Brenda Zimmerman, Chair

2016 Region Fall Foliage Tour
Lukan's Farm Resort, Hawley, PA
October 14-16, 2016

At the June monthly meeting, I made a 'last
call' for those who may be interested in joining
the Region on the annual Fall Foliage Tour to
the Poconos, as there was a June 1st deadline
with Lukans to hold the entire resort for our
club members.

As of June 10th, 17 rooms at Lukans have been
reserved by car club members – either AACA
NJ Region members or several VCCA
members who acted on our invitation to join us.
That leaves only 7 rooms available, and as
they have not yet been booked by our Club
members, I have advised Lukans that they may
go ahead and make the rooms available for the
general public.

I think we would rather see all 24 rooms
occupied by car club people or their friends,
rather than strangers! So, if you are still
interested in joining the tour, please call
Lukans (www.lukans.com) and make your
reservations ASAP! The phone number is 570-
226-4574. Then follow up and send a \$100.00
check payable to 'NJ Region AACA' to either of
your tour masters to ensure your place on this
weekend tour.

To see all the details, please refer to the articles in the April and May Road Maps. Here's an interim update on this year's Fall Foliage Tour: We are still working on scheduling the Friday and Saturday activities for the group, which may include a stop at Jacktown Steam tractor event on set up day, a midday train excursion with a local BBQ lunch stop, the Houdini museum, or a coal mine tour. In keeping with tradition, both evenings will start off with pre-dinner wine & cheese in the club house, and after dinner, friendly chatter by the fireplace and ping pong table. As always, any suggestions for this year's trip or next year's would be appreciated!

2016 Mystery Tour

On Saturday, October 22, I plan on running another mystery tour. This will be a rain or shine event. If the stars align, I will be taking you somewhere that I believe none of you have been to. If not, I have a few other places in mind that will delight you. Remember, you always want a full tank of gas for the tour as they are usually not in the next town.

October Presidents Message

I begin this month's message on a sad note. Most of you are aware of the tragic loss Ed & Shayna Geller suffered when their home in Blairstown and all its contents were destroyed in a fire on September 6th. Also destroyed in the fire were two of their cars, and one of their two cats perished. Thankfully Ed and Shayna escaped the burning home uninjured. The fire started in one of their modern cars in the attached garage. My most sincere thanks go to the following NJ Region members who assisted me with the salvage mission at the Geller's home on September 10th; Treasurer Tim Schimmel, who borrowed a friend's utility trailer, 2009 Region President Bob Kapral, who brought his pick-up truck, and Greg Newell and Membership Secretary Bill Pritchett who supplied additional labor. We were all very dirty and tired, but it was a labor of love. Everyone responded on very short notice, and for that I am grateful. We were able to salvage some cherished family items and some items from the basement. Everything however was wet and/or smoke damaged, and some salvaged items were scorched. One of their neighbors generously offered their barn for storage of these items. Most everything else was lost in the fire. Their antique cars were stored in a detached garage and were undamaged, even though the outside of the garage suffered extensive damage. The keys for these vehicles were however lost in the house fire. Our member Dave Cavagnaro lent Ed and Shayna his Chevrolet Tahoe, as they had no form of transportation. Ed and Shayna were staying temporarily with neighbors after the fire. The Gellers also lost their computers and their paper records of the club's participation points. I have however come up with a solution as I

will complete the point year tally for Shayna. This is detailed in a separate article in this issue, and I request the members' full cooperation. Daisy Wary has graciously offered to take over Shayna's region meeting refreshment responsibilities until Shayna is able to return. Ed and Shayna have for many years behind the scenes set up the tables and chairs for our region meetings at the VFW hall. I hope to find volunteers to complete this task, as well as putting everything away after the meeting. You were all notified last month of a local fund raising campaign for the Gellers on September 13th, sponsored by Frank's Pizza & Restaurant in Blairstown where Ed and Shayna dine weekly. As this is the day after I am submitting this article on the 12th, I hope to have a good report in next month's Road Map. June and I plan on being there even though it is 60 miles from our home. I hope to see many of our members there offering moral support. In addition, please see the separate article in this issue detailing the NJ Region's fund raising campaign for Ed and Shayna.

Moving to more positive things, our Nominating Committee has been hard at work successfully preparing a full slate of officers for 2017, including my replacement. I am grateful for the support I have received from the membership for the last five years as an officer, but it is time for a much deserved break. I will continue supporting the NJ Region in many ways, including the committees that I already chair. My deepest gratitude goes to Nominating Committee members Ray Fischer, Brenda Zimmerman, and Brian Pritchett. A full report will be presented at the October region meeting. This report may be amended by a motion from the floor. The ballots will then be prepared for the November election meeting. The October meeting falls on Hershey week this year, and some members have requested

that we change the date as they will be away at Hershey. We explored this option and it is not feasible as our meeting hall is fully booked by other organizations. We may have a sparsely attended meeting, but we will have the meeting nonetheless. The meeting may be shorter and we may get to eat earlier. Please attend the October meeting if you are able.

June and I are eagerly anticipating attending our third Fall Foliage Tour at Lukans later this month. Pete, Ed and Debbie always have exciting and interesting stops along the way, and we always eat well at Lukan's. I have even threatened to write another tour song that the tourists will "sing" after a few cocktails around the fireplace. As of this writing, the tour is not fully booked. If you are still interested, contact Pete Cullen to see if any rooms are still available.

Please get your planned 2017 events to Vice-President Wayne Tuck by December 10th this year. This will enable Wayne to publish the most complete full year 2017 calendar possible in the January 2017 Road Map.

I have received from AACA National four free memberships for 2017 that are available to any new AACA member. The NJ Region will again match the offer with a free region membership. To be eligible, prospective members must have NEVER been an AACA member. It is every member's responsibility to help recruit new members, so please help to support and grow our club. I want to see the next 65 years as successful as the first 65 years.

Remember your fellow members who are unable to drive, or are unable to drive at night, and offer them a ride to our region meetings. If you are in need of a ride to the meetings, please contact me, and I will try to assist you. Remember that this is your club, be active and

participate. See you on the road, and remember, my line is always open.

The Truck I bought for Trish

Duane Copley #1337

About 10 years ago I was chasing dodge truck parts on e-bay and ran across an ad advertising a 1989 Dodge Dakota convertible for sale. I thought about it after studying the photo and sort of remembered when they came out for sale. By 1989 we were up to our backsides in little girls and new trucks were not high on my list of things to concern myself. I touched base with my "in house" financial adviser and mentioned that if I ever run across one locally I'd be interested in bringing it home.

Six month later I was visiting a friend in Belvidere and there was a one page local newsletter on the kitchen table. Among the list of items for sale was a 1990 Dodge Dakota convertible. I copied down the number and called it when I got home. The elderly lady who answered said it belonged to her son and she would have him call when he got home from work. Later that evening I got the call and knew immediately who I was talking with and so did he. We discussed condition and price and I asked when we could take a look at it. He said the next day would work for him so I asked if it was at his home and he said no. That was when I learned he had it stored in a barn less than 2 miles from my home.

Needless to say, I brought it home and over a period of time cleaned it up, gave it some paint and new decals and drove the wheels off it. They produced less than 900 of these trucks in 1990 of which less than half are 4X4. It is powered by a 3.9L V6 with a 3 speed automatic and overdrive. Guess I need to

start taking it out again!!!!.....yes I did give it to Trish.....well sort of.
