PRESIDENT'S MESSAGE

As we begin, yet another eventful year, I'm reminded of several email exchanges these past two years. The emails came from prospective event chairs, who requested a specific date, for an event, only to find that that date was already committed. Having coordinated our annual calendar, I sensed the frustration of those members, but was gratified by their persistence and conscientiousness, in wanting to make something happen. This year, I'm very pleased to tell you that our activity calendar is *three*, full pages long! Additionally, we did many new things last year and this year promises to bring, yet, more of the same.

I'm very optimistic about our club, especially because of its increasing membership engagement. More members than before are stepping up to identify new venues that our members can enjoy. Others are finding more ways that a familiar event can become that much more interesting and motivating even more of our club members to participate. For a moment, let me tell you about the results of our members' achievements.

This year, eleven event venues have agreed to give our club a donation. This happened, because just a few of our members recognized the inherent value that our club can provide. They expended diligent efforts to justify our participation, particularly in senior living communities, that easily warranted a donation. For the first time, our club helped co-sponsor a car show along with a community organization, from which a generous percentage of the event's revenue was donated.

This year, we've commitments for *twenty one*, \$50.⁰⁰ Spring Meet sponsorships. Last year, we had sixteen. At no time in my memory have we ever had as many sponsors. Why the difference? Member engagement. More club members are stepping up, by committing their dollars, or asking others to do the same. Last year, our membership roster increased from 177 members to 207. That was an increase of 30 members, or seventeen percent. There are few, if any, regions in America, where their membership has increased to such a large degree.

We'll be redoubling our recruiting efforts this year as well. As an example, our club will be assigned a designated section for its members at the Flemington Speedway antique auto show in Octo-

ber, which routinely draws over 1,000 cars. We've an impressive membership booth and an equally impressive, tri-fold brochure, for the first time that lend further credibility to our club. Together, they best reflect what NJAACA is all about. We believe that we'll be able to attract many new members from just that one event.

The point that I'm making is, if you're not already personally involved in our growth, then you should ask yourself, "Why not"? You could volunteer to man our recruiting booth for an hour or two. You can chair a new event, or coordinate a tour. How about recruiting a new member? Why not volunteer to chair a committee, should a vacancy occur? Or, you can contribute a new idea, on any topic, which has the potential to help make the club that much more effective, productive and enjoyable.

It's not important what you do. It's more important that you're personally contributing a small part of yourself, for the benefit of the whole. You'll find great satisfaction in realizing that you'll be playing an active part in our club's health, member satisfaction and future growth.

Stephen Babinsky & Abe Platt

NEXT MEETING

The May (712th) meeting of the New Jersey Region AACA will be held at the VFW on Rt. 53 in Morris Plains

8:00 PM May 3rd, 2018

**New Jersey Region AACA
Secretary's Minutes
April 5, 2018 #711**

The 711th Region Meeting was called to order at precisely 8:00PM

All were asked to rise for recital of the Pledge of Allegiance

The following first time member was welcomed: **John Pielzynski**

Motion to approve the minutes of the March 1, 2018 (#710) Region Meeting (As displayed in the *Road Map*) was made, seconded and approved. The minutes for the previous meeting will stand as displayed in *The Road Map*

Correspondence: None to report

Treasurer's Report, was given by **Tim Schimmel**. A motion to approve Tim's report was unanimously approved.

President's Report: **Jerry Peck, President Peck** advised us that progress is being made in our upcoming *2019 National Spring Meet*. Of four locations being considered, three are still in the running. As this event gets closer and more details are available, our up-coming *2019 National Spring Meet* will receive a special slot in our meeting agenda. A suggestion to change our meeting start time depending on seasons was discussed. It was decided not to make any changes now.

Region activities: **Duane Copley**, Since **VP Copley** was away at a National Meet, the honor of reading upcoming region activities was passed to the Secretary, who did an admirable job. Upcoming Region and National events, with input from the various chairs were tastefully presented. For everyone's convenience all Region and National events are displayed in *The Road Map*.

Other activities that members would like to announce: None were presented for two reasons, there were no other events and **Duane Copley** was not present.

Road Map Editor: **Jay DeBoey**, After receiving a round of applause for his first endeavor, our new Road Map editor requested that items for his publication be presented 10 days before the date of the next region meeting. **Jay** also told us to expect more technical changes.

Roster & By-Laws: **Art Briggs**, No Report

Spring Meet: **Pete Cullen**, In Pete's absence Registrar **Vince DeLisi** mentioned that plans for our about-to-happen Spring Meet are progressing. At our May Meeting we will have a sign-up sheet for volunteers

Summer Tour: Position vacant, **President Peck** gently and firmly reminded all members present that as long as the position remains vacant, it will be to the detriment of our club.

Membership: **Bill Pritchett**, New applications have been processed and will be listed on the next *Road Map*.

Accessories: **Duffy Bell**, No Report

Welcoming Committee: **Ray & Judy Fischer**, New members are receiving welcoming packages

Participation Points: **Vince DeLisi**, No Report

Sunshine: **Sarah Fehley**, No Report (thankfully)

Refreshments: **Pat Hogan, Carole Durna and Ann Platt** all assisted in setting up an array of delicious deserts for our meeting-weary members. The following members are thanked for donating this delicious goodies: **Greg Roser, John Quattrocchi, Sarah Fehley, Mary Ann Ackerman, Bill Pritchett, Bob Kelly, Agnes Benson, Barbara Petrich, Selma Reichart, Pat Hogan, Nancy Hutchins, Ann Platt, Bernie Cooney.**

Watchung Mountain Chapter: **George Ernst**, No Report

Government Liaison and Safety: **Bob Hedderick**, No Report

Archivist: **Matt Verzi**, No Report

Properties: **Rich Reina**, Will arrive at the Spring Meet early.

Jacket and Sweatshirt Sales: **Roger & Kathy Bagley** We were treated to a brief sales pitch by our new Jacket and Sweatshirts (and t-shirts) Chairs.

Badge Fines: **Herb Singe**, No Report

Old business:

- 1) It was mentioned that GM would be discontinuing its Chevrolet Impala, and Ford would discontinue its Taurus platform. The cause is the increased popularity of large SUVs.

(meeting minutes cont.)

New business: No Report

Items for sale or wanted: For everyone's convenience please see our web site and *The Road Map*

50/50 – **Bob Smith**, Easter egg baskets were given to **Bob Grub Jr.** and **Paul Wolfmeyer**

The meeting was adjourned precisely at 9:31PM

Respectfully submitted,
Bernie Cooney / Secretary

Foothill Acres Rehab & Nursing Center **May 15th, 2018**

Chair:..... Bob Hudak
Date :..... Tuesday, May 15, 2018
(Rain date May 18, 2018)
11:00 AM to 1:00 PM

In recognition of National Nursing Home Week, come join us for lunch and spread some joy for residents, their families and hardworking staff.

Although this will be our 2nd year chaired by yours truly, AACANJ has been coming here in various past years as well. Our showing last year at Foothills was my very first for AACANJ and I received great support and guidance from all members for which I am grateful. While a gratis event for us, this continues our strong presence in Hillsborough as we will be in their Memorial Day parade.

Caitlyn Campbell/Marketing Dept. is once again our sponsor and host. This year Foothills is doing a 1950s Sock Hop theme Day and will give 50s cars 'special' parking. She emphasized, however, all years cars are welcomed and added, if we provide the cars, she will provide perfect weather. We can only hope!

As most of our assisted living events are usually 10-15 cars, this allows us time to engage with the residents and staff. Since some residents are in wheel chairs, please consider opening your driver's door so they can see in. At last year's event I got a few mobile folks to sit in my car and took their photos. Their faces just lit up. Please come and join us to share your good fortune for a few short hours.

So that I can give Foothills an count, kindly email me: Name, Car make, make model, year and your Membership # plus phone #.

1965 Chevrolet Pickup A Day at the Races Ray and Judy Fischer No. 9 in 2017 Participation Points

Chevrolet C/K badged Light Trucks were new for the model year 1960 and this generation continued until 1966. A C (conventional) in front of the series number designates 2-wheel rear drive while a K designates 4-wheel drive and the series assigned a 10, 20, or 30 for 1/2, 3/4, and 1-ton models.

This is Ray Fischer's 1965 Chevrolet C10 Fleetside 6 cyl. Pickup truck that he purchased from a friend in Tennessee. The original wood side advertising racks on the back of the pickup belonged to an [Ontelaunee Region](#) AACA member who knew I pur-

chased the truck and said "...you have to have them." They were from a Chevrolet dealer in PA where he worked. I have in tow a 1948 midget race car, one of a few that I have owned over the years. The pickup truck participated in the 2001 Founders Tour in Western New York State. I look back at some of the cars I owned and say to myself "why didn't I keep that one" Unfortunately, there isn't enough garage space to keep them all.

MAY 2018 PARTICIPATION POINTS REPORT

Below, please find the points listing for the “top 50” for this year to date. It includes meeting attendance points through April 5, as well as events points, including Philadelphia and other national events that have been reported to me. It also includes committee chairman points, for the committees published in the Road Map, except for those where an actual driving event is planned (spring fling, fall foliage, mystery tour, etc.). Points for these events will be tabulated when the actual event occurs.

As you know, the new points system provides for double points whenever a monetary donation is received. It is important for the committee chair of any such event note on the attendance sheet if monies are received so that participation points can be properly awarded.

In the case of national events, it is the individuals responsibility to notify the points chairman of their participation.

Please feel free to contact me directly if you have any concerns or wish to have me include recognition for events you attended that were not otherwise accounted for.

Respectfully submitted,
Vince DeLisi

**67th Region Spring Meet at
The Mennen Arena
161 East Hanover Avenue
Morristown, NJ 07960**

Chair:..... Pete Cullen, Jr.
Date :..... Sunday, May 6th 2018
..... (Rain or Shine)

This will be the third year already for the NJ Region's Spring Meet to be held at this great new location, and your chairman is really expecting that the 3rd time will be a charm, and not even have a threat of rain during the entire weekend!!

A few growing pains were felt during the first two years, with traffic flow 'guidance' from the assigned County Police, and spectator parking, both for real improvements in accessing the show field. Real in-house food vendor and bathrooms at the arena are also a big step up from prior location.

The Region Board of Directors and the Spring Meet planning committee have been busy with preparations for the Spring Meet. The registration form and show flyers have already been printed and distributed at the Philadelphia Annual Meeting to national AACA members. It is also printed in this April Road Map and is posted on the Region's website for your use. In early March, it was mailed to over 400 non-member past participants in our prestigious judged car show, and upon suggestions made at the March meeting, that mailing also included the new Region Membership brochure!

The Region has held the line for the car registration fees for yet another year! May I point out that if you preregister before the April deadline, you will not see another quality car show anywhere for less than the Region's \$10 fee! And do not forget to self-nominate if eligible for any of the special Region Trophies listed in the box on the lower left of the registration flyer. Last year we had several trophies not awarded due to lack of your own nominations!

I would like to remind you of another unique member-only benefit we've retained: If you pre-register one car, in addition to snagging the above mentioned discounted fee, you can 'show-a-second-car-for-free' ("Do Not Judge" category). So, get a family member involved and let's see 'the other car' in your garage, even if it may not be ready for prime time! And look for the article elsewhere in the Road Map

promoting the award sponsorship opportunities available.

To help any members interested in judging (we need at least 40!), Ed Geller, Chief Judge, will once again be conducting a seminar for the benefit of both first time and experienced judges, on Sunday April 29th at Ashley's Body Shop, see Region Calendar for details.

A reminder everyone that volunteers are needed for everything from the registration table, to parking, to judging, and manning the Regions' membership tables. A sign-up sheet will be circulated at the April and May meetings so the planning committee can make appropriate staffing arrangements. In the meantime, you now have four and a half weeks to get your cars ready for the Region's big show!

Pete Cullen, Jr.
Spring Meet Chairman

BUFFALO WATCH

Open House/Vendor Fair
May 19, 2018 from 8AM to 5PM
Readington River Buffalo Farm

937 County Road 523, Flemington NJ

New Jersey Region has been invited to display our cars while we visit the historic working farm. A live Band, Military vehicle display, pony rides, hay rides, face painting, native American Indians, Wild west Cowboys are just a few of the many attractions to enjoy during our visit.

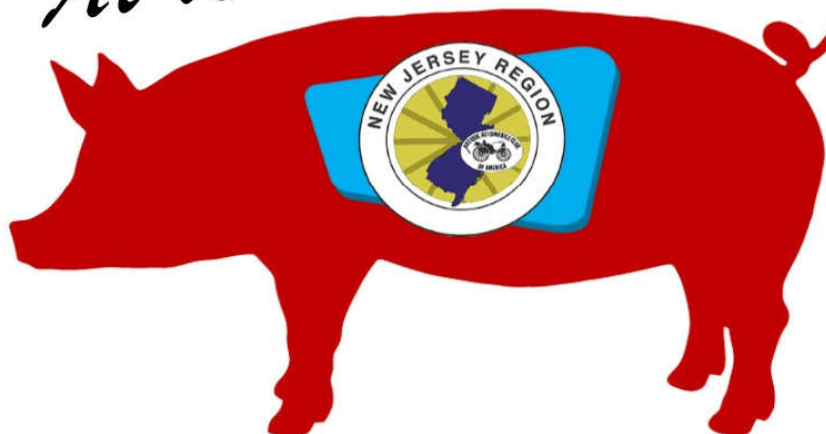

Enjoy the wide variety of food vendors on site, and yes, they will be grilling buffalo burgers! Our membership committee will be setting up a recruitment table and hope to get some new members. Plan to arrive early, tell them you are with the club and you will be directed to our display area. The farm has requested an estimate of the number of cars to expect.

1977 Cadillac Sedan DeVille**"Patti Blue"****John and Patricia Quattrocchi in place of Greg****Roser No. 3 in****2017 Participation Points**

Pattie Bleu was purchased new by my parents Jack and Lucille Quattrocchi in 1977 at Lex Depp Cadillac in Florham Park, NJ, which later became Royal Cadillac. My Mom used the car daily for real estate sales. She was a "Million dollar sales woman" for the Richard C. Fischer Agency in Basking Ridge, NJ from 1965 until her retirement in 1980. Jack and Lucille continued to use the car almost daily until their deaths in 1999. Pattie Bleu went into storage soon thereafter until she awoke from her slumber in early 2005, when she was used as the bridal car at the wedding of my parent's oldest granddaughter. I received the Cadillac in the fall of 2006 when the estate of my parents was settled. I named the car in honor of my wife Pattie, at the time we were married 25 years. The 1977 Cadillacs were drastically changed from the year before. This year all GM full sized cars were downsized to attain better fuel economy. The deVilles lost approximately 10 inches in length and about 700 pounds compared to the 1976 models, yet gained more interior room and a larger trunk. Other big changes for 1977 were; 4-door hardtops were no longer available, the engine size was reduced from 500 to 425 cubic inches, and the deVilles had no rear fender skirts for the first time since 1958. The Cadillac color is "Jennifer Blue", which explains the car's name of Pattie Bleu. The original base price was \$9,864, which included standard luxury features such as climate control air conditioning, power windows, 6-way power seat, power door locks, and white wall tires. The final sticker price was \$10,968 less shipping charge. This included the extra cost options of a vinyl roof, leather interior, tilt & telescoping steering wheel, carpeted floor mats, trunk mat, rear window defroster, and AM/FM stereo radio with a power antenna. Pattie Bleu is used on a weekly basis, weather permitting, and now has well over 100,000 miles on the odometer. She has participated in holiday parades in both Plainfield and Cranford, as well as many NJ Region AACA events. Pattie Bleu received her Historic Preservation of Original Features (HPOF) certification at Hershey in October of 2017, and I hope to go for my "HPOF Original" award this year. My friend Greg Roser was kind enough to drive it to Hershey for me, as my wife prefers that I not drive long distances. I appreciate Greg offering his front cover photo opportunity to me, and I am proud to be a member of AACA and the NJ Region.

BrightView Senior Living of Warren**May 12, 2018**

Chair:.... Abraham Platt

Date :.... Saturday, May 12, 2018

(Rain date May 19, 2018)

12:30 PM to 4:00 PM

The New Jersey Region is scheduled to conduct an Antique Automobile Enjoyment Event for the Residents of

The BrightView Senior Living facility of Warren. This is a new event for us. We reached out directly to the Community Sales Director, Allyson

Garcia and the Vibrant Living Director, Emily Martinnelli, who will be our hostess for this event. This event will be an Open House for the BrightView as the general public is invited to view the facility and to enjoy our antique automobiles.

The BrightView facility is located at 57 Mt. Bethel Road in Warren, NJ 07059; (908) 756-3790. Our arrival/assembly time is scheduled for around 12:30 pm and we will assemble in our designated parking area at the front (east side) and south side of the facility. We will be provided with lunch in the dining area of the Senior Living facility; while the residents, the staff, and the general public wander about to look at our beautiful antique automobiles. The residents, staff and the general public will vote on their favorite car(s) and the three cars that receive the most votes will get a nice prize.

Come join your friends from the NJ Region AACA as well as members of the assisted living and senior living communities.

Please note that the BrightView at Warren will be providing us with a donation for our participation in this event. Please let me know by **May 10th** if you are planning to attend so that we can provide Ms. Martinelli with an idea of how many people and cars we can expect.

2017 National Awards Summary

By Bob Parish
Vice President, National Awards

The February 10th Awards Banquet in Philadelphia, in conjunction with the AACA Annual meeting, culminated the 2017 National Awards process. The 2017 calendar year produced 2,788 vehicles that were shown at National meets and 349 vehicles that participated on National tours that were evaluated by the National Awards team.

The National Awards Committee consists of 26 of the most experienced AACA Senior Master judges, with a combined total in excess of 6300 judging credits. The committee meets each year in Hershey on the first Saturday in December to review all the nominated vehicles for the year. The team votes to determine the National Award winners for each of the 64 potential vehicle categories. This year some 278 owners were nominated for one or more of the prestigious National awards available to all members. We invite everyone to visit the AACA website to become more familiar with the various awards in our world class judging system. Go to www.aaca.org/publications/national-awards to see a listing of all the awards. These awards reflect quite a heritage including how they were initiated and sponsored, with some going back to 1945. The actual awards are on permanent display at our National headquarters in Hershey, PA.

There will be an additional award available beginning in 2018, the Discontinued Automobile Award. This award will be divided into early and late models to relieve the pressure on the original award concept. The split will be early (up to 1959) and late (1960 to present). Historically, our data base research indicated that would be the mid-point for such a split.

The National Awards competition is extremely intense, making decisions very difficult. At the February 10th Annual Meeting there were 72 award winning owners and their vehicles that were recognized

for their accomplishments during the National Awards Banquet in Philadelphia. National Service Awards to organizations and individuals were also presented for their contributions to the success of our hobby, and AACA as a whole. There were 21 Master Editor Awards and 21 Master Webmaster Awards presented to members for their contributions to their respective Regions and Chapters.!

Road Trip to Stephen Babinsky's Automotive Restorations, Inc.

November 18, 2017

On Saturday morning, November 18, 2017 members of the NJ Region AACA and their friends and family gathered at the Readington Dinner in West Whitehouse Station for breakfast. Around 9:30 am, after breakfast and some friendly socializing, the breakfast crowd gathered in the parking lot with other members joining the group at this point. Verbal directions were given to the drivers on where Stephen Babinsky's Automotive Restorations, Inc. facility is located and a procession of NJ AACA vehicles headed west on US Rte 22 to that location where other trippers had already gathered. Our visit to the restoration shop commenced at around 9:45 am.

Antique automobile enthusiasts that drove their antique automobiles included the following: Rich & Selma Reichert in their 1992 Ford Bronco, Jim & Elaine Mastroberti in their 1930 Ford Model A, Bob Hedderick in his 1956 Chevrolet Sport Sedan, Rodger & Kathy Bagley in their 1940 Buick, Bob Soper and his son Tyler in Bob's 1978 Ford Mustang II Cobra (1-owner car), and Abe & Ann Platt in Ann's 1988 Mercury Cougar (1-owner car). The Sopers are Abe & Ann's neighbors. The antique automobile enthusiasts driving modern vehicles either joining the procession to the restoration shop or meeting us there included the following: Dave Cavagnaro, Nick Matlaga, Kirk Judkin, Greg Roser, John & Pat Quattrocchi, PJ Ehmann, Paul Wolfmeyer, Allan Danner, Rich Hammer, Bob Tevis, Bob Hudak, Gus & Carolyn Daub, Sven & Vicki Mangulson, Bill Pritchett, Frank Orlando, Harold Wrede, Stephen John, Brian Pritchett, Craig & Yvonne Kunz, Bob Smith, Ken Miller, Ron Hutchin, Bob & Sue Schmidt, Bernie Cooney, Bob Rankin, Ken Clayton, Matt Verzi, Don Lamotta, Rich Nalavany, and Bruce Burck.

Mr. Babinsky was very accommodating to the gathered automobile enthusiasts by having a Ferrari pushed outside so that the lift that the Concours award winning 1947 Delahaye GFA could be lowered and admired more closely by all. In addition to John "Hawkeye" Hawkinson's 1930 Hibbard & Darrin bodied *Minerva* formerly owned by

our friend Ralph Marano and his buddy Wayne Carini. The floor of this restoration shop was occupied by several vintage Packards and Cadillacs, as well as other classics such as Cord, Duesenberg, Lagonda, Locomobile, Jaguar, Mercedes, and Horch to name some. Mr. Babinsky had us all mesmerized as he explained the restoration process for the Horch and the detailing/restoration performed on the Delahaye after winning three awards at the 2017 Pebble Beach Concours D'Elegance. From the questions being asked, the comments overheard, and the wide-eyed and opened mouth expressions observed, I would conclude that the antique automobile enthusiasts visiting this facility, on this cold and brisk morning, enjoyed themselves. When Mr. Babinsky was informed that our neighbor's son, Tyler Soper, is a recent graduate of Ohio Technical College majoring in automotive restoration, he and his lead restoration technician questioned Tyler and must have liked the answers for he was whisked away by the four restoration mechanics working this morning for an in-depth tour of the various areas of the facility. To say the least, this was an eye-opening and awe-inspiring event for the youngster.

On behalf of the NJ Region AACA members that attended, I thanked Mr. Babinsky for his hospitality and for allowing us such unhindered and unhurried access to roam around his restoration facility. He mentioned that we would be welcomed back to this facility in the future, if we liked. He also mentioned that the building that houses his collection was too crowded at this time and that the renovations were not yet completed for us to tour that facility today, but we should be able to do so at some time in 2018. I thanked Mr. Babinsky again and indicated that I would be in contact with him in the future to schedule that tour.

UNDER THE HOOD Notes from the editor

Belonging to an organization is something that is intensely personal. After all if you don't like driving yourself nuts with a Rubik's cube you'd probably stay away from the cube club (True story, Harvard has a cube club). But having a unique and antique automobile allows you to gain access to thousands of people who like the very same thing. Have you noticed how many of us belong to more than one club that is relevant to our car? Buicks, Cadillacs, Cougars, Mustangs, Brass Era, MoPar's, Packard's.....we all have some affiliation with a club that identifies with our favorite car. But the one thing that holds us all together, keeps us in the fold and working to enjoy our vehicles is the over arching organization that is the AACA. Most people understand a Cadillac Owners Group, but when you tell them you are a member of the Antique Automobile Car Club of America you identify yourself as a person who cares about historic preservation and the passing on of our hobby to the next generation. You aren't just a collector you are a curator, and that is about as personal as you can get in this hobby of ours.

My Roadmap goal for June is to bring advertising up to speed in terms of quality graphics for the advertiser and revenue for the newsletter. If you are an advertiser please drop me a note so we can get you the proper space and quality ad you deserve.

On My honor.....

"TRIVIA TIDBITS"
by Gregory Roser

After a few month's hiatus, my trivia is back. This month's trivia is all about Cadillacs, with a little bit of 1950's music thrown in. Test your knowledge of the "Standard of the World".

- 1) What were the first and last years of the Coupe deVille?
- 2) What was Cadillac's first four door hardtop?
- 3) The "Series 62" was replaced by what model name in 1965?
- 4) The 1955 hit song "At My Front Door" was performed by what Cadillac model named group?
- 5) The 1959 hit song "Come Softly To Me" was performed by what Cadillac model named group?
- 6) In the 1949 to 1976 period, the deVille had **no** fender skirts in what two years?
- 7) What were the first and last years of the Eldorado?
- 8) In what year did General Motors acquire Cadillac?
- 9) What was the last model year for the rear wheel drive Eldorado?
- 10) What was the only 1958 Cadillac model to have fender skirts?
- 11) In the 1950's, for what model year did **no** Cadillacs have fender skirts?
- 12) What was the first year that Cadillac offered the Hydra-Matic, their first fully automatic transmission?

The answers can be found elsewhere in this issue.

**1953 Packard Cavalier
A Day at the Races
Roger & Kathy Bagley No. 39 in
2017 Participation Points**

This is the first car Roger and Kathy bought together, a 1953 Packard Cavalier. Kathy named her Gladys, the enormous chrome bumpers reminded me of her grandmother's ironing lady when she was a little girl (she had silver front teeth and a smile that welcomed every child in the family as one of her own). Roger and Kathy put a fair amount of work into the car and they got to know each other as they worked on it. Kathy remembers their first outing as Roger literally stood upright on the brake pedal and that monster still was cruising down the hill, and several times she gave out all together and Kathy was introduced to pushing a Packard. Kathy's parents flew up for their July wedding, and Kathy's wonderful father didn't bat an eye when she requested to be driven to the wedding in Gladys. Dad took off for the venue, cruising down route 287 on a Friday evening at 5:00 at a breakneck speed of 45 watching the temperature gauge like a hawk. Kathy still isn't not sure if all the horn honking was because she was a bride in a Packard or because of Dad's cruising speed. They made it to the Victorian Manor, and there was the groom waiting for them, he was so handsome in his tuxedo , but Kathy noticed his eyes were not on the bride, but under the Packard. In a flash, he disappeared under the car and emerged with a boyish grin and a socket wrench in his hand!
