**NJ Region AACA****July, 2018****PRESIDENT'S MESSAGE**

**A**s I looked at the most recent, annual calendar, it was apparent that we'll be entering a July lull in our club's activities. It's natural, during this time of the year.

I was moved to look back at our prior months' activities that presented an entirely different picture. What we did, during the months of May and June, were the direct result of the efforts of many of our members to grow our club. This occurred, not only by our annual calendar's activities, but by our club's increasing membership and new revenues as well.

During the months of May and June, we had six, regional club activities each. From that number, six events provided our club with donations and sponsorships. Additionally, since January, our membership roster has increased by approximately fifteen new members. Few other regions in the country, I think, have produced similar results. We've no reason to boast, but it clearly shows our club's direction and vitality. Numbers are OK. They give us the direction we're going. Most importantly, however, they reveal the genuine involvement and enthusiasm of our members. That's been my principle objective, since I assumed the president's role.

What's happened, since January, is the direct result of the personal contributions that so many of you have made to create more interest, enthusiasm and variety, in everything our club does. To all of you, I thank you very much.

Recently, I requested that each of you receive a copy of our annual calendar, so that you can take in all that we've planned, for the remainder of the year. I hoped that, by getting a fuller picture of what lies ahead, that you can plan to enjoy even more of that which is available for you and maybe a few acquaintances. Our planned activities are rich, varied and numerous and are sure to stir your interest in many areas. Please take the fullest advantage of what's available to you. Your company would be appreciated by all.

On a far different tangent, I'd like to draw your attention to our new members. We've grown by over forty new members, since the beginning of last year. Seeing the need, we ushered in new steps to welcome them, so that they feel truly welcome and appreciated. Thanks to Ray and Judy Fischer, our

highest expectations were clearly met. I try to meet as many of these same people as I can and have found their stories and individual personalities genuinely warm, enticing and memorable.

I find people fascinating. Their backgrounds and life's experiences have molded them into that which they've become. They're like a book, which you haven't read and they can be full of insight, lessons learned, humor and kindness. Being new members, they're a little unsure of themselves and just want to *belong*. Each has the potential of becoming a new friend and they look forward to meeting you and becoming an integral part of what we do.

The next time that you see someone you don't know at one of our activities, just say "hi". That could be the beginning of a very long and fruitful relationship.

*Jerry Peck, President*  
NJ AACA #1462

NJ AACA Region visit to Care One of Livingston 12-Jun-18

**mid-state**

**NEXT MEETING**

The July (714<sup>th</sup>) meeting of the New Jersey Region AACA will be held at the VFW on Rt. 53 in Morris Plains  
**8:00 PM July 5th, 2018**

**New Jersey Region AACA  
Secretary's Minutes  
June 7th, 2018 #713**

**T**he 713th Region Meeting was called to order at precisely 8:02 p.m.

All were asked to rise for recital of the Pledge of Allegiance

No guests were welcomed

Motion to approve the minutes of the May 3<sup>rd</sup>, 2018 (#712) Region Meeting (As displayed in the Road Map) was made, seconded and approved. The minutes for the previous meeting will stand as displayed in *The Road Map*

No correspondence was read by **President Jerry Peck**

Treasurer's Report, was given by **Tim Schimmel**. As a special treat, this month's Treasurer's Report include a financial run-down on this year's Spring Meet. A motion to approve Tim's report was unanimously approved.

President's Report: - **Jerry Peck**. Dash plaques from the Spring Meet are available. **President Peck** let us know that first year members who receive free first year dues from National, must pay Regional dues.

Region activities - **Duane Copley** - **VP Copley** was not present. Secretary **Cooney** volunteered to read the events for June and July. For everyone's convenience all Region and National (as well as extracurricular) events are displayed in *The Road Map*.

Other activities that members would like to announce - **Jerry Peck**

Road Map Editor - **Jay DeBoey** Things are going smoothly

Roster and By-Laws – **Art Briggs** – No report until 2018 renewals are finished

Spring Meet - **Pete Cullen** In spite of inclement weather, this year's show was a success. **Pete** thanked everyone who helped.

Summer Tour - open position

Membership - **Bill Pritchett** No Report

Accessories - **Duffy Bell** No Report

Welcoming Committee - **Ray & Judy Fischer** All new members have name tags.

Participation Points - **Vince DeLisi** **Vince** reminded us that meets that we receive a donation for get double points.

Sunshine - **Sarah Pritchett** Reported by **Bill Pritchett**, **Duffy Bell** is feeling better and should return home soon.

Refreshments - open position. Thank you to **Lia Figo-rotta** for filling in. She thanks **Kathy Bagley**, **Jan Eyerman**, **Joan Jephson** and **Bernie Cooney**

Watchung Mountain Chapter - **George Ernst** No Report

Government Liaison and Safety - **Bob Hedderick** No Report

Archivist - **Matt Verzi** No Report

Properties - **Rich Reina** thanked one and all for help with Spring Meet sound system

Jacket and Sweatshirt Sales - **Roger & Kathy Bagley** Fashion plate **Roger** modeled the 2018 region apparel.

Badge Fines – **Herb Singe** did his duty for the NJ Region

## OLD BUSINESS

Update on 2019 National Eastern Spring Meet:

**Wayne Tuck** informed us that the Parsippany Hilton had been contracted for this June 26 – June 29<sup>th</sup> event. **Leif Mangulson** will be Chief Judge, **Ray Fischer** will explore National Awards. **Wayne** reminded us that the meet

**1967 Mercury Cougar**  
**Suds Reddy (#1535) No. 17**  
**In 2017 Participation Points**

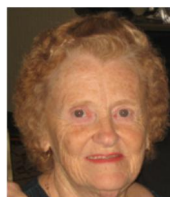

**S**udhakar "Suds" Reddy is a loyal Ford enthusiast, with his first car being a 1966 Ford Mustang. Over

the years he became interested in the Mercury Cougar. The introduction of the Cougar finally gave Mercury it's own pony car. Slotted between the Mustang and the Thunderbird the Cougar was smoother riding, had European styling, and oh those well known sequential tail lights. In 1999 Suds found, an original 1967 Cougar with the Dan Gurney Special trim package out in Long Island. This trim package included a chrome dress up kit and turbine wheel covers.

A car is original only once Suds has left the car in the original state as he found it. It still has the factory flawed paint drips and the trunk underlayment. Even with the car being original, he has regularly driven it, over the years, taking his kids to their weekend events and of course car shows. The longest drive was to the Mercury Cougar Nationals in Louisville, Kentucky, where it received a 1<sup>st</sup> place in the Unrestored Class. The car has also been featured in several magazine articles and a book on 60s muscle cars.!

### THE MYSTERY OF AACA JUDGING

**R**ecently it was pointed out to me that many of our members don't understand how the AACA judging system works. I believe judging is a big part of our hobby – many of our members show and compete for National Awards. We should all understand what the judges are looking for and the standards they require to achieve the award that the vehicle is being shown for. For some of us, judging is a completely separate part of our enjoyment and true reason we go to so many shows.

At our June meeting I offered to hold a small meeting after our next regular meeting in July for members interested in how the AACA judging system works – perhaps we could discuss what it takes to be a judge and how AACA will train you to obtain the skills to enter the judging system.

We would be able to talk about our point system for judging working on a 400 point system and deduct points where problems exist. AACA judges on a scale that has different minimum numbers to achieve awards. I would tell you that the system is constantly changing to upgrade and improve as judg-

es continue to fairly evaluate cars, trucks, motorcycles and race vehicles. Please, if I've grabbed your interest, join me after the next meeting.

Official Judging Guidelines:

## 1935 or 36 Maytag Winston "Toy Racer"

Owned and Driven by  
Bob Smith (#420)

**M**aytag Toy Racers were made as a sales promotion by the Maytag Company from October 11, 1934, until December 1, 1941. In that time they made 498 such racers. They coexisted with Winston Racers and Grimes Toy Trucks. As well as being used by dealers to encourage children to distribute advertising material or to arrange for demonstrations of washing machines in homes, they were given away in local contests based on sales, and in some cases sold outright as gifts to children.

In the late 30's this racer was found in the basement of a large mansion being torn down in Morristown. The racer was given to the father of Bob Smith's eventual brother in law as a trade for some truck repair work that need to be paid off.

Bob Smith received the racer in 1942 while his brother-in-law was in the Pacific fighting the war. Despite the gas rationing of the time during WWII, Bob drove the racer regularly, to this day he refuses to divulge how he kept a steady supply of fuel for the racer. Bob's father had an "A" ration Sticker which would allow for 3 to 4 gallons a week but still could not understand why his car used so much gas. Bob drove the racer all over town and beyond, and for several years would carry an extra quart of fuel at his feet to supplement the quart tank the engine ran on.

Recalling the end of Bob's travels he is reminded how on one particular trip home he decided to shoot around a coal truck that was off loading. He nearly caused an accident since the truck was blocking most of the road. A concerned citizen made a call to Bob's father and that was the end of Bob's adventures in the racer. He was getting to big for it anyway.

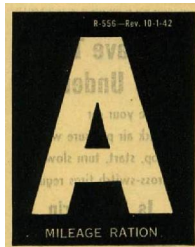

In the 50's Bob painted the racer with a brush and lent it to his nephew for enjoyment. A few years later while sitting in a garage the racer sustained damage. Bob retrieved it and took the racer back under his care for future restoration. Body damage and a lack of tires kept the racer in Bob's basement

until 2017 when he came across a source of new tires. Buoyed by that discovery, the energy arrived for a full restoration. Since his recovery of the racer Bob has acquired two extra engines, but he still can't get back in the cockpit.

A total of 498 Maytag Toy Racers are known to have been made, of which only about 35 are still in existence--many of them in museums. The first models were powered by the single-cylinder Model 92 Maytag Multi-Motor with a cone clutch. Racers produced after serial number 934 were powered by the Maytag Twin-Cylinder engine; this unit used a belt-tightening arrangement for a clutch. The brake and clutch were operated with one lever on both models. The top speed was approximately 8 and 9 mph

Today Bob's Racer is a nice "looker" and conversational toy, but most of all it's a great piece of history that Bob continues to share with all those who care to look.

## 2018 Madison Memorial Day Parade

Chair: .... Bob Smith

The NJ Region of the AACA came together again to join in the Madison NJ Memorial Day Parade. After many years of participating in this parade the members still enjoy coming to honor the countries fallen and support the town of Madison. The NJ region certainly adds to the festivities and the locals love seeing the well care for old cars.

The Parade committee rolled out the welcome matt and the crowd was enthusiastic along the parade route. This year while the weather was not great, the clouds kept the heat away and at least it didn't rain like the last 2 years!! For this years parade we had 10 cars and 4 guests who all received membership applications..

Attendees included the following:

- Judy & Ray Fischer #1342  
with Brenda Zimmerman #1238  
In a 1963 Lincoln,
- Walt Terry #1260 in a '53 Mercury,
- Abe Platt #1524 in his '88 Cougar,
- Sarah & Brian Pritchett #1404 in a '68 Mustang,
- Marlene & Leroy Gearhart #654 in a '36 Ford,.
- Margaret & Dick Mowbray #1363 in a '46 Mercury
- Art Lee #1400 in a '22 Franklin
- Kirk Judkins #667 in a '26 Ford Model T
- Nancy & Ron Hutchins #1470 in a '03 Corvette
- Bob Smith #420 in a '32 Dodge

THANK YOU ALL.  
Bob Smith (#420)

Brenda Zimmerman, Sarah Pritchett, and Judy Fischer

## 2018 Hillsborough Memorial Day Parade

Co-Chair: Judy Fischer

Co-Chair: Bob Hudak

A picture perfect blue sky, low humidity, low 80s day, the second year in a row. Also, a repeat of last year and at Hillsborough's request, all cars were arranged by decade. This year we represented 80 years of automotive history and again was a crowd pleaser. Ray and Judy Fischer hosted the 'Grand Marshall' in their 1963 Lincoln Continental convertible further up the parade and I led our pack after the walking veterans and township officials.

During pre-parade staging, all cars are lined up accordingly, then I pass the registration list, indicating their parade position, to a parade coordinator. The list is read off as each car arrives later at the reviewing stand. Participants are invited to stay for the following ceremony or leave at their leisure.

Glad to say, all cars made it to the end! I try to pace us at 5 mph so we're not burning clutches with constant stop and go. When we do catch up to the walkers, we stop for a while to put some distance between us. The crowd gets a good glimpse of the cars and there are always lots of smiles and waving. My challenge this year was not to run over the Mayor and Town Council who darted in front of us side to side greeting residents at curbside.

I am very grateful for the 17 members and 2 guests who participated and very proud to be allowed to do this for a second year. I guess I did a good job as Judy said "It's all yours next year!". That's high praise from a lady who initially put this all together for years and worked so hard to get it to where it is.

## JULY 2018 PARTICIPATION POINTS REPORT

Below, please find the points listing for the “top 50” for this year to date. It includes meeting attendance points through June 8th, as well as events points, including national events that have been reported to me. It also includes committee chairman points, for the committees published in the Road Map, except for those where an actual driving event is planned (spring fling, fall foliage, mystery tour, etc.). Points for these events will be tabulated when the actual event occurs.

As you know, the new points system provides for double points whenever a monetary donation is received. It is important for the committee chair of any such event note on the attendance sheet if monies are received so that participation points can be properly awarded.

In the case of national events, it is the individuals responsibility to notify the points chairman of their participation.

Please feel free to contact me directly if you have any concerns or wish to have me include recognition for events you attended that were not otherwise accounted for.

Respectfully submitted,  
Vince DeLisi

**CareOne of Livingston**  
**Thursday July 12th, 2018**  
**Rain Date July 13th**

Chair: Abraham Platt  
 Director of Activities : Mariam Andalibi  
 Date : Thursday, July 12th, 2018 12:00 PM  
 Location : 76 Passaic Avenue, Livingston

**O**n July 12, 2018 we are scheduled to conduct an Antique Automobile Enjoyment Event for the Residents of the CareOne Assisted Living facility at Livingston. This will be our second time conducting this event.

Please note that this is a **weekday event**. We will be provided with lunch while the residents, accompanied by the facility's staff wander outside to look at our beautiful antique automobiles. The residents and staff will vote on their favorite car(s) and the three cars that receive the most votes get a nice prize. Come join your friends from the NJ Region AACA as well as members of the assisted living community. If you have any problems or questions, please contact the event Chair.

**DIRECTIONS:**

**From Route 287 (North or South) :** Take Exit 37 onto Rte. 24 E for 1.5 miles to Exit 2B, Columbia Turnpike E. Take Columbia Turnpike/South Orange Ave for 4.7 miles to Passaic Ave. Right onto Passaic Ave, the CareOne facility is on the right.

**From Rt. 78 (East or West) :** Take Exit 48 onto Rte. 24 West. Take Rte. 24 W for 2.5 miles, turn right turn onto JFK Parkway. Take the JFK Parkway 2.4 miles to South Orange Ave West for 1.2 miles to Passaic Ave. Left onto Passaic Ave and the CareOne facility will be on your right in 0.3 miles.

**From Rt. 22 (East or West) :** Take the Exit for Morris Ave (Rte. 124) W. Take Morris Ave (Rte. 124) West to Rte. 24 W. Take Rte. 24 W 2.5 miles to Right turn onto JFK Pkwy. Take the JFK Parkway 2.4 miles to South Orange Ave West for 1.2 miles to Passaic Ave. Left onto Passaic Ave and the CareOne facility will be on your right in 0.3 miles

Thank you,

**2nd ANNUAL ANTIQUE & CLASSIC CAR SHOW**

Chair:.....Abraham Platt  
 Date :.....Sunday July 8, 2018  
 ..... (Rain or Shine)

**T**he 2<sup>nd</sup> Annual Antique & Classic Car Show will be on Sunday July 8, 2018. The car show is held at La Grande Park located at La Grande Avenue, Fanwood, NJ 07023 with on-street parking. The two streets adjacent to the park will be blocked off for the Show Cars. The event will feature Food Trucks, Live Music, vendors, a beer garden, trophies, D.J. Oldies, fun for the whole family with a kids zone. The park is two blocks from the center of Fanwood and has a playground, open-air pavilion with tables & benches for picnics, restrooms and trees for shade. Trophies will be awarded in several classes.

Registration is **FREE** and starts at 8:00 am. The Car Show is from 10:00 am to 4:00 pm. The flyer for this event is located on page 14.

The event is hosted by :....."Hot Rod" Mike.  
 Contact information :.....(908)-337-8050

**DIRECTIONS :** La Grande Park is on La Grande Avenue between 2<sup>nd</sup> Street and Helen Street and can be accessed from either South Martine Avenue to the east or Terrill Road to the west. Both are accessed from US Route 22. Take either Terrill Road south or Park Avenue south, which turns into South Martine Avenue.

Respectfully submitted by  
 Abe Platt, NJ Region #1524  
 Cell phone : [\(732\) 433-5319](tel:7324335319).

8. Stephen Kings book and Movie about an Evil car was called?
  - a. Cujo
  - b. Carrie
  - c. Christine

## **VETERANS APPRECIATION DAY** **JUNE 9, 2018**

Thank you to everyone who attended the Veterans Appreciation Day at the Central Jersey Airport. There were twenty antique cars, two vintage airplanes, children's activities and, of course, the armed forces had exhibits including the Wounded Warriors. Many veterans attended and enjoyed viewing the old cars. There were flybys by three army helicopters, some small planes and of course the giant American Flag. An unexpected and unfortunate incident occurred when a plane taking off, veered off the runway and crashed. Fortunately no one was injured.

**Road Trip to Historic  
Vehicle Museums in PA  
Saturday, August 25, 2018**

Chair: Abraham Platt  
Time: 12:00 PM

**A**ttention antique automobile enthusiasts, I have arranged for "A Road Trip to Historic Vehicle Museums in PA" which will include the Boyertown Museum of Historic Vehicles and the Old Spokes Car Museum facility in New Smithville. Both facilities can easily and safely handle around 100 visitors at a time. Both museums will charge us an entry fee of \$6.00 per person, which is their Senior/Group Rate. Please bring exact change for your party to make it easier and quicker for us to enter each facility. Since we are members of an antique car club, please drive an antique vehicle that can safely negotiate a round trip of approximately 200 miles, depending on your starting point.

Our route will be planned to avoid or limit travel on any super highways (i.e. Rte. I-78).

We will depart from the parking lot at the Readington Dinner, where we have assembled previously, at between 8:30 and 9:00 am, so please be on time. If you are going to have breakfast prior to departure, please arrive early enough not to hold up the rest of the tourists. The other dinner in the immediate area is the Spinning Wheel Diner. Once assembled, I will hand out route maps and we will proceed, in small groups, to the Boyertown Museum of Historic Vehicles in Boyertown, PA via a scenic route. This route will take 1.5 to 1.75 hours (61.5 miles) getting us to the Boyertown Museum at approximately 10:30 to 10:45 am.

There is a large parking lot diagonally across So. Walnut St. from the Museum entrance. Please assemble there, make up a group, and enter to start your tour. Tell the person at the desk that you are with the NJ Region AACA. Based on conversations with the staff at this facility, I am allotting 1.5 to 2 hours for this facility. Docents will be available to answer your questions. Please reassemble in the parking and proceed to one of three diners / restaurants in the vicinity for lunch. This will be your choice. A list will be emailed to all that inform me that they are going on this trip. After lunch, follow the route map along a scenic route that will be provided to each vehicle traveling on this trip to the Old Spokes Car Mu-

seum facility located in New Smithville, PA. This leg of the trip will take approximately 40 to 45-minutes (23 miles) and we will start our visit at 2:30 to 3:00 pm. This facility includes approximately 50 cars, the majority being Hudson Motor Company vehicles from 1911 through 1957. Based on conversations with the curator, I am allotting 2 to 2.5 hours for this facility. This is a by appointment only tour, so wait until everyone has arrived.

The tour is limited to around 100 people. If interested, please contact Abraham Platt as soon as possible at (732) 752-6341 or via email at [abeplatt@aol.com](mailto:abeplatt@aol.com). Please let me know by **noon on Wednesday, August 22, 2018** if you are planning to attend so that I can determine how many cars and attendees we can expect. We need to provide this information to our hosts. Please also let me know if you will be joining us for breakfast at the Readington Diner. I spoke to the manager of the Diner and she would like to know how many to expect.

**Address Information:**

The Readington Diner: 452 US Rt. 22 West, Whitehouse Station, NJ 08889 (908) 534-6777

The Spinning Wheel Diner: 283 US Rt. 22 East, Lebanon, NJ 08833 (908) 534-2577

The Boyertown Museum of Historic Vehicles: 85 So. Walnut St., Boyertown, PA 19512

The Old Spokes Car Museum: 10399 Old Route 22, New Smithville, PA 19530

Thank you for your participation.

Abraham Platt (#1524)

Event Chairman

Day of event call my mobile phone (732) 433-5319

**DIRECTIONS:**

**From eastern central New Jersey: Take U.S. Route 22 West towards Lebanon, NJ. The Readington Dinner is located on the west-bound lane of Rt. 22.**

**From western central New Jersey: Take U.S. Route 22 East towards Lebanon, NJ. The Readington Dinner is located on the west-bound lane of Rt. 22. Take the turn-around in the center isle after passing the Readington Diner or take the next turn-around shortly thereafter.**

**Join the Fun  
Become an AACA Judge**

**By Mark McAlpine  
VP Region Support and  
Development - Central Division**

**T**here are two certainties at every AACA national meet:

- 1) We can't hold an AACA national meet (or regional meet) without antique vehicles; and
- 2) We can't hold AACA meets without judges.

I want to thank every AACA member who already serves as an AACA judge or is in the AACA Judges Honor Society. Your efforts as judges allow our club to fairly evaluate all the vehicles present on our show fields and to recognize and appropriately reward the owner's efforts to preserve, restore, and maintain his/her antique vehicle.

To those AACA members who aren't judges, I strongly encourage you to give it a try. Serving as a judge not only ensures we have enough judges at every meet to keep the workload for each judging team at a reasonable level, it also helps you better assess your own vehicle before entering it into an AACA meet. You can read the *AACA Official Judging Guidelines* and get a good understanding of the club's judging criteria, but the best way to understand them more completely is to attend an AACA Judging School and then serve on an Apprentice Judging Team. Even if you decide you don't enjoy judging—but I think you will—you'll have a better understanding of what those judges are doing when they circle your car for five to ten minutes and gain an appreciation of the attention, fairness, and reasonability they're applying when they judge a vehicle.

Becoming an AACA judge is easy: register online to judge on the AACA website or by mail before the deadline for a national meet, attend an AACA National Judging School (offered at every AACA national meet, typically on Friday afternoon before the show on Saturday), attend the Judges Breakfast on Saturday morning at the meet and find out the team you've been assigned to, then go out and have some fun judging. The first time you judge at an AACA meet, you will be assigned to the Apprentice Judging Team, which ensures your first experience judging will be stress-free. Depending on the number of judges and cars on the

show field, judging usually takes less than two hours.

After serving as an Apprentice Judge the first time you judge, at future meets you'll be assigned to a judging team based on the competition judged ("points judging") or certification class preferences you submit when you register to judge. Your judging team will consist of a team captain and four judges. The team captain will be an experienced Senior Master Judge and usually very familiar with the vehicles in the classes you're judging. Your fellow judges will have varying levels of judging credits—some more than you, some less than you (after you've judged a few times)—but all bring different experience and knowledge. If your experience is similar to mine, you'll meet some interesting and nice people and learn something new from them each time you judge.

So, if you're an AACA judge—thank you very much for sharing your knowledge, experience, and time with us! If you're not a judge yet—why not? Join the fun—share your knowledge with us and learn something new in the process. (And you can impress people when you tell them you're an AACA judge!) I look forward to serving with you on the show field at a future AACA meet

---

**The Mahan Collection Open House**  
**Saturday, August 11th, 2018**  
**10:00 AM to 3:00 PM**

Chair: Bob Jephson

Location : 53 Cross Road, Basking Ridge NJ

**T**he Mahan collection of Basking Ridge N.J. is having it's Invitation only bi-annual open house to display it's collection to the members of NJ AACA on Saturday August 11th from 10 am to 3 pm. Members of the club are all invited to attend. The cost is \$10 per person, payment can be made to Bob Jephson during the June and July NJAACA meetings. The deadline for signups is July 15th. If you cannot attend the meetings you can send payment by check made out to Bob Jephson at 67 Dean Road, Mendham N.J. 07945

## Annual Region Picnic & August Meeting August 12, 2018

**T**he change from the wet spring to hot summer days has been dramatic! But now that temperatures are hitting the 90's regularly, that means its time to start planning our Picnic. Looking at the current Region calendar of events, there are a lot of opportunities to use your 'classic' vehicles - almost every weekend. Well here's another chance to show off your newest addition, or recent restoration, and invite you AND your old vehicle to participate at this year's picnic! With the rainy date of the Spring Meet resulting in a much lower than typical turnout of show cars this year, there's a good chance that our car display at the picnic could be the Region's largest display of vehicles during 2018!

Our picnic will once again be held at the same VFW facility as our monthly meetings – but just on the other side of the back doors (outside). For directions, please see meeting announcement on the inside cover of this RoadMap.

According to my records, this will be the 14<sup>th</sup> year that I'm serving as the Picnic chairman, and I have been very fortunate to have had several great helpers over those years, and hope same happens again this time! Also, with the large covered pavilion, all 17 available picnic tables will be protected from both sunny and not so sunny weather, so this will be a 'rain or shine' type of event, although we all would appreciate 'shine'.

I'm not going to change any of the picnic details. Members may arrive any time around 11:00 am. Be sure to wear your Region name badges, as an abbreviated August monthly Club business meeting will be conducted, **in lieu of the 'first Thursday' regular meeting**, while we get the BBQ fired up. You can expect to stay until about 2 to 3 pm, but you are free to hang around later and chat!

The Region will once again waive the cost for all members attending this year's picnic. However, there will be a nominal \$5 charge per adult (under 12 free) for any friends and guests that you may want to bring along (also waived if they apply for AACA membership that day!). It's time to start thinking about which of your favorite side dishes or desserts you want to prepare to bring and share. The Region will again supply the basics - hamburgers, turkey burgers, franks, grilled chicken, ice and soft drinks.

As usual, we will need a few members to arrive a little bit earlier than the crowd (anytime between 10:00 and 11:00 am) to help me set-up for the festivities – see me at the July meeting if you think you can help in any way! I hope to see many members - and their

cars - at this year's Region Picnic.

Pete Cullen, Jr.  
Picnic Chairman  
973-650-2957

## Warren Haven Nursing Home Sunday August 26th, 2018

Chair: ..... Joe and Carol Duma

We will be visiting Warren Haven Nursing Home at 350 Oxford Road, Oxford, NJ. The Activities Director said the residents are really looking forward to us being there and inspecting your cars. She also said they will be providing us a lunch and other food/dessert will be provided.

Please let us know by August 18<sup>th</sup> if you will be able to attend as I have to give her some kind of a head count of how many we may have coming.

Thank you  
Joe and Carole Duma NJ AACA #1335  
908-852-3422 or 908-216-1560

### Directions: to Warren Haven

Route 80 West to Exit 19. Turn left onto Route 517, then turn right onto route 46 west (at the 3<sup>rd</sup> traffic light) Take Route 46 west (9.6 miles from last traffic light in Hackettstown). When you pass Lynch Trucking on right, you will see signs for "*The County Home, Warren County Health Department, Warren Acres, **Warren Haven**, 625 South*". Turn left onto Pequest Furnace Road, 625 South. Go 0.6 miles to STOP, turn left onto Pequest Road (there will be a sign for Warren Haven). Go approximately 1 mile, turn right onto 625 South. (You will pass the County Home-Warren County Health Department on the left.) Drive a short distance and turn left to Warren Haven, go up a hill and you are there.

- 8) C Christine (1958 Plymouth fury)

**1951 Crown Imperial 8 Passenger Sedan**  
**Paul Wolfmeyer No. 41**  
**In 2017 Participation Points**

I have been interested in Chrysler "long bodies" from the time I first saw them at my second-cousin's funeral home in Kansas (when I was about eight). This Crown Imperial was Chrysler's most expensive and heaviest car in 1951. It was owned by a doctor in Columbus Ohio for 26 years; I presume it was the family car. I acquired it in 1994 in Indiana; it was restored in 1998. 1951 was the first year for the hemi engine, power steering, and electric windows. In an unusual move for the 1950s, the 1951 Imperial had noticeably less chrome than the lower-priced New Yorker that it was based on. It also had three horizontal grille bars with the parking lights between the bars and a chrome vertical center piece. Aside from its front fender nameplate, side body trim was limited to the moldings below the windows, rocker panel moldings, bright metal stone shields and a heavy horizontal molding strip running across the fender strips. 1951 was also the year that Chrysler introduced its 331 cu in (5.4 L) Hemi head V8. "Hydraguide" power steering, an industry first for use in production automobiles, became available on the Imperial for an additional \$226. Full-time power steering was standard on the Crown Imperial.

## **NJ Veterans Memorial Home at Menlo Park**

**Thursday, August 23, 2018**

**(Rain Date: Thursday 30, 2018)**

**12:00 to 4:00 PM**

**T**his is an Event to Honor and appreciate the sacrifices made by these veteran's to keep our country safe.

On Thursday, August 23, 2018 we are scheduled to conduct an Antique Automobile Enjoyment Event for the Veterans of the NJ Veterans Memorial Home at Menlo Park. This will be our first time conducting this event for our Country's Veterans. Please note that this is a **weekday event**, which is still somewhat new to us, but was well received at such events conducted last year. The Supervisor of Recreation, Christine Caratozzolo, will be our hostess for this event. The NJ Veterans Memorial Home at Menlo Park is located at 132 Evergreen Road, Edison, NJ 08837; (732) 452-4258. Our arrival is scheduled for around 12:30 and we will assemble in our designated parking area at the east side of the facility, prior to the main parking lots. We will be provided with lunch while the veterans, accompanied/assisted by the facility's staff, venture outside to look at our beautiful antique automobiles. The veterans/residents and staff will vote on their favorite car(s) and the three cars that receive the most votes will be announced. Selection of their favorite vehicle is designed to elicit participation by the veterans. Come join your friends from the NJ Region AACA as well as members of the assisted living community. **In case of rain please contact Abe Platt @ (732) 433-5319.**

### **DIRECTIONS:**

**From US Route 1 North or South:** Take the Exit for Parsonage Road north. Proceed North on Parsonage Road (County Rd 627) to Oakwood Ave. Right onto Oakwood Ave. and proceed to the entrance to the NJ Veterans Memorial Home ground (big sign on side of road). Turn right onto the entrance road just past the Big Sign and follow the drive around the rear of the facility to our designated area on the east side of the complex.

**From Route 27 North or South:** Turn right or left onto Parsonage Road south (Menlo Park Mall). Proceed south on Parsonage Road (County Rd 627) to Oakwood Ave. Turn left onto Oakwood Ave. and proceed as above.

Event Chairman  
[abeplatt@aol.com](mailto:abeplatt@aol.com)

The Road Map—July 2018

## **UNDER THE HOOD**

**Notes from the editor**

**S**o I've been hanging around at a few NJ AACA region events, getting to know the members and enjoying a great deal the variety of cars that you all own. So when I decided to actually go to a national event I asked some senior members the newbie questions, "what should I expect?", "how is the car judged?", "what class should I enter in?". I think Art Briggs said it best....."just drive your car." Once I started reading up on the judging and by the time I had made up my mind, I had delayed it enough to miss the deadline for Gettysburg. So that was a lesson learned and I turned my attention to Hershey as the next possible stop. As it stands today I have learned a great deal about the judging, the levels of achievement that can be earned and the total dedication it takes to bring home a national award. So as I look to Hershey I have decided to classify my 1966 Mustang as DPC and go out into the AACA national meet world and learn all I can. Judging looks like fun.....maybe it's time to jump in that pool!!

*On My honor.....*

Jay DeBoey (#1540)  
908-963-5985  
[J.deboey@comcast.net](mailto:J.deboey@comcast.net)

### **1946 Dodge Pickup Craig Kunz No. 29 In 2017 Participation Points**

My grandfather used this truck daily for his business from about 1952 until his death in 1983. Riding around in the bed of this truck is one of my favorite childhood memories. The front bumper came in useful for shoving cars back to his shop when they needed more than a house call. When I took title from the estate, I registered it commercial and used it cutting lawns. When the NJDMV failed it at inspection for things like no front shocks and too little windshield wiper tension in the early 1990s, the QQ plates went on and its commercial use ended. It spent most of the next 20 years keeping dust off the garage floor. It has evolved from a run-down old truck to an unrestored antique that catches people's attention and is finally making it out to a few club events.

Telephone Number : 908-625-0052

Please Indicate your seating preference when registering. If you have no preference, seats will be assigned for you.

## CareOne Assisted Living at Somerset Valley

On June 2, 2018, an overcast Saturday, twenty-three members of the NJ Region AACA and their friends conducted an Antique Automobile Enjoyment Event for the Residents of the CareOne Assisted Living facility at Somerset Valley, which is located at 1621 Route 22 West in Bound Brook, NJ 08805. This was our second year conducting this event and we were warmly welcomed by Gregory Matt, the Director of Activities, and his wonderful staff. The turn-out included 17 vehicles for every decade from the 1920s through the 1980s, except for the 1940s. NJ Region members included: Richard Nalavany with his 1930 Ford Model A roadster; LeRoy and Marlene Gearhart with their 1936 Ford Fordor sedan; Brian and Sarah Pritchett with their 1950 Oldsmobile 88; Bob Rankin with his 1955 Cadillac Series 62; Jerry Peck with his 1964 Pontiac Bonneville; Bob and Marge Graham with their 1965 Chevrolet Impala SS; Allan Danner with his 1968 Ford Mustang GT convertible; Paul Semmler with his 1968 Ford Mustang hardtop; Greg Roser with his 1976 Cadillac DeVille (Rosie); Ed and Shayna Geller with their 1978 Alfa Romeo Giulia Super; Roger Bagley with his 1982 Buick Riviera convertible; Bernie Cooney with his 1985 Cadillac Seville; and Abe and Ann Platt with their 1988 Mercury Cougar Special Edition. Abe's guests included: Tibor Varga and Diane Roy with Tee's 1968 Mercury Cougar; Roy Hardgrove with his 1976 Lincoln Continental; and Chet Przybylko with his 1988 Mercury Sable GS. Ken Fanurik, who was visiting one of the residents, was aware of our event and arrived in his 1923 Ford T-bucket hot rod, which garnered some interest from a number of our members.

While the residents, accompanied by the facility's staff wander outside to look at our beautiful antique automobiles, Mr. Matt and his kitchen staff set up a buffet style serving line. All of us were treated to an all-you-can-eat buffet lunch including hot dogs, burgers, BBQ spare ribs, corn on-the-cob, salads, and all of the fixings; fresh fruit, desert, and cold beverages. The burgers and spare ribs were the best I have tasted in a long time. On full stomachs, the residents, family members, staff members, and the car owners cast their votes for their favorite car(s). Once the ballots were all received and counted, Mr. Matt announced the three antique vehicles that received the most votes. The CareOne staff appreciates our participation and effort, and felt that the three prizes should be identical. The three gift baskets included car care products, CareOne products and give-away advertisements, a bottle of wine, and much more. The three vehicles receiving the most votes, in no particular order, were Rich's 1930 Model A, Jerry's 1964 Bonneville, and Al's 1968 Mustang GT.

All-in-all, it was a beautiful day for a car show and the residents and staff very much appreciated our participation. Mr. Matt presented the NJ Region with a donation check and I reciprocated with a letter of appreciation thanking the CareOne and Mr. Matt for the donation. Mr. Matt's appreciation of us, the custodians of these antique vehicles, as well as of our beautiful vehicles stems from his previous ownership of a 1963 Ford Thunderbird convertible and his past membership in a local car club.

Strong participation by our membership in these and similar events enhances our recognition and reputation to the outside community as well as with members of other car clubs. A very BIG THANK YOU, from Ann and me, goes out to the NJ Region members and potential future members that attended this very successful event.

Please go to the News & Photos section of the NJ Region's website to see additional pictures of this event <https://njregionaaca.com/news-photos/>.

Respectfully submitted by,  
Abraham Platt, Event Chairman
