**PRESIDENT'S MESSAGE**

**D**espite the reluctance of some to attend last months' picnic, due to the uncertain weather, everyone had a great time.

Pete's debrief of the event in this issue of the Roadmap tells it all. Another great job, Pete! Heartfelt thanks, also, to the many volunteers, who helped make our picnic a success. We can't pull this picnic off successfully, without members like you.

Sometimes, we may overlook certain club members, who always seem to go "above and beyond". We have many of these folks, on our membership roster. I wanted to thank Pete, especially, for his 14th consecutive year of chairing our annual picnic, and also, for his arranging the Lucan's tour each year, for so many years. He deserves our highest praise as do many others. Please take the time to say "thanks" to Pete, especially, and all others, whose contributions help keep our wonderful club active and growing.

New tangent - Two months ago I requested that the annual calendar be sent to everyone, because there were so many new activities that you might be interested in. There've been six occasions, since that time, where Duane Copley had to add these activities to an already jam-packed and ever-changing calendar. He's been continually put to the test this year and has done a great job, in keeping up with all of its demands.

In June, a suggestion was made that all future events in our consolidated calendar, include their address and start and end times. We've already implemented the suggestion and I applaud the three members, who approached me, with that great idea. Do you have a similar suggestion that we might consider? I'd like to hear from you.

A final tangent - On or before our October meeting, our newly appointed Nominating Committee will be approaching potential club members that may want to assume a position of leadership, within our club's officer corps. It's premature to tell what vacancies might be available, but I'm asking, in advance, that you consider that possibility. Thank you for giving this opportunity your most serious consideration.

**1976 Triumph Spitfire**  
**Bob Rankin in place of**  
**Bernie Cooney No. 6**  
**In 2017 Participation Points**

The Triumph Spitfire is a small British two-seat sports car, introduced at the London Motor Show in 1962. In 1973 in the United States and Canada, and 1975 in the rest of the world, the 1500 engine was used to make the Spitfire 1500. Further improvements to the suspension followed with the 1500 included longer swing axles and a lowered spring mounting point for more negative camber and a wider rear track. The wider, lower stance gave an impressive skid pad result of 0.87g average. This put the Spitfire far ahead of its competition in handling. Detail improvements continued to be made throughout the life of the Mark IV, and included reclining seats with "chequered brushed nylon centre panels" and head restraints.

The last Spitfire, an Inca yellow 1980 built for the UK-market model with hardtop and overdrive, rolled off the assembly line in August 1980, shortly before the factory closed. It was never sold and is now displayed at the British Motor Heritage museum at Gaydon. There were 95,829 Spitfire 1500s built between 1974 and 1980.

My 1976 Triumph Spitfire was purchased from the original owner with only 37,000 miles. It has a 1500 cc 4-cylinder engine and 4 speed manual transmission. The car was well maintained and only driven when the weather was nice with the top down.

**NEXT MEETING**

The September (716<sup>th</sup>) meeting of the  
 New Jersey Region AACA will be held at  
 the VFW on Rt. 53 in Morris Plains  
**8:00 PM Sept 6th, 2018**

**New Jersey Region AACA  
Secretary's Minutes  
August 12th, 2018 #715**

**T**he 715th Region Meeting and Picnic was called to order at approximately 1:00 p.m.

All were asked to rise for recital of the Pledge of Allegiance

The following new members were welcomed: **Keith Scaglione and Gail & John Favia**. A welcoming round of applause welcomed their introduction.

Being our picnic day, **President Peck** decided that the meeting agenda should be abridged.

A quick rendition of future events was presented to all members present:

- **Brian Pritchett** will host a tour and BBQ on Saturday August 11 starting at the Burger King at the dreaded Somerville Circle.
- **Abe Platt** will host a visit the New Jersey Veterans Memorial Home at Menlo Park in Edison, NJ on August, 23, 2018, which is a Thursday.
- **Abe Platt** will host a tour to a selection of Pennsylvania museums on August 25, which is a Saturday. Meet at your choice of popular diners on US 22 in the Whitehouse Station area.
- **Carol Durna** mentioned her up and coming meet on August 26, 2018, which is a Sunday. Warren Haven is a place we've visited for many years.
- **Pete Cullen** decided to mention the September Lukan's Farm Resort tour, which will be here before you know it. The tour has been expanded to four days this year, and there are still rooms available.
- **Brenda Zimmerman**, not to be left out, mentioned the October visit to Hunterdon Hills Playhouse, which combines a car show, a tasty dinner and a well performed live play.
- **Wayne Tuck** gave us an update on the 2019 AACA Eastern Spring Meet hosted by the NJ Region, which will conveniently be held right

here in Parsippany, NJ. As this important event progresses, **National Director Tuck** informed us of the progress made, while giving us a run-down on the many vacancies to be filled, committees to be formed and staffed, tours to be organized, meals to be prepared, and the population of the all-important meet advertising booklet.

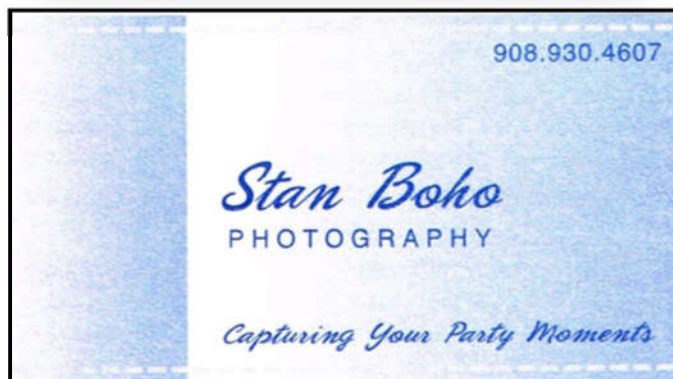

As everyone was voraciously hungry, we did not bother ending the meeting, rather just took a generous break for food.

Much, much later, when all appetites were sated, **President Peck** once again assumed his elevated position to announce birthdays and to introduce **Bob Smith**.

**Mr. Smith** presented healthy summer tidings to **Jay DeBoey** and **Angelo DiLorenzo**.

Festivities officially started to wind down around 2:00 p.m.

Casually submitted,  
*Bernie Cooney / Secretary*

## UNDER THE HOOD

### Notes from the editor

Like probably many of you, I watch collector car prices on web auction sites, those crazy high end live auctions in Phoenix and elsewhere, and try to keep up with what the cars we like are doing in the market place. Trends are easy to spot and they usually have a lot to do with the age of the collector. Those folks who are big on cars of the 30's and 40's are getting up there in birthdays and the interest in the cars they love shrinks to a smaller and smaller crowd. While the next set of folks that are into the 50's and 60's cars are setting record market prices for cars that are already restored and the crowd that buys the ones that need restoration is getting smaller. This all brings me to an article in the Detroit Free Press that leads us to believe *"Millennials are getting into car collecting, and they're changing the hobby and the idea of what vehicles are worth owning and preserving"*<sup>1</sup> According to the article and Hagerty Insurance, in 2017 millennials bought and sold more collectible cars than the pre-baby boom generation. I was totally shocked by that as I was under the impression millennials didn't like cars at all. For the record millennials are born between 1977 and 1995 and the cars they seem to enjoy most range from the late 60's to the early 90's. In fact they totally love the malaise era cars. Those would be things like the 73-77 Olds cutlass, or 83-87 Audi coupes. Hey, after talking to some members in our club even I have been searching Craigslist for cars from 75-92 just to see what's out there and how much they cost. The millennials seem to prefer Pickup's, SUV's and early muscle cars rather than the 50's era hot rods of their parents liking.

It happens with every generation and I'm happy to know the change is happening again. I was wondering if car collecting was going the way of the Do-Do bird. According to the people in the know, our hobby is safe with the next generation of collectors, pretty soon my Mustang could be sitting next to a 1979 Fairmont Wagon at a show and I'll be loving every minute of it.

On My honor.....

**2018 Region Fall Foliage Tour  
Lukan's Farm Resort, Hawley, PA  
SEPTEMBER 20-23, 2018**

Tour Co-Master: Pete Cullen  
Tour Co-Master: Anthony Cecala

**F**or the eighth year, the Region will once again explore the Pennsylvania Pocono area for its Fall Foliage Tour. The lodging destination is Lukans Farm Resort! But, due to Hershey weekend being a week later in October this year, this tour will take place the third weekend BEFORE Hershey.

We've reserved 22 available rooms for Region members, but the hold is valid only until August 4th. Expanding on the process started a few years ago, we've been asked to handle the reservations with membership internally. Due to the possibility of last minute changes in tourist's plans, Lukans has asked that the Club handle the deposit monies and keep track of the reservations until the group is finalized. So, there is no need to call Lukans to reserve your room, nor to send them a deposit directly. Your tour masters will handle the room requests.

This is how reservations will be done this year: Step #1 - Email Pete Cullen at [oldcarz57@aol.com](mailto:oldcarz57@aol.com) to add your name to the list; Step #2 - Write a check for \$100, payable to "NJ Region AACA" and hand it to Pete at a meeting or Region event, or mail it USPS to Pete Cullen, 20 Valley View Road, Verona NJ, 07044; Step #3 - Get your car ready and packed!

**So here are the facts for 2018:**

**WHERE:** Lukan's Farm Resort  
539 Long Ridge Road, Hawley, PA 18428.

**DETAILS:** Phone: 570-226-4574

**Internet:** [www.lukans.com](http://www.lukans.com)

**WHEN:** Thursday, September 20  
(OR Friday 9/21) through Sunday  
September 23, 2018.

**HOW MUCH:**

**A)** All 4 days with 3 nights rooms, 7 meals is approximately \$600 plus tax & tips/Couple, Double Occupancy, includes spacious room (can sleep two couples), and 7 meals while there. (Deluxe rooms are \$300/night pp, Poolside are \$290/night pp, including meal plan with 3 dinners, 3 breakfasts and 1 lunch).

**B)** Usual 3 days with 2 nights rooms, 5 meals, approximately \$450 per couple.

**WHAT NOW:** Recognizing that fall is a peak time, they will hold the rooms until SATURDAY, AUGUST 4th for any Region member. If interested you must follow the above reservation instructions. A deposit of \$50 per person, or \$100/couple/room will be required, check payable to "NJ Region AACA" but given to Pete Cullen to deliver.

Also note that there are only 22 rooms at Lukan's, and as for the last several years, it is first come, first served. If you are late and are told all rooms are taken, I can add your name to the waiting list, as a few members have had to make last minute cancellations in the past.

Alternately, as Lukan's dining room is open to the public for meals, and if you plan to be in the area during any part of the tour, you are welcome to join in the fun for just a day trip or even for a one night stay, provided vacancy is available.

We have some great plans for the group on the way up to, and during our stay at Lukans. More details about the tour stops will be provided in a future article. We look forward to another interesting, if not relaxing, weekend! Go ahead and make your reservations NOW!

**Annual Region Picnic & August Meeting**  
**August 12, 2018**  
**Report**

**W**ell, like the rest of this car show season so far, the weather forecast was for a threatening and/or hot humid day - not quite the perfect day for the annual New Jersey Region Picnic! Just in case of unbearable temps, I had made arrangements with the VFW to open the main room for the air conditioning. But as our luck would have it, the day turned out to be a pretty normal summer afternoon for a picnic!

However, the forecast seemed to impact the attendance, as only about 87 members and guests attended, about 25 less than prior years. Likewise, I counted only 17 vintage cars in the parking lot this year, much less than half the usual amount. But we did have one brass era car, and I was treated to my first ride in a flivver – what a great feeling to be in a 100+ year old car, thanks Bob!

Back to my report - I arrived at 9:45 am, with the 'future vintage' minivan nearly filled with all the picnic goodies - coolers filled with the 20 pounds of hamburgers, plus turkey burgers, 10 pounds of chicken filets, a hundred hot dogs and all the matching rolls, a pile of cheese, plus 3 large cases and several bottles of soda, two large cases of bottled water, bags of charcoal, and the BBQ tools. Your president Jerry P, however did beat me to the pavilion, with all the paper goods, and shortly after, Brian & Sarah P arrived in style in their red Firebird. A few others arrived to help complete the set up of all the tables for the festivities.

Around 11:00am, I counted at least 50 people milling about or already seated at the tables! From what I saw on the serving tables, everyone brought along a delicious side dish or dessert to share. The coals in the barbeque were lit up around 11:10, and cooking began by 11:30 so we could start the food line about 11:45. Before we started serving, President Jerry was able to conduct a short business meeting. By 1pm, it seemed everyone had their fill! And due to the decent weather, it seemed many members hung around until after 2 o'clock this year to socialize a bit more, before heading home!

At the grill, volunteers Brian Pritchett and Larry Solomeyer took the first shift, and Anthony Cecala helped with the second shift, to keep the food flowing from the grill for the entire event. Because of the extra help with working the grill, we were actually able to grab a bite and a beverage for ourselves, and even got to talk to some of you!

I would like to thank Anthony for meeting me at Costco the day before to help with the shopping. Also, many thanks to all the other volunteers for helping Jerry with the set up and clean up, and to Bob Smith for running the raffle, even though again, I wasn't one of those two lucky members!

## "MARTHA" MERCEDES JUNE ROSER'S 1992 MERCEDES-BENZ 500SL

I have always had a desire for a red 2-seat Mercedes-Benz convertible ever since I met my husband Greg in Union High School in 1972. Home and family (and other cars) came first, but we were offered the option to purchase "Martha" a few years ago from a friend who no longer had the time to appreciate her. She is named for my late mother Martha, and my husband suggested the name. She joined her four wheeled siblings Lily, Rosie, Gloria, Pearl, Ruby, and Mr. Monte.

Martha is Signal Red, with a palomino interior and a black cloth top. The one-button roof is fully automatic, including the windshield header latching and the tonneau cover. She is unrestored and received her HPOF Award at Hershey last year. She is going for her HPOF Original Award at Hershey next month.

The 1992 500SL is a petite 176 inches long, but no lightweight at 3968 pounds. She is included in the "R129" series of Mercedes roadsters. The engine is five liters (304ci) with 322 HP and 347 ft-lb of torque. The current mileage is 40,000. This is one of the last cost-is-no-object Mercedes cars designed before the onslaught of the cheaper Japanese competition.

These cars were originally sold as playthings for the rich, and were generally well maintained. Fortunately the depreciation allowed us to afford this vehicle when the market seemed to hit bottom. It has already appreciated since we purchased her. She has gone on some local one day AACA tours, but with the minimal luggage capacity we use our Cadillacs for the overnight tours.

## THE GREAT PHILLIPSBURG AUTO SHOW REPORT

Ron Peles Chair #1416

Saturday morning June 30th, 2018 was predicted to be a very hot day by weather forecasters, with a predicted heat index above 100 degrees. However the weather in Phillipsburg turned out to be actually very moderate, with temperatures in the 80's and a cooling breeze. A wonderful day for a car show

Once again council 474 Knights of Columbus of Phillipsburg put on a fun day with free donuts and coffee in the morning and pork roll and egg sandwiches on the grill. At lunchtime hamburgers, hot dogs and the aromatic stylings of the famous K of C sausage and pepper sandwiches filled the air. A DJ played oldies hits and two large tables filled with door prizes were handed out by the Chik-Fil-A Cow!!

The show cars were parked on the grassy lawn making for a picture perfect opportunity to photograph the cars, 52 drivers braved the incorrect weather forecast and lined up their cars for all to enjoy.

NJ AACA members in attendance were King Schaedel with his 1973 Buick Riviera, Bill Pritchett with his 1966 Mustang, and Ron Peles with his 1965 Corvair convertible. Both Bill and Ron took home award plaques.

It was a great fun day. The show benefitted St. Anne's Center, a home for women pregnant and homeless. Tours throughout the day were given to participants and spectators. The center is completed and ready to open. All net proceeds are donated to the center. This year \$1,500 was raised despite the low number of show cars. The lesson learned for the day was—You cannot trust the weather forecast!

## CareOne Assisted Living at Livingston

**Jul 12th, 2018**

### Report

On a sunny and beautiful Thursday afternoon, July 12, 2018, 20 members and friends of the NJ Region AACA assembled at the CareOne Assisted Living facility in Livingston, NJ to conduct an Antique Automobile Enjoyment Event for the Residents.

This was our second year conducting this event for the residents and staff of this facility, and we were warmly welcomed by our hostess, Mariam Andalibi, the Director of Activities.

The turn-out included 16 vehicles for every decade from the 1920s through the 1990s, except for the 1940s, plus a vehicle from the 2010s. NJ Region members included: Bob Jephson and Jerry White with Bob's 1931 Chevrolet Landau Phaeton; Bob Smith with his 1932 Dodge Roadster; LeRoy and Marlene Gearhart with their 1936 Ford Fordor touring sedan; Bernie Cooney with his 1953 Cadillac Series 62; Walt Terry with his 1953 Mercury Monterey; Peter Cullen with his 1957 Chevrolet 210; Bill Pritchett with his 1966 Ford Mustang hardtop; Suds Reedy with his 1967 Mercury Cougar DGS; Duffy Bell with his 1967 Buick Electra 225; Matt Verzi with his 1969 Oldsmobile 98; Cliff Stern with his 1974 Triumph TR6; John Quattrocchi with his 1977 Cadillac Sedan DeVille; Abe and Ann Platt with their 1988 Mercury Cougar Special Edition; Greg Roser with his 1992 Mercedes Benz 500SL convertible; and Bill Stroh with his 2016 Dodge Hellcat. Prospective new members John and Dale Favia joined our group with their 1971 Ford Mustang convertible.

Once all members had arrived and signed in, we were provided with a wonderful all you can eat lunch with hot and cold entrees and beverages. After lunch the residents wandered outside to look at our beautiful antique automobiles accompanied by family members and/or the facility's staff. Ms. Andalibi and the CareOne staff members that assisted her put on a very successful and enjoyable event for the residents and their families, for the staff themselves, as well as for us, the Antique Automobile Enthusiasts.

Again this year, a highlight for some of our long-time members was the opportunity to reminisce with Ruth Connin, a former member of the NJ Region, who is a resident of this CareOne facility. It was also my pleasure to speak to Ruth again about her experiences as younger woman, her cars, and of by-gone days. I also had the pleasure this year of meeting Ruth's son William and his wife Nancy.

As the residents, family members, and staff enjoyed our antique vehicles, they were asked to select their favorite cars, and the three cars that received the most votes were presented with nice gift baskets as a prize. The themed baskets, which were created by Ms. Andalibi, contained various products based on the theme of the basket, such as BBQ party, movie night, and more. Again this year, the third place prize was presented to Peter Cullen for his 1957 Chevy. The second place prize was presented

to Bob Smith for his 1932 Dodge. The first place prize was presented to Bob Jephson for his 1931 Chevy.

Ms. Andalibi, on behalf of the CareOne in Livingston, presented the NJ Region with a donation check. She said that the residents and their families, as well as the staff really enjoyed our participation in this event and stated that she looks forward to having the Region participate again in a similar event in the near future. I told Ms. Andalibi that we enjoyed the hospitality extended to us by her and her staff, that we also enjoyed our interaction with the residents, and that I would be in touch with her to work out a schedule for additional events in the future.

Strong participation by our membership in these and similar events enhances our recognition and reputation to the outside community as well as with members of other car clubs. A very BIG THANK YOU, from Ann and myself, goes out to the NJ Region members and potential future members that attended this very successful and enjoyable event.

A full album of high quality Pictures taken by various participants can be seen on our website at :

We will be provided with lunch while the residents, accompanied by the facility's staff, wander outside to look at our beautiful antique automobiles.

The residents and staff will vote on their favorite car(s) and the three cars that receive the most votes will get a nice prize.  SATURDAY SEPT 15TH 12:00-3:00PM**

**B**rookdale of Florham Park, formerly known as Wynwood, has invited the NJ Region AACA for the fifth consecutive year to display our vehicles at their facility in conjunction with "National Assisted Living Week". For the first time, we are receiving a generous donation from our host, so please attend if you are able. They have a beautiful facility with a nice location for our display. They will offer prizes to the 1st, 2nd, and 3rd place winners, as chosen by the residents.

Our gracious host Nicole Klinzing promises a delicious lunch. The date is Saturday September 15th 12:00 to 3:00PM, with no rain date. (Call Greg 908-403-6486 if inclement weather). Brookdale has invited the residents' families to attend, and will promote the event locally.

Brookdale of Florham Park is located at 8 James Street, Florham Park, NJ, at the corner of Hanover Road. The facility is just one block from Columbia Turnpike (County Highway 510), which is easily accessible from Route 24. (This is right down the road from where we had our Spring Meet for many years.)

This was a really enjoyable and well attended event in previous years. Let's again make it a big success.

## SEPTEMBER 2018 PARTICIPATION POINTS REPORT

Below, please find the points listing for the “top 50” for this year to date. It includes meeting attendance points through August 12th, as well as events points, including national events that have been reported to me. It also includes committee chairman points, for the committees published in the Road Map, except for those where an actual driving event is planned (spring fling, fall foliage, mystery tour, etc.). Points for these events will be tabulated when the actual event occurs.

As you know, the new points system provides for double points whenever a monetary donation is received. It is important for the committee chair of any such event note on the attendance sheet if monies are received so that participation points can be properly awarded.

In the case of national events, it is the individuals responsibility to notify the points chairman of their participation.

Please feel free to contact me directly if you have any concerns or wish to have me include recognition for events you attended that were not otherwise accounted for.

Respectfully submitted,

**12:00 to 3:30 PM**

**W**e've visited Eastern Star Home every year since 2007. It was one of the first facilities to join the Somerset County Library at Bridgewater in a series of assisted living visits in September of that year. Eastern Star has always been our "lunch" stop, featuring a menu that varied from year to year.

When the Somerset County Library decided to withdraw their support, Eastern Star was the first to hitch their wagon to the NJ Region, AACA and the Raritan River Region, CLC. Although we don't get a cash donation for this event, we are always treated very well. The event is short, noon to about 3:00 pm. Residents that wish to view our fine automobiles are cheerfully escorted by Eastern Star's professional staff. Our visit evokes many memories from the residents. Their priority is to vote for their "favorite"; This is something they can do and enjoy it.

After extensive renovations, this year we are promised additional growth of shade trees planted for our comfort. First, Second and Third place cars get nice prizes. Everyone get a thank you from the residents and staff.

## Rockingham Tour/Newlywed BBQ Event Report

On Saturday, August 18, the NJ Region met at Burger King in the Somerville Circle for a quick bite to eat and then we traveled along the canal to our first destination: General George Washington's final rooming house while awaiting the signing of the peace treaty. Rockingham is a quaint house located in Franklin Township, NJ with some vibrant, period-correct paint colors, which surprised many of us in the group (unfortunately, photography was not permitted inside the house). From there, we traveled on some additional scenic roads back to Brian & Sarah's house to do what we do best: kick back, relax, eat some delicious food, and chat! Members in attendance were: Brian & Sarah Pritchett, & niece Brooke (1989 Ford Tempo); Greg & June Roser, & Betty Allen (1976 Cadillac Deville); Wayne & Denise Tuck (1952 Hudson Hornet); Abe & Ann Platt (1988 Cougar); Joe & Carole Durna (modern); Paul Semmler & Gail Stephens (2005 Ford Thunderbird); Art Briggs & grandson Max (modern); Bill & Bette Pritchett (1966 Ford Mustang); and Duffy Bell (modern). The weather held off for most of the day, a good time was had by all, and we look forward to hosting another car tour/bbq next year!

While Ann and I were visiting this facility to make these arrangements, the folks at Atria are very excited when informed of this upcoming event. So, come join your friends from the NJ Region AACA as well as the members of the assisted living community and their families for an enjoyable afternoon. If you have any questions or concerns, please contact me at (732) 752-6341 or via email [abeplatt@aol.com](mailto:abeplatt@aol.com). If there is threatening weather, please call my cell.
