## April 2022

### Features :

- 5 --- Presidents Message by Greg Roser
- 10 --- Spring Meet Awards Sponsorship by Jerry Pack
- 11 --- 69th Annual Spring Meet Entry Form
- 12 --- Judging Seminar by Bill Pritchett
- 11 --- Road Trip May—Abe Platt
- 15 --- Dairy Queen Day by Bill Pritchett
- 16 --- Autumn Lake Healthcare by Abe Platt
- 16 --- Private Car Collection Tour by Abe Platt
- 17 --- Hillsborough Parade Day by Bob Hudak
- 18 --- Mid Jersey Region Cruise Night
- 19 --- SAVE THE DATE Lukan Resort by Pete Cullen
- 19 --- 69th Spring Meet by Pete Cullen
- 20 --- Hunterdon Hills Playhouse
- 21 --- Staten Island Region Spring Dust off

### Columns :

- 3 --- Celebrations by Brenda Zimmerman
- 13 --- Rich's Repair Ramblings by Rich Reina
- 15 --- Rummage Box by Wayne Tuck

### Departments :

- 4 --- Schedule of Events
- 6 --- Meeting Minutes January 2022
- 12 --- Classifieds
- 24 --- Club Officers

### NEXT MEETING

The April (752<sup>nd</sup>) meeting of the New Jersey Region AACAC will be held at the VFW on Rt. 53 in Morris Plains  
**8:00 PM April 7th, 2022**

### Spring Fling, May 20-21

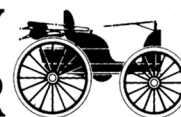

This is just a preliminary overview for the Spring Fling. Although it appears that Covid is greatly lessening, I am not planning on going overnight this year, and next year hope to resume the overnight trip.

For Friday, I am hoping to go to the Stoogeum, a Three Stooges museum, in Ambler, PA. We toured there several years ago and had a great time. It is run by one of their nieces and highlights their lives, costumes, and other related items. They have just started to reopen after two years of being closed. They very sporadically open on Saturday and only with perhaps a week's notice. However, they do a two hour block during the weekdays so I hope to do that. More information will be available next month.

Saturday, well, you will have just to wait and see where we will wind up.

Bill Pritchett

### Anniversaries/Birthdays

With all the changes due to Covid and other interferences, I would like to update the records for all members who would like to have either their birthday and/or wedding anniversaries in the Road Map. I only need the date of the birthday, month and day. For the anniversary, please give me the date and number of years.

Thank you,

Bill Pritchett

*A Message from the  
Incoming President  
April 2022*

**H**appy Spring to all my fellow NJ Region members! Even though the world Covid situation is mostly behind us, we still only had 40 very dedicated club members attending the March region meeting. We had a great meeting with lively discussion, but I would still like to see more club members come out. I try to mix some pleasure into the business so the meeting is enjoyable. Besides, as a club member you get more out of this club by attending the monthly meeting and events throughout the year. I am glad to report that members responded with plenty of sweet goodies for our after meeting social time. Everyone seemed to have a good time.

Our region is blessed to have many dedicated volunteers, and I will try to recognize some each month. PJ Ehmann has been auditing the club's books and filing our taxes each year at no charge to the club. He works behind the scenes, mostly without accolade or recognition. I want to publicly thank PJ for his dedication to the NJ Region. I am proud to announce that all four of the open positions in our club have been filled after long hours of recruiting. As I stated last month, Dick Bettie will be our new Road Map Editor and Bob Smith is our new Old Timers' Night chairperson, assisted by Vince DeLisi. Since last month's message, I was able to fill the banquet chair position. Betty Allen will be taking over for retiring Pat Hogan for next year's banquet. Betty is a six year region member who can seldom attend meetings due to work requirements, but is a frequent back seat rider with June and me to region activities and events. Betty at one time worked for New York City Mayor Ed Koch managing his events, and is a good fit for the job. At the March region meeting, VP Paul Wolfmeyer volunteered for the position of Parliamentarian. There were some initial concerns about an officer taking this position, but Roberts Rules of Order does not disallow it. Our by-laws do not state that this is improper, so I accepted Paul's offer to fill this position. AACA awards an "Extra Mile Award" pin to region members who have given the extra effort to make this club better. If you would like to nominate a member for this award, contact me, or our National President Wayne Tuck.

Our re-scheduled Awards Banquet will take place on Sunday April 3rd. Though the officers were installed via a Zoom meeting in January, they will still be recognized at the banquet. Even though our activities were curtailed somewhat last year, we still have several awards to present. We have already received a \$400 payment from Hillsborough for participating in their May

28th Memorial Day parade with our antique cars. Please consider dedicating a few hours to ensure the enjoyment of all. In previous years, we have had up to 30 cars attending. Try to participate in as many club events as you are able, as our members spend many hours planning these. Many assisted living facilities and towns pay us to attend, so help to support your club's treasury. Don't forget our revitalized Spring Meet on May 1st at our new location in Denville. Volunteers are needed for judging, parking, registration, and other duties. Watch the Road Map and e-mails for all updates.

I will be working with our officers to update our tri-fold NJ Region membership brochure. It has been several years since it was updated. It is a valuable new member recruiting tool. National's tri-fold has been well received, but we need our own to promote all that is great with the NJ Region. Please use our website [www.njregionaaca.com](http://www.njregionaaca.com). There is much valuable information there. To access the members only section including member contact information, see officers for the password. Art Briggs is in process of updating the membership listing to include all the club information that was included in the last full roster of 2019, such as past Pres-idents, committee chairs, and vehicle points for events.

As always, I am available to speak to you about your concerns and suggestions. I am retired so I can be reached at any time before 9PM. I look forward to hearing from you.

*Respectfully submitted,  
Gregory Roser, President  
NJAACA #1398*

## NJ REGION AACA

### Minutes March 3, 2022 #751

The 751st NJ Region AACA meeting was held in person at the Morris Plains VFW and called to order at approximately 8:00 P.M. by President Gregory Roser, who led members and guests in reciting the Pledge of Allegiance.

**Guests and New members in attendance:** Guest Bob Vella was in attendance.

**Meeting Minutes:** A motion was made, seconded, and unanimously approved to accept the minutes from the February Region meeting, as published in the March issue of the Road Map.

**Correspondence, Sarah Pritchett:**

1. A letter from AACA Library & Research Center thanking NJ Region for each \$30 donation in memory of recently passed Region members Ken Miller and Esther White.
2. A box containing some car club jackets that belonged to Jack and Carole Mace, who were Region members about twenty-five years ago, according to the enclosed note from their son David. David said that his mother passed away in 2000 and his father is now in a nursing home, and they found joy in their club membership. The jackets and note were given to Archivist Matt Verzi.

**Treasurer's Report, Tim Schimmel:** A motion was made, seconded, and unanimously approved to accept the treasurer's report.

**President's Report, Gregory Roser:**

1. Greg updated members on the status of open positions:
  - a. **Road Map Editor:** As current editor Jay DeBoey is stepping down, Region member Dick Bettie has agreed to take over this very important position, beginning with the July issue. He has much experience as he was editor for the MG and Ford Clubs. Dick and Jay are currently working to ensure a smooth transition.
  - b. **Banquet Chair:** Current chair Pat Hogan will step down after our banquet on April third of this year as she is moving away to be closer to her family. Region member Betty Allen has expressed interest in taking on this position. She has served as an event planner for New York Mayor Ed Koch, and has been looking to do more with the Region.
  - c. **Parliamentarian:** Current Parliamentarian, Tex Sorrell is stepping down. This position is important as it ensures our meetings follow Robert's Rules of Order. Current Vice President Paul Wolfmeyer offered to take on this position, as long as it doesn't interfere with his current position as Vice President. Greg will research this issue and figure it out.
  - d. **Old Timer's Night Chair:** With Herb Singe, Jr.'s passing, and Lillian Anderson moving away, we need a new chairperson for this traditional event. Our most senior member (not in age, but in membership length) Bob Smith has offered to chair this event. Region member Vince DeLisi will be assisting Bob with this. This event will potentially be held in September as the October meeting conflicts with Hershey.
  - e. **Activity Chairs, in general:** It was noted that the same few people tend to chair region events, and we need more people to step up and arrange events such as assisted living facility visits, as an example (as there are a lot and this is one source of much-needed revenue). Region member Abe Platt chairs a lot of these events, and it isn't necessarily a one-person job. Greg has asked members to please consider hosting a Region event. If you are interested in hosting a Region event, please notify an officer and we can assist you!
2. Announcements:
  - a. Greg extended much needed gratitude toward member PJ Ehmann, who was not present, for his many years of service to the club as he has been the one to audit our books and complete our tax returns for free.
  - b. The Membership Roster for our Region is on our website ([www.njregionaaca.com](http://www.njregionaaca.com)) under the "Members Only" section, which is password protected. Due to the nature that these minutes are published publicly, if you need the password, please see a Club Officer. The "Members Only" section also has our most recent By-laws (2019), activity request form, and more. The Points information will be updated.
  - c. Hillsborough has already paid our region \$400 for our participation in their 2022 Memorial Day Parade, which will be held on Saturday, May 28th. Greg has urged all members to consider attending this event, especially since we have already been paid and it would be disgraceful to have a small turn-out. Other car clubs can also participate. Please see Chairman Bob Hudak for additional information and to sign up!

**NJ REGION AACA****Minutes – March 3rd, 2022 #751 (cont.)**

**Activities, Paul Wolfmeyer:** Region and National calendar of events from March through May 2022 were announced. They include the National Convention, Winter and Spring Nationals, NJ Region Awards Banquet, Founder's Tour, and Region meetings and events. Please see the Activities Calendar in the Road Map or on the websites for the NJ Region ([www.njregionaaca.org](http://www.njregionaaca.org)) and National AACA ([www.aaca.org](http://www.aaca.org)) for more information. If you are interested in chairing an event for the NJ Region, please fill out the form on the Region website and/or contact Paul to have the event scheduled on the Region Calendar.

## 1. Other activities:

- a. March 27th is the South Jersey Region meet.
- b. Touring two South-Jersey Region members' private car collections on Saturday, April 9th. Tourists will convene in Piscataway and depart at 830am SHARP. Please contact Chairperson Abe Platt no later than noon on Monday, April 4th.
- c. Member Mike Deliberto, who is also President of the Garden State Mustang Club, announced that Mustang Day will be held on April 16th this year (it is usually the 17th; however, that day is Easter). He invited anyone with a mustang to come out and celebrate at a local horse farm. Contact him for more information and to sign up.
- d. Dairy Queen cruise-in will be held on Saturday, April 23rd at the Dairy Queen on Route 31 in Washington, NJ. Members Mark and Grace Bernstein own this establishment and will provide members with free hotdogs and ice cream. Please contact Chairperson Bill Pritchett for information and to sign up.
- e. Staten Island Region is having their "Dust-off" on April 24th.
- f. NJ Region Judging Seminar will be held on Sunday, April 24th at Ashley's Auto Body on Hillside Avenue in Flanders, NJ. Please see Pete Cullen for additional information.
- g. Private car collections in Eastern PA (Kutztown & Macungie areas) on Saturday, May 14th. This tour is limited to about one hundred people and there will be a \$10 entrance fee per person. Tourists will depart from Clinton Station Diner between 830-9AM. If interested in more information or attending this event, contact Chairperson Abe Platt no later than noon on Monday, May 9th.
- h. Autumn Lake Healthcare Facility in Berkeley Heights, NJ- Thursday, May 17th, 1230- 4PM. Food and music will be provided. Please see Chairperson Abe Platt for additional information and to sign up no later than May 10th.
- i. Spring Fling- Friday, May 18th and Saturday, May 19th. Due to the influx of Covid cases, Chairperson Bill Pritchett decided it would be best to do two separate day trips for this annual event. Friday he will take tourists to The Stoogeum, a Three Stooges Museum in Ambler, PA, and Saturday's destination is to be determined as he has a few places in mind. Please contact him for more information and to sign up.
- j. Hillsborough Memorial Day Parade & Car Show- Saturday, May 28th. Please contact Chairperson Bob Hudak for information and to sign up.

**Glidden Tour, Vince DeLisi & Jerry Peck:** In Vince's absence, Jerry provided updates regarding planning this event. "Things are coming together."

1. Jerry was modeling the newly created embroidered white Land's End polo shirt that tourists can purchase.
2. There are approximately five tour guides and they're all working hard. Their routes are planned out.
3. They had a booth at the National Convention in Gettysburg and had about twelve people excited for the tour.
4. Over one-hundred-fifty advertisement letters for sponsorship have been sent out, and about seven or eight have come in so far.
5. Bobbi Bettie is overseeing all of the special use permits.
6. Requirements are strict:
  - a. Vehicles up to and including 1942.
  - b. Safety modifications are allowed, but that's it.
7. Two South Jersey Region members have signed up to assist. One will take on the role of Parking Czar and the other will be managing the Hospitality Room.
  - a. We still need someone to chair the silent auction. Please see Jerry or Vince if interested in partici-

**NJ REGION AACA****Minutes – March 3rd, 2022 #751 (cont.)**

pating and/or chairing this event.

8. Opening Banquet will be held at an Alpaca Barn in Stockton, NJ with REAL bathrooms! Tourists will also be able to take a self-guided tour of Princeton.
9. Volunteers will be needed throughout the week! Call or email Vince or Jerry if you have questions or are interested.
10. Abe Platt questioned whether region members with antique cars that aren't eligible to be part of the tour could still unofficially attend the individual tours? Jerry isn't sure but will research this and get back to us.

**Spring Meet, Pete Cullen:** Will be held on Sunday, May 1st at the Lakeview School on Cooper Avenue in Den-ville, NJ. We will have access to the school bathrooms as well. If this works out, this could be a permanent loca-tion! This event, as always, is rain or shine.

1. Registration form was sent out with the March edition of The Road Map.
2. There are approximately 150-200 spaces for show cars, and additional spectator parking at the nearby Ayres Knuth Farm on Cooper Road.
3. Judging Seminar is scheduled for Sunday, April 24th at Ashley's Auto Body.
4. Cost: \$15 pre-registration and \$25 day-of-show registration.
5. Jerry Peck will take any pre-registrations tonight in Vince's absence.
6. A food truck will be provided and will serve breakfast and lunch. Pete thanked members Dick and Bobbi Bettel for their assistance in this matter.
7. Pete thanked Abe Platt and Bill Pritchett for publicizing this event.
8. Vendor spots are available.
9. There is no age limit on cars, as we have included classes for modern and modified vehicles.
10. A lot of volunteers will be needed for this event! Contact Pete for more information and to sign up!
  - a. Vince DeLisi will oversee registration
  - b. Ed Gellar agreed to stay on as Chief Judge
  - c. Bob Hudak will assist in field set-up

**Fall Foliage Tour/Lukan's Farm Resort, Pete Cullen:** This event will take place the weekend after Hershey in October. There are approximately fourteen rooms. He will need commitments by June and a \$100 deposit. He opened this event to the Mustang Club as well. Please contact Pete if interested in attending. No other updates were provided at this time.

**Tour Masters, Pete Cullen & Bill Pritchett:** The Summer Tour will be held the last week/weekend in July. They are leaning toward the Finger Lakes area of New York. They are hoping for at least ten cars to attend; more info will be provided later.

**Awards Banquet, Pat Hogan:** Greg reminded everyone of the upcoming banquet, in Pat's absence:

1. New date is April 3rd at the same location (The Chandelier at Flanders Valley, Flanders, NJ) from 12-3pm.
2. Those who already purchased tickets don't need to do anything.
3. Those interested in attending this event, please contact Pat Hogan **no later than March 10th**.

**Awards Chair, Jerry Peck:**

1. There are three awards to be presented at the banquet.
2. For the Spring meet, there will be seventeen groups judged and a first, second, and third prize for each group. The prizes have to be paid (sponsorships are \$50/piece).

**Road Map Editor, Jay DeBoey:** In Jay's absence, incoming editor Dick Bettel had no report.

**Membership, Bill Pritchett:** No report.

**Webmaster/social media, Leif Mangulson:** No report, as Leif was absent.

**Participation Points, Vince DeLisi:** No report due to Vince's absence.

**Welcoming Committee, Denise Tuck:** There is no report due to her absence.

**NJ REGION AACA****Minutes – March 3rd, 2022 #751 (cont.)**

**Sunshine Report, Sarah Pritchett:** There are a few matters of Sunshine, as delivered by members Jack Diana and Bob Smith. Cards will be sent within the next few days.

1. LeRoy Gearhart fell last autumn and has been wearing a neck collar since. Unfortunately, the doctor has not seen any healing, and there really isn't much that can be done.
2. Member Walter Terry had emergency surgery for stomach problems; he is doing better now.

**Refreshments, John Pieczynski:** The following members brought treats for all: John Pieczynski, Jerry Peck, Jan Eyerman, Sarah Pritchett, Sam James, Greg Roser, Richard Reina, Bob Kelly, Ron/Rob (not sure, and no last name provided), Sue Schmidt, and Dick Bettle. Greg commented that the treat table looked much better tonight than last month and thanked everyone who contributed!

**Watchung Mountain Chapter, George Ernst:** There is no report as George was absent.

**Government Liaison & Safety, Bob Hedderick:** Bob was absent, but members John Quattrocchi, who serves as the Sergeant at Arms for the NJ Board of Assembly, and Sue Schmidt notified membership about two new laws going into effect, respectively:

1. NJ will no longer suspend your driver's license for unpaid parking tickets; however, they will instead suspend your vehicle registration.
2. Drivers must move over to allow at least four feet of space when passing a pedestrian, bicyclist, skateboarder, or scooter. It was noted that as always, be mindful of others while driving!

**Archivist, Matt Verzi:** Matt was present; however, had no report. He took the aforementioned box of jackets for research and archiving.

**Properties, Art Briggs:** No report.

**Clothing & Accessories, Bob Kelly:** The shop is open! If you are looking for a certain size and Bob doesn't have it in stock, write down your name and the desired size and he will get it for you.

**Badge Fines, John Quattrocchi:** Badge fines were collected from a few members.

**Old Business:** None.

**New Business:**

1. Greg noted that we used to have a Region trifold that was created by the Pritchett family for us to hand out at events and things notifying prospective members of our club and activities therein. Greg would like to see this brought back as it served as a great tool for bringing in new members. Currently we have our sticker on the National AACA's trifold, which is great for advertising National AACA, but not us.
2. A long-time and very active region member feels "embarrassed" at the "low" thirty-dollar donation we make to the National AACA Library & Research Center in memoriam of deceased region members. This member feels that the amount should be increased, and also suggested that donations be tailored to the member's activity level and any offices held within the region. President Roser said that this issue has come up once before, a few years ago, and said that he wouldn't even know how to put an amount on a person's activity level, or that we even should. He will discuss this matter with the Board of Directors and update the region at next month's meeting and go from there.

**Items for Sale or Wanted:** Abe Platt already put an ad in The Road Map, but he is looking for a Mercury 8.

**50/50, Bob Smith:** Congratulations to Sam James and Brian Pritchett!

**Adjournment:** 9:00 P.M.

*Respectfully Submitted,  
Sarah Pritchett #1404S,  
Region Secretary*

## New Jersey Region Antique Automobile Club of America Award Sponsorship Application

The New Jersey Region - AACAA will hold its 69<sup>th</sup> Annual Spring Show Meet on **Sunday, May 1, 2022**. Note that we have a NEW LOCATION, which includes indoor restrooms and a paved parking lot, at:

**The Lakeview Elementary School, 44 Cooper Road, Denville, NJ 07834**

This year, we are again providing the opportunity for sponsorship of judging awards for each class of vehicles.

Typically, the Region draws as many as 200 restored and original condition vehicles, ranging in age from the 1900's brass era to the mid-1990's for this event. The show field is organized into 16 Judging Classes, with three Awards (1st, 2nd & 3rd) to the top vehicles in each class. The NJ Region judging procedure follows the nationally recognized AACAA format. These awards are determined on the basis of vehicle authenticity, maintenance and overall quality of restoration.

Recognizing the evolution of the antique car hobby, this Spring Meet Show has expanded the eligible vehicles to also include those 25 years and older which have been modified from original design, have been customized by their owners, or are hot rods.

Your sponsorship is important to help the NJ Region continue with the Spring Meet in recognizing all award winners!

All sponsors supporting these awards will be recognized in several ways:

- Each Sponsor will have their name/business name and address announced throughout the day of the show, AND during the trophy presentations.
- A poster containing the names and addresses of every sponsor will be posted in several areas of the show field during the show, including inside next to the refreshment area.
- A listing of every sponsor will be published in the printed and on-line versions of the national award winning AACAA-NJ Region monthly Newsletter.
- Each sponsor will be sent a letter of appreciation, including a dash plaque – the same one provided to the car show participants!

☐ **YES - I would like to support the New Jersey Region, AACAA by sponsoring a class!**

**My donation of \$50 for each class sponsored is attached.**

| 17. Modern classics (1998) to current                             |                 |
| We reserve the right to combine or add classes                    |                 |

### Requirements for Judging

- 1) Vehicle must be on the field by 12:00 Noon.
  - 2) Must have safety glass in the windshield and wind wings.
  - 3) No "For Sale" signs on the judging field!!!!
  - 4) On questions of authenticity, the burden of proof is on the owner.
  - 5) Vehicles must be driven through the fire extinguisher check and onto the show field!
- First place winners at the 2015 thru 2019 Spring Show Meets MUST register in Class 11 and display 1st place plaque.**

*Please check your class assignment as well as the information in your registration packet's judging check list for accuracy!*

### ATTN: NJ Region AACA Members Only

After registering your vehicle for the show, you may **pre-register** a second antique vehicle registered to you or your spouse without charge. Vehicle must be displayed in the appropriate class, and the registration form needs to note: "do not judge".

**Vehicle for display only!**

**A UL approved Fire Extinguisher must be in the vehicle for entrance to the show field and visible in the vehicle for judging.**

**Award winners or their representatives must be present to pick up trophies awarded at this show!**

### Judging Seminar, Sunday April 24

**W**e will have a judging seminar at 10:00 A.M. on Sunday, April 24 prior to the Spring Meet which is on the following Sunday. It will be held rain or shine at Ashley's Auto Body, 274 Hillside Ave, Flanders, NJ 07836. A modified form of the National judging system is used for our Spring Meet. There will be an overview of the judging system and a chance to judge a couple of cars for those attending.

This is a great opportunity to brush up on your judging, or, if you have not done it before, to learn what is looked for in judging a car. Also, if you are new to the Region, it is a way to meet fellow members.

Directions to Ashley's Auto Body:

	From Chester at intersection of Route 206 and Route 24	Mileage
1.	Take Route 206 North	5.0
2.	Turn right onto Main St / County Hwy-619 at stoplight.	0.2
3.	Turn left to stay on North Rd / County Hwy-619.	0.8
4.	Arrive at S Hillside Ave / County Hwy-619 on left.	
	From I-80 and Route 206	
1.	Take Route 206 South.	2.8
2.	Turn left onto Main St / County Hwy-619 at stoplight and follow directions above.

**Rich's Repair Ramblings  
April 2022  
Nuts and Bolts: Part 3  
Repairing Broken Fasteners**

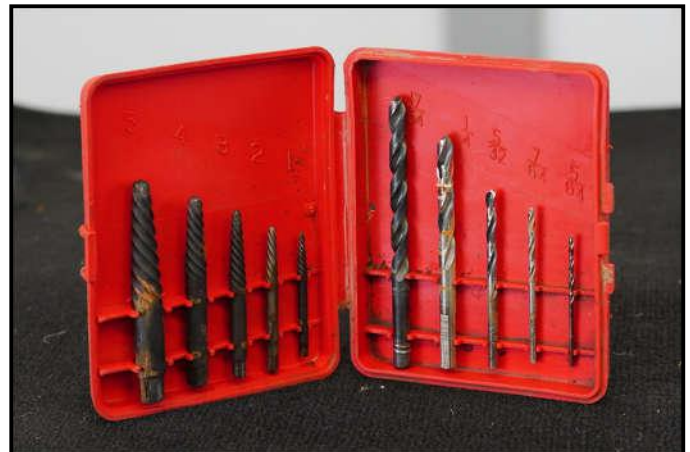

**L**ast month we detailed various methods to remove stuck fasteners. Sooner or later you will come across one that won't budge, and worse, your best efforts will result in a snapped nut, bolt, or stud. Let's go back to an important question asked previously: how valuable is the part, and are replacements available? Repairing snapped bolts is not simple. It may be quicker and easier (albeit more expensive) to replace the component rather than try one of the methods below. At the other extreme is the possibility that the component is irreplaceable, and there is no choice but to remove the broken fastener.

If enough of the stud protrudes to allow use of locking pliers like Vise-Grips, you might try to continue methods discussed earlier using solvents or heat. I have had success this way, but patience is key. Soak the part longer than before; and apply heat longer than before. The locking pliers must get a good grip on the protrusion; if not, the pliers will slip and will chew up the outside of the stud. If it still won't budge, hacksaw the stud flush with the surface, and try these methods.

**Left-hand drill bits:** A left-hand drill bit spins the same direction as you would turn the bolt to remove it. In theory, if the drill bit grabs enough metal, the counter-clockwise spinning action might break the bond. Several points to remember: one, you still need to apply solvent or heat, and two, you need a reversible drill, preferably a variable-speed one. The slower the speed, the better for this method. Left-hand drill

bits are available in most hardware stores. Exercise extreme caution: you must center the pilot hole, and you must not go so deep with the bit that you risk damaging the component itself.

**Screw extractors:** Sometimes called 'easy-outs', these look like large aggressive drill bits. After drilling a pilot hole, the screw extractor is threaded counter-clockwise into the hole using a wrench or socket. The flutes bite into the broken stud, and in theory the extractor grabs it tightly enough to eventually loosen it. The operational theory is the same as left-handed drill bits, except the screw extractors have more aggressive splines. I've used these extensively; sometimes they work, and sometimes they destroy the stud without removing it. Like the drill bit method, you should carefully center the pilot hole, and you should be mindful of not destroying the original threads. If this doesn't work, we still have two more options to pursue below.

*My screw extractor set includes the correct-sized corresponding drill bits for each*

**Drill and re-tap:** If the first two methods are not successful or are not appropriate in your situation, your next option could be drilling out the old stud and retapping the threads using a tap and die set. This choice becomes a judgment call, and requires some skill. You must use a large enough drill bit to remove most of the stud, but not so large that there isn't enough metal remaining to cut new threads. In general, this method works better in harder metals like cast iron rather than aluminum. Again, centering the drill bit is critical to ensure that the new threads will line up with the component being fastened. After drilling out the broken stud, a tap is used to cut the new threads. This method has worked for me. (As discussed in the Feb. 2022 Ramblings, you will need a way to determine the size and pitch bolt to know the correct size tap to use.) A drill press, if one is available, helps ensure that the drilled hole is at the correct angle.

**Drill and install Heli-Coil:** Similar to drilling and

*Several taps; the rust should be cleaned off before they are used*

retapping, the offending snapped stud is also drilled out, but instead of cutting new threads with a tap, a threaded insert called a Heli-Coil is used. This approach is more appropriate in softer metals, or in cases where there isn't enough metal remaining to cut new threads. The Heli-Coil package explains the size drill bit to use. You still must use a tap to cut threads for the Heli-Coil insert! Heli-Coils are available in both SAE and metric sizes (again, you will need a way to determine the size and pitch bolt to know which size Heli-Coil to use).

All these methods require time, patience, finesse,

*Some Heli-Coil inserts. The tang at the top is snapped off after the insert is installed*

and a working comfort level with power tools. If the component with the broken stud is particularly valuable, you may want to consider using a professional to

complete the repair job. One technique I've employed is to purposely break a bolt in a piece of scrap metal, and use that to practice. You can't do further damage to anything that way. Always think about what your next step is going to be if the current removal method you're trying doesn't bring success! But when you do get it fixed, the feeling of accomplishment is rewarding.

## Hudson Hornet Twin-H Power Luxury Car or Performance?

By Wayne Tuck

AACA National President

Most early fifties race fans are familiar with the Hudson's record of performance on the track. The Twin-H flathead six record speaks for itself. Probably the Disney Pixar movie, "Cars" brought it back to life for the younger generation.

Most of the better known race cars were twodoor coupes with standard transmissions. However, many preferred the 4-speed Hydramatic transmissions and fourdoor sedans. Both versions performed well. The low center of gravity and suspension added to its performance. That same suspension and power also made the Hudson Hornet a very desirable luxury car. The price range and features made Hudson competitive with other manufacturers such as Buick and Cadillac. I have owned a Hudson Hornet for many years and driven on numerous AACA tours. My Hudson subsequent to receiving an AACA first place Senior Award has been driven over 40,000 miles. This car

is truly a joy to drive. Driving at modern highway speeds of 70 MPH+ for sustained periods makes you forget you are driving an old car. Even without power brakes, the car stops quickly and efficiently with four wheel drum brakes. The comfort and roominess of the interior gives you the feel of true luxury. The exterior stainless steel trim and chrome are a thing of beauty. Of course, you quickly realize that it is not a modern car on a hot day with no air conditioning. Maneuvering in a tight parking lot is a challenge but great exercise for building arm strength. This is all part of the fun of owning and driving old cars. To answer the question of Luxury or Performance, this car is both! If you are looking for a car to drive long distance at highway speeds, it's hard to top the Hudson Hornet.

### Dairy Queen Car Display (11-2:00), Saturday April 23

I know the number one thing on your thoughts this winter has been ice cream, or perhaps an ice cream sundae with a topping of nice cool whipped cream, or a nice cool shaved ice. For you dreamers, you are in luck. Once again, Region members Grace and Marc Bernstein have invited us to hold a car display at their Dairy Queen, 231 NJ-31 S, Washington, NJ 07882. They have offered free hot dogs and ice cream to Region members.

It will be held from 11-2:00 on Saturday, April 23. If the weather is questionable or for any questions, please call me on my cell phone at 908-581-0411.

Directions:

	Intersection of Route 57 and Route 31	Mileage
1.	Head south on Route 31, and the Dairy Queen will be on the right.	0.8
	Intersection of I-78 and Route 31	
1.	Head north on Route 31, and the Dairy Queen will be on the left	10.4

## **AUTUMN LAKE HEALTHCARE** **@ BERKELEY HEIGHTS**

**Tuesday, May 17, 2022**  
**12:30 PM to 4:00 PM**

**M**s. Lisa Washington, of [Autumn Lake Healthcare](#) has again reached out to the NJ Region AACA to request that we conduct another Antique Car Show for the patients, residents, and staff as we did in 2021. On Tuesday, May 17, 2022, we are scheduled to conduct our **Second** Antique Automobile Enjoyment Event at [Autumn Lake Healthcare, which is a](#) nursing & rehabilitation center, located at 35 Cottage Street, Berkely Heights, NJ 07922, (908-897-1000). Please note that this is a **weekday event**. Our arrival/assembly time is scheduled for around 12:30 PM and we will assemble in our designated parking area located at the front of the facility. **The car display is from 1:00 PM until 4:00 PM.** The Autumn Lake Healthcare facility will have music for the event and will provide our members with lunch. As space is limited, please let me know by May 10<sup>th</sup> if you would like to attend so that we can provide Ms. Washington with an idea of how many people and cars we can expect.

Thank you for your participation. Come join your friends, and the residents and staff of this healthcare facility. If you have any questions, please contact me at (732) 752-6341 or via email [abeplatt@aol.com](mailto:abeplatt@aol.com). **If there is a chance of rain or it is raining, please call my mobile phone to confirm day of event activity.** The rain date is Wednesday, May 18, 2022.

**Face masks may be required** for all participants, depending on current State and Health Department regulations, and must be worn at all times except when eating lunch. Please note that this event is not open to the public.

### **DIRECTIONS:**

**From Springfield Avenue in Berkley Heights:** Proceed south on Plainfield Ave. from Springfield Ave. to Cottage Street, turning left onto Cottage St. The facility is on the right at the end of Cottage St.

**From Mountain Avenue in Berkley Heights:** Proceed north on Plainfield Ave. from Mountain Ave. to Cottage Street, turning right onto Cottage St. The facility is on the right at the end of Cottage St.

## **Trip to South Jersey** **Tour of Private Car Collections**

**Saturday, April 9, 2022**

**A**ttention my fellow Tourists, I have contacted a member of the South Jersey Region AACA and arranged for us to travel to South Jersey to visit two private collections of automobiles. We will meet at the parking area identified as Johnson Park Grove 4 off of River Road or Johnson Drive in Piscataway, New Jersey 08854. Johnson Drive is accessed from Landing Lane, which is off of the west side of River Road. Please arrive early as we will be departing at 8:30 AM, **SHARP**.

The trip to our destination will be on New Jersey's fabulous highway system and will take one and one-half to two hours at moderate highway speeds. If the weather is favorable, **please drive your antique vehicles if you can**, so that we can share them with our hosts, who are members of the Vintage Chevrolet Club of America (VCCA). The trip to our first stop is approximately 85 miles one-way. We will regroup at the WAWA located approximately 4-miles from our first stop. The tour at the first location is scheduled to start at approximately 10:30 AM.

We will spend an hour or so at the first location, then proceed to the Elmer Diner for lunch. After lunch we will proceed to our second location for a tour of that private collection of automobiles.

If you are interested in this tour, please contact me as soon as possible at (732) 752-6341 (home office) or via email at [abeplatt@aol.com](mailto:abeplatt@aol.com). Please let me know no later than by **Noon on Monday, April 4, 2022**, if you are planning to attend so that I can determine how many cars and attendees we can expect. We need to provide this information to our contact at the diner so that staff is available.

### **Address Information:**

The address of the WAWA is: 450 Delsea Dr, Malaga, NJ 08328

The address for the first stop is: Monroeville, NJ

The address for the Elmer Diner is: 41 Front Street (U.S. Route 40), Elmer, NJ 08318

The address for the second stop is: Monroeville, NJ

Thank you for your interest.

## Road Trip to Private Car Collections in Eastern PA Saturday, May 14, 2022

**A**ttention antique automobile enthusiasts, I have arranged for "A Road Trip" to visit two private collections of antique vehicles in Eastern PA which will include Dr. Robert Blake's collection housed at the Old Spokes Car Museum (Bob's Auto Orphanage) in New Smithville (Kutztown) and Dave's Interior Restorations in Emmaus. Both facilities can easily and safely handle around 100 visitors at a time. Mr. Bernie Thompson, the curator at the Old Spokes Museums will charge us an entry fee of \$10.00 per person. This collection of 60-plus cars includes Hudson, Essex, Teraplane, Maxwell, Chrysler and more. Please bring exact change for your party to make it easier and quicker for us to enter this facility. Mr. David Brady will give use a short discussion on interior restoration techniques for antique automobiles. I have spoken to Dave a number of times since meeting him at the 50<sup>th</sup> anniversary of the Buick Club of America at the NB Center in 2016. He has Hudsons and Buicks. Since we are members of an antique car club, please drive an antique vehicle that can safely negotiate a round trip of approximately 160 miles, depending on your starting point. Our route will be planned to avoid or limit travel on any major highways. We will break for lunch between the two locations at the Emmaus Shopping Center which has a half-dozen or more eateries including the East Penn Diner.

We will depart from the parking lot at the Clinton Station Diner at between 8:30 and 9:00 am, so please be on time. If you are going to have breakfast prior to departure, please arrive early enough not to hold up the rest of the tourists. There is a vacant bank parking lot just above the diner's parking lot if you want to meet there. Once assembled, I will hand out route maps and we will proceed, in small groups, to the Old Spokes Museum via routes 22 and 173. This route will take around 1.5 to 1.75 hours getting us to the Old Spoke Museum at approximately 10:30 to 10:45 am. The car collection is housed in two buildings across Old Route 22 from each other and there is parking in front of each. Please use both parking areas, do not park on the street. Based on conversations with Mr. Thompson, I am allotting 2 to 2.5 hours for this facility. Please reassemble in the parking and we will proceed to the Emmaus Shopping Center for lunch at your choice of six or more eateries. We will reassemble on the street side of the parking lot and proceed to Dave's shop which is further north on Chestnut Street. I am allotting 1.5 to 2 hours for this visit.

The tour is limited to around 100 people. If interested, please contact me as soon as possible at (732) 752-6341 or via email at [abeplatt@aol.com](mailto:abeplatt@aol.com). Please let me know by **noon on Monday, May 9, 2022** if you are planning to attend so that I can determine how many cars and attendees we can expect. We need to provide this information to our hosts. Please also let me know if you will be joining us for breakfast at the Clinton Station Din-

er. I will inform the Diner if we are expecting a crowd.

### Address Information:

Clinton Station Diner: 2 Bank St, Clinton, NJ 08809

The Old Spokes Car Museum: 10399 Old Route 22, New Smithville (Kutztown), PA 19530

Emmaus Shopping Center (Lunch Stop - six places to eat): 1430 Chestnut Street, Emmaus, PA 18049

Dave's Interior Restorations: 525 Chestnut Street, Emmaus, PA 18049

Thank you for your Participation

*Abraham Platt, Event Chair*

*NJ Region Member #1524*

*Day of event mobile phone (732) 433-5319*

## Hillsborough Memorial Day weekend Parade May 28th

For this year's parade, Hillsborough Twp has once again asked us to coordinate their vintage vehicle segment. We continue to be fortunate in receiving a very generous donation and is a reflection of our participation and quality of vehicles overall.

While last year's MD parade was rained out two days in a row, we were lucky to be in the 250<sup>th</sup> Anniversary Parade last September. After this parade, we held a 'mini' car show with some success. This year, we will be in the parking lot behind the review stand at the municipal complex entrance with much more space available and within easy walking distance for the public. With more space available this year, we can stage all vehicles further apart. Conveniently, 'Porta-Johns' will be close by.

Registration is now open. Please see parade details at <https://njregionaaca.com/activities/>.

As this event is open to the public, kindly invite friends with 1997 or before vehicles.

Looking forward to hearing from everyone.

Bob Hudak

**(SAVE THE DATE)**  
**2022 Region Fall Foliage Tour**  
**Lukan's Farm Resort, Hawley, PA**  
**October 14-16, 2022**

**A**fter two years with COVID-19 headlines, which are hopefully fading away, I just wanted to let the membership know that there will be a Fall Foliage Tour this autumn! John at Lukans has advised that our 'normal weekend', right after Hershey, has been reserved, and I asked him to hold the above dates for our 12<sup>th</sup> annual visit. As local vacation venues have become very popular destinations recently, I was only able to reserve about half of the rooms for the Region.

Watch for more information about our reservations process and rates in future Road Map articles. So, there is no need to call Lukens to reserve your room at this time. But if you are interested, please drop Pete an email at [oldcarz57@aol.com](mailto:oldcarz57@aol.com) so we can start planning our excursions. Also mention any area attractions you would like to explore, or revisit. At this time, I'm thinking about the popular train ride again, hopefully its running all the way east, to Lackawaxan, and the Zane Gray Museum last visited 10+ years ago.

More details about the tour stops will be provided in a future article. We are looking forward to another interesting, if not relaxing, fall weekend with our fellow Region members!

*Pete Cullen and Anthony Cecala*  
*Fall Foliage Tour Co-Masters*

---

**69<sup>th</sup> Spring Meet – Take #3**  
**New Location: Lakeview Elementary School**  
**44 Cooper Road, Denville, NJ 07834**  
**Sunday, May 1<sup>st</sup> 2022 (Rain or Shine)**

**W**ell, since the Region luck at Mennen Arena did not seem to work out very well for holding successful Spring Meet car shows (Three very rainy show dates followed by two years of COVID-19 lockdowns), I searched for a new venue. After reviewing suggested sites made by several Region members, one looked to be the most promising. Sue Schmidt had some contacts in Denville through her association with an adjacent historic farm, and was able to obtain permissions from the local Board of Education for the use of a nice school parking lot!

The Spring Meet planning committee has been busy with preparations for the 3<sup>rd</sup> try at the "Region's 69<sup>th</sup> Annual Spring Judging Meet", which this year will take place on the Sunday before the Region's May monthly meeting. This means that we need to get our volunteer sheets filled up at the April Region Meeting! Volunteers are needed for everything from the registration table, to parking, to judging, and manning the Regions' membership tables. Sign-up sheets will be circulated at the April meeting so the planning committee can make staffing plans.

The registration form and show flyers have already been printed and will be distributed at the Gettysburg Annual Convention, printed in the Road Map, and posted on the Region's website for your use.

The registration fee has been moderately increased, but let me point out that if you preregister a car before the April 25<sup>th</sup> deadline, Region members can also preregister a 2<sup>nd</sup> vehicle at no cost (Do Not Judge category)! So, get a family member involved and let's see 'the other car' in your garage, even if it may not be quite ready for prime time!

And do not forget to self-nominate if eligible for any of the special Region Trophies listed in the box on the lower left of the registration flyer. Last time, we had several trophies that were not awarded due to lack of your own nominations!

Be sure to look for the article elsewhere in the Road Map promoting the award sponsorship opportunities available.

In the meantime, you have three weeks to get your cars ready for a great event at a new location!

*Pete Cullen, Jr.*  
*Spring Meet Chairman*

## AUTUMN OUTING DINNER/THEATRE RUN

Hunterdon Hills Playhouse

Lewis Black's Hilarious Broadway Comedy

"ONE SLIGHT HITCH"

**Date :** .....Sunday October 2, 2022

**Place:** .....Hunterdon Hills Playhouse

**Time:** .....1:30 P.M. Tailgate Party. Doors Open 2:15 P.M.

Reservations must be given to Hunterdon Hills Playhouse by August 13, 2022

Name: \_\_\_\_\_

Region Number: \_\_\_\_\_

Phone Number: \_\_\_\_\_

We will be selecting our entrees with Hunterdon Hills staff once we are seated. No need to give me a choice now.
