1940 Buick Super  
Owned by :  
**Duffy Bell**  
No. 24 in 2017 Participation Points

**NJ Region AACA**  
**February, 2019**  
**PRESIDENT'S MESSAGE**

**A**s we begin the New Year, I wanted to take a moment to review what we've accomplished, in 2018, and to tell you what your officers and board have got planned.

Our 2018 goals were to increase our membership and member participation, promote the New Jersey Region more fully and to increase our revenue. We were successful, in each category. We were joined by forty eight new members. We purchased a new membership recruiting booth and developed a fantastic web site. Now, we've far greater outreach opportunities. Finally, we had more, varied activities and donations than ever before. In short, we had a *great year*.

We've new goals and initiatives in 2019 that will promote our club, increase our recruiting successes and generate more revenue. All these objectives are essential to the club's continued growth and vitality. We look forward to a sunny, and profitable, Spring Meet and our planning for the Spring National is well underway. It, too, will give us many, added benefits. We're going to expand our advertising and promotional initiatives and identify larger car shows to promote our club. Also, we've a new committee, which will standardize all event forms, create a new Activity Report form, into an electronic format, train new event chairs and assist our new Vice President, with assisted/senior living facility events and other new venue coordination and planning.

We're going to have a great year and I want to urge everyone to do just *one more thing* to help promote our Region. You can volunteer, become a committee chair, or chair an event. Make it a point to recruit just *one new member*. That's easy. This is your club and you should be personally involved in determining its future direction. So, let's all get started.

*Jerry Peck, President*  
 NJ AACA #1462

**NJ Region AACA**  
**Participation Points Changes 2019**

**W**e agreed on the changes to the point system that I recommended a couple of months ago at the recent Board of Directors meeting. These changes include the awarding of 150 points to the Nominating Committee Chair, as well as 75 points to those that actively participate in this committee. They also further codify the fact that vehicle points are to be awarded for members attending nations functions with a vehicle over 25 years old.

We also clarified participation points issue for Hershey. No points will be awarded for those of us (including me) that simply go to enjoy a day or so in heaven for the flea market (including venders). However, if you show a car, or participate in any other activity (judging, training, or any other sanctioned activity), participation points will be awarded in accordance with the constitution. If you wish to be awarded points for Hershey, or any other national event, it is vitally important that the points chair be notified of your participation, by email or snail mail, within a reasonable time period of such activity.

Thank you,  
 Vince DeLisi, Points Chair  
 NJAACA #1505

**NOTABLE QUOTABLES**  
**An Idea from Bernie**

A computer lets you make mistakes faster than any other invention, with the possible exceptions of the handgun and tequila -- *Mitch Ratcliffe*

I did not become a vegetarian for my health. I did it for the health of the chickens. -- *Obscure*

If you don't like how things are, change it! You're not a tree.—*Jim Rohn*

Dost thou love life? Then do not squander time, for that's the stuff life is made of.—*Benjamin Franklin*

Never Argue with a fool, onlookers may not be able to tell the difference.—*Mark Twain*

**New Jersey Region AACA  
Secretary's Minutes  
January 6th, 2019 #720  
Old Timers Appreciation Day**

President **Jerry Peck** called the meeting to order at 12:55PM.

All stood for the Pledge of Allegiance.

All past presidents in attendance were asked to stand and be honored.

All veterans in attendance were asked to stand and be honored.

**Raymond Fischer** presented the New Jersey Region's officers for 2019, and administered the oath of office:

President **Jerry Peck**, Vice President **Art Briggs**, VP of Administration **Edward Geller**, Treasurer **Timothy Schimmel**, Recording Secretary **Gregory Roser**, Membership Secretary **William Pritchett**

Second term President **Jerry Peck** stated that the region's primary objective is to grow membership. We are a healthy and growing region, with approximately 48 new members in the last 15 months. Jerry thanked all recipients of the awards and our many volunteers. He stated that we have "Many years of experience, volunteerism, and desire".

Past President **Greg Roser** led the invocation for our meal.

President **Jerry Peck** then thanked Pat Hogan for her 4<sup>th</sup> year as Banquet Chair. Pat made the beautiful centerpieces, and the hot cocoa bags.

Vice-President **Art Briggs** gave us the details of the club's upcoming events, noting that our **February Region Meeting has been moved to Tuesday the 12<sup>th</sup>** due to conflict with the upcoming 83<sup>rd</sup> AACA Annual Meeting in Philadelphia. Gregory Roser invited all Annual Meeting attendees to visit the AACA Hospitality Suite in Room 2301 on Thursday & Friday evenings, where he and June are hosting for the third year. The hours will be posted on the door. Abe Platt noted that Paul Semmler has been hospitalized. Art Briggs made a plea for help manning our

Spring National booth in Philadelphia.

A motion was made to adjourn the business meeting at 1:20PM.

### **Awards Presentation**

The top 12 points recipients are as follows:  
Abe Platt, Brian Pritchett, Gregory Roser, Bill Pritchett, Wayne Tuck, Pete Cullen, Ray Fischer, Bernie Cooney, Bob Hudak, Bob Smith, Roger Bagley and Jay DeBoey.

Committee awards went to Abe Platt for chairing 9 committees, Gregory Roser & Bill Pritchett for chairing 6, and to Ed Geller, Wayne Tuck, Art Briggs, George Ernst, Brenda Zimmerman, Pete Cullen, and Jerry Peck for chairing 3 committees. In addition there were 29 members who chaired 1 or 2 committees.

The 2018 officers were honored: President Jerry Peck, Vice-President Duane Copley, Secretary Bernie Cooney, VP of Administration Ed Geller, Treasurer Tim Schimmel, and Membership Secretary Bill Pritchett.

Spring Meet awards went to Herb Singe Jr., Paul Wolfmeyer, Brian Kapral, Rich Reina, and Kirk Judkins.

Personal achievement awards went to: Abe Platt for "New Membership" and "Participation" (2017/2018), Ray Fischer (2017) and Art Briggs (2018) for the "Editor's Award", and to Pete Cullen as the "Most Honored Member" for 2018.

Respectfully submitted,

**Gregory Roser #1398**  
Secretary

## UNDER THE HOOD

### Notes from the editor

Well, it's 2019 and I managed to make it almost a full year as editor of the Roadmap. I've made a few mistakes along the way. The most memorable of which is the Birthday and Anniversary mix up in June when I published the same dates from May and Labeled them June. That was embarrassing, mostly because Brenda works so hard to make sure I have the right information and I just blew it. Other missteps along the way like missing write ups or leaving classifieds out have led me to improve upon how I file items I receive and how I make sure I get them in the newsletter according to how the author wishes them to be. At times I have enlisted folks to proof read the final draft. Abe Platt, Rich Reina and a few colleagues at work have all participated in the effort and I thank them for taking that time.

For 2019 I'd like to start a new feature and I'll call it the "Member Cars Feature". Each Month I'd like to feature a members car and the story that goes with it. I want to start this feature because I have come to realize that our club has a large membership and most of you own more than one car. Almost all of us have a reason we own the car, whether it's Pete Cullen finding an incredible deal on an AMC malaise car, or Jerry reconnecting with his formative youth experiences, all of us have a great story. So in order to attach faces with cars and bring those cars to life with your special reflections I am going to print one car and it's story every month. There is no special order to this process, send me a high quality (and I stress this point) picture and that special story and it will get published.

And NEW FOR 2019 is the classifieds section. I have revamped it a bit and encourage all of you to use it to buy, Sell, and trade anything car, car hobby, or car service related. Pictures are encouraged and for the moment anyway it doesn't cost anything.

Lastly I'd like to get in another shameless plug for our annual Spring Meet. The Team has been working hard to get the May 5th event up to speed and it runs exceptionally because of all of the people that jump in and help. Lots of work this year for May and June, Come July we can all sit back and toss back a few cold ones while we look back and laugh at our trials and tribulations on the road to running two meets in two months!!! But for know, volunteers in May and Staff in June, our mission is clear.....Now on to success!

On My honor.....  
Jay DeBoey (#1540)

## The Cars on My Block John McCarthy Vice President-Endowments

**T**he Block was the 600 block of 74th Street in Bay Ridge Brooklyn near Fort Hamilton and the Verrazano Bridge. The Block was very middle-class, fireman, policeman, teachers, government and factory workers, with about forty houses on each side of the street. The houses were one-family and two-family, most attached on both sides, and built around 1910. There were only twelve shared driveways on the block with two car garages in the back. Being built in 1910, the garages were too small to fit the cars of the 1950s. About one-third of the families had cars in the 1950's. Often it was the tenant that owned a car and not the homeowner. Whenever anyone got a new or "new" used car it was a big event, especially for me who knew all the makes and models. Neighbors would come out to see the car - they were exciting times. People kept cars a long time. In 1954 half the cars were pre-war and mostly black. The first new cars on the block after WWII were two 1948 Fords and two Studebakers. 1949 brought a Ford, 1950 another Ford, two Chevrolets, a Pontiac, a Buick, and a Dodge. There was never a Cadillac or Chrysler, only one Packard, a used 1947 Clipper Limo owned by a chauffeur who replaced his 1942 Chrysler Limo, and a 1941 Lincoln Zephyr that badly needed a clutch - the whole car would shake when releasing the clutch pedal. There was one other Lincoln, a 1956 Capri purchased in 1960 for \$1500, many thought it was a new car as Lincolns were rare in our neighborhood, and that Mr. A had gotten rich - it was long. People began to upgrade in 1952 to 1954 with Mercury's replacing Fords. In 1953 a two-tone green Buick Super Rivera arrived which was one of the best-looking cars in the neighborhood. In 1954 a Pontiac Chieftain Stick Six two-door replaced a 1937 Pontiac, and a Dodge Coronet Six Stick replaced a like-new 1937 Dodge. All were black. 1955 was a record year for the auto industry with all new models, V-8's and bright colors, and many new cars on the block. Mr. M who was a conservative school teacher traded in his 1950 Pontiac for an orange and white Oldsmobile Super 88 hard-top that was the fastest car on the block and

every time he used the car, he had to show the neighbors how fast it accelerated. Mr. F bought a new Buick Roadmaster every three years and wanting to relive his youth bought a 1960 maroon Thunderbird and later a 1966 Thunderbird. Replacing a car didn't always mean buying a newer one. Mrs. G who did most of the driving in their 1940 Ford until it gave out about 1951 was given \$50 by Mr. G to buy another car and came back from the local used car lot with a 1933 Dodge and had money left over- it was only \$15. The Dodge had a huge back seat area and lasted several years. Another step-backwards was a 1942 DeSoto with hidden headlights being replaced by a late 1930's Pontiac. A new cream and green 1954 Willys Aero hardtop arrived which was a nice-looking car. It was replaced by a 1960 Ford Falcon which the owner didn't like as it never really warmed up and would not run smoothly in cold weather. It was replaced after a year by a Studebaker Lark which was still around in 1970. There was one Crosley, a blue station wagon. The first foreign car was a 1952 or so green VW, and in 1960 the first Japanese car, a tiny Datsun. It was kind of laughed at and was kept only a few years. Two cars were around for a very long time--- both garaged and well cared for---a 1938 black Oldsmobile until at least 1965 and a 1939 gray Ford until the late 1960s. I don't know what ever happened to them. In May 1967 the best car ever arrived on the block, a 1967 Pontiac Bonneville hardtop. I had just gotten out of the Army and it was my first new car. I wish I still had it.

### Sunshine Committee

Hi, all! I realized that many of you don't know how to contact me in the event that someone is in need of some sunshine. You can contact me on my cell (908) 319-2093 (please leave a message if I don't answer...I work in correctional facility and cannot have my phone), or email me: [pritchypritch518@gmail.com](mailto:pritchypritch518@gmail.com).

Thanks!!! Sarah Pritchett  
NJAACA #1404

## REQUEST FOR HELP 2019 SPRING NATIONAL ADVERTISING

Ladies and Gentlemen of the NJ Region AACA:

**A**s I mentioned in the December issue of the Road Map and in my announcement during our Holiday Party, this is not a one person task and I am looking for assistance from the NJ Region's membership to solicit advertisements for the Souvenir Program for the upcoming 2019 AACA Eastern Spring National that we are hosting. Now that the Holiday Season is behind us, I need our membership to step up and offer their assistance either by providing contact information for likely advertisers or by soliciting ads from these likely advertisers, or doing both. Please let me know who you want to solicit ads from first so that I can make sure that that potential advertiser is not approached by two or more members.

Please note that the Souvenir Program will be a magazine style publication including information about and related to the various scheduled events that will be suitable to use as a keepsake of this National Event. The Souvenir Program will include information on local restaurants, points of interest for self guided tours, and the surrounding area. It will also include a complete list of pre-registered AACA vehicles participating and owner information.

A Sponsor's Application Form for soliciting advertisements for the Souvenir Program is located on the following page. You will find the 2019 Eastern Spring National flyer on the next following page. Please use both the Eastern Spring National flyer and the Sponsor's Application Form together as a tool for soliciting advertisements.

I am looking to our membership for volunteers to join the Souvenir Program Committee with the purpose of soliciting advertisements that will be included in this publication and that will pay for its production.

Please reach out to me directly with comments or to let me know that you are willing help. Thank you for your support and assistance. Please Volunteer Your Expertise.

Sincerely,  
Abraham "Abe" Platt  
NJAACA #1524  
2019 AACA Eastern Spring National  
Souvenir Program Chair  
(732) 752-6341 or [abeplatt@aol.com](mailto:abeplatt@aol.com)

**H**appy New Year! We now have 5 months until our club sponsors the Eastern Spring National. I will be taking the lead on the raffle which will take place for the three days of the event. I am asking for donations

of Items to be used as prizes for the raffle. The items will be on display Wednesday, Thursday and Friday and tickets for chances to win will be sold on the same days. Winners will be announced Friday night.

If each family of the NJ region donates something of no less than \$20 in value, we will be well on our way to making this part of the National a success. Usually items are put in a basket or other container in like groups. For instance, baking items can be combined with select coffees; a DVD with popcorn for a night at home watching a movie, gardening tools and seed packets; a bucket with cleaning supplies. The list is endless. Also, any items you may have received for Christmas that aren't quite right for you could be regifted to the raffle. You can bring your own contribution to our meetings right up until the June Club meeting. If you need Ideas or unsure of how the raffle is run, please call and I will be glad to assist.

Denise Tuck

## **MEMBER FEATURE**

Kenneth Dulio NJAACA #1494

I had always wanted a 1957 Chevy by the time I turned 57. At some point I had told my two sons that was my dream car, I was 54 at the time. One day out of the blue my eldest son stopped by and said lets take a ride I have a car to look at. Not knowing what it was at the time, I went along. We took a drive to Pennsylvania, pulled up to a house, knocked on the door and my son said we're here to look at the car that's for sale. The lady that answered the door opened up the garage and there it was, Black Beauty. It was exactly what I wanted. A 1957 Chevy Bel Aire, 2 door hard top, V8 engine, automatic. She told me the price and at that time there wasn't a way that I could not afford it. Two weeks later my son picked me up with a trailer hooked to his truck and said we're going to look at another car. Little did I know we were going back to the same home in Pennsylvania. We get there and my son said we're here to pick up the car. The garage door opens and my son said this is your car, Kevin and I bought it for you. I was so taken back, and grateful and in awe that they would do this for me.

Ken Dulio's 1957 Chevrolet Bel Air

**1939 Buick**  
**Brenda Zimmerman**  
 NJAACA #1238  
*Cover Car*

Dave and I wanted a car to drive on the AACA Glidden Tours so we purchased this 1939 Buick. Dave especially liked and wanted to buy this car as it was identical to the 1939 Buick that his Grandfather owned. After doing a few minor repairs Dave had his Buick ready to go. We used it on four AACA Glidden tours, Founders tours, Eastern Division tours as well as many Region functions. In 2005 the 39 Buick received it's AACA Drivers Participation Class award.

**1940 Buick Super**  
**Duffy Bell**  
 NJAACA #966  
*Cover Car*

I have owned this 1940 Buick Super for 22 years, purchasing it after I found it in the car corral at the Macungie PA show in August 1997. At the time it had only 9,000 miles showing on the odometer. Today it shows 66,000.

It has been on many NJ region tours including trips as far away as Michigan, West Virginia, Maine, Delaware, New York State, Massachusetts and Maryland, at least 10 Glidden Tours, and as many Founder's Tours.

#### OTHER AREA HOTELS

Hanover Marriott ..... 973-538-8811  
Red Carpet Inn ..... 973-539-8383  
America's Best Value. 973-539-8350

### HOSPITALITY ROOM

Our Hospitality room will be offering free beverages and snacks Wednesday through Saturday. We look forward to providing our guests with a comfortable place to congregate and spend time catching up with old friends. We added Saturday to provide a comfortable place for Judging teams to sit and complete their paperwork prior to reporting to Judge's Administration.

### WEDNESDAY Early Bird Tour 10am - 3pm

A guided tour of Ford Mansion - Mr. Ford's widow, Theodosia, allowed General Washington to use her home as his headquarters during the winter of 1779-1780.

Then onto Jockey Hollow National Historic Park, nationally significant as the site of the 1779-80 winter encampment of the Continental Army under General George Washington. Here the Continental Army under Washington's leadership emerged as a cohesive and disciplined fighting force.

### THURSDAY 10am - 3pm

#### THE MAHAN COLLECTION

Come tour the largest collection of Autocars, Brockways, and Mack Trucks around. This personal collection is located in Basking Ridge NJ and houses unique chain drive Macks and other historical machinery and equipment. Including a 16" dia. Navy Gun barrel from the Battleship NJ. The Tour includes Lunch.

### FRIDAY

3am - 7pm

#### HERB SINGE'S COLLECTION

Herb Singe is a founding member of the NJ Region AACAP from 1951. It is always a fascinating time to visit his personal collection of cars and automobiles in his private facility. Brass era cars, automobile art, and other stunning collectibles are in a private warehouse for your viewing pleasure. A buffet Dinner is provided.

**The New Jersey Region AACAP**, host of the 2019 Eastern Spring National, welcomes you to "Cat's & Dogs 2019". We encourage all members to register their vehicles for judging. The meet plaque will be given to each registered vehicle when entering the judging field.

The judging of vehicles will begin promptly at 11 AM on Saturday. Any vehicle arriving after 11 AM WILL NOT be judged. Please Do not be late! Allow time for traffic flow. All vehicles must remain on the judging field until released by the Chief Judge.

All registered race car owners will be requested to demonstrate running condition on Friday in the Trailer Parking Area 11:00 am. Spectators are welcome, but must remain in the seating areas. The time for this event may change due to weather conditions. Please listen for field announcements.

#### Raffle/Silent Auction

Join in the fun with a game of chance. Our raffle will consist of a hundred or more items, some automotive related and some not. Drop your tickets in the bag for your favorite items. Winners will be drawn on Friday night.

Silent Auction items will be higher premium items. A clipboard will accompany each item with a starting bid price. Simply list your name with your bid. If someone bids higher, you will have the opportunity to top that bid. Bidding will be closed and a winner declared on Friday 2 PM.

### GREAT FALLS OF PATERSON

72 McBride Avenue  
Paterson, NJ 07501

Here you will find the second largest waterfall in the USA (Yes, only second to Niagara Falls). Cotton and silk fabrics; steam locomotives; continuous rolls of paper; airplane engines. What do these things have in common? They were all manufactured in the same place - Paterson, NJ.

In 1792, Paterson was established, America's first planned industrial city, centered around the Great Falls of the Passaic River. Find out how the place, people and products worked together to bring the Industrial Revolution to the United States (self-guided tour).

### THE FRELINGHUYSEN ARBORETUM

353 East Hanover Ave.  
Morris Twps., NJ 07960

This 127-acre preserve, which surrounds a historic Colonial-Revival mansion and its formal gardens, offers self-guided nature trails with all trees and shrubs labeled as reference (self-guided tour).

### CONTACTS

#### Meet Chairman

## CAR BATTERY TESTING & VOLTAGE

### Car Battery Testing & Voltage

It's important to test your battery and electrical system regularly, not just when it's starting to show signs of weakness. Proactively testing it (or making sure your mechanic does) twice a year will help reduce your chances of failure. Most retailers offer a simple free five minute battery test. Use our Find a Retailer for a location near you to get a free battery test.

### When Fully Charged, How Many Volts Should A Car Battery Have?

Fully charged automotive batteries should measure at 12.6 volts or above. When the engine is running, this measurement should be 13.7 to 14.7 volts. If you don't have a multimeter to tell you the voltage of your battery, you can do a test of your electrical system by starting the car and turning on the headlights. If they are dim, that indicates the lights are running off the battery and that little or no charge is being produced by the alternator. If the lights get brighter as you rev the engine, it means the alternator is producing some current, but may not be producing enough at idle to keep the battery properly charged. If the lights have normal brightness and don't change intensity as the engine is revved, your charging system is probably functioning normally. If you've been experiencing problems with your battery system and the headlight test checks out okay, you should check whether or not the battery is holding a charge, or if something on the vehicle is discharging it.

### Car and Truck Battery Maintenance Tips

1. Check your battery every now and then to make sure its terminal connections are clean, snug and protected from the elements. Signs of corrosion or leakage could mean that your battery is no longer operating as well as it should.
2. Always unplug accessories and turn off lights when your car is turned off.
3. Keep the battery in cooler places whenever possible. Heat damages batteries.
4. Scrub corrosion from the terminals with a solution of water and baking soda.

### Preventative Car Battery Maintenance

- Secure the hold-down bar. This ensures that your battery is snugly seated and will help minimize vibration which can be detrimental to certain types of batteries.
- Routinely test your battery to make sure it is correctly charged. This allows you to recharge your battery, if needed, to maintain its peak performance. It's important for your battery's health to get it tested twice a year to keep it at its optimal performance level.
- Be sure to read and follow all safety and handling instructions on the battery and this website.

### What is Battery Sulfation and How Do I Prevent it?

The term sulfation describes the accumulation and growth of lead sulfate crystals inside the plates when a battery is in a discharged state for an extended period of time. Sulfation begins as soon as voltage level gets too low which, in the case of a 12-volt battery, is below 12.6 volts. If the crystals are not recharged, they eventually combine to form larger crystals. These bigger crystals are harder to dissolve and recharge, and eventually they lead to battery failure by disrupting the plate structure. Sulfation decreases battery performance by blocking the chemical reaction that allows the battery to hold its charge.

Sulfation can be reversed by using a charger that has a de-sulfating mode, which will slowly dissolve the lead sulfate crystals and recharge them back to active material.
