**February 2018**

### **Incoming President's Message**

As I took my oath of office, I was stunned by the new reality that my presidential responsibilities would entail. At the same time, I took great comfort in the fact that I was surrounded by such a high degree of experience and talent and was assured by the earnest, good wishes of everyone. At that moment, I was certain that this combination of factors could never let me fail.

I'd like to thank last year's club officers, and Board of Directors, for their impressive efforts in setting our club on a new trajectory this past year. Their combined efforts enabled us to attain every objective that we set out to reach. I encourage you to reread Wayne Tuck's assessment of our successes, in January's Roadmap. Wayne, we know that you'll remain a great contributor to our club and that you'll continue to help us build upon your prior years' legacy, through your friendship, insight and, seemingly, boundless energy.

We've three, seasoned veterans in our 2018 officer corps. Bernie Coonie will ably document the context of our important meetings in our Roadmap "Minutes" and Tim Schimmel will continue to verify and balance our every debit and credit to the penny. I'm pleased that Duane Copley will serve as our new Vice President. I hope to tap into his wealth of experience to help maintain our desired course and speed, throughout the year. Thank you all, including our faithful Board of directors, for your continuing support.

During 2018, I want to expand upon last year's success and define new goals and objectives that will increase our club's membership,

outreach and revenue. At the same time, I hope to make our club even more enjoyable, energetic and interesting and hope you'll join me in becoming part of that vision. To all members of the New Jersey Region AACA, I pledge to give my utmost to ensure the very best outcomes, for every activity and objective that we undertake. I'm further committed to increasing our club's value to its membership and to help provide an even more enriching and mutually satisfying hobby, which we've all come to love.

Yours sincerely,  
Jerry Peck

Outgoing Presidential comments: **Wayne Tuck** mentioned how honored he was and how gratifying his term in office was. Elaborating further, he mentioned how cooperative all members in our region were in meeting his goals. Specifically, he mentioned **Tim Schimmel** as an involved and tireless worker who routinely goes beyond his job description to accomplish the things that make our region organizationally and financially successful. Also mentioned were **Bill & Bette Pritchett**, for our new tri-fold membership application; **Ray & Judy Fischer**, for their revitalization of our Welcoming Committee.

A this point Emcee **Ray Fischer** swore 2018 officers in and introduced them to all members present: For the 2018 Calendar year our New Officers are: **Jerry Peck**, President; **Duane Copley**, Vice President; **Ed Geller**, Vice President of Administration; **Tim Schimmel**, Treasurer; **Bernie Cooney**, Secretary, **Bill Pritchett**, Membership Secretary.

Incoming President Peck gave a brief and heart-felt dissertation on how honored he is to be President of our organization and that he would do his best in the coming months to follow the lead of his predecessors.

Guests introduced: **Peggy Sue Singe** was introduced by **Herb Singe** (Founder of our region)

At this point a delicious banquet dinner was being served to all members present. A motion was quickly made to dispense with all committee reports. A complete list of awards with full color pictures are scheduled to appear in the February Road Map

The Meeting portion of the banquet was adjourned at 2:00 pm.

Respectfully Submitted

Bernie Cooney, Recording Secretary

## New Welcome to My Seventh Issue as Editor of the Rummage Box.

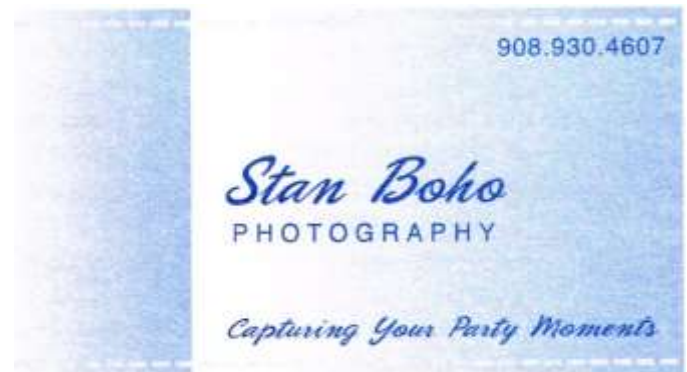

I have been busy for the past several months with car restoration. I have done a lot of work on various old cars over the years but I had never done a total restoration of a car. I came across a 1938 Buick Model 61 Sedan project at a good price. The car had, unfortunately, been left outside for over 20 years after a previous owner's death. The time outside would have been bad in about any location, but the fact that the car was in Massachusetts made it quite a bit worse. In the past few months, I have almost completed the chassis restoration. I have avoided doing anything to the rusty body. I am still hoping that I can find a better 1938 Buick Model 61 or 41 body to transfer to the restored chassis.

One of the benefits of being retired is that I have time available to work on the car project. I typically spend a couple of hours each morning working on the car. I try to do something productive each day. I am documenting the restoration on the AACA Discussion Forum. For anyone interested, it

can be viewed at: <http://forums.aaca.org/topic/297623-1938-buick-century-model-61-four-door-touring-sedan-trunk-back/>.

I plan to take a little bit of time off from the project to attend the AACA Annual Meeting in Philadelphia. If you have never been, I would encourage you to attend. As I have said in the past, it is the only thing that would get me to travel to Philadelphia from my home in Southeastern North Carolina in February.

I hope to see you there!

## From the Editor's Desk

### The Road Map

This is a brief and late issue of the Road Map because I have been extremely busy at work. On top of that, I caught the flu. I am one of those who got the shot and still managed to catch the flu.

The New Road Map staff will be meeting at the February Region Meeting and in Philadelphia at the AACA Annual Meeting to iron out the details as to how we will proceed in the future with the Road Map.

The March edition should be interesting and due to the input of the team, it will definitely be different.

Respectfully submitted,  
Art Briggs, #1469, Editor
