## NJ Region AACA

March 2018

### **President's Message**

It's hoped that you have read my introductory message, from the February, 2018 Roadmap.

Much of what I said will be soon forgotten, but I wanted to remind you that my responsibility is to serve *you*, with all the determination that I can muster. I will succeed, not only with the help, resources and experience of our officers and board, but with the participation, commitment and enthusiasm of our entire membership.

I'd like to define "success" as noticeable growth of our club. Sure, it can be measured in terms of new membership and donations as

*The Road Map March 2018*

*New Jersey Region Web Site <http://njregionaaca.com/>*

compared with last year. However, I'm referring to measures that are less tangible, but those that are far more compelling. Success, in my view, involves greater participation by members, who've not been fully engaged in recent years. I'm referring to those who've elected to step forward as a volunteer, as a Spring Meet sponsor, as a chairperson, or as a creator of a new club idea or activity, where they take the lead.

Our "success" then, will be seen, by our members being more engaged, more enthusiastic and having more fun in the club than they can remember. I can visualize all of these things coming to pass this year. It'll be my hope that "success" will become not only my goal, but most importantly, yours too.

Yours sincerely,  
Jerry Peck

## New Jersey Region AACA Secretary's Minutes

The 709th Region Meeting was called to order at precisely 8:00 p.m.

All were asked to rise for recital of the Pledge of Allegiance

#### OLD BUSINESS

- 1) Awards not distributed at the banquet were distributed by **President Peck**

## NEW BUSINESS

1) New National Applications are available and mention regional membership as well.

2) National Dignitary, **Don Burlap** and his lovely wife **Carol**, visited us to tell us how easy it is, nowadays, to host a national meet. The National AACA runs 20 meets per year in different areas of the country. Now that the National takes care of a lot of the work, the host region merely has to worry about or furnish a Host hotel, a show field that can accommodate 400 to 500 cars, trailer parking, trophies and awards, plaques, catering, registration, goody bags and other incidents. The National furnishes seed money and other essential. Hosting a national meet is the perfect way to increase membership.

A motion asking our membership whether or not we wanted to host the 2019 Eastern Spring Meet was tabled for further research and discussion.

Items for sale or wanted For a complete list of items see the latest issue of *The Road Map*

50/50 – Former 50/50 chair, **Bob Smith**, temporarily came out of retirement to present the following with Puxatawnee Phil Bonuses: **Ray Fisher** and **Bob Abbot**

The meeting was Adjourned precisely at: 9:35

Respectfully Submitted

### **Be a Good Neighbor!**

**Wayne Tuck**  
**Vice President,**  
**Membership**

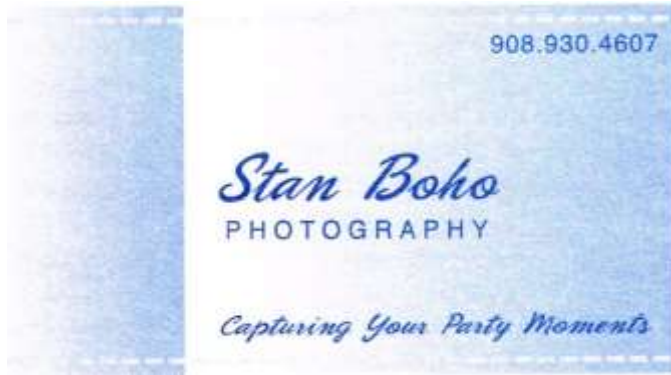

What constitutes being a good neighbor? A friendly hello to the folks who live next door? Picking up the next door neighbor's mail while they are gone for a few days? Invite them over for a barbeque? We each have our own idea of what being a good neighbor requires. What I want to discuss is being a good AACA Region neighbor. We are all part of the old car hobby neighborhood and I have been impressed with the show of neighborly support that I have observed lately. Being located in an area where many regions are within driving distance of each other we have been showing up and inviting each other to attend the same events. A good example is the Ontelaunee Region "Das Awkscht Fest" which is held every summer in Macungie PA. It is attended by members of many neighboring AACA Regions. In fact, the New Jersey Region lists it on their calendar of events. The New Jersey Region's Spring Meet this year was honored to have some South Jersey Region members attend the event and register their cars. We recently had a local pig roast where three different regions conducted a day tour to attend the event. AACA members dominated the event. Together we were the largest group there. It was not a big effort to set up a membership table and advertise the benefits of region membership. When others see the friendship and fun AACA region members have they want to become members.

At the national level I have attended some of the best meets ever that were put on with the efforts of several neighboring regions. So get out there! Take a look at what your neighboring regions are doing and support them.

BE A GOOD NEIGHBOR!

**The Road Map**

Well, last month I lied about the March Road Map. It isn't any different than the last few

I produced.

However, this will be my last Road Map. Everything is now in place for Jay DeBoey, Rich Reina, Anthony Cecala and Vince DeLisi to take over. I therefore expect the April Road Map to be somewhat different.

I will make myself available to be the new publication team's advisor. My goal in that is to coach them in what it takes to win the National Master Editor Award. I won that award in 2015 and 2016, and the Ann S. Eady Memorial Award for excellence in a Region or Chapter Newsletter in 2016.

I hope the new Road Map publication team is just as successful.

You're all aware that our annual Spring Meet requires several thousand dollars' worth of expenses. Last year's revenues, and the year before, were less than anticipated, so we need to make every effort to assure a more profitable Spring Meet this year.

Besides praying to the weather gods for clear, sunny skies, we can also consider becoming a sponsor of the Spring Meet. Many of you have been sponsors in the past and your generous contributions have helped financed part of the awards' costs. This year, there'll be sixteen vehicle classes that'll be judged.

All of our members should consider becoming a sponsor for this year's Spring Meet. It's only \$50.00 and your contribution would be recognized, both at the event and in the Roadmap. At the same time, you'll feel that you've done your small part to help make our Spring Meet a financially successful event. If you feel that the cost is too high, then consider co-sponsoring the Spring Meet with someone else.

A copy of the Sponsorship Form is provided on the NJ Region website. Thanks for your consideration.
