**NJ Region AACA****June, 2018****PRESIDENT'S MESSAGE**

**W**e all know the thrill and pleasure, when your antique vehicle's engine is running smoothly.

Every part and every component is doing its intended job and, together, they assure maximum performance, reliability and efficiency. By the same token, we're painfully aware of what happens when they don't.

I use this analogy to mirror what happened on May 6<sup>th</sup> at our Spring Meet. Sure there was disappointment, due to the weather and its resulting turn out, but we covered all of our costs and even made several hundred dollars. Despite any negatives that were observed, I saw many things that struck me in a truly memorable way and I wanted to share these observations with you.

As with all of our major club activities, there's much going on in the background that many of us seldom see. Many tasks and objectives are carried out, by only a small handful of highly motivated planners and doers. Some have orchestrated these same activities year after year, with minimal thanks or fanfare. You'll always see a small minority of people, in all notable activities outside of our club, where the minority shoulders the heavier responsibilities, on behalf of the majority.

From the standpoint of planning and execution, our Spring Meet was very successful. The coordination among our chief organizers, both well before, during and after the event was superb. We've encountered a few bumps along the way as we adjusted to our new location at Mennen Arena. Yet, all the lessons learned from these small challenges were easily incorporated into our routine planning, which made for a seamless transition.

The people that I'm speaking of are well known to all of you. They're fully engaged and enthusiastic. They've discussed all of the needed requirements to assure a successful meet. In some cases, even a few months before the event. Permission to run our meet at Mennen had to be arranged, including insurance and having a police presence. The show area had to be carefully laid out to the smallest detail. Roadway signs had to be put in place, while awards, sponsorships and signage were addressed. Registration information had to be prepared and fully documented. Gate keepers had

to be identified. All money had to be collected and accounted for and all expenses are promptly paid. Our audio requirements were great and required much time for set up and break down. Arranging for judges and determining winners was also vital. Finally, our new membership initiative had to be supported, with our recruiting booth and people to man it.

So you see, our Spring Meet required much more than many of you know. These few people I mentioned must absolutely count on you, as individual members of our club, to volunteer to help. You did so, which helped us carry out yet another, successful Spring Meet.

Much of what I've shared impacts everything that we do, throughout the year. We'll always need principle organizers and planners to carry out our goals. Many of you already do so as chairmen and women. Many others of you pitch in, whenever the need appears.

For that small minority of you that are always moving forward, despite any obstacle, I'm truly grateful. For those who hold club responsibilities, and also those who "pitch in", I thank you very much. All of your contributions are the lifeblood of our wonderful club's success and continuance. I've every expectation that many more of you will step up and say, "How can I help"?

## New Jersey Region AACA Secretary's Minutes May 3, 2018 #712

**T**he 712th Region Meeting was called to order at precisely 8:00 p.m.

All were asked to rise for recital of the Pledge of Allegiance

The following new members were welcomed: **Manny & Jenny Plumer**

Motion to approve the minutes of the 711<sup>th</sup>, April 5, 2018 Region Meeting (As displayed in the Road Map) was made, seconded and approved. The minutes for the previous meeting will stand as displayed in *The Road Map*

Correspondence: Read by **President Jerry Peck**: A letter received from the AACA Library was received. In it, the Library thanks the NJ Region AACA for their kind donation, commemorating the passing of **Dan and Barbara Espy**

Treasurer's Report: Was given by **Tim Schimmel**, A motion to approve Tim's report was unanimously approved.

President's Report: **Jerry Peck** - **President Peck** mentioned that he had polished up his beautiful Pontiac for our Spring Meet. Although the weather may be a bit challenging this year, **President Peck** predicts a stellar show. Also mentioned was the lack of Summer Tour Chair, and difficulties with a Refreshments Chair. Two important positions which must be filled.

Region activities: **Duane Copley** - **VP Copley** presented a dissertation of upcoming Region and National events, with input from the various chairs. For everyone's convenience all Region and National events are printed in *The Road Map*.

Other activities that members would like to announce - **Duane Copley** - **VP Copley** mentioned a few additions that may, or may not have made our illustrious *Road Map*: **Bob Jepson** mentioned that he will be plugging this Spring's truck meet of the Mahon Collection is Bedminster. **Wayne Tuck** mentioned a New Jersey Concours coming up in Allaire Park.

Road Map Editor: **Jay DeBoey** Appreciates comments, and appreciates all materials as soon as possible, at least 10 days before publication.

Roster & By-Laws: **Art Briggs** No Report

Spring Meet: **Pete Cullen** No Report

Spring Meet & Participation Points: **Vince DeLisi** - **Vince**

gave us a succinct view of the up-coming Spring Meet. Volunteers are crucial for registration, parking, judging, gate-keepers and possibly other tasks. Also **Vince** mentioned that in revamping our Participation Points system, no Spring Meet worker goes un-rewarded.

Summer Tour: Position Vacant

Membership: **Bill Pritchett** - **Bill** mentioned several new members we have recently welcomed due to recent events: **Manny and Jenny Plumer** (previously mentioned), **Donna Rottenger, Richard Ricci, Peter Bounpane**.

Accessories: **Duffy Bell** - It was reported that, unfortunately, **Duffy** had been down south for a national meet and contracted Pneumonia, and spent some time in various medical care. We are all hoping for his speedy recovery

Welcoming Committee: **Ray & Judy Fischer** - Both hard at work welcoming new members.

Participation Points: **Vince DeLisi**

Sunshine: **Sarah Fehley** - (in absentia) **Duffy Bell** is recovering from Pneumonia

Refreshments: \*Secretary's note: This list seems light. Some members may have been omitted - Chairperson needed\* - Thank you to **Kathy Bagley, Ann Platt, John Quattrocchi, Greg Roser, Bill Pritchett, Bernie Cooney**

Watchung Mountain Chapter: **George Ernst** No Report

Government Liaison and Safety: **Bob Hedderick** No report

Archivist: **Matt Verzi** No report

Properties: **Rich Reina** Will be at Spring Meet early. He would appreciate help in setting up speakers and other accoutrements.

Jacket and Sweatshirt Sales: **Roger & Kathy Bagley**. In a sixty second promo that would put TV advertisers to shame, **Roger & Kathy** present thorough, compassionate plug for our current product line.

Badge Fines: **Herb Singe** Collected as only **Herb** can.

Old Business: **Wayne Tuck** told us about the problems of arranging a meet in a densely populated area. Several sites have been considered, but no decision has been made.

(meeting minutes cont.)

**New Business:** As National Vice President, **Wayne Tuck** made a special presentation of our Treasurer, **Tim Schimmel**, for all the behind-the-scenes work he does for our club

**Items for sale or wanted - Trudy Unger** is selling her 1949 Plymouth. **Tex Sorrell** is selling his 1962 Cadillac Sedan de Ville.

**50/50: Bob Smith** – **Bob** presented gardening incentives to **Herb Singe** and **Paul Semmler**

The meeting was adjourned precisely at: 8:55 p.m.

Respectfully submitted,  
Bernie Cooney / Secretary  
NJ AACA #1247

### 1980 MG B Special Edition Art Briggs No. 4 In 2017 Participation Points

**T**his is my 1980 MG B Special Edition. As you can see, there have been some modifications made to it before I purchased it about 5 years ago with a stuck clutch.

The rally stripes were added sometime prior to my purchase, but Max likes them, so they stay. The wheels are aftermarket. The dash instruments were all after market. One good modification is the Weber carb.

Last year Max and I took this car on the Founders Tour. When it was raining, the windshield wipers didn't work. When it wasn't raining, they did! Each day of the tour, the first order of the day was to check what worked and what didn't; headlights, parking lights, windshield wipers, directional signals. Lucas Electric at its best! Actually, all this was caused by grounding problems. This winter I purchased an entire dashboard (the original has cracks in it) and original instruments and wiring harness to eliminate grounding problems. I have removed the old one and have the new one 50% installed as I write this.

1980 MG B Special Edition cars have overdrive. This is probably the best feature of this car. No matter, don't be surprised to see this car in my space in the Hershey Car Corral. I have one too many cars!

**1964 Pontiac Bonneville**  
**Jerry Peck No. 16**  
**In 2017 Participation Points**

Few would understand why a sixteen year old would buy a seven year old Pontiac Bonneville, nor would the buyer. Yet, it happened.

I ran paper routes and worked in a grocery store to save money to buy my first car. My father agreed to co-sign, for the small loan that'd be necessary, then he brought me to a local Chevrolet dealer.

It was there where I was to first meet the car that would forever give me warm thoughts of youth, enjoyment and liberation.

When I'd first observed Bonney, she was one of the most beautiful things that I'd ever seen. She was black and her body was offset with a white top. She had miles of chrome, both inside and out. She was large, but not for the time and, most importantly, she became mine.

In the three years that I owned her, I took her to the beach, on many dates and, of course, the drive-in with my girlfriend, or with my friends. We cruised the drag, in Brockton, Massachusetts, on Friday and Saturday nights. Main Street was two miles long, with five traffic lights that gave ample opportunities to hail young girls that were going in the opposite direction. We failed to pick up girls, in this manner, on a consistent basis, but nevertheless, it was all pure joy.

With college beckoning, I reluctantly sold my Pontiac to a friend, who'd always wanted to own it. I was content that it'd have a happy home. You know, I think that part of my youth was sold, along with the car, for a mere \$850.00, yet those memories were some of the most impactful of my life and I embraced them for the many years that followed. So began a very long, unconscious vigil that was to last thirty seven years.

In 2005, as I was driving by a Subaru dealership, I saw her. She was featured in front of several other, used cars close to the road. I stopped to take a look. She was big and she was black. I stared at the graceful features of her grill, her enormous chrome bumpers and the attractive, familiar dials on her dashboard. With two children to raise, I sighed and reluctantly went home. A few days later, I came back. Then again and again. On my fifth visit, I lured my unsuspecting wife there, who said very simply, "Aren't you going to buy it"? And so we did! After the entire family had our first ride together, I told

everyone that we needed to decide what we were going to request on Bonney's antique license plates. We agreed that Bonney was large, spacious and comfortable and it seemed to float in air like a carpet, despite any bump in the road. We submitted our three choice to the NJ DMV.

Just a few days later, an enthusiastic person from the Trenton DMV said the she wanted to make a special phone call to me. I sensed that it seemed important to her as well. She wanted me to know that I'd received my first choice... "EZRYDR".

At that moment, my new, yet familiar, lovefest was reborn.

### **Veterans Appreciation Day**

**June 9th, 2018**

**12:00 to 5:00 PM**

The Branchburg Rotary Club is hosting a Veterans Appreciation Day at Central Jersey Regional Airport, 1034 Millstone River Rd. in Hillsborough, NJ on June 9<sup>th</sup> from Noon to 5 pm. They would like to have antique cars on display at this event. Although it is not a club point event, if anyone is available to bring a car it would be greatly appreciated.

Thank you.

When all the show cars were in place it was time to judge and Ed Geller and his team of judges did their usual job in a timely manner. The Membership Tent was very successful too, we had several participants join the Region and National. A win for everybody.

The trophy presentation went as well as I've ever seen it go. Pete Cullen congratulations, you've got the job for next year too.

I guess I am blowing the Region's horn but I was proud of our members and just wanted to thank everyone who helped.

THANK YOU ALL.

### 67<sup>th</sup> Region Spring Meet at The Mennen Arena—Participation points

NJAACA members, I need your help!! I tried to reconstruct the points spreadsheet from our Spring Meet as best as I could. Below, please find the outcome of that effort. Please let me know if there are any omissions or corrections in these records. Also, there were two people that appear on the sign-in sheet as helping out at the safety check point, who's names are illegible. Best I can make out is Kevin \_\_\_\_\_ #1440, and \_\_\_\_\_ #1444. Neither of these numbers is current, and there is not a single Kevin in our membership! I can be reached as follows:

Thanks!

## **AACA NATIONAL SPRING MEET** **AUBURN, INDIANA**

May 10-12, 2018

The AACA Central Spring Meet was held on May 10-12, 2018, at Auburn Auction Park in Auburn IN. AACA was joined in their hosting duties by RM Auctions and the Nash Motor Club. Combining the show with an on-site auction (RM planned to run 500 cars across the block) provided plenty of opportunity to both see and even purchase some classy cars.

The Auburn area is also home to the Auburn Cord Duesenberg Museum, the National Automotive and Truck Museum, and the Early Ford V-8 Museum, so car guys and gals have plenty to do in the area in addition to the flea market, car corral, judged show, and auction at the Park.

The NJ Region was amply represented by Art Briggs, Anthony Ceca, Pete Cullen, Ray Fischer, Dave Kantes, Dick Payne, Wayne Tuck, and Brenda Zimmerman, with Anthony, Brenda, Dave and Pete all serving as judges.

While the weather could have been more cooperative, the rain didn't deter the owners of about 265 vehicles from displaying their cars. The meet's brochure made the point that attendees wanted a less formal and shorter awards evening, so the sit-

down dinner was abolished in favor of a late-afternoon BBQ, with show awards presented immediately after dessert.

A total of 188 show vehicles received awards.

1992 Corvette Owned by  
Dick Payne NJAACA #1525

Our own Dick Payne earned a 1<sup>st</sup> Junior for his Corvette race car, which he was showing for the first time. Congrats, Dick!

As with all AACA meets, old friendships are renewed and new ones are made. These meets are also a good opportunity to sharpen your judging skills. CJE (Continuing Judges Education) programs are available to all active judges. The NJ Region is again well-represented by Art, Brenda, Ray, and Wayne, who all serve as CJE instructors.

Auburn is one of the more reasonably-distanced meet locales for us Jersey folk, and not only is there an almost overwhelming number of things to do and see there, it can give you a "taste" of what goes on at a National Meet. Given our tentative plans to host such a Meet ourselves, attendance at Auburn (or any other National Meet) is strongly suggested as a way to educate yourself in ways that reading about it can never do.

## **Report on the NB Center for American Automotive Heritage**

April 23rd, 2018

Chair: .....Abraham Platt

On Monday, April 23, 2018 members of the NJ AACA met for breakfast at the Readington Dinner in

Bridge (aka the Free Bridge) into Easton, PA then through Bethlehem and finally through Allentown to the NB Center. We re-assembled adjacent to the NB Center .

We were lead into the facility by Keith Flickinger, the Curator for this facility, driving a 1933 Marmon V16 Victoria Coupe. The first time I saw this beautiful automobile was at the Concours D'Elegance Edison held at Thomas Edison's former residence in Llewellyn Park in West Orange in October 2015.

The tour started shortly after 1:00 pm and continued until approximately 5:00 pm. Keith welcomed us into the reception building within the NB Center grounds, provided us with a short narrative and played a short film about Mr. Nicola Bulgari, his love for American automobiles, and his passion for preserving automotive history. The film also showed the build-up to the 50<sup>th</sup> Anniversary celebration of the Buick Club of America (BCA) on the grounds of this facility culminating with the car show that

Whitehouse Station. An air of excitement was palatable as we started our Road Trip to The NB Center for American Automotive Heritage facility in Allentown, PA. The planned route took us through the New Jersey countryside proceeding from Whitehouse Station through Potterstown, Annandale, Lebanon, Alpha, and Phillipsburg crossing the Hamilton Street

was open to the general public on July 30, 2016.

The tour was well attended by 66 members of the NJ Region with friends and family from the South Jersey and Gettysburg Regions and other car clubs.

The NB Center houses *Mr. Bulgari's* extensive collection of vintage automobiles, especially American marquees, in this 27-acre facility. The collection consists of 155 cars from the 1920's through the 1970's which are housed in several buildings on the grounds of the former Boulevard Drive-in Theater.

The drive-in was active from 1949 through 1985. Four of the buildings house restoration and maintenance shops and several buildings house the car collection.

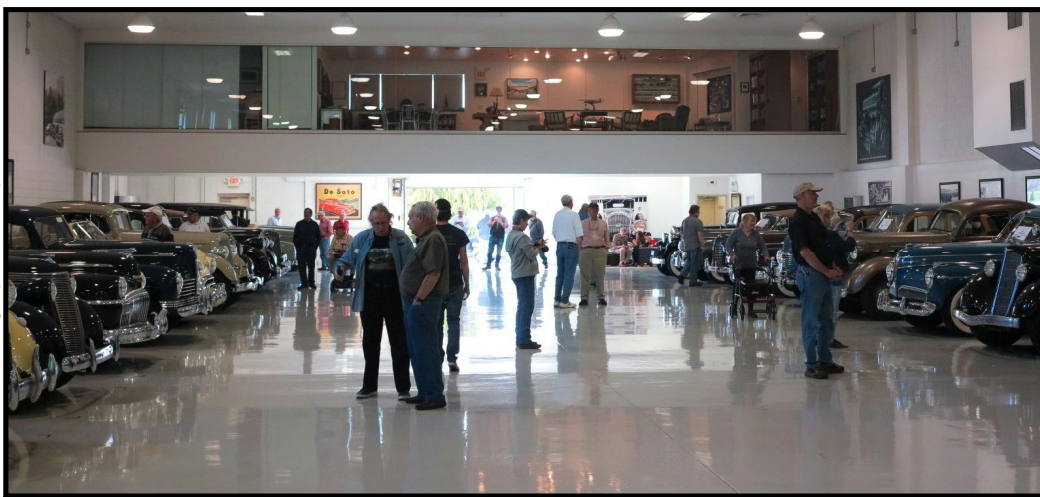

Highlights of the tour, were the restoration shops where Keith explained the operations and what was done to the vehicles prior to being exhibited. Keith explained that every vehicle exhibited was registered, licensed, and insured so that it could be driven whenever Mr. Bulgari was in town. While in the body/paint shop Keith showed us the signed and framed Peter, Paul & Mary Album 1700 record album which included the 1930 Graham Model 46 Town Sedan in the background that Mr. Bulgari purchased from Peter Yarrow. Other buildings housed the upholstery shop, and the mechanical/maintenance shop.

On one of the lifts in the maintenance

shop was the very last 1960 Armstrong Siddeley Star Sapphire off of the production line. The first building housing the car collection had a motorized 1907 Studebaker wagon, the last building visited housing cars had the 1930 GMC Yellow Cab (Ernie's taxi from "It's a Wonderful Life"). I am sure that everyone had their

our thanks and gratitude to our Hostess and Host for a wonderful and unforgettable experience. Keith mentioned that groups from car clubs specifically are welcome to the NB Center and thanked us for attending and being such a knowledgeable and inquisitive group. He enjoyed having us as much as we enjoyed being there.

**(Rain Date: Thursday 30, 2018)**  
**12:00 to 4:00 PM**

**O**n Thursday, August 23, 2018 we are scheduled to conduct an Antique Automobile Enjoyment Event for the Veterans of the NJ Veterans Memorial Home at Menlo Park. This will be our first time conducting this event for our Country's Veterans. Please note that this is a **weekday event**, which is still somewhat new to us, but was well received at such events conducted last year. The Supervisor of Recreation, Christine Caratozzolo, will be our hostess for this event. The NJ Veterans Memorial Home at Menlo Park is located at 132 Evergreen Road, Edison, NJ 08837; (732) 452-4258. Our arrival is scheduled for around 12:30 and we will assemble in our designated parking area at the east side of the facility, prior to the main parking lots. We will be provided with lunch while the veterans, accompanied/assisted by the facility's staff, venture outside to look at our beautiful antique automobiles. The veterans/residents and staff will vote on their favorite car(s) and the three cars that receive the most votes will be announced. Selection of their favorite vehicle is designed to elicit participation by the veterans. Come join your friends from the NJ Region AACA as well as members of the assisted living community. **In case of rain please contact Abe Platt @ (732) 433-5319.**

**DIRECTIONS:**

**From US Route 1 North or South:** Take the Exit for Parsonage Road north. Proceed North on Parsonage Road (County Rd 627) to Oakwood Ave. Right onto Oakwood Ave. and proceed to the entrance to the NJ Veterans Memorial Home ground (big sign on side of road). Turn right onto the entrance road just past the Big Sign and follow the drive around the rear of the facility to our designated area on the east side of the complex.

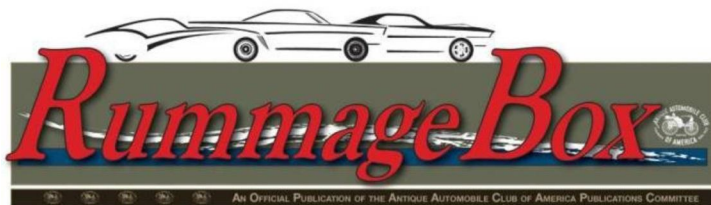

**From Route 27 North or South:** Turn right or left onto Parsonage Road south (Menlo Park Mall). Proceed south on Parsonage Road (County Rd 627) to Oakwood Ave. Turn left onto Oakwood Ave. and proceed as above.

## The Year in Review

By Tom Cox

2017 AACA President

**M**y term as President has seemingly flown by overnight. Having been your President in 2013 I felt prepared going into the year for all eventualities, but life takes many different turns and there were both unexpected good and bad issues to deal with during the year. On the

bad side, I know many of you still have questions and concerns regarding the relationship with the museum we founded. At this time all I can report is that we simply want to do what is right for our members and coexist in the same city without interference or without continuing to create a false impression about the relationship. Those issues are being addressed by the boards of both organizations. On the good side, we consummated an agreement to purchase the single best piece of property in "Hershey" and all the due diligence necessary to ensure that there were no problems with the facility, land or title have been completed to our satisfaction. This was a massive effort that was led by legal and real estate experts both hired by the club or who donated their services to us. Also on the good side was our investigation of two new major initiatives for the club that will benefit all members. We are hopeful to make those announcements at the annual meeting.

Tammy and I have been honored to serve you and represent our organization. It has been a special and humbling experience. This past year we traveled a lot with 12 meets and tours on the national schedule. However, it does not end there as there were many region and chapter events that asked us to attend and we tried our best to honor as many of those requests as possible. Forging friendships with other clubs in the hobby found us working with CCCA in Auburn for a very first ever meet between the clubs and then attending concours in Amelia Island and at The Elegance. We hope that we have represented all of you well. 2017 was the first year for the new Zenith Award and something I take away as a special accomplishment for the year. This was an idea I had for years and to see it birthed was truly exciting. The foundation now has been laid and I hope that the award becomes a very important part of the old car hobby. I know the participants last year were thrilled.

While those of us at the Board level do our best to chart a successful course for the Club on your behalf, AACA would not remain the largest and finest organization of its kind in the world without all of you. This is particularly evident to me after reading thousands of newsletters from our local regions and chapters and attending their events. None of this would happen without you. Thank you for doing your part to keep AACA strong. AACA remains stable with a firm financial and membership picture. We continue to exceed the success of many other clubs in the world due to the stewardship of an excellent Executive Director and staff. I cannot over-emphasize their importance to this organization. They have a hand in all that we do from executing events to bringing you our award-winning Antique Automobile magazine and continually improving our Library and Research Center. All of us are indebted to them. With that said, I am proud to have passed the gavel to Chuck Crane as your 2018 President. Chuck and his wife June will have a busy year ahead of them certainly with their own set of challenges and excitement. They have my support and I know you will give them your support as we move forward to making the coming year a great one.

**1973 Pontiac Grand Prix  
Ann Platt No. 28  
In 2017 Participation Points**

In the spring of 1971 I stopped by the Pontiac showroom near work and spoke to a younger salesman. This guy was young and very outgoing and listened to what I was saying. Though I was not happy with the color selections available, I ended up ordering a Castillian Bronze 1971 Grand Prix with a beige vinyl roof and sandlewood interior with a bench seat. My Grand Prix had the standard V-8 engine option with an automatic transmission. A couple of years later as I was at the dealership getting my car serviced, I saw a red and white Grand Prix that knocked my socks off. So since I really was not happy with the color of my 1971 Grand Prix, I decided to sell it to my Brother-in-law, I went back to the same Pontiac salesman and bought a Buccaneer Red 1973 Grand Prix with a white vinyl roof and white interior with bucket seats. This Grand Prix also had the standard V-8 engine option with an automatic transmission.

Before I met him, my "B A" (before Abraham) days were filled with new cars, fashionable clothing and ocean cruises. I am happy to say that that has not changed. I drove my 1973 Grand Prix until we sold it in 1982 when we purchased a 1982 Mercury Zephyr Z-7 Sports Coupe.

## **UNDER THE HOOD** **Notes from the editor**

**P**ictures are probably the most asked about item that I handle with the newsletter since I took over the operations from Art Briggs a few months ago. So if I may, let's set some guidelines with respect to getting your pictures published in the RoadMap.

- Pictures should be crisp and clear
  - Pictures must be published with a caption
  - Event articles will only have 3-5 pictures
  - Event photo albums should be linked to the web
- With these few rules we can help make sure that good quality photos get published and the club members get to see themselves and their cars in print regularly, after all, nobody wants a news letter filled with text alone right?

Back in the early/mid 1980's, a friend had purchased a pick-up truck from Gary Roberts in Massachusetts. The friend told us when he got back to Jersey that Gary had a convertible that had Duane's name on it. So, after we spoke to the local banker who granted us a loan and handed us a brown paper bag with cold hard cash in it (yup, he really did), we took off for Massachusetts for Duane to look at this car. Needless to say, after giving it the onceover, Duane handed the paper bag to Gary and we both took turns driving the car home. It's a mostly original vehicle and it's been on many a tour – with many more tours to come.
