**PRESIDENT'S MESSAGE**

**W**e've had a very busy year thus far and nearly every weekend has had a planned activity. With the exception of some occasional rain that's dampened some of our events, most things have gone well and most "rain-outs" have been rescheduled.

This year's calendar, compared with 2016's, for example, shows a vast difference in the number, and variety, of club activities, our increasing membership roster and by the growing number of donations that we've received. Some of the less tangible areas involve our growing enthusiasm, participation and contributions of new ideas, which enrich all aspects of our club. We're having more fun and enjoying ourselves, even more than before.

The *motivation* of our members have made the all-important difference. It's been the inspiration, for so many others, and has encouraged our members to get more involved in our activities and new membership initiatives.

We had a great membership drive last year and this year is shaping up to be as successful. We'll be participating in two, major car shows this month that will present us with many new membership opportunities. This year, many of you have influenced your friends, family and new acquaintances to join us. Your efforts cause me to think of a new phrase; "Each one win one". I'd like you to think about that. If even twenty percent of our members interested *just one new member*, how much different and fun would our club would become, with all these new personalities to enjoy?

I've mentioned the word "growth" a few times, since January. It's essential for our club, because it represents vitality, engagement and vision, for our future. All of you know that without growth, most things in life just wither away, die, or become irrelevant. I've observed nothing remotely like that and, in fact, the very opposite is true, in every respect. Let's keep it going!

*Jerry Peck, President*

## **UNDER THE HOOD**

### **Notes from the editor**

I had the pleasure of attending a meeting of our fellow NJAACA members in a planning session for the upcoming Eastern Spring National in June of 2019. The volunteers in the room were excited and eager to get started with the hard work that come with organizing and running a large event. As most of you are aware My entire personal life is spent as a volunteer doing something and cheerfully serving others. This is another opportunity to do the same but this time it gets to involve something I really enjoy....Antique Cars and the fellowship that comes from the collector car community. Now I am new to this National Meet stuff, Hershey this year will be my first and I expect it will fire me up for many more to come. So I'd say I have a lot of interest in these events right now.

As we sat and ran through the initial schedules, needs and requirements of running an AACA National it was apparent that the scope of the job is going to require many hands in order to be done well. The best part is that there is quality leadership leading the charge.

Can you help? You sure Can!! Jobs that need being done range from simple to hard and from short to long in terms of time. But rest assured if you have the desire to share your time and talent towards the success of the Spring National then. Here is a good example : Do you have any contacts with either M&M Mars in Hackettstown or Nabisco in East Hanover? How about HERR's in Somerset? All of them are known to be generous donators of products for events and all we need is someone to take the initiative and ask.

I guess what I am trying to share with you is that I volunteer because someone before me took the time to do the same. Won't you consider bringing your time and talent to the volunteer team for the AACA Spring National? It's going to be a totally exciting time for the NJ Region.

*On My honor.....*

## **2018 Region Fall Foliage Tour to Lukans Resort**

**SEPTEMBER 20-23, 2018**

### **Activity Report**

**F**or eighth year edition, it was suggested, and your tour masters scheduled an extra day to this long weekend Region tour. First, some observations: 1) Accuweather is not accurate, 2) Fall foliage does not occur until well after the first day of Autumn, 3) Region tourists prefer 3 day weekends over 4 day weekends, 4) The food and service at Lukens cannot be beat!

Due to Hershey being scheduled a week later than usual for 2018, our usual weekend after Hershey and Columbus Day was not available, so when planning last year, we had to change to another open weekend at Lukens for this year – in September, which happened to include the first day of fall. That opened the door to some season attractions which are not available in our normal off season visit, but it turns out there was not much fall foliage to witness this year. The weather was forecast to be partly sunny and in the 70's, but turned out to be in the low 60's, gray and breezy, except, fortunately for the Scenic Lake Wallenpaupack Boat tour on Saturday morning which was cool, but dry and at the end, sunny.

The first day of this year's tour started with a nice quiet breakfast at Cracker Barrel off of Rt. 78, then through some scenic back roads in NJ and over the Riegelsville Bridge into PA. First stop was Lost River Caverns, where I hadn't visited since a 4<sup>th</sup> grade class trip. The tour guide was entertaining, the gift shop was great, and we learned about underground rivers. Then over to lunch in Jim Thorpe, and a very interesting tour of the Asa Packer Mansion museum, with its original contents of the railroad magnate's home overlooking the valley. Only four cars participated on the first day's segment.

On Friday, the rest of the tour participants joined us at the PPL Environmental Center, learned about the lake and its dam, and some area critters. Then off to watch an artist (really a master chef) take hold of a chain saw and other specialty tools to carve amazing sculptures out of blocks of ice at the Ice Harvest Museum. Next was a lunch on our own in Honesdale, before a ride up country roads (some dirt or gravel) for a private tour of Calkins Creamery, a dairy farm where they milk their own cows and pipe the milk directly to the adjacent building to make multiple varieties of cheeses. Of course, everyone got to sample their products, and purchase their favorite cheeses. PS – very good Mozzarella and Gouda!

Max and Savannah get a rare ride of the vintage variety....last row seating of a wagon!

**2018 Region Fall Foliage Tour to Lukans Resort (cont.)****SEPTEMBER 20-23, 2018****Activity Report**

Saturday began with a private boat tour around Lake Wallenpaupack; with typical late September weather, but everyone enjoyed the informative and relaxing cruise. The final stop for this year's tour was a return visit to Cranker's Collection of Mechanical Marvels, a private collection of 1910's to 1950's cars, carousels, music boxes, player pianos and calliopes – all operating and proudly demonstrated with vintage tunes.

Common to every day was Lukens home style breakfasts, dinners and Thanksgiving Lunch on Saturday. We again took full advantage of Lukens clubhouse for pre- and post-dinner wine & cheese gatherings and a roaring fire! A big "Thank You" is owed to those who contributed to food and drink for the hospitality table.

Sunday wrapped up with a farewell breakfast for all, except one couple who remained behind to explore the Honesdale area on their own after breakfast and then returned to Lukens for the optional Sunday Roast Beef Dinner – which is always DELICIOUS – if you still have the room for yet another meal!

We would also like to thank the following AACA tourists who joined in the fun: Greg & June Roser, 1976 Cadillac; Pete Cullen, and Anthony Cecala and family, 1987 Buick Estate Wagon, Art Briggs & Max, modern; Art & Maryann Ackerman, 1962 Chevy; Dave & Bennie Cavagnaro, 1950 Chevy; Duffy Bell, 1940 Buick; Paul Semmler and Gail Stephens, modern; Bob & Kathy Kelly, 1986 Camaro; Roger & Kathy Bagley, 1982 Buick Riviera; Ed & Shayna Geller, 1978 Alfa Romeo. The VCCA Lakeland Region was also well represented: Dom & Sue Speranza, 1979 Corvette; and Joe & Lynn DeGrazia, 1966 Ford

It Might be cold and Gray on the Lake, but it's still a day on the lake!

Galaxy 500. Greg & Joan Newell also joined the tour for the boat ride, in modern wheels.

Save the 3 day weekend of October 18-20, 2019 – we've already put a hold on Lukens for that weekend, awaiting confirmation, and are already accepting ideas for new stops! Let us hear what you would like to try. More information on rates and reservation process will be included in future Road Maps.

## NJ Veterans Memorial Home at Menlo Park

### August 23rd Activity Report

On Thursday, August 23 members of the NJ Region AACA conducted an Antique Automobile Enjoyment Event for the Veterans, family members, and Staff at the NJ Veterans Memorial Home in Menlo Park, NJ. This was our first time conducting this event for our Country's Veterans, and Christine Caratozzolo, the Supervisor of Recreation, was our hostess. One of the staff, Jose, had his 1971 Pontiac LeMans parked in the display area, which was a beacon for our members to rally around. Our good friend, Michael Gelnovatch, aka "Hot Rod" Mike was the DJ for this event and provided us with a great selection of era appropriate music. Mike's wife Cathy was also present to help out as needed.

The NJ Region turn-out included 15 members and spouses with 12 antique vehicles. NJ Region members included: Rich Nalavany with his 1930 Ford Model A; Charles and Cathy Knarr with their 1937 Ford ½-ton pick-up truck; Bob Hudak with his 1939 Ford; Bernie Cooney with his 1953 Cadillac; Bill Pritchett with Betty's 1957 Chevy; Bob Rankin with his 1963 Cadillac; Jerry Peck with his 1964 Pontiac; LeRoy and Marlene Gearhart with their 1965 Ford Falcon; John Quattrocchi with his 1977 Cadillac; Abe and Ann Platt with Ann's 1988 Cougar; Greg Roser with his 1990 Cadillac Brougham; and Chet Przybylko with his 1990 Continental Mark VII. A second staff member, Richard, joined us with his 1966 Ford Mustang fastback that he was still restoring.

There's nothing quite like the view from the rumble seat.

The veterans, accompanied/assisted by the facility's staff and family members ventured out to look at our beautiful antique automobiles and to select their favorite car(s). Since the day of this event, members of the NJ Region as well as our DJ, "Hot Rod" Mike have mentioned/commented to me how satisfying and enjoyable this event was for them as well as for the veterans. From my observations, it was very apparent that the veterans, family members and staff were enjoying our vehicles and our participation and interaction with the Veterans. The reason many of us participate in the Antique Automobile Enjoyment Events our Region conducts each year for our seniors' communities is the reminiscing and shared stories we are privileged to hear, and seeing the smiles on their faces and the twinkle in their eyes.

Around 3:00 pm, the results of the favorite car selection were announced. The following vehicles were selected as the Veterans' favorites and trophies were presented. Third place went to Betty's 1957 BelAir; second place went to Bob's 1939 Ford; and first place, by a large margin, went to Rich's 1930 Model A. The other vehicles that garnered a good deal of interest and votes were Charles and Cathy's 1937 Ford pick-up truck and Bernie's 1953 Cadillac. Christine was very pleased with our participation and the obvious pleasure exhibited by the Veterans. She has already asked us to come back next year.

Strong participation by our membership in Assisted Living/Senior Living facilities, Veterans' Homes, Car Shows, and similar events enhances our recognition and reputation to the outside community as well as with members of other car clubs. A very big thank you, from Ann and me, goes out to the NJ Region members that attended this very successful event.

## Road Trip to Historic Vehicle Museums in PA

Saturday Aug 25th

### Activity Report

On Saturday, August 25, 2018 members of the NJ Region AACA gathered at the Readington Dinner in Whitehouse Station prior to proceeding on "A Road Trip to Historic Vehicle Museums in PA." Twenty-four individuals including Region members, family members and friends made up the group that ventured onto the less traveled roadways selected for this road trip on a safari through the NJ and Pennsylvania countryside on a trek to the Museums of PA, which included the Boyertown Museum of Historic Vehicles and the Old Spokes Car Museum in New Smithville.

As I was under the weather on the day before this trip and was not up to making the trip when I awoke on Saturday morning, I had asked Greg Roser to take over leadership responsibilities for this outing, which he accepted graciously. My sincere thanks go to Greg for doing so at the last minute. The Day Trippers driving antique automobiles included: Greg and June Roser in their 1990 Cadillac Brougham with John and Pat Quattrocchi as passengers; Craig Kunz in his 1966 Oldsmobile F85; Brian and Sarah Pritchett in their 1968 Ford Mustang fastback; Paul Semmler and Gail Stephens in Paul's 1968 Ford Mustang; Ron and Nancy Hutchins in their 1988 Porsche; Dave Cavagnaro with his Grandson Bryce and guest Dominick Speronza in Dave's 1991 Chevrolet Camaro; and Ray and Judy Fischer in their 1993 Buick Roadmaster. The rest of the Day Trippers driving modern vehicles or as passengers included: Jan Eyerman, Bernie Cooney, Jerry Peck, Nick Conte, Bill Pritchett, Cliff Stern, and William and Gayle Stroh.

Based on my conversations with Greg and other members afterwards, I understand that everyone made the trip safely to the Boyertown Museum. The museum's exhibits includes: sleds, wagons, cars, and trucks, as well as the Reading Diner and the Sun Oil Co. gas station, as well as all sorts of transportation related memorabilia, and a forge where the blacksmiths explained their craft. After soaking up all of this transportation related history, our Day Trippers left the museum and scattered to dine at one of the fine eateries in and around town. I am also told that even though some got slightly lost in the cornfields on the way to the Old Spokes Museum, all made it safely. Everyone had a good time and some hearty laughs as driving skills were tested on this leg of the trip. Please note that the first time I drove this route I got lost twice, but found that all roads lead to the same destination. I totally enjoyed the challenge of the drive and the beauty of the coun-

tryside, and hope that everyone that participated did so also.

Mr. Bernie Thompson, our host at the Old Spokes Museum answered all questions and even provided some levity during the tour. After checking out the exhibit of Hudson, Essex, and Nash vehicles, our Day Trippers headed home to rest and recuperate.

## Let'em Ride

Fred Trusty Vice President - Regions  
Western Division

I want to share something that happened to me at a local church cruise event last year. It was the end of a hot summer day and I was ready to get home to some air conditioning. I was loading my chair and cooler in the bed of my 1929 Ford Model A truck when a woman and her son stopped to look at my truck. The boy looked to be about 8 years old. She asked me what year it was so I told her a little bit about the truck. As they were walking around the truck she was telling her son that this is what trucks looked like in 1929.

The lady thanked me for bringing the truck and as they started to walk away I asked the boy if he wanted to ride in my truck. The look on his face was priceless! His eyes got big as he looked up at his mother shaking his head up and down. He climbed in and we took a short ride in the subdivision. He had never seen a truck that didn't have seat belts and one that you had to manually shift gears.

His mother took a picture of him and the truck and I told him to tell all his friends that he rode in a 1929 Ford Model A truck. He thanked me for the ride as I shook his hand. It brought back memories of the first time I was invited to ride in a Corvette when I was 12 years old. It really doesn't take much effort to plant those old car hobby seeds. Just give 'em a ride.
