect for our Membership Chairman and the committee that compiles and prints the roster, I will be strictly enforcing this deadline. You have three months to pay, either by mail, or at the November and December region meetings, or at the January banquet. Please follow this request to help me run YOUR club more efficiently.

Thank you for your cooperation.

FRANK'S PIZZA FUND RAISER FOR THE GELLER'S A GREAT SUCCESS

Many NJ Region AACA members and friends gathered at Frank's Pizza & Restaurant in Blairstown on September 13th to help raise funds for Ed & Shayna Geller who lost their home in a fire on September 6th. The owner generously offered a percentage of all sales that day to Ed and Shayna, who are regular patrons at the restaurant. There was a steady stream of customers starting early in the afternoon and continuing right through the evening. At one time there was even a line out the door of people waiting for a table. June and I did not arrive until 7:45 as I waited for June to get home from her job in Manhattan. Even at that time there were 15 to 20 members still there. We did miss seeing the Gellers as they had just departed. Several antique cars were spotted in the parking lot though. I had a nice conversation with the owner and thanked him for hosting the event. We really enjoyed our

dinner and told him we would be there regularly if we did not live 60 miles away. The wait staff was very pleasant, even if they were quite overwhelmed with the turnout at times. Many members travelled long distances to be there. This only shows how much Ed and Shayna are loved.

Bring the children and grandchildren for free!
Pony Rides, Hay Wagon Rides, Fun and food for the whole family!

The pig roast car tour was a joint event with the New Jersey Region, Ontelaunee Region, Garden State Chapter Hudson-Essex-Terraplane Club, South Jersey Region, and Cadillac La Salle Club, which was a formula for a very good meet. The event was held at Woodmeier Farm, located in West Amwell. The catered pig roast was hosted by long time AACA member Bruce Meier and his wife Linda.

And there really were hay and pony rides, plenty of good food and fun for the whole family!

The only requirements were that participants had to pre-register to provide a head count for the caterers and that you must drive a car 25 years old or older.

New Jersey Region tourists meet around 9:00 AM at Shop-Rite parking lot, Chester Springs Shopping Center, 195 US 206, in Chester, NJ and followed a scenic route preplanned by Wayne and Denise Tuck.

There was plenty of food and I'm sure nobody went home hungry. Bruce also had coolers with water and several varieties of soda strategically placed around the facility to aid in fighting the heat.

100% of the contributions provided by attendees were donated to the West Amwell Fire Department.

Our host was overheard discussing holding this event next year. I surely hope he does and if you missed this year it is recommended that you plan on attending next year.

Annual Region Picnic & August Meeting August 14, 2016

Just like the preceding several weeks this summer, the day of the annual Region Picnic was hot and humid! As I left the house at 9am, the car's thermometer displayed 87 degrees already, with the forecast hitting the mid-90's and a 'feels like' temperature forecast in the 105 degree zone! As a likely result of the heat, we counted only 17 collector cars parked in the VFW lot, indicating who the hardy members were that would have likely been the only ones to show up had your Club officers not arranged days in advance with the VFW hall to move the venue indoors!

I arrived at 9:45am, with the modern SUV loaded to the roof with all the picnic goodies - coolers filled with the 20 pounds of hamburgers, plus turkey burgers, 10 pounds of chicken filets, a hundred hot dogs and all the rolls, a pile of cheese, plus several cartons of soda and water, bags of charcoal, and the BBQ tools. There was one new 'almost' member, Abraham Platt waiting in the parking lot **before** I got there, eager to help with the inside room set-up. Everyone's help was much appreciated.

Around 11:30am, I counted at least 80 people milling about or already seated at the tables! From what I saw on the tables, everyone brought along a delicious side dish or dessert to share. The coals in the outside barbeque were lit up around 11:15, and cooking began by 11:30 in an attempt to start the food line early (about 11:45). Before we started serving, President Greg was able to conduct a somewhat abbreviated business meeting. By 1pm, everyone had their fill, there was little food over and many hung around to socialize a

bit more in the air-conditioned hall before heading out to their sunbaked parked cars!

At the grill, your Past-President, Duane and Past-Secretary, Trish Copley, and volunteers Brian Pritchett and Larry Solomeyer and myself kept the food flowing from the grill again this year for the entire event. Because of the extra help with working the grill, each of us were finally able to grab a bite and a beverage ourselves, and even got to talk to some of you!

I would like to thank my sister Barbara for helping me shop at Costco the day before. Also, thanks to Abraham Platt and Region treasurer Tim for helping Ed & Shayna Geller with the room set up and break down, and to Bob Smith for running the raffle, even though I wasn't one of the two lucky members!

August tour to Northlandz and Picnic

It was a beautiful but hot day, fifteen members attended and we had enough guests to earn us a group discount at Northlands. Most of tour member chose to drive their future classics due to the heat, but hats off to the Pritchett family for sweating it out in the oldies.

We traveled the back roads of Somerset and Hunterdon Counties to Northlands and spent several hours touring the train exhibit followed by a short ride on a train. Northlands is great. If you didn't get a chance to come with us I would encourage you to visit the place.

The Guinness Book of Records says it the largest model train exhibit; 50,000 square feet and 50,000 feet of track.

From Northlandz we traveled more back roads to Brian's house for the picnic. There was lots of good food to eat and everyone left with full bellies.

In attendance were Larry Solomayer, Greg Roser (76 Caddy), John & Pat Quattrocehi, Brian Pritchett (50 Olds), Sarah Fehly, Vince & Debbie DeLisi, Art Briggs, Joe & Carol Durna, Bill & Betty Pritchett (66 Mustang), Larry & Marie Littman and Duffy Bell.

I would also like to thank the many guests that our members brought to Northlands. Thank you to everyone who toured with us.

Regards,
Larry Solomayer & Brian Pritchett

Warren Haven Nursing Home

On Sunday, August 21, 2016, 22 members with 17 cars visited the Warren Haven Nursing Home in Oxford, New Jersey. A bag lunch was supplied by Warren Haven and potato salad, baked beans, and brownies were enjoyed by all. We spent a beautiful summer afternoon with conversation and fellowship under the maple trees. The residents of the nursing home spent two hours viewing our cars. We had to cut our visit short one hour due to the threat of a thunder storm in order to let our people get home safe before the storm came. It started to rain a little after 2:00.

The following members and their cars were present: Gregory Roser with a 1976 Cadillac, Roger Bagley with a 1940 Buick, Leroy and Marlene Gearhart with a 1936 Ford, Bill and Betty Pritchett with a 1966 Ford Mustang, Joan Hagaman with 1932 Plymouth Phaeton, Bob and Marge Graham with a 1965 Chevy, Ken Dulio and guest with a 1957 BelAir, Brendan and Pat Hogan with a 1950 Buick, Abraham Platt with a 1988 Mercury Cougar, Bernie Cooney with a 1985 Cadillac, Vince DeLisi with a 1966 GTO, Craig Kunz with a 1966 Olds FG5, Steve Sclafani with a 1960 Plymouth Fury, Paul Wolfmeyer with a 1954 Chrysler Imperial, Duffy Bell with a 1967 Buick, Bob Kelly with a 1950 Chevrolet, Joe and Carole Durna with a 1964 Ford Galaxie 500.

The Activities Director from Warren Haven called and said the residents really enjoyed looking at our cars and that they are looking forward to us coming back next year.

We would like to thank everyone who came out to participate in visiting Warren Haven and hope to see you again next year.
